INDEPENDENT AUDITORS' REPORT

To the Plan Administrator, Participants and Beneficiaries
of the Toll Brothers 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Toll Brothers 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022 stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

"EisnerAmper" is the brand name under which EisnerAmper LLP and Eisner Advisory Group LLC provide professional services. EisnerAmper LLP and Eisner Advisory Group LLC are independently owned firms that practice in an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable law, regulations and professional standards. EisnerAmper LLP is a licensed CPA firm that provides attest services, and Eisner Advisory Group LLC and its subsidiary entities provide tax and business consulting services. Eisner Advisory Group LLC and its subsidiary entities are not licensed CPA firms.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) audit of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TOLL BROTHERS 401(k) SAVINGS PLAN

Notes to Financial Statements December 31, 2022 and 2021

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Toll Brothers 401(k) Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

[1] General:

The Plan was established in 1976 as a defined-contribution profit-sharing plan covering substantially all of the employees of Toll Brothers, Inc. (the “Company” or “Plan Sponsor”). The Plan contains a cash or deferred arrangement as defined in Internal Revenue Code (“IRC”) Section 401(k). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Prudential Bank & Trust, FSB (“Prudential B&T”) is the trustee of the Plan and Prudential Retirement is the recordkeeper of the Plan.

On April 1, 2022, Empower Annuity Insurance Company of America (“EAIC”), formerly known as Great-West Life & Annuity Insurance Company, the parent company of Empower Retirement, LLC (“Empower”) acquired the full-service retirement business of Prudential Financial Inc. In connection with the transaction EAIC acquired all shares of Prudential Retirement Insurance and Annuity Company and Prudential Bank & Trust, FSB. On October 3, 2022, Empower changed the name of the insurance company from Prudential Retirement Insurance and Annuity Company to Empower Annuity Insurance Company. On March 31, 2023, Prudential Bank & Trust, FSB merged into Empower Trust Company, LLC.

The Plan has adopted a non-standardized adoption agreement with a restatement effective date on January 3, 2022. All employees may make salary reduction contributions upon their hire date, or the date they attain the age of 21, if later, if regularly scheduled to work 20 hours a week or more. Participants are eligible for employer contributions upon their hire date, or the date they attain the age of 21, if later, if regularly scheduled to work 20 hours a week or more. To receive discretionary contributions, eligible employees must also be employed on the last day of the Plan year.

[2] Contributions:

The Plan provides for the following categories of contributions:

- a. *Salary reduction contributions* – Participants may elect to defer 1% to 90% of eligible compensation, as defined, not to exceed statutory limitations. Salary reduction contributions shall be limited as needed to meet nondiscrimination tests.
- b. *Catch-up contributions* – Participants who have attained age 50 or older before the end of the Plan year may elect to defer additional amounts to the Plan, subject to the federal limit set by law.
- c. *Matching contributions* – The Company may make a matching contribution for each participant equal to an amount determined by the Company. For 2022, the Company matched contributions for each eligible participant equal to \$0.50 for each \$1.00 deferred by the participant, up to 6% of the participant’s eligible compensation, for a maximum matching contribution equal to 3% of eligible compensation.
- d. *Qualified matching contributions* – The Company may contribute such additional amounts as it shall determine to be allocated to nonhighly-compensated employees who are employed on the last business day of the Plan year in the same proportion that the salary reduction contributions of each participant bear to the aggregate salary reduction contributions of all participants for such Plan year. For 2022, there were no such contributions made or approved by the Company.
- e. *Initial discretionary contributions* – The Company may, within its discretion, make an initial discretionary contribution to all eligible participants of the Plan. For 2022, the Company made an initial discretionary contribution of 1% of eligible compensation.

TOLL BROTHERS 401(k) SAVINGS PLAN

Notes to Financial Statements December 31, 2022 and 2021

NOTE A - DESCRIPTION OF THE PLAN (CONTINUED)

[2] Contributions: (continued)

- f. *Profit-sharing contributions* – The Company may determine, for each Plan year, an amount which shall be allocated to each eligible participant in the same proportion that his or her eligible compensation bears to the aggregate eligible compensation of all eligible participants for such Plan year. For 2022, there were no such contributions made or approved by the Company.
- g. *Qualified nonelective contributions* – The Company may determine, for each Plan year, an amount which shall be allocated to each eligible participant who is nonhighly-compensated in the same proportion that his or her compensation bears to the aggregate compensation of all eligible nonhighly-compensated participants for such Plan year. For 2022, there were no such contributions made or approved by the Company.
- h. *Rollover contributions* – A participant may make a rollover contribution to the Plan of all or any portion of the entire amount, which is an eligible rollover distribution from other defined-benefit or contribution plans.
- i. *After-tax Roth contributions* – Participants may make Roth contributions with after-tax dollars, not to exceed statutory limitations.

[3] Participant accounts:

The Plan provides for self-directed investment programs with a selection of mutual funds and pooled separate accounts. Although certain employer discretionary contributions are invested in employer stock, this option is no longer available for participants. Each participant's account is credited with the participant's contributions and allocations of (a) employer contributions, if any, and (b) Plan earnings (losses), and may be charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may change their investment options daily.

[4] Vesting:

Participants are immediately vested in their salary reduction contributions, catch-up contributions, rollover contributions, qualified matching contributions, qualified nonelective contributions and after-tax Roth contributions, plus actual earnings thereon.

Any amount not distributed because a participant is less than 100% vested is forfeited. Upon normal retirement age, disability or death, a participant (or the beneficiary of the participant) is paid his or her entire account balance in the Plan. Upon a distribution for any other reason, a participant receives only the vested portion of his or her account balance attributable to matching contributions, initial discretionary contributions and profit-sharing contributions and earnings thereon, according to his or her years of service as set out in the following table:

<u>Years of Service</u>	<u>Vesting</u>
Less than 1	0%
1 but less than 2	20%
2 but less than 3	40%
3 but less than 4	60%
4 but less than 5	80%
5 or more	100%

TOLL BROTHERS 401(k) SAVINGS PLAN

Notes to Financial Statements December 31, 2022 and 2021

NOTE A - DESCRIPTION OF THE PLAN (CONTINUED)

[5] Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balances, plus any accrued but unpaid interest. A participant may borrow from his or her fund account a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of the vested account balance. Loan terms range from one to five years; however, terms may exceed five years for the purchase of a primary residence. Each loan is secured by the balance in the participant's account and bears interest at a rate commensurate with local prevailing rates, as determined by the Plan administrator. Interest rates on outstanding loan balances range from 4.25% to 7.25% as of December 31, 2022 and from 4.25% to 6.50% as of December 31, 2021. In its sole discretion, the Plan administrator may require the additional security of assets outside of the Plan as it deems necessary. Principal and interest are paid ratably through payroll deductions or any such manner as the Plan administrator may determine. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document. Related fees are recorded as administrative expenses and are expensed as incurred.

[6] Payment of benefits:

Participants withdrawing from the Plan receive their vested balance by transfer to another qualified plan, transfer to an individual retirement account or distribution of a lump sum, which is subject to income tax withholding. Participants withdrawing from the Plan may elect to receive their vested balance in the form of monthly, quarterly, or annual installments paid over any period of time, which may be subject to income tax withholding. Participants who hold investments in employer stock may elect to receive all or a portion of the employer stock held in their participant account in cash or by transfer in kind in accordance with procedures established by the Plan administrator.

[7] Forfeited amounts:

Forfeited nonvested amounts may be used to reduce future employer contributions and pay Plan expenses. During the year ended December 31, 2022, forfeitures of approximately \$612,000 were used to reduce employer contributions. Forfeited nonvested accounts available as of December 31, 2022 and 2021 were approximately \$796,000 and \$555,000, respectively.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

[1] Basis of accounting:

The financial statements are prepared on the accrual method of accounting.

[2] Investment valuation and income recognition:

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net realized/unrealized depreciation in fair value of investments includes the Plan's realized and unrealized gains and losses on investments bought and sold as well as held during the year.

TOLL BROTHERS 401(k) SAVINGS PLAN

Notes to Financial Statements December 31, 2022 and 2021

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

[3] Payment of benefits:

Benefits are recorded when paid.

[4] Plan expenses:

Certain expenses incurred in connection with the administration of the Plan are paid by the Company and certain Plan expenses are paid by the Plan. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net depreciation of fair value of investments.

[5] Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and when applicable, disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

NOTE C - INVESTMENT CERTIFICATION

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Prudential Bank & Trust, FSB and Empower Annuity Insurance Company, as of and for the year ended December 31, 2022 and Prudential Bank and Trust, FSB and Prudential Retirement Insurance and Annuity Company, as of December 31, 2021 have certified to the completeness and accuracy of all investments and related investment activity and notes receivable from participants and related activity in the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021, the statement of changes in net assets available for benefits for the year ended December 31, 2022 and the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2022.

NOTE D - FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board's ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include: (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in inactive markets; (c) inputs other than quoted prices that are observable for the asset or liability; or (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

TOLL BROTHERS 401(k) SAVINGS PLAN

Notes to Financial Statements December 31, 2022 and 2021

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investment assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 or 2021.

Registered investment companies – Valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.

Pooled separate accounts – Valued at NAV, as a practical expedient, based on the market value of the underlying investments. The NAV is not a publicly-quoted price in an active market. The pooled separate accounts are comprised of a wide variety of underlying investments such as stocks and bonds. These accounts may be redeemed daily; however, transfers and distributions may be deferred for up to 30 days if there is negative cash flow. The investment strategies of the pooled separate accounts are balanced. There were no redemptions or restrictions noted for these investments.

Employer common stock – Valued at the closing price reported on the active market on which the individual security is traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2022 and 2021:

(A) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Changes in fair value levels:

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another.

NOTE E - PLAN CONTRIBUTIONS

For the Plan year ended December 31, 2022, the Company's initial discretionary contribution was \$4,979,200 (net of forfeitures allocated of approximately \$300,000) and there were employer matching contributions of \$12,118,490 (net of forfeitures allocated of approximately \$480,000). Salary reduction contributions to the Plan (deferred at the election of the participants) were \$31,267,761 and after-tax Roth contributions were \$5,312,667. Rollover contributions were \$4,546,936. There was no profit-sharing contribution for the Plan year ended December 31, 2022.

NOTE F - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain investments are managed by Prudential Investments, an affiliate of Prudential B&T and Prudential ICA. Therefore, transactions related to these investments qualify as party-in-interest transactions.

The Plan paid certain expenses related to Plan operations and investment activity to various service providers. These transactions are party-in-interest transactions. Fees paid by the Plan were \$227,920 for the year ended December 31, 2022.

TOLL BROTHERS 401(k) SAVINGS PLAN

Notes to Financial Statements December 31, 2022 and 2021

NOTE F - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS (CONTINUED)

The trustee provides certain administrative services to the Plan and receives revenue from mutual fund providers for services the trustee provides to the funds. This revenue is used to offset certain amounts owed to the trustee for its administrative services to the Plan. If the revenue received by the trustee from such mutual fund service providers exceeds the amounts owed the trustee remits the excess to the Plan pursuant to the service agreement. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2022, approximately \$427,000 was received from the trustee and is reflected as in net realized/unrealized depreciation in fair value of investments in the statement of changes in net assets available for benefits. As of December 31, 2022 and 2021, the ERISA account balance was approximately \$335,000 and \$185,000, respectively. During 2022, approximately \$99,000 was used to pay Plan expenses and approximately \$185,000 was allocated to participants' accounts.

Toll Brothers, Inc. is the Plan sponsor and the Plan administrator; therefore, Toll Brothers, Inc.'s common stock transactions qualify as party-in-interest transactions.

NOTE G - TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated September 22, 2022 that the Plan was qualified under the IRC and, therefore, the related trust was exempt from taxation. Thus, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

NOTE H - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE I - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks, as well as risks related to the financial strength of the insurance company. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Volatility in the financial market may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of the investments as of December 31, 2022 may not necessarily be indicative of amounts that could be realized in a current market exchange.

Notes to Financial Statements December 31, 2022 and 2021

NOTE J - REGISTERED INVESTMENT COMPANY FEES

Certain investments in registered investment companies are subject to sales charges in the form of front-end loads, back-end loads or 12b-1 fees. 12b-1 fees are ongoing fees allowable under Section 12b-1 of the Investment Company Act of 1940. These annual fees are used to pay for marketing and distribution costs of the funds. These fees are deducted prior to the allocation of the Plan's investment earnings activity, and thus not separately identifiable as an expense.

NOTE K - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 13, 2023, which is the date the financial statements were available to be issued.
