Independent Auditors' Report

To the Trustees of the
First Texas Homes, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of First Texas Homes, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section.

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

INAA GROUP
INTERNATIONAL ASSOCIATION OF ACCOUNTANTS AND AUDITORS

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule Form 5500, Schedule H, Part IV, Line 4i, Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FIRST TEXAS HOMES, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of the First Texas Homes, Inc. 401(k) Plan (the Plan) provides only general information. The Plan is sponsored by First Texas Homes, Inc. (the Plan Sponsor). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, established on January 1, 1998, as amended from time to time, covering all employees of the Plan Sponsor, except sales assistants. Employees are eligible to participate after completing six months of service and having attained the age of 21. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA), as well as all provisions of the federal income tax laws.

The Trustees of the Plan are responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Trustees of the Plan.

Contributions

Each year, participants may make tax-deferred contributions to the Plan not to exceed the amount deductible for federal income tax purposes. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan Sponsor has the option to make discretionary matching and profit sharing contributions to the Plan from time to time as determined by the Plan Sponsor. During the year ended December 31, 2022, the Plan Sponsor funded the discretionary matching contribution to the Plan, which related to the 2021 plan year, of $271,474. Additionally, the Plan accrued a discretionary matching contribution as of December 31, 2022, totaling $394,485, which was funded in 2023. Contributions are subject to Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's tax-deferred contributions and employer contributions (if any), as well as allocations of the Plan Sponsor's profit-sharing contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF PLAN (continued)

Vesting

Participants are immediately vested in their deferred salary contributions, rollover contributions from other plans and actual earnings thereon. Vesting in the Plan Sponsor's matching contributions and profit-sharing contributions (if any) of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested upon retirement, permanent disability, death or reaching age 65 while employed by the Plan Sponsor. If a participant separates from the employment of the Plan Sponsor for any other reason, a participant shall be vested based upon the following schedule:

Year(s) of Vesting Service	Percentage Vested
Less than 1 year	0%
1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 or more years	100%

Notes Receivable from Participants

Participants may borrow against their vested account balances a minimum of $1,000 up to a maximum amount equal to the lesser of 50% of their vested account balance or $50,000. The loans, in the form of promissory notes (Note 2), are secured by the balances in the participant's account, and bear interest at reasonable rates, which are commensurate with local prevailing rates as determined by the plan administrator. Two loans per participant may be outstanding at any one time. Principal and interest on notes receivable from participants are repaid through payroll deductions.

Payment of Benefits

Distributions from the Plan will be made in one lump-sum payment in cash equal to the value of the participant's vested interest in his or her account balance. If a participant's vested benefit in the Plan exceeds $5,000, the participant must consent to the distribution before it may be made. If the participant's vested interest does not exceed $5,000, then the participant's benefit will be distributed in a lump-sum as soon as practicable following the event that led to the participant being entitled to a distribution.

Forfeited Accounts

At December 31, 2022 and 2021, there were $6,180 and $4,054, respectively, of unallocated forfeitures available to reduce future employer contributions. These accounts may be used to reduce the employer's matching contribution to the Plan. During the years ended December 31, 2022 and 2021, forfeitures of $18 and $0 were used to reduce employer matching contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for the Plan's only fully-benefit responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the gains and losses on the Plan's investments bought and sold as well as those held during the year.

Notes Receivable from Participants

Notes receivable from participants (Note 1) are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are earned. No allowance for credit losses have been recorded as of December 31, 2022 and 2021. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Expenses

It is the philosophy of the Plan Sponsor to absorb and pay most Plan administration expenses such as audit fees and other administrative costs so as not to decrease Plan assets. Any fee or expense paid, directly or indirectly, by the Plan Sponsor is not considered a contribution to the Plan, provided the fee or the expense relates to the ordinary and necessary administration of the Plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

During the year ended December 31, 2022, the Plan incurred administrative fees of $11,645. These charges are reflected in the accompanying statement of changes in net assets available for benefits.

Recent Accounting Pronouncements

During the year ended December 31, 2022 and through October 3, 2023, there were several new accounting pronouncements issued by the Financial Accounting Standards Board (FASB). Each of these pronouncements, as applicable, has been or will be adopted by the Plan. Management does not believe the adoption of any of these accounting pronouncements has had or will have a material impact on the Plan's financial statements.

Subsequent Events

In preparing the financial statements, the Plan's management has reviewed, as determined necessary by the Plan's management, events that have occurred after December 31, 2022, up until the issuance of the financial statements, which occurred on October 3, 2023.

3. FAIR VALUE MEASUREMENTS

Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

The three levels of the fair value hierarchy under ASC Topic 820 are described as follows:

Level 1: Valuations based on unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2: Valuations based on quoted prices in markets that are not active, or financial instruments for which all significant inputs are observable; either directly or indirectly; and

Level 3: Valuations based on prices or valuation techniques that require inputs that are both significant to the fair value measurement and unobservable; thus, reflecting assumptions about the market participants.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled separate accounts: Valued at the net asset value ("NAV") of units held by the Plan at year end.

3. FAIR VALUE MEASUREMENTS (continued)

December 31, 2022	Quoted Prices In Active Markets for Identical Assets (Level 1) Inputs	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Total assets	$ -	$ -	$ -	$ -
Pooled separate accounts*				6,999,073
				$6,999,073

December 31, 2021	Quoted Prices In Active Markets for Identical Assets (Level 1) Inputs	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Total assets	$ -	$ -	$ -	$ -
Pooled separate accounts*				8,542,147
				$8,542,147

*These investments are valued using a net asset value as a practical expedient, and therefore have not been classified in the fair value hierarchy.

4. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan entered into a fully benefit-responsive investment contract with Voya Retirement Insurance and Annuity Company (Voya) totaling $1,217,131 and $980,981 at December 31, 2022 and 2021, respectively.

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

4. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT (continued)

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

- The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code
- Premature termination of the contracts
- Plan termination or merger
- Changes to the Plan's prohibition on competing investment options
- Bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

- An uncured violation of the Plan's investment guidelines
- A breach of a material obligation under the contract
- A material misrepresentation
- A material amendment to the agreements without the consent of the issuer.

5. RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Continental Benefits Group, Inc. and Cook Financial Services were the Plan's third-party administrator and investment broker, respectively, during the year ended December 31, 2022 and therefore any transactions with the Plan qualify as party-in-interest transactions.

Voya, the Plan's custodian and recordkeeper, provides certain administrative services to the Plan pursuant to a contract between the Plan Sponsor and Voya. Voya receives revenue from mutual fund service providers for services it provides to the funds. This revenue is used to offset certain amounts owed to Voya for its administrative services to the Plan.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their employer contributions.

7. TAX STATUS

The Plan, as originally drafted, is a Prototype Non-Standardized Profit Sharing Plan with Cash or Deferred Arrangement. The IRS has determined and informed the Plan Sponsor of the prototype plan by a letter dated September 30, 2014, that the Plan is designed in accordance with the applicable sections of the Internal Revenue Code (IRC). However, a determination letter from the Internal Revenue Service has not yet been requested by the Plan Sponsor to determine if the Plan as amended was designed in accordance with applicable sections of the IRC. The Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and ERISA and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the financial statements.

It is not possible at this time to reasonably estimate the possible loss or range of loss, if any. The Plan further cautions that it is not possible to list such factors, and one should not consider the identified factors as a complete list of all risks and uncertainties.

9. INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN (UNAUDITED)

As of December 31, 2022 and 2021 and for the year ended December 31, 2021, the Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the auditors to not perform any auditing procedures with respect to the information certified by the custodian of the Plan as of December 31, 2022 and 2021 and for the year ended December 31, 2021, except for comparing such information with the related information included in the accompanying financial statements and supplemental schedule.

9. INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN (UNAUDITED) (continued)

The following information was obtained from data that has been prepared and certified to as complete and accurate by the custodian of the Plan, as of December 31, 2022 and 2021 and for the year ended December 31, 2022:

	2022	2021

Your Vision Our Focus

October 3, 2023

To the Trustees of the
First Texas Homes, Inc. 401(k) Plan
500 Crescent Court, Suite 350
Dallas, Texas 75201

We have conducted an ERISA Section 103(a)(3)(C) audit of the financial statements of First Texas Homes, Inc. 401(k) Plan (the Plan) as of and for the year ended December 31, 2022 and 2021 and have issued our report thereon dated October 3, 2023. Professional standards require that we advise you of the following information related to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated May 21, 2023, our responsibility, as described by professional standards, is to conduct our audit in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of accounting principles generally accepted in the United States of America (GAAP). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of First Texas Homes, Inc. 401(k) Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

INAA GROUP
INTERNATIONAL ASSOCIATION OF ACCOUNTANTS AND AUDITORS

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you in our engagement letter dated May 21, 2023. During the performance of our audit, there were no significant changes to our audit scope. The nature and timing of the procedures we anticipated performing and the completion of our audit.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate, our firm, and our network firms have complied with all relevant ethical requirements regarding independence.

Auditing standards generally accepted in the United States of America require that we communicate at least annually with you regarding all relationships between our firm and the Plan and those in financial reporting oversight roles within the Plan that may reasonably be thought to bear on our independence. We are not aware of any relationships between our firm and the Plan that may reasonably be thought to bear on our independence. During 2022, we assisted in the preparation of the Plan's financial statements and footnotes.

We do not believe these additional services impacted our independence. We did not provide any other non-audit related services, which might impact or bear on our independence. Furthermore, we confirm to you that during the year ended December 31, 2022 and through the date of this letter, we have been and remain independent with respect to the Plan.

Significant Risks Identified

A significant risk is an identified and assessed risk of material misstatement that in the auditor's judgment, requires special audit consideration. During our audit planning process, we identified the following areas as having an increased level of risk for financial reporting.

a. Presumed significant risk of management override of controls.

b. Presumed significant risk of fraud in revenue recognition. We identified whether employee contributions had been properly recognized in accordance with generally accepted accounting principles, whether employee and employer contributions and plan compensation has been calculated and allocated correctly, and whether contributions are timely remitted in accordance with DOL rules and regulations.

Qualitative Aspects of the Plan's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Plan is included in Note 2 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during 2022. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments. During the year ended December 31, 2022, management did not make any significant estimates or judgments throughout the normal course of the Plan's operations.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting First Texas Homes, Inc. 401(k) Plan's financial statements relate to fair value estimates included in Note 3 to the financial statements.

During the year ended December 31, 2022, there were no new accounting pronouncements issued by the various organizations that promulgate accounting standards.

Significant Unusual Transactions

For purposes of this communication, professional standards require us to communicate to you significant unusual transactions identified during our audit. We did not encounter any significant unusual transactions during our audit.

Identified or Suspected Fraud

We have not identified or have obtained information that fraud may have occurred.

Significant Difficulties Encountered during the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Corrected and Uncorrected Misstatements

For purposes of this communication, professional standards also require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements, there were no uncorrected misstatements.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to First Texas Homes, Inc. 401(k) Plan's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

Circumstances that Affect the Form and Content of the Auditor's Report

For purposes of this letter, professional standards require that we communicate any circumstances that affect the form and content of our auditor's report. No such circumstances were noted.

Representations Requested from Management

We have requested certain representations from management in writing dated October 3, 2023. A copy of these representations, commonly referred to as a 'management representation letter', was previously provided to you. We would be pleased to discuss with you any of the specific representations made by management during our audit.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with First Texas Homes, Inc. 401(k) Plan, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, significant events or transactions that occurred during the year, business conditions affecting the plan, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as First Texas Homes, Inc. 401(k) Plan's auditors.

Other Matters

The ERISA-required supplemental schedule was subjected to the audit procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

Internal Controls

As part of our audit we considered the internal control of the Plan. Such considerations were solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

The following observations were noted during the course of our audit with our recommendations included:

Plan Minutes

Observation
During our audit procedures we ascertained that although the Plan is reviewed annually, there are no formal minutes maintained for actions taken by the Trustees.

Recommendation
With the significant number of investment failures within benefit plans, the complexity of investment alternatives, and the complexity of the tax laws covering the qualifications of the Plan and fiduciary responsibilities of the Trustees, it is important that the Trustees adequately document the due diligence they exercise over operations of the Plan, including selection of an investment policy and investment alternatives to offer participants who defer their earnings into the Plan's investments, and monitoring investment performance against the Plan's objectives.

This report is intended solely for the information and use of the Management of the Plan and is not intended to be and should not be used by anyone other than these specified party. Although this letter is not intended to require a response from you, we would be pleased to discuss any questions or comments you may have concerning any of the above matters.
