INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
SMS Assist, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of SMS Assist, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ["ERISA Section 103(a)(3)(C) audit"]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets held at end of year at December 31, 2022 and delinquent participant contributions as of December 31, 2022 and 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SMS ASSIST, LLC 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN

The following description of the SMS Assist, LLC 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General. The Plan is a defined contribution plan covering substantially all employees of SMS Assist, LLC and its affiliates in the controlled group (collectively the “Employer”) who have completed 30 days of service and have attained the age of twenty-one. An employee may begin participating in the Plan once they are eligible and reach their entry date. An employee’s entry date will be the first day of the month following the date they satisfy the Plan’s eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended. In March 2022, the Plan was restated to incorporate legislative updates to maintain a tax qualified status.

Contributions. Participants may elect to make Pre-Tax and Roth contributions of eligible annual compensation, as defined in the Plan, subject to maximum amounts established by the Internal Revenue Code (“IRC”). The Employer may make discretionary matching contributions equal to a uniform percentage of an eligible employee’s salary deferrals, a percentage that is determined each year. The Employer may also make discretionary profit-sharing contributions in addition to the matching contributions. Once eligibility criteria are met, participants are automatically enrolled in the Plan with a default pre-tax contribution percentage of 3% unless they affirmatively elect otherwise.

The Employer elected to make a matching contribution equal to 50% of participant elective deferral contributions up to 8.00% of eligible compensation.

The Employer did not elect to make any profit-sharing contributions for the year ended December 31, 2022.

Participant Accounts. Each participant’s self-directed account is credited with the participant’s contribution and, when applicable, the Employer discretionary matching contribution and profit-sharing contribution. Earnings are based on the performance of specific mutual funds chosen by each participant. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Investment Options. Each participant may direct their contributions among one or more funds subject to the allocation limitations set forth in the Plan. Changes in allocation of future contributions and transfers among funds of presently invested contributions are permitted pursuant to the Plan provisions.

Vesting. Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in Employer matching contributions and profit-sharing contributions is based upon years of continuous service. A participant is fully vested in these contributions after completion of four years of service.

Notes Receivable from Participants. Participants may borrow from their Plan accounts up to \$50,000 or 50% of their vested balance, whichever is less. A loan is secured by the balance in the participant’s account and bears interest at commercially reasonable rates, as determined by the Plan’s administrator (“Plan Administrator”) at the time of the loan. Loan payments are due at least quarterly through payroll deductions over a term not to exceed five years, unless loans are used for the purchase of a primary residence.

Payments of Benefits. Upon retirement, disability, death, or termination of service, a participant is eligible to receive a lump-sum equal to the value of the vested interest in his or her account. Other withdrawals from participant’s account balances may be made under certain circumstances, as defined in the Plan document.

Forfeitures. There were forfeited nonvested account balance of \$284,014 and \$123,874 as of December 31, 2022 and 2021, respectively. Forfeitures from non-vested participant accounts are used to pay administrative expenses or reduce future Employer contributions. For the year ended December 31, 2022, the Plan used \$271,605 of forfeitures to pay Plan expenses and reduce Employer contributions.

NOTE 1 – DESCRIPTION OF PLAN (Concluded)

Recent Legislation. The SECURE Act 2.0 was signed into law on December 23, 2022. The SECURE Act 2.0 allows more part-time workers to participate, increases the age for required minimum distributions and reduces the penalty for missed minimum distributions, permits plan participants to elect to receive vested employer contributions on an after-tax basis, and allows penalty free withdrawal for terminal illness, effective January 1, 2023. Additionally, it will allow for higher catch-up contributions, allow for matching contributions on student loan payments, permit plan sponsors to add an emergency savings account to their retirement plans, increase the availability of penalty-free withdrawals, and add automatic enrollment error relief provisions, effective January 1, 2024.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Concentration of Credit Risk. Substantially all of the Plan's assets were held by Delaware Charter Guarantee and Trust company d/b/a Principal Trust Company ("Principal"). Principal is referred to herein as the "Trustee" and is a qualified institution pursuant to ERISA.

Basis of Accounting. The financial statements are prepared on the accrual basis of accounting.

Estimates and Assumptions. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates. Future events and their effects cannot be predicted with certainty; accordingly, accounting estimates require the exercise of judgment. Accounting estimates used in the preparation of these financial statements change as new events occur, as more experience is acquired, as additional information is obtained, and as the operating environment changes.

Investment Valuation and Income Recognition. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of Benefits. Benefits are recorded when paid.

Administrative Expenses. Certain administrative expenses, including functions performed by officers or employees of the Employer, are provided by the Employer at no charge to the Plan, and the Employer has no plans to obtain reimbursement of these expenses from the Plan.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Concluded)

Recent Accounting Pronouncements. In June 2016, Financial Accounting Standards Board (“FASB”) issued Accounting Standards Update (“ASU”) 2016-13, *Financial Instruments-Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, to revise the criteria for the measurement, recognition, and reporting of credit losses on financial instruments to be recognized when expected. This update is effective for fiscal years beginning after December 15, 2022, with early adoption permitted. Management is currently evaluating this standard.

NOTE 3 – INFORMATION CERTIFIED BY THE PLAN’S TRUSTEE

The following is a summary of the unaudited information regarding the Plan, included in the Plan’s financial statements and supplemental schedule that was prepared by the Trustee and furnished to the Plan Administrator . The Plan Administrator has obtained certifications from the Trustee that such information is complete and accurate:

- Investments and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2022 and 2021.
- Investment income and interest on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022.
- Note 4: All investment balances.
- All information in the accompanying schedule of assets held at end of year.

NOTE 4 – FAIR VALUE MEASUREMENTS

FASB *Accounting Standards Codification (“ASC”) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1. Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2. Inputs to the valuation methodology include the following:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3. Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

Mutual Funds. Valued at quoted market prices.

Collective Investment Trusts (“CITs”). Accounts that invest exclusively in CITs that invest in underlying insurance contracts are valued at the net asset value (“NAV”) of the underlying insurance contracts. The NAV is used as a practical expedient to estimate fair value. Those accounts directly investing in fixed maturity securities are measured based on the pricing date provided by outside valuation service providers who in turn generally use the mean of bid and ask prices but may also use alternative observable pricing inputs for certain securities.

Stable Value Fund. A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the NAV of units of the bank collective trust. NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months’ notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2022 and 2021. Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement:

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,344,804	\$ -	\$ -	\$ 3,344,804

NOTE 4 – FAIR VALUE MEASUREMENTS (Concluded)

Investments Measured Using the Net Asset Value per Share Practical Expedient. The following tables summarize investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	December 31, 2022	December 31, 2021	Unfunded Commitments	Redemption Frequency	Notice Period
Collective Investment Trusts	\$ 16,313,064	\$ 14,001,364	N/A	Daily	1 year
Stable Value Fund	271,524	222,023	N/A	Daily	1 year
	<u>\$ 16,584,588</u>	<u>\$ 14,223,387</u>			

NOTE 5 – PLAN TERMINATION

The Employer was acquired in January 2023 and expects to merge the Plan with the acquiree's plan. The Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts.

NOTE 6 – INCOME TAX STATUS

On June 30, 2020, the IRS stated that the prototype adopted by the Plan, as then designed, qualifies under IRC Section 401(a). The Plan has not received a determination letter specific to the Plan itself; however, the Plan Administrator and the Plan's tax counsel believe that the Plan was designed and was being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 7 – DELINQUENT CONTRIBUTIONS

During the years ended December 31, 2022 and 2021, the Employer inadvertently failed to deposit participant contributions of \$1,275 and \$164, respectively, to the Plan timely. The Employer self-corrected these contributions during 2022.

NOTE 8 – EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Principal Funds, Inc., an entity under common control with Principal. Principal is the Trustee as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund.

SMS ASSIST, LLC 401(k) PLAN**NOTES TO THE FINANCIAL STATEMENTS****NOTE 9 – RISKS AND UNCERTAINTIES**

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 10 – SUBSEQUENT EVENTS

Management has evaluated all known subsequent events from December 31, 2022 through October 2, 2023, the date the accompanying financial statements were available to be issued, and is not aware of any material subsequent events occurring during this period that have not been disclosed in the notes to the financial statements.
