Independent Auditor's Report

To the Plan Administrator of
Onder Law, LLC Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of Onder Law, LLC Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to financial statements (2022 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022 stating that the certified investment information, as described in the Information Certified by the Plan Trustee footnote to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section below:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section below. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements section above, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2022 Supplemental Schedule Required by ERISA

The supplemental schedule of Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ONDER LAW, LLC PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2022

1. DESCRIPTION OF PLAN

The following description of Onder Law, LLC Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the *Summary Plan Description* for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Onder Law, LLC (the Company or the Sponsor). Employees become eligible to participate in elective deferrals and Safe Harbor matching contributions under the Plan upon reaching 18 years of age and completing 90 days of service with the Company, or completing 1,000 hours of service in an Eligibility Computation Period, provided that the employee is an Eligible Employee at the end of that period. For non-elective contributions employees become eligible on the a) first day of the first month of the Plan Year or b) first day of the seventh month of the Plan Year coincident with or next following the date the employee attains age 18 and completes one year of Eligibility Service, provided that the employee is an Eligible Employee on that date.

The original effective date of the Plan was January 1, 2003. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute up to 100% of their compensation to the Plan on a pre-tax or after-tax basis subject to certain IRS limitations. Participants who attain age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan also allows for non-elective contributions as determined by the Company's Board of Directors. Participants are eligible for non-elective contributions if they have completed at least 500 hours of service during the Applicable Period, or are employed by the Company on the last day of the Applicable Period.

The Company will contribute a matching contribution to the participants Safe Harbor Matching Contribution Account in an amount equal to 100% of the Matched Employee Contributions that are not in excess of 4% of employee Plan Compensation. Matching contributions will be allocated to the Safe Harbor Matching Contribution Accounts of Participants as soon as administratively feasible after the end of the Plan Year.

Participants Accounts

Each participant's account is credited with the participant's contribution and an allocation of safe harbor contributions and non-elective contributions, if applicable. Each participant's account is charged with participant driven expenses including distribution and loan administration fees. The benefit to which a participant is entitled is the amount that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and the Company's safe harbor matching contribution plus actual earnings thereon. Vesting in any Company non-elective contributions is based on years of continuous service with 25% vesting each year over a four-year period. A participant is 100% vested in this portion of his or her account after four years of vesting service. Upon reaching normal retirement age, disability or death, a participant becomes 100% vested. A year of vesting service for vesting purposes is any Plan year during which a participant works at least 1,000 hours.

ONDER LAW, LLC PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2022

Notes Receivable from Participants

Participants are allowed to borrow money from their vested account; however, they must repay these amounts with interest on an after-tax basis. A participant may have a maximum of two notes receivable outstanding and may borrow the lesser of 50% of their vested account balance or \$50,000. The notes receivable are secured by the balance in the participant's account and bear a reasonable rate of interest as determined by the Plan administrator. Principal and interest are payable through payroll deductions.

Participant Hardship Withdrawals

Participants who are active employees may receive distributions for undue financial hardship in accordance with requirements as outlined in the *Summary Plan Description*.

Payment of Benefits

Retirement benefits are payable upon reaching the normal retirement age of 59-1/2. Upon termination of service due to death, disability, retirement or termination of employment, the participant or designated beneficiary will receive the value of the vested interest in his or her account in the form of a lump-sum payment. In addition to the normal form of payment, distributions from the Plan after termination of employment (for reasons other than death) may be made as a partial withdrawal.

Forfeited Accounts

Forfeitures arising from past Company non-elective contributions shall be used to restore forfeitures, reduce Employer contributions, reallocate as Employer contributions made pursuant to the Plan Document, or to pay reasonable Plan expenses to the extent specified in the Adoption Agreement. Forfeitures cannot be used as Elective Deferrals. Any such disposition of forfeitures from a Participant's Account shall be made no later than the end of the Plan Year following the Plan Year during which the forfeiture occurred. There were no unallocated forfeitures during 2022. No forfeitures were allocated to active participants or terminated participants for the year ended December 31, 2022.

Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared using the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP).

Investments

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and in the principal and most advantageous market for the asset or liability. Refer to the "Fair Value Measurements" footnote below for further information.

ONDER LAW, LLC PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2022

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Accordingly, actual results may differ from those estimates.

Plan Tax Status

The Plan Sponsor adopted a Non-Standardized Pre-Approved Profit Sharing Plan with CODA which obtained a favorable opinion letter dated December 31, 2018, in which the Internal Revenue Service (IRS) stated the form of the Plan was acceptable under the applicable requirements of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees. The Plan has not received a determination specific to the Plan itself. However, the Plan Sponsor believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

GAAP requires Plan management to evaluate tax positions taken and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by applicable authorities. The Plan is subject to routine audits by the taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Sponsor believes it is no longer subject to income tax examinations for the years prior to 2019.

Payments of Benefits

Benefit payments to participants are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the *Summary Plan Description*.

Administrative Expenses

Expenses incurred in the administration of the Plan are paid via service fee income generated by the Plan.

3. FAIR VALUE MEASUREMENTS

Included in the financial statements are certain financial instruments carried at fair value. The fair value of an asset is the amount at which the asset could be bought or sold in a current transaction between willing parties, that is, other than in a forced liquidation sale. The fair value of a liability is the amount at which that liability could be incurred or settled in a current transaction between willing parties, that is, other than in a forced or liquidation sale. FASB ASC 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

ONDER LAW, LLC PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2022

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets and liabilities in active markets accessible at the measurement date.

- Level 2 Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and other inputs that are observable or can be corroborated by market data for the term of the instrument. Such inputs include market rates and volatilities, spreads and yield curves. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Certain inputs are unobservable (supported by little or no market activity) and significant to the fair value measurement. Unobservable inputs reflect the Plan's best estimate of what hypothetical market participants would use to determine a transaction price for the asset or liability at the reporting date.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022.

Mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year-end. Collective investment trust funds are valued based on NAV as a practical expedient.

The methodologies described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets measured at fair value on a recurring basis as of December 31, 2022:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 929,959	\$ -	\$ -	\$ 929,959
Collective investment trust funds	921,577	-	-	921,577
Total investments at fair value	<u>\$ 1,851,536</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,851,536</u>
