INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
HOSPITAL GENERAL CASTAÑER RETIREMENT PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform an audit of the financial statements of **HOSPITAL GENERAL CASTAÑER RETIREMENT PLAN**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of **HOSPITAL GENERAL CASTAÑER RETIREMENT PLAN** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

The plan administrator has obtained a certification from the custodian as of and for the year ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the financial statements of **HOSPITAL GENERAL CASTAÑER RETIREMENT PLAN** referred to in the first paragraph. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

INDEPENDENT AUDITOR'S REPORT, (Continued)

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Benefit Plans Administrative Services, Inc., its affiliates and divisions, the custodian of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investments transactions. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **HOSPITAL GENERAL CASTAÑER RETIREMENT PLAN** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of **HOSPITAL GENERAL CASTAÑER RETIREMENT PLAN** financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of **HOSPITAL GENERAL CASTAÑER RETIREMENT PLAN** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

INDEPENDENT AUDITOR'S REPORT, (Continued)

HOSPITAL GENERAL CASTAÑER RETIREMENT PLAN

Notes to Financial Statements

December 31, 2022 and 2021

1. DESCRIPTION OF PLAN

The following description of the Hospital General de Castañer, Inc. ("Organization") **HOSPITAL GENERAL CASTAÑER RETIREMENT PLAN** ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution originally adopted on January 1, 2021. The plan covers all full-time employees of the Sponsor, except union employees, who are residents of Puerto Rico, have one (1) year of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and the Puerto Rico Internal Revenue Code of 2011, as amended ("PRIRC 2011").

Contributions

Each year, participants may elect to make contributions subject to the deferral amount limitations established under Puerto Rico Internal Revenue Code of 2011, as amended ("PRIRC 2011") and any limit defined in the Plan. Annual deferral amount under PRIRC 2011 is \$15,000 for the taxable years ended December 31, 2022, and 2021. Participants may contribute up to the lesser of 10% of pre-tax or \$15,000 and up to 10% of after-tax voluntary contributions of their annual compensation before bonuses. Participants who have attained age 50 before the end of the Plan year are eligible to make an additional \$1,500 catch-up contribution after contributing the Plan limit of their \$15,000 of their pre-tax annual compensation. Participants are authorized to make rollover contributions.

For the year ended December 31, 2022, and 2021 except for catch-up and voluntary contribution, the Sponsor contributes 25% of participants' contributions.

Participant Accounts

Each participant's individual account is credited with the participant's contribution, other voluntary contributions, transfers from other qualified plans, and allocations of (a) Sponsor's contribution, and (b) Plan's earnings (loses), (c) forfeitures of terminated participants' nonvested accounts and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Sponsor's contribution portion on their accounts is based on years of continuous service. A participant is 100% vested after three (3) completed years of credited service.

1. DESCRIPTION OF PLAN – (CONTINUED)

Under certain cases of immediate and heavy financial need, participants, while still employed by the Sponsor, are permitted to withdraw only from salary deferrals accounts, portion of their account balance up to amount necessary to satisfy the financial need. A Participant's right to make contributions as permitted under PRIRC making a hardship withdrawal from the Plan will be suspended for a period of twelve (12) months following the date of said withdrawal.

Excess Contributions

Amounts payable to participants for contributions in excess of amounts allowed by the PRIRC 2011 are recorded as accounts payable, with a corresponding reduction to contributions. There were no excess contributions for the years ended December 31, 2022, and 2021.

Forfeited Accounts

As of December 31, 2022, and 2021 forfeited non-vested accounts had zero balance. At its discretion, the Sponsor will apply forfeitures accounts to reduce Sponsor's contributions or to reduce Plan expenses, and any remaining balance shall be used to reduce the Sponsor's contributions in the next succeeding plan year(s).

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting. Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (CONTINUED)

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities at the date of financial statements and the reported amounts of additions and deductions to net assets during the reporting period. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payments of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Organization and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments. Administrative expenses of the Plan are allocated to participant accounts.

Reclassification

Certain reclassifications have been made to the prior year financial statements in order to conform with the current year presentation.

Date of Management's Review

The Plan Administrator evaluated subsequent events through October 10, 2023, which is the date the financial statements were available to be issued.

3. INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

For the year ended December 31, 2022, and 2021 Fidelity Investments and its affiliates and division, as the custodian of the Plan, has provided and certified all information included in the financial statements related to investments of the Plan held at year-end, all changes in assets during the year and all investment transactions included in the schedules of assets held for investment purposes, assets acquired and disposed and of reportable transactions.

The following information included in the accompanying financial statements and supplemental schedules were obtained from data that has been prepared and certified to as complete and accurate by the custodian:

- Investments, as shown in the statements of net assets available for benefits as of December 31, 2022.
- Investment income (loss), as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2022.
-
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2022.
- Schedule H, line 4j - schedule of reportable transactions as of December 31, 2022.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

4. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature (FASB ASC 820, *Fair Value Measurement*) establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1), and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

Notes to Financial Statements

4. FAIR VALUE MEASUREMENTS – (CONTINUED)

The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets.
- quoted prices for identical or similar assets or liabilities in inactive markets.
- inputs other than quoted prices that are observable for the asset or liability.
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year end. The fair values of common stock, corporate bonds, and U.S. Government securities are based on quoted market prices. Level 1 inputs are considered "observable" inputs.

Money Market Funds

Valued at the net asset value of units held by the Plan at year end.

There have been no changes in the methodologies used as of December 2021.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate or partially terminate the Plan subject to the provisions of ERISA. In the event of the Plan termination or if contributions of the Sponsor are completely discontinued, the rights of all affected participants in their accounts shall be thereupon become nonforfeitable. However, the Trust shall continue until all participants' accounts have been completely distributed to or for the benefit of the Participants, in accordance with the Plan.

7. TAX STATUS

Effective on June 16, 2021, the Plan was subscribed under the Third-Party Administrator, Pension Administrators Group, Inc. Prototype Defined Contribution Retirement Plan Program (Pension Group Program"). On July 28, 2021, the Plan received a favorable determination letter issued by the Puerto Rico Treasury Department as to the Plan's qualified status under Section 1165(b)(3) of the Puerto Rico Internal Revenue Code of 1994, as amended (the "PRIRC 1994"). Also, the trust established thereunder will be entitled to exemption under Commonwealth of Puerto Rico tax authorities applicable requirements under Section 1081.01 of the Puerto Rico Internal Revenue Code of 2011, as amended (the "PRIRC 2011").

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investments that are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

As of December 31, 2022, and 2021 and for the years then ended, amounts per the financial statements are equal to amounts of Schedule H of Form 5500.
