FINANCIAL STATEMENTS AND
INDEPENDENT AUDITORS' REPORT
DECEMBER 31, 2022 AND 2021

INDEPENDENT AUDITORS' REPORT

To the 401(k) Committee of Accosys, Inc. 401(k) Profit Sharing Plan
Olathe, Kansas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of Accosys, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2022 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or

error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter –Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Auditors’ Report on the 2021 Financial Statements

Predecessor auditors performed an audit of the 2021 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 11, 2022, indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedule, other than the information in the 2021 supplemental schedule that agreed to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103 (a)(3)(C).

ACCOSYS, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF THE PLAN

The following description of the Accosys, Inc. 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan’s provisions, which is available from the Plan Administrator.

General – The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) sponsored by Accosys, Inc. and its subsidiaries and affiliates, TVH Parts Co, ACME Sales, Inc., Superior Signals, Inc., and MHS Automation, Inc. (collectively, the “Company”).

Empower Trust Company, LLC (formerly, Great-West Trust Company, LLC) and Massachusetts Life Insurance Company (“Mass Mutual”) are the custodians of the Plan. Empower Retirement, LLC serves as the recordkeeper of the Plan. The Plan is administered by the Company’s 401(k) Committee.

Plan Restatement – Effective January 1, 2022, the Plan was amended and restated to adopt the Third Cycle Restatement to bring the Plan into compliance with legislative and regulatory changes set forth in IRS Notice 2017-37. There were no significant changes to the primary provisions of the Plan.

Eligibility – An employee is eligible to participate in the Plan upon working for 3 consecutive months and is age 18 or older. Collectively bargained employees, non-resident aliens and residents of Puerto Rico are excluded from participation in the Plan.

Contributions – Participants may contribute a percentage of pretax annual compensation (subject to certain Internal Revenue Code (“IRC”) limits), as defined in the Plan. Participants may also designate all or a portion of their elective contributions as Roth elective deferrals. Participants may contribute amounts representing distributions from other qualified defined benefit or contribution plans. Additionally, participants age 50 and older are allowed to make catch-up contributions as defined in the Plan.

The Plan has an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan or elect a different deferral rate. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation. The automatic deferral percentage will increase by 1% per year up to a maximum of 10% of eligible compensation.

The Company contributes 100% of the first 6% of base compensation that a participant contributes to the Plan. Profit-sharing amounts may be contributed at the option of the Company. All eligible participants who are employed on the last day of the plan year are eligible for any employer contributions. For the year ended December 31, 2022, the Company did not make a profit-sharing contribution.

Participant Accounts – Each participant’s account is credited with the participant’s contributions and allocations of (a) the Company’s contributions and (b) plan earnings (losses) and charged with an allocation of administrative expenses. Allocations are based on

participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participant's contributions are immediately vested. Vesting for the employer contribution occurs in 20% increments, with 20% vested after 2 years of service, 40% vested after 3 years of service and become fully vested after 6 years of service.

Forfeitures – At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$228,339 and \$231,628, respectively. These accounts will be used to pay administrative expenses or reduce any employer contributions. In 2022, forfeitures of \$1,513 were used to pay administrative expenses and \$233,274 was used to reduce the employer contributions.

Payment of Benefits – Upon termination of service, if a participant's vested balance is less than \$1,000, the participant will receive a single lump sum amount automatically. If a participant's vested balance is between \$1,000 and \$5,000, and the participant has not elected to have his or her vested account paid in a single lump sum, rolled to another retirement plan, or an individual retirement account ("IRA") of his or her choice, the participant's balance will be rolled over to an IRA designated by the Plan administrator. If the participant's vested balance is greater than \$5,000, the participant may elect to receive a single lump sum distribution, roll to another retirement plan, or leave the money in the Plan.

In-Service Withdrawals – Certain participants may make withdrawals prior to termination of employment. Hardship withdrawals are available to Plan participants, as defined by the Plan Adoption Agreement and permitted by the IRC. Hardship withdrawals are limited to the participant's account balance that is 100% vested.

Participants who have obtained the age of 59 ½ may elect to receive a distribution of all or any portion of their vested account balances in a single lump sum payment.

Notes Receivable from Participants – Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The maximum loan term is five years (or fifteen years for the purchase of a primary residence). Participants may only have one loan outstanding at any time. The loans are secured by the balance in the participant's account and bear interest rates which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions.

Administrative Expenses – Certain expenses of the Plan are paid by the Company and are not included in the statement of changes in net assets available for benefits. The Plan paid expenses related to contract administrator expenses and third-party administrator expenses, which totaled \$162,957.

Termination of the Plan – Although the Plan Sponsor has not expressed any intent to do so, it has the right to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, all participants will become fully vested in their account balances.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment contracts held by a defined-contribution plan are required to be reported at fair value, except for fully-benefit responsive investment contracts. Contract value is the relevant measure for the portion of net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the

amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Contributions – Company and employee contributions are reported in the year services are rendered to the Company by the Plan participants.

Excess Refundable Contributions – Amounts payable to participants for contributions in excess of amounts allowed by the IRC are recorded as a liability with a corresponding reduction to contributions.

Investment Valuation and Income Recognition – The Plan's investments in common collective trust funds, a money market fund and mutual funds are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on an accrual basis.

The Guaranteed Interest Account ("GIA") is a short term/stable value group annuity contract that is only available through Mass Mutual. The group annuity account invests primarily in high-quality, fixed income investments. Participants may ordinarily direct the withdrawals or transfer of all or a portion of their investment at contract value. Contract value represents contributions made to the account, plus credited interest, less participant withdrawals, and fees.

Management fees and operating expenses charged to the Plan for investments in common collective trust funds, money market funds and mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, a portion of management fees and operating expenses are reflected as a reduction of investment return for such investments.

Notes receivable from participants – Participant notes receivable are valued at their unpaid principal balance plus accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance is considered necessary.

Payment of Benefits – Benefit payments are reported in the year paid.

Date of Management's Review – Subsequent events have been evaluated through October 11, 2023, which is the date the financial statements were available to be issued, and there were no material events requiring recognition or disclosure.

3. FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The hierarchy consists of three broad levels, described as follows:

Level 1 – Inputs consist of unadjusted quoted prices for identical assets in active markets that the plan has the ability to access.

Level 2 – Inputs consist of 1) quoted prices for similar assets in active markets, 2) quoted prices for identical or similar assets in inactive markets, 3) inputs other than quoted prices that are observable, and 4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term.

Level 3 – Inputs consist of unobservable inputs where there is little or no market activity, and the reporting entity makes estimates and assumptions related to the pricing of the asset including assumptions regarding risk.

The assets fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2022 and 2021.

Common Collective Trust Funds – The investment advisors calculate a unit value (similar to a net asset value “NAV”) of a separate account. It is the sum of the market value of the underlying investments as determined by quoted market prices, less operating expenses accrued but not deducted, if any.

Mutual Funds and Money Market Fund – Valued at the published NAV of shares held by the Plan at year end.

Common Stocks – Valued at the closing price reported on the active market on which the individual securities are traded. (Held in the self-directed brokerage accounts).

U.S. Government Securities – Valued using pricing models maximizing the use of observable inputs for similar securities.

Self-Directed Brokerage Accounts – Includes money market funds, mutual funds, U.S. government securities and common stocks.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's investments are reported at fair value as follows at December 31, 2022 and 2021:

	Fair Value Measurements Using:			Total
	Level 1	Level 2	Level 3	
December 31, 2022:				
Mutual funds	\$ 40,988,671	\$ -	\$ -	\$ 40,988,671
Self-directed brokerage accounts	1,343,589			1,343,589
Money market fund	5,387	-	-	5,387
Total investments in the fair value heirarchy	<u>\$ 42,337,647</u>	<u>\$ -</u>	<u>\$ -</u>	42,337,647
Investments measured at net asset value (a)				<u>7,070,924</u>
Investments measured at fair value				<u>\$ 49,408,571</u>

	Fair Value Measurements Using:			Total
	Level 1	Level 2	Level 3	
December 31, 2021:				
Mutual funds	\$ 48,275,537	\$ -	\$ -	\$ 48,275,537
Self-directed brokerage accounts	1,624,496			1,624,496
Money market fund	5,679	-	-	5,679
Total investments in the fair value heirarchy	<u>\$ 49,905,712</u>	<u>\$ -</u>	<u>\$ -</u>	49,905,712
Investments measured at net asset value (a)				<u>8,243,081</u>
Investments measured at fair value				<u>\$ 58,148,793</u>

(a) Certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits. These investments are valued daily, may be redeemed daily without restrictions, and with no notice requirements. Additionally, there are no unfunded commitments.

4. RISKS AND UNCERTAINTIES

The Plan invests in investment securities, which hold securities including U.S. Government securities, corporate debt instruments, and corporate stocks. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

5. INFORMATION CERTIFIED BY THE CUSTODIANS

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and

Disclosures under ERISA. Accordingly, Empower Trust Company, LLC, and Massachusetts Mutual Life Insurance Company, the custodians of the Plan, have certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate with respect to investments as of December 31, 2022 and 2021, and for the year ended December 31, 2022:

- Investments at fair value and contract value
- Notes receivable from participants and related interest
- Interest and dividend income on
- Net depreciation in fair value of investments
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

6. GROUP ANNUITY CONTRACT

The Plan has a fully benefit-responsive contract with Mass Mutual. Mass Mutual maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and fees. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed interest account is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the plan by Mass Mutual, represents contributions made under the contract, plus credited interest, less participant withdrawals, and fees. Participants may ordinarily direct the withdrawal or transfer of all or portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2022 and 2021, was \$6,615,331 and \$6,446,318, respectively.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) temporary absence, (2) change in position or other occurrence qualifying as a temporary break in service under the Plan, (3) transfer or other change of position resulting in employment by an entity controlling, controlled by, or under other common control with the Company, (4) cessation of an employment relationship resulting from a reorganization, merger, layoff or sale or discontinuance of all or any part of the Company's business, (5) removal from the Plan of one or more groups or classification of participants, (6) partial or complete plan termination, or (7) plan disqualification.

The issuer may terminate the group annuity contract with the Plan due to failure of the Plan to comply with contractual requirements, failure by the Plan to meet requirements of the IRC, or a termination or partial termination of the Plan, the issuer may terminate at a settlement amount other than contract value.

7. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Plan investments includes a group annuity contract managed by Massachusetts Mutual Life Insurance Company (purchased by Empower Retirement, LLC in 2021). Massachusetts Mutual Life Insurance Company is a custodian as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions.

The Plan pays certain fees to Empower Retirement, LLC and Empower Trust Company, LLC to administer the Plan. These transactions qualify as party-in-interest. Notes receivable to participants are party-in-interest transactions.

8. TAX STATUS

The Company adopted a Prototype Non-Standardized 401(k) Profit-Sharing Plan which received a favorable opinion letter from the IRS on June 30, 2020, which stated that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan has been amended since the date of the opinion letter. However, the Company believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and that, therefore, the Plan qualifies under Section 401(a) and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to the Form 5500 as of December 31:

	2022	2021

Excess refundable contributions		4,532
Net assets available for benefits per the Form 5500	<u>\$ 57,055,644</u>	<u>\$ 65,853,349</u>

The following is a reconciliation of the net change per the financial statements to net loss per the Form 5500 for the year ended December 31, 2022:

Decrease in net assets available for benefits - financial statements	\$ (8,793,802)
Excess refundable contribution, current year	(4,532)
Less: Contribution, current year	629
Net loss per the Form 5500	<u>\$ (8,797,705)</u>

10. PROHIBITED TRANSACTIONS

During the year ended December 31, 2022, employee deferrals and loan payments of \$75,190 were withheld from a payroll and not remitted to the trust by the plan sponsor on a timely basis (as defined by the Department of Labor "DOL"). The Plan Sponsor subsequently remitted all such deferrals to the trust. The Plan will file and pay the appropriate excise tax, and contribute lost earnings to the affected participants for the late contributions. These transactions are prohibited according to the provisions of the DOL.
