Henna Chevrolet, LP Employee's Savings & Security 401(k) Plan
Austin, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed audits of the financial statements of Henna Chevrolet, LP Employees' Savings & Security 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP);
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Henna Chevrolet, LP Employees' Savings & Security 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Henna Chevrolet, LP Employees' Savings & Security 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Henna Chevrolet, LP Employees' Savings & Security 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Henna Chevrolet, LP Employees' Savings & Security 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audits.

Other Matter —Supplementary Schedule Required by ERISA

The supplementary schedule of assets held at end of year as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplementary schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Henna Chevrolet, LP Employee's Savings & Security 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan's summary description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Henna Chevrolet, LP (the Company and Plan Sponsor) who have completed six months of service and are age 21 or older. The Plan provides four entry dates: the first day of each quarter of the Plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions

Participants may contribute up to the maximum allowable by law of pretax annual compensation, as defined in the Plan. Participants who have obtained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make Roth deferral contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). The Employer may make a discretionary matching contribution and may make a discretionary nonelective contribution. The Employer also has the option to make contributions to the Plan on behalf of all participants which shall be treated as Qualified Nonelective Employer Contributions (QNEC) to the extent such contributions may be used to meet the nondiscrimination requirements of the Internal Revenue Code.

The Plan allows participants to direct their accounts into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the amount of deferred salary, rollovers, and an allocation of the employer's discretionary matching and nonelective contributions. The net investment income or losses of the Plan are allocated based upon the actual earnings for each participant's individual account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balances. A participant may only have one loan outstanding and refinancing of loans is not permitted. The loans are secured by the balances in the participants' accounts and bear interest at a rate established by the Plan administrator. Principal and interest are paid ratably through payroll deductions.

(Continued)

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Vesting

Upon their effective date of participation, participants are 100% vested in their salary and Roth deferrals and rollover contributions plus the earnings thereon.

Participants are vested in the employer discretionary matching and nonelective contributions based on a graduated vesting schedule, becoming 100% vested after year six as follows:

Completed Years of Service	Vesting Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Payment of Benefits

Participants are eligible to receive distributions of benefits at the age of 65 or upon death, disability, or termination of employment as defined under the plan. At age 59½, participants may elect to take distributions from any accounts that are 100% vested without being required to terminate employment. Participants entitled to receive a distribution of benefits shall be paid in a lump-sum payment. Hardship distributions are permitted by the Plan.

Excess Contributions Payable

Distributions made to participants are net of payments made in the following year to certain participants to return their excess deferral contributions as required to satisfy the relevant non-discrimination provisions of the Plan. Amounts required to be included in the Plan's statements of net assets available for benefits as an accrued liability for excess contributions payable as of December 31, 2022 and 2021, totaled 28,432 and $37,146, respectively.

Forfeited Accounts

Non-vested forfeiture accounts may first be used to pay any plan administrative expense and then may reduce any future employer contributions. During the year ended December 31, 2022, no forfeitures were used to reduce administrative expenses. The balance in the forfeiture account was $0 at December 31, 2022 and 2021.

Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right to terminate the Plan subject to the provisions of ERISA. Upon termination all participants will become 100% vested in all amounts credited to their accounts.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The financial statements of the Plan are prepared using the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP), which requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

The Financial Accounting Standards Board (FASB) has adopted the Accounting Standards Codification (ASC) as the sole source of authoritative GAAP. The FASB will issue Accounting Standards Updates (ASU) from time to time to make adjustments to GAAP.

Investment Valuation

The plan's investments are stated at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value - see Note 5). Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. The Plan's investments are valued daily.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments purchased and sold as well as held during the year.

Note Receivable – Participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Loans are fully secured by a portion of the participants' vested balances, therefore no allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan permits the payment of the Plan expenses to be made from the Plan assets. If the Company does not pay these expenses, then the expenses paid using the Plan's assets will be allocated among the participant accounts. For the year ended December 31, 2022, administrative fees paid for by Plan assets totaled $4,337.

NOTE 3 – INFORMATION CERTIFIED BY CUSTODIAN (UNAUDITED)

The following information included in the accompanying financial statements and supplementary schedule was obtained from data that has been prepared and certified to as complete and accurate by the custodian:

	2022	2021
Investments at fair value:		
Pooled separate accounts	$ 7,941,053	$ 9,368,427
Investments at contract value:		
Fully benefit-responsive investment contract	1,482,165	1,711,800
Receivables:		
Notes receivable from participants	136,292	138,621
Investment income:		
Net depreciation in fair value of investments	(1,561,243)	
Interest and dividends	24,009	
Interest income on notes receivable from participants	6,697	

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 4 – FAIR VALUE MEASUREMENTS

The Plan has adopted FASB ASC 820, *Fair Value Measurement.* FASB ASC 820 created a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

- Level 1 input consists of unadjusted quoted prices in active markets for identical assets and has the highest priority.
- Level 2 inputs are based on observable inputs corroborated by market data but not quoted on active markets.
- Level 3 inputs are based on unobservable inputs and includes situations where there is little, if any, market activity for the assets or liabilities and have the lowest priority.

(Continued)

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021:

Pooled separate accounts: valued at the net asset value (NAV) of units of the separate accounts. The NAV, as provided by the custodian, is used as a practical expedient to estimating fair value. The NAV is based on fair value of the underlying investments held by the account less its liabilities. The practical expedient is not used when it is determined to be probable that the separate account will sell the investment for an amount different than reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the separate account, the investment advisor reserves the right to temporarily delay withdrawal from the account in order to ensure that securities liquidations will be carried out in an orderly business manner. The pooled separate accounts are redeemed on a daily basis and do not have any redemption restrictions. Additionally, there were no unfunded commitments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's investments at fair value within the fair value hierarchy by level were classified as follows as of December 31, 2022 and 2021:

December 31, 2022	**Level 1**	**Level 2**	**Level 3**	**Total**
Investments measured at net asset value*	$ -	$ -	$ -	$ 7,941,053
December 31, 2021	**Level 1**	**Level 2**	**Level 3**	**Total**
Investments measured at net asset value*	$ -	$ -	$ -	$ 9,368,427

*In accordance with generally accepted accounting principles, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

Fair Value of Investments in Entities that Use Net Asset Value per Share Practical Expedient

The following tables summarize investments measured at fair value based on net asset value per share as of December 31, 2022 and 2021:

December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Pooled separate accounts	$ 7,941,053	N/A	Daily	30 days

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Pooled separate accounts	$ 9,368,427	N/A	Daily	30 days

NOTE 5 – CONTRACT VALUE

The Plan entered into a fully benefit-responsive investment contract with Sentry Life Insurance Company (Sentry), totaling $1,482,165 and $1,711,800 at December 31, 2022 and 2021, respectively. Sentry maintains the contributions in a pooled account. The account is credited with earnings on the underlying investments and charged for Plan withdrawals and administrative expenses.

As described in Note 2, because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal of or transfer all or a portion of their investments at contract value.

	2021	2020
Average yields:		
Based on actual earnings	1.45	1.55
Based in interest rate credited to participants	1.45	1.55

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.
(Continued)

NOTE 5 – CONTRACT VALUE (Continued)

Certain events limit the Plan's ability to transact at contract value with Sentry. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan assets were invested in funds managed by the custodian of the Plan. These transactions are party in interest transactions under ERISA. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing rather than a direct payment. The Plan made direct payments to the custodian of $4,337 for contract expenses during the year ended December 31, 2022. The Plan Sponsor pays directly certain other fees related to the Plan's operations.

NOTE 7 – TAX STATUS AND UNCERTAIN TAX POSITIONS

The Plan has adopted a volume submitter form of a prototype plan sponsored by Sentry Life Insurance Company. The volume submitter received its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the volume submitter plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The volume submitter plan opinion letter has been relied upon by the Plan. The Plan is required to be in conformity with the IRC to maintain its qualification. The plan administrator is not aware of any events that have occurred that might adversely affect the Plan's qualified status.

The Plan follows the accounting guidance for uncertainty in income taxes using the provisions of FASB ASC Topic 740, *Income Taxes*. The Plan has concluded that there are no significant uncertain tax positions requiring disclosure, and there are no material amounts of unrecognized tax benefits. The Plan's evaluation was performed for tax years ended December 31, 2019 through December 31, 2022, the years that remain subject to examination by major tax jurisdictions as of December 31, 2022.

NOTE 8 – AMOUNTS OWED TO WITHDRAWN PARTICIPANTS

The amount of net assets available for benefits that were in accounts of participants that are no longer employees of the plan sponsor total $460,894 as of December 31, 2022. Of those balances no amounts have been requested to be paid to participants.

NOTE 9 – RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits as reflected in the accompanying financial statements as of December 31, 2022 and 2021, to Form 5500:

	2022	2021
Net assets available for benefits per the financial statements	$ 9,531,078	$ 11,181,702
Employer contributions receivable	-	-
Accrued liability for excess contributions payable	28,432	37,146
Net assets available for benefits per Form 5500	$ 9,559,510	$ 11,218,848

The following is a reconciliation of change in net assets as reflected in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2022 to Form 5500:

Change in net assets per the financial statements	$ (1,650,624)
Add: Excess contributions payable at December 31, 2022	28,432
Less: Excess contributions payable at December 31, 2021	(37,146)
Change in net assets per Form 5500	$ (1,659,338)

NOTE 10 – SUBSEQUENT EVENTS

The Plan has evaluated events and transactions subsequent to December 31, 2022, through October 12, 2023, (the date of which the financial statements were available to be issued), for potential recognition or disclosure in the financial statements. The plan administrator has not identified any items requiring recognition or disclosure in the financial statements.
