INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of the
Eagle Technologies, Inc. 401(k) Profit Sharing Plan and Trust
Arlington, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Eagle Technologies, Inc. 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Eagle Technologies, Inc. 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Eagle Technologies, Inc. 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Eagle Technologies, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Eagle Technologies, Inc. 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Eagle Technologies, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(K) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
For the years ended December 31, 2022 and 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Eagle Technologies, Inc. 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan under Section 401(k) of the Internal Revenue Code (IRC) adopted on January 1, 2012. The Plan is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA).

On January 1, 2022, the plan document was amended and restated to bring a plan into compliance with the legislative and regulatory changes set forth in IRS Notice 2017-37 (i.e., the 6-year preapproved plan restatement cycle). There were no other changes in the plan provisions.

Eligibility

The Plan covers all employees of Eagle Technologies, Inc. (the Company) except certain nonresident aliens who have no earned income from sources within the US; leased employees; employees of affiliated employers who have not adopted the Plan; union employees whose employment is governed by a collective bargaining agreement, unless the agreement requires employees to be included in the Plan; part-time, seasonal, and temporary employees. Employees may enter the Plan on the first day of the month coinciding with or next following the date they complete three consecutive months of service. Part-time, seasonal, and temporary employees become eligible to participate in the plan when they have completed at least 1 year of service within the reporting period.

Contributions

Participants may contribute on a pre-tax basis up to 100% of their annual compensation, as defined in the Plan, subject to the statutory limitations established by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollovers from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various pooled separate accounts as investment options for participants.

The Company provides a safe harbor non-elective contribution for all eligible employees, equal to 3% of the participants' compensation contributed to the Plan. The Company may also make discretionary matching or non-elective profit-sharing contributions as determined by the Company on an annual basis.

EAGLE TECHNOLOGIES, INC.
401(K) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
For the years ended December 31, 2022 and 2021

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

For the years ended December 31, 2022 and 2021, the Company made non-elective safe harbor contributions totaling \$162,134 and \$206,114, respectively, and profit-sharing contributions totaling \$87,669 and \$261,165 (net of forfeitures), respectively. The Company did not make discretionary matching contributions to the Plan in 2022 or 2021.

Participant Accounts

Each participant's account is participant-directed and is credited with the participant's contributions and allocations of the Company's contributions and an allocation of investment earnings and losses. Participant accounts may also be charged with an allocation of certain administrative expenses. Investment earnings and losses are allocated based upon the investment performance of each type of investment in the participant's account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective deferrals, rollovers, safe harbor contributions and all earnings thereon. Vesting in the employer discretionary matching and profit-sharing contributions is based on years of continuous service. After two years of service, a participant becomes 20 percent vested in employer contributions in the Plan; the vesting percentage increases by 20 percent each year until the participant becomes fully vested in his or her account after six years of service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 (reduced by the balance of any prior loans from the Plan) or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. The maximum duration of a loan is not to exceed five years, except in cases where funds are used to purchase a principal residence. Plan participants may have up to one loan outstanding at any one time. Principal and interest are paid ratably through payroll deductions. The interest rates for outstanding loans ranged from 4.25% to 6.50% at December 31, 2022, and from 4.25% to 4.75% at December 31, 2021.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, participants may elect to receive either a lump-sum amount equal to the value of their account, a direct rollover into a qualified retirement plan, or a combination of the two. For termination of service due to other reasons, participants may receive their benefits in the form of a distribution equal to the value of their vested interest in their accounts. Partial withdrawals or installments are allowed but only with respect to minimum required distributions. Withdrawals from rollover contributions are permitted at any time. The employer may authorize certain withdrawals from a participant's account in the event of a proven financial hardship. Hardship withdrawals are subject to specific statutory and regulatory requirements.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Forfeited Accounts

Forfeitures from nonvested account balances may be used to pay plan administrative expenses or reduce employer contributions to the Plan. At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$44,692 and \$29,167, respectively. During 2022 and 2021, the Plan used \$29,167 and \$23,293, respectively, of the forfeitures to reduce the employer non-elective profit-sharing contributions remitted to the plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting standards generally accepted in the United States of America (U.S. GAAP).

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recognized on the accrual basis. Related fees are recognized as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recognized as of December 31, 2022 and 2021. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan agreement.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. The Plan is not required to reimburse the Company for expenses the Company pays on the Plan's behalf. Investment-related expenses are included in net appreciation

(depreciation) in fair value of investments. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses.

Use of Estimates

The preparation of the financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 3 - CERTIFIED INFORMATION

Information regarding investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value of investments and interest income for the years then ended, disclosed in the accompanying financial statements and the investment information included in the supplemental schedule of assets (held at end of year) as of December 31, 2022, is derived from statements which have been certified by John Hancock Life Insurance Company (John Hancock), the custodian of the Plan, as complete and accurate in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 4 - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

There are no plan assets requiring the use of Level 1 and Level 3 inputs for the period presented.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

Pooled Separate Accounts

Pooled separate accounts represent investments in participation units held in pooled separate accounts through sub-accounts of an insurance company. The pooled separate accounts, except for the stable value fund, are primarily invested in mutual funds listed on national securities exchanges and are valued daily at the unit value of shares held by the Plan in the separate investment accounts based on the underlying mutual funds and their quoted net asset value (NAV), which is an observable input. The Plan has concluded that the NAV as adjusted (for mutual fund dividends, mutual fund splits and administrative maintenance charges and other items) and reported by the insurance company, denotes readily determinable fair value.

Pooled Separate Accounts - Stable Value Fund

Included in the pooled separate accounts is a stable value fund, which represents participation units of a collective investment trust for which the NAV is based on the market value of the underlying investments. The stable value fund is invested primarily in fully benefit responsive contracts, issued by state regulated insurance companies and banks, including but not limited to John Hancock Life & Health Insurance Company, and are valued at the NAV of units of the bank collective trust, which is an observable input. The NAV, as determined, is the basis for current transactions. Investments in the stable value fund can be redeemed at NAV as of the measurement date. Therefore, those investments are considered to have a readily determinable fair value.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

NOTE 5 - TRANSACTIONS WITH PARTIES-IN-INTEREST

Plan investments are managed by John Hancock. John Hancock is the custodian of the plan and, therefore, these transactions qualify as party-in-interest transactions. Personnel and facilities of the Company have been used to perform administrative functions for the Plan at no charge to the Plan. Participant loans also qualify as party-in-interest transactions. There were no financial transactions recorded between the Company and the Plan other than contributions made. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

NOTE 7 - TAX STATUS

The Plan has adopted a prototype volume submitter profit-sharing plan sponsored by PCJones Pension Design & Actuarial Services LLC. The prototype plan has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, which states that the prototype plan, as then designed, is in compliance with the applicable requirements of the Internal Revenue Code (IRC). The plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions for the statutory period; however, there are currently no audits for any tax periods in progress.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

The COVID-19 pandemic, whose effects first became known in January 2020, had a broad and negative impact on commerce and financial markets around the world, leading to economic uncertainties and significant volatility in the investment markets. The resulting substantial fluctuations in the value of the Plan's investments may continue for an extended period of time.

INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of the
Eagle Technologies, Inc. 401(k) Profit Sharing Plan and Trust
Arlington, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Eagle Technologies, Inc. 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Eagle Technologies, Inc. 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Eagle Technologies, Inc. 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Eagle Technologies, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Eagle Technologies, Inc. 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Eagle Technologies, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
For the years ended December 31, 2022 and 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Eagle Technologies, Inc. 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan under Section 401(k) of the Internal Revenue Code (IRC) adopted on January 1, 2012. The Plan is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA).

On January 1, 2022, the plan document was amended and restated to bring a plan into compliance with the legislative and regulatory changes set forth in IRS Notice 2017-37 (i.e., the 6-year preapproved plan restatement cycle). There were no other changes in the plan provisions.

Eligibility

The Plan covers all employees of Eagle Technologies, Inc. (the Company) except certain nonresident aliens who have no earned income from sources within the US; leased employees; employees of affiliated employers who have not adopted the Plan; union employees whose employment is governed by a collective bargaining agreement, unless the agreement requires employees to be included in the Plan; part-time, seasonal, and temporary employees. Employees may enter the Plan on the first day of the month coinciding with or next following the date they complete three consecutive months of service. Part-time, seasonal, and temporary employees become eligible to participate in the plan when they have completed at least 1 year of service within the reporting period.

Contributions

Participants may contribute on a pre-tax basis up to 100% of their annual compensation, as defined in the Plan, subject to the statutory limitations established by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollovers from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various pooled separate accounts as investment options for participants.

The Company provides a safe harbor non-elective contribution for all eligible employees, equal to 3% of the participants' compensation contributed to the Plan. The Company may also make discretionary matching or non-elective profit-sharing contributions as determined by the Company on an annual basis.

401(K) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
For the years ended December 31, 2022 and 2021

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

For the years ended December 31, 2022 and 2021, the Company made non-elective safe harbor contributions totaling \$162,134 and \$206,114, respectively, and profit-sharing contributions totaling \$87,669 and \$261,165 (net of forfeitures), respectively. The Company did not make discretionary matching contributions to the Plan in 2022 or 2021.

Participant Accounts

Each participant's account is participant-directed and is credited with the participant's contributions and allocations of the Company's contributions and an allocation of investment earnings and losses. Participant accounts may also be charged with an allocation of certain administrative expenses. Investment earnings and losses are allocated based upon the investment performance of each type of investment in the participant's account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective deferrals, rollovers, safe harbor contributions and all earnings thereon. Vesting in the employer discretionary matching and profit-sharing contributions is based on years of continuous service. After two years of service, a participant becomes 20 percent vested in employer contributions in the Plan; the vesting percentage increases by 20 percent each year until the participant becomes fully vested in his or her account after six years of service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 (reduced by the balance of any prior loans from the Plan) or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. The maximum duration of a loan is not to exceed five years, except in cases where funds are used to purchase a principal residence. Plan participants may have up to one loan outstanding at any one time. Principal and interest are paid ratably through payroll deductions. The interest rates for outstanding loans ranged from 4.25% to 6.50% at December 31, 2022, and from 4.25% to 4.75% at December 31, 2021.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, participants may elect to receive either a lump-sum amount equal to the value of their account, a direct rollover into a qualified retirement plan, or a combination of the two. For termination of service due to other reasons, participants may receive their benefits in the form of a distribution equal to the value of their vested interest in their accounts. Partial withdrawals or installments are allowed but only with respect to minimum required distributions. Withdrawals from rollover contributions are permitted at any time. The employer may authorize certain withdrawals from a participant's account in the event of a proven financial hardship. Hardship withdrawals are subject to specific statutory and regulatory requirements.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Forfeited Accounts

Forfeitures from nonvested account balances may be used to pay plan administrative expenses or reduce employer contributions to the Plan. At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$44,692 and \$29,167, respectively. During 2022 and 2021, the Plan used \$29,167 and \$23,293, respectively, of the forfeitures to reduce the employer non-elective profit-sharing contributions remitted to the plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting standards generally accepted in the United States of America (U.S. GAAP).

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recognized on the accrual basis. Related fees are recognized as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recognized as of December 31, 2022 and 2021. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan agreement.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. The Plan is not required to reimburse the Company for expenses the Company pays on the Plan's behalf. Investment-related expenses are included in net appreciation

(depreciation) in fair value of investments. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses.

Use of Estimates

The preparation of the financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 3 - CERTIFIED INFORMATION

Information regarding investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value of investments and interest income for the years then ended, disclosed in the accompanying financial statements and the investment information included in the supplemental schedule of assets (held at end of year) as of December 31, 2022, is derived from statements which have been certified by John Hancock Life Insurance Company (John Hancock), the custodian of the Plan, as complete and accurate in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 4 - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

There are no plan assets requiring the use of Level 1 and Level 3 inputs for the period presented.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

Pooled Separate Accounts

Pooled separate accounts represent investments in participation units held in pooled separate accounts through sub-accounts of an insurance company. The pooled separate accounts, except for the stable value fund, are primarily invested in mutual funds listed on national securities exchanges and are valued daily at the unit value of shares held by the Plan in the separate investment accounts based on the underlying mutual funds and their quoted net asset value (NAV), which is an observable input. The Plan has concluded that the NAV as adjusted (for mutual fund dividends, mutual fund splits and administrative maintenance charges and other items) and reported by the insurance company, denotes readily determinable fair value.

Pooled Separate Accounts - Stable Value Fund

Included in the pooled separate accounts is a stable value fund, which represents participation units of a collective investment trust for which the NAV is based on the market value of the underlying investments. The stable value fund is invested primarily in fully benefit responsive contracts, issued by state regulated insurance companies and banks, including but not limited to John Hancock Life & Health Insurance Company, and are valued at the NAV of units of the bank collective trust, which is an observable input. The NAV, as determined, is the basis for current transactions. Investments in the stable value fund can be redeemed at NAV as of the measurement date. Therefore, those investments are considered to have a readily determinable fair value.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

NOTE 5 - TRANSACTIONS WITH PARTIES-IN-INTEREST

Plan investments are managed by John Hancock. John Hancock is the custodian of the plan and, therefore, these transactions qualify as party-in-interest transactions. Personnel and facilities of the Company have been used to perform administrative functions for the Plan at no charge to the Plan. Participant loans also qualify as party-in-interest transactions. There were no financial transactions recorded between the Company and the Plan other than contributions made. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

NOTE 7 - TAX STATUS

The Plan has adopted a prototype volume submitter profit-sharing plan sponsored by PCJones Pension Design & Actuarial Services LLC. The prototype plan has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, which states that the prototype plan, as then designed, is in compliance with the applicable requirements of the Internal Revenue Code (IRC). The plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions for the statutory period; however, there are currently no audits for any tax periods in progress.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

The COVID-19 pandemic, whose effects first became known in January 2020, had a broad and negative impact on commerce and financial markets around the world, leading to economic uncertainties and significant volatility in the investment markets. The resulting substantial fluctuations in the value of the Plan's investments may continue for an extended period of time.
