INDEPENDENT AUDITORS' REPORT

To the Plan Sponsor of the
KFK Group/SRG 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of KFK Group/SRG 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Notes 3 and 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of KFK Group/SRG 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about KFK Group/SRG 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of KFK Group/SRG 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about KFK Group/SRG 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets (Held at End of Year), are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial

statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 1 – DESCRIPTION OF PLAN

The following description of the KFK Group/SRG 401(k) Retirement Plan (the “Plan”) is provided for general information purposes only. More complete information regarding the Plan’s provisions may be found in the Plan document which can be obtained from the Plan Administrator.

General

KFK Group, Inc. (the “Company”) is the Plan sponsor. The Plan was established effective August 25, 2014. Contributions were first received September 30, 2014. The Plan was restated effective January 1, 2021.

The Plan is a multiple employer defined contribution plan established under the provisions of Section 401(a) of the Internal Revenue Code of 1986, as amended (“IRC”), which includes a qualified deferred arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees of the Company. The Plan covers substantially all employees of the Company and affiliates who have adopted the Plan, and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). The employee will become eligible the first day of the first month of the Plan year or the first day of the seventh month of the Plan year, coincident with or next following the date they attain the age of 21 and complete one year of eligibility service, provided that they are an eligible employee.

John Hancock Life Insurance Company USA (John Hancock) is the asset custodian. The Haslauer Group, Inc. provides compliance and administration services.

Custodial expenses are borne by the Plan while other administrative expenses associated with the Plan are borne by the Plan sponsor.

Contributions

Under the terms of the Plan, participants may make contributions by electing to defer up to 100% of their compensation on a pre-tax basis, with the Company contributing a matching amount equal to 20% of the matched participant contribution that is not in excess of 5% of compensation. Participants may suspend contributions at any time.

The Company may also make a qualified non-elective contribution to the Plan on the participants’ behalf determined at the discretion of the employer.

NOTE 1 – DESCRIPTION OF PLAN - Continued

Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect the participant's share of the Plan's income, the Company's contributions, and the participant's contributions. Allocations are based on participant account balances, as defined.

Vesting

Participants are immediately vested in their elective contributions and the non-elective contributions made by the Company on their behalf. The matching contributions for participants are subject to the following schedule:

Less than one year	0%
1 year but less than 2 years	25%
2 years but less than 3 years	50%
3 years but less than 4 years	75%
4 years or more years	100%

Participants will become fully (100%) vested upon their attainment of normal retirement age while an employee, their death while an employee, or becoming disabled while an employee.

Payment of Benefits

Upon termination of service as defined by the Plan, for all distribution reasons other than death, benefits are generally payable upon termination of service as a lump-sum payment. Distributions due to death may be paid in accordance with the following: 1) over the life or over a period not greater than the life expectancy of the beneficiary commencing on or before December 31 of the calendar year immediately following the calendar year in which death occurs, 2) if the beneficiary is the surviving spouse, the date the distributions are required to begin in accordance with 1 above will not be earlier than the later of (A) December 31 of the calendar year immediately following the year in which the death occurs, or (B) December 31 of the calendar year in which the participant would have attained age 70-1/2, for participants born before July 1, 1949, or age 72, for participants born after June 30, 1949.

NOTE 1 – DESCRIPTION OF PLAN - Continued

Forfeitures

Forfeitures occur according to the preceding vesting schedule for any matching employer contributions. At December 31, 2022 and 2021, there were \$5,728 and \$4,646 unapplied forfeited non-vested account assets. Amounts forfeited are used to reduce the Company's contributions or Plan expenses for the Plan year.

Participant Loans

Participants loans are not permitted. However, loans transferred into the Plan are allowed.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Valuation of Investments and Income Recognition

The Plan's investments, except for the stable value account, are stated at fair value as determined by the custodian based on the quoted market value of the underlying assets. The stable value account is stated at contract value, as determined by the issuer based on the cost of the underlying investments, plus accrued interest income, less amounts withdrawn to pay benefits. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

Benefit Payments

Benefits are recorded when paid.

Amounts allocated to withdrawing participants that have terminated the Plan as of December 31, 2022 and 2021, but have not been paid as of year-end amounted to \$15,733 and \$532, respectively.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Administrative Expenses

The Plan incurred administrative expenses of \$29,121, which include third party administration fees, record-keeping fees, and participant transaction fees.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities. Actual results may differ from these estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are classified as distributions based upon the terms of the loan. During 2022 and 2021, no loans were transferred into the Plan from previous carriers.

Excess Contributions Payable

Excess contributions payable represent amounts owed to participants or employers who made contributions in excess of contributions allowed once compliance testing was completed.

Risks and Uncertainties

The Plan provides for various investments in securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility risk. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 3 – INVESTMENTS (UNAUDITED)

John Hancock, the custodian of the Plan, held the Plan's investments, and executed Plan transactions in 2022 and 2021. Participants are permitted to invest all amounts (Company elective contributions, Company non-elective matching contributions, and participant contributions) in any of the investment alternatives available under the Plan. Participants may change their elected salary deferral rate at any time. Participants may choose from several funds held in Pooled Separate Accounts and the Stable Value Account. The Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) depreciated in value by \$373,379 in 2022. Supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year), presents a summary of assets held for investment at December 31, 2022 and is incorporated herein by reference.

NOTE 4 – INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN (UNAUDITED)

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan's financial statements and supplemental schedules include unaudited information that was prepared by the Plan custodian, John Hancock. The custodian has certified that the following data included in the accompanying financial statements and supplemental schedules is complete and accurate:

- Investments from participants, as shown in the Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021.
- Net depreciation in fair value of investments as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022.
- Information contained in the Schedule of Assets (Held at End of Year) at December 31, 2022, as shown on Schedule H, Line 4i.

NOTE 5 – TAX STATUS

The Plan adopted a pre-approved profit-sharing plan, which received its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

KFK GROUP/SRG 401 (K)
RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS-CONTINUED
December 31, 2022 and 2021

NOTE 5 – TAX STATUS - Continued

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The Plan recognizes the tax benefit from uncertain tax positions only if it is “more likely than not” the tax position will not be sustained on examination by the taxing authorities. To the extent the Plan’s assessment of such tax positions change, the change will be recorded in the period in which the determination is made. No adjustments were required for the year ended December 31, 2022. The Plan’s Form 5500 for the years ended December 31, 2021, 2020 and 2019 remain subject to examination by the taxing authorities. The 2022 Form 5500 has not yet been filed.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants are to become fully vested in their accounts, and both participants’ and all Company contributions, including any income earned, are to be distributed to the participants.

NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by John Hancock. John Hancock is the custodian as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions.

NOTE 8 – FAIR VALUE MEASUREMENTS

The Financial Accounting Standard Board (“FASB”), authoritative guidance for fair value measurements, defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The guidance also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value. The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

KFK GROUP/SRG 401 (K)
RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS-CONTINUED
December 31, 2022 and 2021

NOTE 8 – FAIR VALUE MEASUREMENTS - Continued

The standard describes three levels of inputs that may be used to measure fair value:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled Separate Accounts: The fair value is based on net asset value ("NAV") per unit, as calculated by the custodian of the Pooled Separate accounts, as a practical expedient.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 9 – GUARANTEED STABLE VALUE FUND

The John Hancock Stable Value Fund is a group annuity contract that offers a full guarantee on principal and interest by John Hancock Life Insurance Company USA (Issuer). The contracts are fully benefit responsive. The Fund qualifies as a fully benefit-responsive investment contract because it meets all of the following criteria:

1. The investment contract is affected directly between the Fund and the Issuer and prohibits the Fund from assigning or selling the contract or its proceeds to another party without the consent of the Issuer.
2. The contract Issuer is obligated to (i) repay principal and interest, or (ii) apply prospective crediting rate adjustments with an assurance the crediting rate will not be less than zero.
3. The terms of the investment contract require all permitted participant-initiated transactions with the Fund to occur at contract value with no conditions, limits or restrictions. Permitted participant-initiated transactions are those transactions allowed by the underlying defined-contribution Plan, such as withdrawals for benefits, loans or transfers to other funds within the Plan.
4. An event that limits the ability of the Fund to transact at contract value with the Issuer (for example, premature termination of the contracts by the Fund, plant closings, Plan termination, bankruptcy, mergers and early retirement incentives) and that also limits the ability of the Fund to transact at contract value with the participants in the Fund must be probable of not occurring.
5. The Fund itself must allow participants reasonable access to their funds.

Investment contracts held in the Stable Value Fund are recorded at their contract value. The Plan owns a promise to pay interest at crediting rates which are announced in advance and guaranteed for a specified period of time as outlined in the group annuity contract. Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees.

Certain events may limit the ability of the Plan to transact at contract value. Such events include termination of the contract, plant closings, layoffs, Plan termination, bankruptcies, mergers, and early retirement incentive programs. Upon occurrence of any of these events, a market value adjustment or withdrawal restrictions may apply. The Plan Sponsor may choose to pay the market value adjustment directly, if applicable, so that participants' contract values are not affected.

The Issuer may terminate the contract for reasonable cause, including if the contract owner breaches the contract in some way, if the Plan ceases to meet the requirements of the appropriate Code sections, and if, after a reasonable amount of time, the account has not grown sufficiently. The Plan Sponsor was not aware of any events that would have limited the Plan to transact at contract value as of December 31, 2022 and 2021 and through the date of this filing. The contract value of the Stable Value Fund was \$8,834 and \$126,003 at December 31, 2022 and 2021, respectively.

NOTE 10 – CASH AND CASH EQUIVALENTS

Cash and cash equivalents at December 31, 2022 and 2021, consisted of amounts invested in money market accounts with variable interest rates. At December 31, 2022 and 2021, cash and cash equivalents totaled \$5,728 and \$4,646, respectively.

NOTE 11 – DELINQUENT CONTRIBUTIONS

As disclosed in the accompanying supplemental schedule, certain employee deferrals were not remitted to the Plan within the timeframe required by the Department of Labor. The Company remitted any related lost earnings to the affected participants.

NOTE 12 – SUBSEQUENT EVENTS

Management has evaluated subsequent events through the date the financial statements were available to be issued, which corresponds with the date of the independent auditors' report.

The Secure 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.

No other material subsequent events have occurred since December 31, 2022 that required recognition or disclosure in these financial statements.
