To the Board of Directors
Aaron E. Henry Community Health Services Center, Inc.
403(B) Thrift Plan
Clarksdale, Mississippi

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audit of the accompanying financial statements of Aaron E. Henry Community Health Services Center, Inc. 403(B) Thrift Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022, and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Aaron E. Henry Community Health Services Center, Inc. 403(B) Thrift Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022 stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Aaron E. Henry Community Health Services Center, Inc. 403(B) Thrift Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Aaron E. Henry Community Health Services Center, Inc. 403(B) Thrift Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Aaron E. Henry Community Health Services Center, Inc. 403(B) Thrift Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Aaron E. Henry Community Health Services Center, Inc. 403(B) Thrift Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at year end is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AARON E. HENRY COMMUNITY HEALTH SERVICES CENTER, INC. 403(B) THRIFT PLAN
Notes to the Financial Statements
December 31, 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Aaron E. Henry Community Health Services Center, Inc. 403(B) Thrift Plan (Plan) provides only general information. Participants should refer to the Plan Document which is available from the plan administrator, for a more complete description of the Plan's provisions.

General

The Plan, which was adopted effective November 1, 2019, is a defined contribution plan. All full-time and part-time employees of Aaron E. Henry Community Health Services Center, Inc. who work a minimum of 20 hours per week are eligible for the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each participant will receive an allocation of the Employer's Contribution in proportion to his or her compensation for the fiscal year. The participant must be an employee of Aaron E. Henry Community Health Services Center, Inc. on the last day of the Plan year in order to qualify for Employer non-elective contributions. The Employer's annual contributions are limited to 100% of the employees contribution which is limited to 6% of the employees income. There is an additional limitation of \$5,000 on employer contributions.

The amount of matching contributions made on behalf of an eligible participant each plan year shall be an amount of up to 100% of the eligible participant's employee basic contributions.

Participant Accounts

Under the Plan, a separate account is maintained for each participant. Participant contributions and employer contributions are allocated to each participant's account.

The Employer will make additions to participant's accounts for (a) participant's allocated share of the Employer's contribution, (b) participant's transfer contributions and rollover contributions, and (c) participant's share of investment earnings and appreciation in the value of investments. The Employer will make deductions from participant's accounts for (d) any withdrawals or distributions made to participants, (e) participant's share of investments losses and depreciation in the value of investments, and (f) participant's share of any administrative fees and expenses paid out of the Plan, if applicable.

During the year ended December 31, 2022, Plan investments were held at Mutual of America and are herein referred to as the "Custodian" of the Plan.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Vesting

A participant is 100% vested in its employee contribution account. Participant's are immediately vested in their voluntary contributions, rollover contributions, or transfer contributions, plus or minus any earnings or losses, and these contributions cannot be forfeited for any reason.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount. Request must be submitted in writing to the Plan Administrator. Payments to participant's will start as soon as administratively feasible following the date on which a distribution is requested by participant or is otherwise payable.

Forfeitures

Forfeitures are created when a Participant terminated employment before becoming entitled to 100% of the Accounts derived from the Employer's contributions. There was no unallocated forfeiture balance at December 31, 2022.

Plan Termination

Although it has not expressed an intention to do so, Aaron E. Henry Community Health Services Center, Inc. has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participant's individual accounts will become 100% vested in the aggregate value regardless of years of service under the vesting schedule. The employer may amend the Plan at any time, provided that no amendment will divert any part of the Plan's assets to any purpose other than for the exclusive benefit of the Participants in the Plan or eliminate an optional form of distribution.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the plan are prepared on the accrual basis of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The Statement of Net Assets Available for Benefits presents the fair value of the investment contracts as well as the adjustment of the fully benefit-responsive investment contracts from fair value to contract value. The Statement of Changes in Net Assets Available for Benefits is prepared using contract value for the fully benefit-responsive investment contract.

Investment Valuation and Income Recognition

The Plan's investments are exclusively in annuity contracts issued by Mutual of America. These contracts provide for contributions to be held and credited with interest, gains, and losses, depending on the type of contract. They are valued at fair market value.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. During the repayment period, principal and interest must be repaid in substantially level repayments and made at least quarterly. Loan repayments are made on an after-tax basis. These repayments may be made by payroll deduction, Electronic Funds Transfer(EFT), or by personal check.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America and with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Plan Tax Status

403(b) Plans are not currently required to submit plans to the Internal Revenue Services for status determination. The Plan Administrator believes that the Plan was designed and is being operated in compliance with the approvals required of the Internal Revenue Code, and as such is exempt from Federal Income Taxes.

Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2014.

Payment of Benefits

Benefit payments to participants are recorded when paid.

NOTE 3 - FAIR VALUE MEASUREMENTS

The fair value measurements accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented and there were no changes in the methods used to measure fair value at December 31, 2022.

Level 1 Fair Value Measurements

The fair values of mutual funds are valued at the net asset value (NAV) of shares held by the plan at year-end and real estate investment trusts are based on quoted market prices, when available.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2022, are reported in net depreciation and appreciation in fair value of investments.

NOTE 4 - INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by Mutual of America:

	<u>2022</u>	<u>2021</u>
Mutual Funds	\$ 1,634,145	\$ 1,707,479
Investments at Contract Value	<u>403,300</u>	<u>362,700</u>
	<u>\$ 2,037,445</u>	<u>\$ 2,070,179</u>

NOTE 5 - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan's investments include guaranteed investment contracts (GIC) with Empower & Lincoln Financial Insurance Company. The Insurer maintains the Plan's contributions in their general accounts. The GIC's contracts are credited interest and charged for participant withdrawals and administrative expenses. The insurer of the GICs is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the GICs meet the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the GICs. The GICs are presented on the face of the statements of net assets available for benefits (modified cash basis) at contract value. Contract value, as reported to the Plan by Empower and Lincoln Financial Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expense. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value.

Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 5 - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY (Continued)

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The fair value of the investment contracts at December 31, 2022 was \$403,300. The crediting interest rate is based on a formula agreed upon by the issuers. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin offs of a subsidiary) that cause significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net asset available for benefits.

NOTE 7 - RELATED PARTY TRANSACTIONS

Certain Plan investments are managed by Mutual of America. Mutual of America is the custodian as defined by the Plan and, therefore, these investments and investment transactions qualify as party-in-interest transactions.

NOTE 8 - SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 12, 2023, which represents the date the financial statements were available to be issued. Subsequent events after that date have not been evaluated.
