PKF O'CONNOR DAVIES
ACCOUNTANTS AND ADVISORS

Independent Auditors' Report

The Plan Administrator of
Hubbell Incorporated Employee Savings and Investment Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The Hubbell Incorporated Employee Savings and Investment Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PKF O'Connor Davies, LLP is a member firm of the PKF International Limited network of legally independent firms and does not accept any responsibility or liability for the actions or inactions on the part of any other individual member firm or firms.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of the Plan

The following description of The Hubbell Incorporated Employee Savings and Investment Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan provisions.

General

The Plan is a defined contribution plan available to all domestic employees of Hubbell Incorporated and its subsidiaries (the "Company"), except for weekly employees of one division, whose compensation is not covered by, or based upon, collective bargaining agreements.

T. Rowe Price Trust Company (the "Trustee") is the trustee for the Plan and custodian of the investments. Self-directed brokerage account assets are held in the custody of Charles Schwab & Co. Inc. and maintained by the Trustee.

During 2022, assets and participant loans totaling $61,458 from The Hubbell Incorporated Savings and Investment Plan for Collectively Bargained Employees ("CB Plan") were merged into the Plan into similar type investment options. These transfers were due to changes in certain participants' employment status between union and non-union.

During 2021, assets and participant loans totaling $17,188,177 and $249,029 from Beckwith Electric Company, Inc. were transferred into the Plan. In addition, assets totaling $45,005 from the CB Plan were merged into the Plan into similar type investment options. Additionally, assets and participant loans totaling $11,100 and $5,415 were transferred from the Plan to the CB Plan. These transfers were due to changes in certain participants' employment status between union and non-union.

Participation

The Plan was established on July 1, 1984 to enable employees to defer a portion of their compensation, thereby deferring federal income tax and providing savings to supplement retirement income. Employees become eligible to participate in the Plan on the first day of the month following 30 days of service.

Contributions

Participants in the Plan may periodically elect to have a specified portion of their compensation (as defined in the Plan agreement) allocated to their accounts. This amount may not be less than 1 percent nor more than 50 percent of their eligible compensation. In addition, eligible participants over the age of 50 may contribute additional "catch-up" contributions. Participants are always 100% vested in their own contributions and related earnings. All employees are automatically enrolled in the Plan with a 6% deferral percentage, unless the employee elects a different percentage, including 0%.

1. Description of the Plan (continued)

Contributions (continued)

The Company will make a matching contribution equal to ½% for every 1% contributed up to 6% of salary for all employees participating in the Plan.

Employees hired prior to January 1, 2017 vest in the match 50% after one year of service and are 100% vested after two years. Employees hired after January 1, 2017 will cliff vest 100% after two years of service.

Effective January 1, 2017, the Company began contributing a safe harbor employer contribution equal to 4% of compensation per payroll period for each active eligible participant. Participants are 100% vested in these contributions.

Administration

An Employee Savings and Investment Plan Committee, which serves without compensation, is appointed by the Company and is responsible for the general administration of the Plan and makes the final determination on all questions arising in connection with the interpretation, application and administration of the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Employer's contribution and Plan earnings or losses and administrative expenses. Allocations are based on a participant's earnings, account balances, or specific participant transactions, as defined.

Notes Receivable from Participants

Loans to participants are permitted pursuant to the terms and conditions of the Plan agreement. The minimum amount for any loan is $1,000. The maximum a participant may borrow, including the outstanding balance of existing Plan loans, is 50% of the participant's vested account balance not including their profit sharing account balance, not to exceed $50,000.

A participant may have a maximum of two loans outstanding at any given time. A loan to a participant shall be made solely from the assets of the participant's account. Loan repayments are withheld from payroll and remitted semi-monthly, and the loan repayment period shall not exceed five years except for loans to acquire a principal residence for which the loan repayment period shall not exceed ten years. Loans to participants bear an interest rate equal to the Trustee's prime rate plus 1%.

1. Description of the Plan *(continued)*

Distributions/Payment of Benefits

Upon the earliest of retirement, death, disability or termination of employment, participants become eligible for a lump-sum distribution of their accounts. At the participant's option, an account balance in excess of $1,000 may remain in the Plan. At age 72 there is a required distribution of a portion of the account balance, based on the life expectancy of the individual. However, if a participant is still employed at the age of 72, they can defer receipt of their required minimum distributions until after termination of employment. Participants who demonstrate that a hardship (as defined under Internal Revenue Service regulations) exists, may withdraw funds from their accounts.

Forfeited Accounts

Forfeited non-vested amounts will be used to offset future plan expenses. All remaining forfeitures will be treated as an employer contribution and shall be used to reduce matching and discretionary profit sharing contributions or reinstate returning participants account balances. During 2022 and 2021, $1,827 and $3,405 in forfeitures were used to pay Plan expenses and $985,000 and $936,862 were used to reduce employer contributions, respectively. As of December 31, 2022 and 2021, forfeited non-vested accounts approximated $175,000 and $243,000, respectively.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S GAAP"), which requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimate.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable inputs and are used to the extent that observable inputs do not exist.

2. Summary of Significant Accounting Policies *(continued)*

Fair Value Measurements (continued)

U.S. GAAP guidance provides for the use of Net Asset Value ("NAV") as a "Practical Expedient" for estimating fair value of alternative investments. Pursuant to U.S. GAAP guidance, alternative investments where fair value is measured using NAV are not categorized within the fair value hierarchy.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. The mutual funds, which consist of bond and stock funds, are held by the Plan are valued at fair value based on the daily closing price as reported by the funds. All of the mutual funds are open-ended and are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price and are deemed actively traded.

The Plan's self-directed brokerage account is valued at fair value based on the quoted values of underlying shares held within the account. There are no restrictions as to redemption of investments nor does the Plan have any contractual obligations to further invest in this account.

The common/collective trusts are valued at the NAV of units held by the Plan. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net (depreciation) appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Payment of Benefits

Benefit payments are recorded when paid.

Plan Expenses

Plan expenses are paid from participant forfeitures and any remaining amounts are paid by the Plan, unless paid by the Company.

2. Summary of Significant Accounting Policies *(continued)*

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is October 4, 2023.

3. Information Certified (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) including investments and notes receivable from participants held at December 31, 2022 and 2021, and net (depreciation) appreciation in fair value of investments, dividends, interest income on notes receivable from participants, and transfers from other plans for the years ended December 31, 2022 and 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by the Trustee.

4. Investments

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	2022		
	Level 1	Other Investments Measured at NAV*	Total
Mutual Funds:			
Bond funds	$ 67,076,917	$ -	$ 67,076,917

Self-direct brokerage account	7,641,192	-	7,641,192
Common/collective trusts	-	576,380,535	576,380,535
Total	$ 405,553,452	$ 576,380,535	$ 981,933,987

4. Investments *(continued)*

	2021		
	Level 1	Other Investments Measured at NAV*	Total
Mutual Funds:			
Bond funds	$ 80,477,766	$ -	$ 80,477,766
Stock funds	444,444,880	-	444,444,880
Self-direct brokerage account	10,517,910	-	10,517,910
Common/collective trusts	-	684,264,652	684,264,652
Total	$ 535,440,556	$ 684,264,652	$ 1,219,705,208

* As discussed in Note 2, investments that are measured using the practical expedient are not classified within the fair value hierarchy.

5. Common/Collective Trusts

The Plan invests in two types of common/collective trust funds: The T. Rowe Price Stable Value Fund - N ("Fund") and T. Rowe Price Retirement Trust Funds ("Trusts"). The Fund is a common/collective trust operated by T. Rowe Price Trust Company ("the Fund Trustee"). The Fund consists of a commingled pool of synthetic investment contracts ("SICs") that invests in (i) investment contracts issued by insurance companies and other financial institutions, (ii) fixed income securities, and (iii) money market funds. It is the policy of the Fund to use its best efforts to maintain a stable NAV of $1.00 per unit, although there is no guarantee that the Fund will be able to maintain this value.

All investment contracts held by the Fund are entered into directly between the Fund and the issuer of the contract and are nontransferable. Fund units may be redeemed on a daily basis to meet benefit payments and other participant-initiated withdrawals permitted by retirement plans invested in the Fund. Retirement plans invested in the Fund are required to provide either 12 or 30 months' advance written notice to the Fund Trustee prior to redemption of Fund units; the notice period may be shortened or waived by the Fund Trustee in its sole discretion. The Fund has no unfunded commitments at December 31, 2022 and 2021.

The investment objectives of the Fund are to maximize current income consistent with the maintenance of principal and to provide for benefit-responsive participant withdrawals at contract value for certain events without penalty or adjustment. The Fund will attempt to achieve these objectives by investing and reinvesting amounts transferred to the trust in investment contracts selected by the Fund Trustee.

5. **Common/Collective Trusts *(continued)***

Income from investment contracts is recorded at the contract rate, which is referred to as the crediting rate. Crediting rates are determined in accordance with contract terms and are net of investment-related costs permitted by the contract, generally issuer fees and custody charges for underlying assets.

The Trusts are target glide path investments focusing on lowering balance variability around retirement. The Trusts are institutional investment vehicles sponsored by T. Rowe Price to pool retirement plan assets into a single portfolio that is invested with a specified philosophy and strategy. The Trusts do not trade on an exchange, and are less transparent than mutual funds since their daily prices are not publicly available. The Trusts are only available to certain types of retirement plans and are not available to individual investors. Trust units may be redeemed on a daily basis to meet benefit payments and other participant-initiated withdrawals permitted by retirement plans invested in the Trusts. There are no unfunded commitments as of December 31, 2022 and 2021 for the Trusts.

6. Tax Status

The Plan Sponsor adopted a non-standardized prototype plan of the Plan record-keeper, which received an Internal Revenue Service ("IRS") opinion letter dated March 31, 2014. The Plan has been amended since this date. However, the Plan sponsor believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

7. Plan Termination

The Company may, by resolution of its Board of Directors, amend or terminate the Plan at any time subject to provisions of ERISA. In the event the Plan is discontinued, the Plan provides that the net assets of the trust, as allocated to the participants, are nonforfeitable, and after the net assets have been reduced to cash, the amounts shall be distributed to the participants in relation to their pro rata share of net assets.

8. **Party-in-Interest Transactions**

Certain Plan investments are funds managed by the Trustee of the Plan. Therefore, these transactions qualify as parties-in-interest under ERISA.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statements of net assets available for benefits.

9. Risk and Uncertainties

Investment securities, in general, are exposed to various risks such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The global and domestic economic uncertainty has resulted in significant volatility in financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2022, are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted.

10. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

	December 31, 2022	December 31, 2021
Net assets available for Plan benefits per the financial statements	$998,416,376	$1,236,956,319
Less: deemed distributed loans	(258,609)	(104,762)
Net assets per Form 5500	$998,157,557	$1,236,851,557

The following is a reconciliation of the net change in net assets available for Plan benefits per the financial statements to Form 5500:

	Year Ended December 31, 2022	Year Ended December 31, 2021
