Independent Auditors' Report

To the Trustees
Charlestowne Hotels, Inc. 401(k) Plan
Mount Pleasant, South Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Charlestowne Hotels, 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Charlestowne Hotels, 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Charlestowne Hotels, 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Charlestowne Hotels, 401(k) Plan's ability to continue as a going concern for one year after the financial statements were available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Charlestowne Hotels, 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Charlestowne Hotels, 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of assets held at year end and delinquent participant contributions as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Plan's entry dates are the first day of quarter following the date the eligibility requirements have been satisfied. In accordance with Internal Revenue Code (IRC) Section 414(b), the following Companies are a controlled group of corporations whereby all employees of each company shall be treated as employees of a single employer. These companies are included in the control group; CH Employees, LLC, Avon II, LLC, Charlestowne Hotels Management II, LLC, CH New York, LLC CH Alabama, LLC, CH Avon Florida, LLC, CH Illinois, LLC, CH North Carolina, LLC, CH Massachusetts, LLC, CH Vermont, LLC, CH Virginia, LLC, CH Mississippi, LLC, CH Tennessee, LLC, CH Arkansas, LLC, CH California, LLC, CH West Virginia LLC , CH Colorado LLC, CH Kentucky LLC, CH Maine, LLC, CH Rhode Island, LLC, CH Texas of SC, LLC, CH Wisconsin, LLC, CH Connecticut, LLC, Chatham Hotel Limited Partnership, Dunbar Hotel Limited Partnership, Everett Smitt Jr. George Evans, ETAL, Harbour View Inn, LLC, Hotel Weyanoke Operator, LLC, KVH Hospitality Group, LLC, Surfside Pier Hotel, LLC, The Charleston Market, LLC, and The Spectator Hotel, LLC (the Companies). The plan was restated effective April 1, 2022 for the Cycle 3 qualified pre-approved profit-sharing plan as required by the Internal Revenue Service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) as amended.

Contributions

Participants may elect to reduce their compensation by a specific percentage or dollar amount on a pre-tax and after-tax (Roth) basis and have that amount contributed to the Plan as an elective deferral up to the maximum allowed by law. For participants over 50 years of age, an additional “catch-up” contribution may be made subject to allowable IRS limitations. Participants may contribute amounts representing rollover contributions from other qualified defined benefit or contribution plans. Participants direct the investments of their contributions into various investment options and participants may change their allocations amounts to the various investment options at any time.

The Companies may make matching contributions equal to a discretionary percentage, to be determined by the Companies’ Trustees of the participant’s elective deferrals. The Companies did make discretionary matching contributions for the year ended December 31, 2022.

The Companies may elect to contribute to the Plan amounts in the form of discretionary profit-sharing contributions. Such discretionary contributions, if any, are decided by the Companies’ Trustees and are allocated to the participants using a discretionary percentage or a discretionary dollar amount to be determined by the Companies on a uniform basis for all participants. The Companies did not make discretionary profit-sharing contributions for the year ended December 31, 2022.

Participant Accounts

Each participant's account is credited with the participant's contributions, rollover contributions and allocations of (a) the Companies’ matching and discretionary profit-sharing contributions, and (b) Plan earnings or losses, and (c) an allocation of administrative expenses. Allocations are based upon the participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1. DESCRIPTION OF THE PLAN - CONTINUED

Vesting

Participants are always 100% vested in their contributions, rollover contributions and any earnings thereon. Vesting in the Companies' discretionary matching contribution and discretionary profit-sharing contribution portion of their accounts plus actual earnings is based on years of continuous service. A participant is vested based on a 6-year graded scale for years of credited service, in accordance with the following schedule:

Years of Service for Vesting	Vesting Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

On April 19, 2023, the Plan Sponsor retroactively amended the Plan for the 2022 plan year to allow all participants vesting in the discretionary employer matching contributions regardless of service completed during the plan year or employment status on December 31, 2022.

Investments

Participants direct the investment of all contributions into various investment options offered by the Plan. During the year ended December 31, 2022, the Plan currently offers mutual funds that are considered subaccounts with a group annuity contract as reported pooled separate accounts as investment options for participants. For the year ended December 31, 2021, the Plan offered various mutual funds and common collect trust investments as investment options for participants.

Payment of Benefits

Payment of benefits are allowed due to death, disability, retirement, in-service at age 59^{1/2} or hardships, a participant or designated beneficiary may elect to receive a lump sum payment equal to the balance of the participant's vested account, partial payment or receive installments of the participant's vested account balance over a period not to exceed the participant's life expectancy. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

The plan sponsor initiates and may distribute a participant full account balance to those who are no longer active with the company if their vested balance is less than \$5,000 directly to the participant without authorization from the participant based on the involuntary mandatory cash out provisions allowed by the plan.

Forfeitures

The Plan permits forfeitures to be used to pay for administrative expenses and then to reduce future employer contributions. The Plan did not have any forfeited non-vested accounts for the years ended December 31, 2022 and 2021.

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States.

CHARLESTOWNE HOTELS, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Use of Estimates

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America requires that the Plan administrator make estimates and use assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results may differ from those estimates. The Plan administrator is not aware of any condition or event that is likely to severely affect its estimates in the near-term.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Under the group annuity contract, subaccounts reinvest earnings from the underlying mutual funds within each unit of the subaccounts.

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of net appreciation or depreciation in fair market value of investments for such investments. Under the group annuity contract, fees are charged against the total assets under the contract.

Corrective Distributions Payable

Corrective distributions are paid in a subsequent year as deemed necessary to ensure compliance with IRC Section 401(k) (3) regulations.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses of the Plan are paid by either the Plan or the Plan Sponsor, as provided in the Plan document.

Subsequent Events

Subsequent events were evaluated through the report date, which is the date the financial statements were available to be issued. As disclosed in Note 13, the Plan was amended on April 19, 2023.

DECEMBER 31, 2022 AND 2021

NOTE 3. INFORMATION PREPARED BY AND CERTIFIED BY THE CUSTODIAN AND CERTIFYING ENTITY (UNAUDITED)

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect information certified by Wystar Global Retirement Services, a division of Wells Fargo Bank, N.A., the custodian, for the period January 1, 2021 to March 31, 2021, Matrix Trust Company, the custodian, for the period April 1, 2021 to December 31, 2021 and January 1, 2022 to March 31, 2022 and John Hancock Life Insurance Company (U.S.A), certifying entity, for the period of April 1, 2022 to December 31, 2022 and the year ended December 31, except for comparing such information certified by the custodians and certifying entity to information included in the Plan's financial statements and supplemental schedules. Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's ("DOL's") Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following assets:

	<u>December 31,</u>	
	<u>2022</u>	<u>2021</u>
Mutual funds	\$ 1,924,099	\$ 1,719,131
Common collective trust funds	-	11,341
Cash	35	529
	<u>\$ 1,924,134</u>	<u>\$ 1,731,001</u>
Net depreciation in the fair value of investments	<u>\$ 384,507</u>	

NOTE 4. FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1-Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2-Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by the observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3-Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

CHARLESTOWNE HOTELS, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 4. FAIR VALUE MEASUREMENTS - CONTINUED

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2022 and 2021.

Shares of registered investment companies (mutual funds): Valued at the net asset value (NAV) of shares held by the Plan at year end. For year ended December 31, 2021, mutual funds held by the plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the plan are deemed to be actively traded. For year ended December 31, 2022, the mutual funds were held by the subaccounts within the group annuity contract are report based on NAV of the units held within the subaccounts unit valuation and published on a regular basis.

Common collective trust: Net asset value (NAV) is used as a practical expedient to estimate fair value. The NAV is based on the fair value of underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount differing from the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of a common trust fund, the investment adviser reserves the right to temporarily delay the withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

These valuation methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Assets at fair value as of December 31, 2022				
	Level 1	Level 2	Level 3	Fair Value
Mutual funds at fair value	\$ 1,924,099	\$ -	\$ -	\$ 1,924,099
 Assets at fair value as of December 31, 2021				
	Level 1	Level 2	Level 3	Fair Value
Mutual funds at fair value	\$ 1,719,131	\$ -	\$ -	\$ 1,719,131
Common collective trust at NAV (a)				11,341
Total Investments at fair value				\$ 1,730,472

CHARLESTOWNE HOTELS, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 4. FAIR VALUE MEASUREMENTS - CONTINUED

- (a) Certain investments that were measured at net asset value per share or its equivalent have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the items presented in the statements of net assets available for benefits.

The following tables set forth a summary of the Plan's investments reported at NAV as a practical expedient to estimate fair value.

Investment	December 31, 2021			
	<u>Fair value</u>	<u>Unfunded commitment</u>	<u>Redemption frequency</u>	<u>Redemption notice period</u>
Common collective trust	\$ 11,341	\$ -	Daily	(b)

- (b) Withdrawals initiated by Plan participants are honored at any time without penalty. If the Plan sponsor were to initiate the withdrawal from the fund, a 12-month written notice of intent to withdraw assets from the fund would be required.

NOTE 5. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

For the years ended December 31, 2022 and 2021, certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements and investment related expenses are included in net depreciation/appreciation of fair value of investments.

The re-approved plan has received an opinion letter from the IRS dated June 30, 2020, whereby the IRS stated that the pre-approved plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
