INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Numero Uno Acquisitions LLC 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Numero Uno Acquisitions LLC 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for plan benefits of as of December 31, 2022 and 2021, the related statement of changes in net assets available for plan benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Numero Uno Acquisitions LLC 401(k) Profit Sharing Plan and Trust (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined-contribution plan established January 1, 2020 by Numero Uno Acquisitions LLC (the "Employer") under the provision of Section 401(k) of the Internal Revenue Code (IRC). The Plan provides for a qualified cash or deferred arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees of the Employer. The Plan allowed elective deferrals effective October 13, 2020. The Plan is administered by management of the Employer and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). Mid Atlantic Trust Company (the "Custodian") is responsible for the custody and the management of the Plan's assets. Paychex Retirement Services serves as the Plan's Recordkeeper and 3(16) Plan fiduciary (the "Recordkeeper").

Eligibility

Any employee who has attained age 21 and completed one year of service is eligible to participate in the Plan, with the exception of employees covered by collective bargaining agreement, nonresident alien and employee as a result of an asset or stock acquisition, merger, or similar transaction. Participation in the Plan may begin immediately, following completion of eligibility requirements.

Participant Contributions

Participants may elect to contribute, on a pretax basis, up to 91 percent of their eligible compensation, in an amount not in excess of the maximum allowed by the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make additional catch-up contributions. Participants may also make contributions to the Plan on an after-tax basis, as Roth deferrals, as defined in the Plan document and subject to the limitations under the IRC as listed above. Participants may also rollover amounts representing distributions from other qualified benefit or contribution plans.

Employer Profit-Sharing Contributions

The Employer may make discretionary profit-sharing contributions to the Plan. All Employer contributions are invested in the manner in which a participant directs their investments. No discretionary profit-sharing contributions were made for the year ended December 31, 2022. For the years ended December 31, 2022 and 2021, qualified non-elective contributions totaled $272 and $350, respectively. As of December 31, 2022 and 2021, employer receivables related to these qualified non-elective contributions owed to participants were $722 and $450, respectively.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Vesting

Participants are immediately vested in their contributions and rollover contributions plus actual earnings thereon. Vesting of Employer discretionary profit-sharing contributions are based upon the participant's continuous years of service with the Employer as follows:

Years of Service	Percentage Vested
2	20%
3	40%
4	60%
5	80%
6	100%

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Employer's profit-sharing contributions and Plan earnings, losses, and administrative expenses (to the extent that were not paid by the Employer). Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Participants may direct participant and Employer profit-sharing contributions as desired in any of several investment options offered by the Plan. Participants may change their investment options any time throughout the year via the Internet website or by using the automated telephone system offered by the Recordkeeper.

Notes from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or fifty percent (50%) of their account balance, whichever is less. Loan terms range from one (1) to five (5) years, except for loans related to the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate that a bank or other professional lender would charge for making a loan in a similar circumstance. There were no outstanding loans as of December 31, 2022 and 2021. Interest income is recognized when earned. Principal and interest are paid ratably through payroll deductions.

Benefit Payments

Upon termination of employment with the Employer, a participant will receive a lump sum disbursement if his or her vested account balance is $5,000 or less. The participant is entitled to receive a lump sum amount, direct transfer to another qualified plan, installments or partial withdrawals. In the event of death or total and permanent disability, a participant's beneficiary or the participant is entitled to the total value of the participant's account. In-service distributions may be made from fully vested accounts for currently employed participants who have attained age 59 ½.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Financial Hardship Distributions
The Plan allows hardship withdrawals in accordance with Internal Revenue Service (IRS) regulations. Among other things, the withdrawal must be necessary in light of immediate and heavy financial needs of the participant and is limited to certain purposes.

Forfeitures
Plan forfeitures represent the non-vested portion of terminated participants' account balances. Forfeitures may be used to pay Plan expenses and reduce Employer contributions. During the Plan years ended December 31, 2022 and 2021, no forfeitures were used to reduce Plan expenses, or Employer contributions. As of December 31, 2022 and 2021, the Plan had no forfeiture balance.

Administrative Expenses
The Plan pays substantially all administrative expenses of the Plan and allocates expenses proportionately to each Participant, with the exception of certain transactional fees, as defined in the Plan document. Expenses that are paid by the Employer are excluded from these financial statements. On May 22, 2023, the Recordkeeper elected to reimburse the Plan for previously paid 3(16) Fiduciary fees of $12,933. The other receivable of $12,933 is included in the accompanying statement of net assets available for plan benefits.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The accompanying financial statements of the Plan have been prepared in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates
The preparation of the Plan's financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits and changes therein and, when applicable, disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Cash Equivalents
The Plan considers all highly liquid investments purchased with original maturities of three months or less to be cash equivalents.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

The Plan's investments in registered investment companies are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Plan benefits are recorded when paid. As of December 31, 2022 and 2021, there were no plan benefits payable to participants who elected to withdraw from the Plan.

NOTE 3 – INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The Plan's management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mid Atlantic Trust Company, the custodian of the Plan, has certified the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for plan benefits as of December 31, 2022 and 2021, the assets reflected on the supplemental schedule, Schedule H, Line 4i, Schedule of Assets (Held at End of Year) as of December 31, 2022, and the related investment activity reflected in the statement of changes in net assets available for plan benefits for the year ended December 31, 2022.

NOTE 4 – FAIR VALUE MEASUREMENTS

FASB ASC Topic 820, "Fair Value Measurements and Disclosures" (ASC 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets,
- Quoted prices for identical or similar assets or liabilities in inactive markets,
- Inputs other than quoted prices that are observable for the asset or liability,
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Cash equivalents
Valued at carrying value, which approximates fair value due to the short-term nature of such investments.

Registered investment companies (mutual funds)
Valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan are open-end registered investment companies that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transfer at the price. The registered investment companies held by the Plan are deemed to be actively traded.

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	Investments at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Cash equivalents	$ 235	$ -	$ -	$ 235
Registered investment companies	6,104	-	-	6,104
Total investments at fair value	**$ 6,339**	**$ -**	**$ -**	**$ 6,339**

	Investments at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Cash equivalents	$ 152	$ -	$ -	$ 152
Registered investment companies	2,275	-	-	2,275
Total investments at fair value	**$ 2,427**	**$ -**	**$ -**	**$ 2,427**

NOTE 5 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan transactions are managed by Mid Atlantic Trust Company, the Custodian, and therefore, qualify as exempt "party-in-interest" transactions permitted by the United States Department of Labor (DOL) Rules and Regulations. The Employer, Plan Administrator and Recordkeeper are also a party-in-interest with respect to the Plan. Fees paid by the Plan to the Custodian amounted to $1,085 for the year ended December 31, 2022. Fees paid by the Plan to the Recordkeeper amounted to $29 for the year ended December 31, 2022.

NOTE 6 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

NOTE 7 – INTERNAL REVENUE SERVICE STATUS

Effective January 1, 2020, the Plan adopted a non-standardized form of a prototype profit sharing plan with CODA sponsored by Paychex Inc. and this prototype profit sharing plan was effective until May 19, 2022. Effective May 20, 2022, the Plan adopted a non-standardized form of a profit sharing plan with CODA sponsored by Paychex Inc. The plan provider has received opinion letters from the IRS as to the plans' qualified statuses. The plan opinion letters have been relied upon by this Plan. Although the Plan has been amended since the plans received the opinion letters, the Plan management believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

U.S. GAAP requires the Plan's management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on technical merits, to be sustained upon examination by the IRS. The Plan's management has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2022 and 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability, asset, or disclosure in the financial statements. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 – PLAN TERMINATION

Although it has not expressed such intent, the Employer, by action of its Board of Directors, reserves the right, at any time, to amend or terminate the Plan. Upon termination of the Plan, further contributions to the Plan shall cease and all participants would become 100% vested in all contributions. Net assets available for plan benefits would be distributed to the participants based on each participant's interest in the Plan.

NOTE 9 – ACQUISITION OF PLAN SPONSOR AND PLAN MERGER

On July 11, 2022, the Plan Sponsor Numero Uno Acquisitions, LLC, was acquired by Super Center Concepts Holdings, LLC. Super Center Concepts Holdings, LLC is a wholly-owned subsidiary of Super Center Concepts, Inc. On September 6, 2023, the Plan Sponsor made the decision to merge the Numero Uno Acquisitions LLC 401(k) Profit Sharing Plan and Trust with the Super Center Concepts, Inc. 401(k) Plan effective January 1, 2024.

NOTE 10 – SUBSEQUENT EVENTS

The Plan has evaluated all subsequent events through October 12, 2023, the date the financial statements were available to be issued, and concluded that, other than the matter described in Note 9, no subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.
