INDEPENDENT AUDITORS' REPORT

To the Trustees and Participants of the
Teknor Savings Plus Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Teknor Savings Plus Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Teknor Savings Plus Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Teknor Savings Plus Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Teknor Savings Plus Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Teknor Savings Plus Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment

information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the Teknor Savings Plus Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL

Effective February 1, 1989, Teknor Apex Company and its U.S. subsidiaries, which include Teknor Apex Tennessee Company, Teknor Color Company, Teknor Financial Corporation, Teknor Apex Vermont Company, Teknor Apex Group, Inc., Teknor Performance Elastomers, Inc., Teknor Apex Elastomers, Inc. and Teknor Apex North Carolina Company (the Company) established the Plan in order to provide eligible U.S. employees with the opportunity to make tax-deferred contributions through a salary reduction arrangement. Effective July 21, 2017, the Plan has been restated. Effective June 30, 2020, the prototype plan received its latest favorable opinion letter as to the prototype plan's qualified status. The Plan is a defined contribution plan with a deferred arrangement qualified under Section 401(k) of the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is participant directed. The Investment Committee along with the Plan's investment advisor determines the appropriateness of the Plan's investment portfolio options, monitors investment performance and reports to the Plan's trustees.

ELIGIBILITY

All salaried and hourly employees, excluding union employees whose employment is governed by a collective bargaining agreement except where such bargaining results in coverage under the Plan, are eligible to participate in the Plan on the first of the month coinciding with or following the date employees attain at least 21 years of age and have completed at least three months of service with the Company.

CONTRIBUTIONS

Participants may elect to contribute a percentage of their annual pre-tax compensation, as defined in the Plan, subject to certain limitations as allowable under Section 401(k) of the IRC. These contributions, and earnings thereon, are not subject to federal income taxes until withdrawn from the Plan. Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Such transfers are recorded as rollover contributions in the accompanying Statement of Changes in Net Assets Available for Benefits.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect to opt-out of the Plan within ninety days of the first automatic deferral. The automatic deferral amount is 6% of eligible compensation and participant contributions are invested in a designated fund until changed by the participant. Participants may also designate all or a portion of elective deferral contributions as Roth contributions, which are made on an after-tax basis.

The safe harbor matching contribution is equal to 100% of the participant's elective deferrals on the first 2% of the participant's eligible compensation plus 50% of the participant's elective deferrals between 2% and 6% of the employee's eligible compensation. This is a maximum total employer matching contribution of 4% of the participant's eligible compensation when the participant's elective deferral is 6% or greater.

Matching contributions to the Plan are allocated to participants who have completed 1,000 hours of service during the eligibility computation period to receive credit for one year of service. All contributions to a participant's account are allocated among the various investments based on each participant's elections.

Employees not participating in the Company's defined benefit pension plan, who complete one year of service during which they worked 1,000 hours, are eligible to receive a non-elective employer contribution equal to 3% of their eligible compensation. These non-elective employer contributions are remitted each pay period and are contributed to the 401(k) accounts of the employees.

No allocation to the account of an employee shall exceed any prescribed limits established by the Plan, the Internal Revenue Code or any other Treasury Regulations.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, rollover contributions, allocations of the employer's matching contributions, as well as allocations of the employer's non-elective contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based upon participant earnings, account balances or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

VESTING

Participants are vested immediately in their pre-tax voluntary contributions and any amounts rolled over or transferred into the Plan, plus actual earnings less participant transactions fees thereon. Vesting in the Company's contribution portion of their accounts and associated earnings is based on years of credited service. A participant is 100 percent vested in employer contributions after two years of credited service.

INVESTMENT OPTIONS

Upon enrollment in the Plan, a participant may direct employee, employer matching, non-elective employer contributions in two decimal places of a percent increments in a variety of investment options. Participants may change their investment options any time throughout the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. A participant is permitted a maximum of one loan outstanding at any time and can only apply for two loans in a calendar year. Generally, new loans are repaid over a period of up to 58 months. However, new loans used for the purchase of or substantial improvements to a primary residence are repaid over a period of up to 116 months. The loans bear interest at rates that range from 4.25% to 8.50%, which are commensurate with local prevailing rates established by the plan administrator. Principal and interest on loan payments are recorded as contributions and are allocated based on investment elections at time of payment. Principal and interest are paid ratably through routine payroll deductions. The notes are collateralized by the participant's vested interest in their account.

PAYMENT OF BENEFITS

Upon retirement, total and permanent disability, termination of employment, or death, a participant or beneficiary will receive the value of their vested account balance in a lump sum distribution or substantially equal installments or partial withdrawals in accordance with the provisions of the Plan. If a participant reaches age 59½ while still employed by the Company, that participant may elect to receive all or a portion of his or her vested account balance. Certain participants determined by the third party administrator to be in a case of financial hardship may withdraw all or a portion of their participant contributions in accordance with the Plan agreement. In the event of death, benefits are payable to the participant's surviving spouse or designated beneficiary. Terminated participants with vested account balances greater than \$1,000 may maintain their account in the Plan or receive a lump sum distribution.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

PAYMENT OF BENEFITS (CONTINUED)

The Plan fiduciary signed an agreement with Principal Life Insurance Company, the trustee, to participate in the Principal Life Insurance Company's Automatic Rollover Program. The program facilitates the automatic rollover of certain mandatory distributions less than \$5,000 but greater than \$1,000 to a Principal Bank IRA. Automatic rollovers are to be done for each participant that has terminated employment with the Company and who has not affirmatively elected during the applicable election period to have the mandatory distribution paid directly to the participant or rolled over to another eligible retirement plan.

FORFEITURES

Upon termination of employment, a participant forfeits any unvested portion of his or her account. These amounts are used to reduce future employer contributions or pay reasonable Plan expenses. The allocation of Plan forfeitures to participant accounts or Plan expenses is to occur in the plan year following the plan year in which the designated forfeiture occurs.

During 2022 and 2021, the activity in the forfeiture account was as follows:

	2022	2021
Balance, beginning of the year	\$ 7,569	\$ 167
Forfeitures incurred	10,850	13,598
Income on forfeitures	242	98
Administrative expenses	<u>(2,676)</u>	<u>(6,294)</u>
Balance, end of the year	<u>\$ 15,985</u>	<u>\$ 7,569</u>

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the Plan's accounting policies that affect the more significant elements of the financial statements is stated below.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and investment fund manager. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. An allowance is recorded for loans that are in default and have been deemed to participants as distributions. The allowance for deemed loans was \$127,393 as of December 31, 2022 and 2021. Delinquent participant loans are re-classified as distributions based upon the terms of the plan document. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

PAYMENTS OF BENEFITS

Benefits are recorded when paid.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company, at its discretion. Fees related to the administration of notes receivable from participants and benefit payment requests are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses including trustee fees are also included in administrative expenses. Expenses paid by the Company are excluded from these financial statements.

EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. There were no excess contributions as of December 31, 2022 and 2021.

NOTE 3 - ADMINISTRATIVE EXPENSES

Investment contract related expenses, participant transaction fees, audit fees and other administrative expenses incurred by the Plan were \$400,003 for the year ended December 31, 2022.

NOTE 4 - FINANCIAL INFORMATION CERTIFIED BY TRUSTEES

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company and Principal Global Investors Trust Company (the trustees of the Plan). This information has not been audited by the Plan's independent auditors.

NOTE 5 - INVESTMENTS AND FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

MUTUAL FUNDS

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

TEKNOR SAVINGS PLUS PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 5 - INVESTMENTS AND FAIR VALUE MEASUREMENTS (CONTINUED)

COLLECTIVE INVESTMENT TRUST

Valued at the NAV of units in a bank collective trust, which invests in stable value investment contracts. The NAV, as certified and provided by the trustee, is used as the practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. All redemptions of the common collective trust are at that day's computed NAV. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. There are no unfunded commitments to the collective investment trust. The trust reserves the right to delay transfers and payouts as described in the Declaration of Trust issued to the Plan.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021, respectively.

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 155,280,107	\$ --	\$ --	\$ 155,280,107
Total investments in the fair value hierarchy	155,280,107	--	--	155,280,107
Investments measured at NAV (a)				48,802,464
Total investments at fair value	<u>\$ 155,280,107</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 204,082,571</u>

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 190,090,498	\$ --	\$ --	\$ 190,090,498
Total investments in the fair value hierarchy	190,090,498	--	--	190,090,498
Investments measured at NAV (a)				56,564,508
Total investments at fair value	<u>\$ 190,090,498</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 246,655,006</u>

(a) In accordance with ASC subtopic 820-10, certain investments (including the collective investment trust) that were measured at NAV or contract value per share (or its equivalent) have not been classified in the fair value hierarchy. The values presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

NOTE 6 - TAX STATUS

The IRS has determined and informed the Company by a letter dated June 30, 2020 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to internally monitor tax positions taken by the Plan to determine whether any are uncertain. A tax position is taken if it is determined that the position will “more-likely-than-not” be sustained upon examination by a taxing authority. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there were no uncertain positions taken or expected to be taken that would require the recognition of a liability or asset or disclosure in the financial statements. The Plan's information returns are subject to examination by federal and state taxing authorities. Management has stated there are no examinations pending or in progress.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, Teknor Apex Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a complete or partial termination of the Plan, all amounts credited to participant accounts will become 100% vested and non-forfeitable. Upon any termination, the assets will be allocated to the eligible participants and beneficiaries of the Plan.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 9 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of funds managed by Principal Global Investors Trust Company, a trustee as defined by the Plan. Therefore, these investment transactions qualify as exempt party-in-interest transactions. Certain employees of the Company, who are also participants in the Plan, perform administrative services at no cost to the Plan.

The Plan receives revenue sharing amounts from Principal Trust Company, a trustee, which are received monthly and allocated to participant accounts proportionately. During 2022, revenue sharing amounts of \$422,023 were allocated to participant accounts. Such amounts are used to pay investment management services. Fees are charged to each participant's account on a proportionate basis (See Note 3).

All notes receivable of the Plan are between the Plan and Plan participants. Therefore, these notes and transactions qualify as party-in-interest transactions that are exempt from prohibited transaction rules.

NOTE 10 - RECLASSIFICATION

Certain reclassifications were made to the 2021 financial statement disclosures to conform to the presentation of the 2022 financial statement disclosures.

NOTE 11 - SUBSEQUENT EVENTS

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.

Effective January 1, 2023, a plan amendment was established to merge the Lanier Color Company, Inc. 401(k) Plan with the Plan.

The Plan has evaluated subsequent events through October 13, 2023, the date the financial statements of the Plan were available to be issued. Except as noted above there were no events identified requiring recognition or disclosure in the financial statements.
