401(k) Profit-Sharing Plan for Employees of Living in Fulfilling Environments (L.I.F.E.), Inc.
Bristol, Rhode Island

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of 401(k) Profit-Sharing Plan for Employees of Living in Fulfilling Environments (L.I.F.E.), Inc. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2022, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section -

- the amounts and disclosures in the 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2022 Supplemental Information Required by ERISA

The supplemental Schedule H - Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

2022 Supplemental Information Required by ERISA (Continued)

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

Predecessor auditors performed an audit of the 2021 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated September 13, 2022 indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedules, other than the information in the 2021 supplemental schedules that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 1. DESCRIPTION OF PLAN

The following description of the 401(k) Profit-Sharing Plan for Employees of Living in Fulfilling Environments (L.I.F.E.), Inc. (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established by Living in Fulfilling Environments (L.I.F.E.), Inc. (the "Employer") on April 1, 1987, for the benefit of qualifying employees of the Employer. The purpose of the Plan is to accumulate retirement income for its participants, which will supplement retirement benefits provided them by Social Security. The Plan is a contributory single-employer defined contribution plan under Section 401(k) of the Internal Revenue Code ("IRC") and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective March 27, 2020, the Plan adopted certain provisions of the Coronavirus Aid, Relief, and Economic Security Act, as amended (the "CARES Act"); however, the Plan has not yet been amended for the adoption of these provisions. The CARES Act provisions that were adopted are as follows:

- i. Participants that meet eligible CARES Act criteria can take penalty free withdrawals of up to \$100,000.
- ii. Participants will have the ability to repay the CARES Act distribution within three years, though repayment is not required.
- iii. The maximum loan amount is temporarily increased up to \$100,000.
- iv. Participants are allowed to defer loan repayments for one year.
- v. Required minimum distributions are suspended for 2020.

Effective January 1, 2022, the Plan was restated. There were no significant changes to the Plan as a result of the restatement.

Eligibility

Employees, excluding non-resident aliens and leased employees, are eligible to participate in the Plan as of the first day of each month coincident with or after hire. Following the completion of one year of service, as defined, and attainment of age 18 participants are eligible for Employer discretionary contributions.

Contributions

Participants may elect to contribute to the Plan any dollar amount or percentage of eligible compensation on a pre-tax or after-tax Roth basis up to 100% of eligible compensation, as defined in the Plan ("elective deferrals"). Participants who are at least age 50 before the end of the Plan year may make catch-up contributions equal to any whole number percentage of their eligible compensation or whole dollar amount. Participants may not contribute more than the maximum allowed by the IRC.

**401(K) PROFIT-SHARING PLAN FOR EMPLOYEES OF LIVING IN FULFILLING
ENVIRONMENTS (L.I.F.E.), INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Contributions (continued)

The Employer may make a discretionary matching contribution each year equal to a percentage of the participants' elective deferrals. For the year ended December 31, 2022, eligible employees received 50% of the first 6% of eligible compensation. The Employer may also make a discretionary non-elective contribution each year equal to a percentage of the participants' eligible compensation. For the year ended December 31, 2022, there were no discretionary non-elective contributions. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Rollovers and transfers of funds from other qualified plans in which employees cease to participate are permitted and are fully vested.

Vesting

Participants are immediately vested in their deferral and rollover contributions, including the earnings on those amounts. Vesting in the Employer contributions portion of their accounts is based on years of continuous service. Participants are fully vested in Employer contributions upon the completion of three years of service. Participants are also fully vested upon reaching normal retirement age, death or total disability.

Forfeited accounts

There were no forfeitures at December 31, 2022 and 2021. Forfeitures are used to reduce future employer contributions. For the year ended December 31, 2022, \$1,950 of forfeitures were used to reduce employer contributions.

Participant accounts

Contributions are credited to each participant's account, which is administered by the custodian who is responsible for receiving contributions, making distributions, maintaining accounts and records, and rendering an annual report. Participants designate their desired allocation of contributions to the Plan's investment funds and retain the right to change their investment allocation on a daily basis.

Participants' accounts are credited with their elective deferrals and Employer contributions made on their behalf and charged with an allocation of administrative expenses. The earnings (losses) generated by the trust investments and administrative expenses are allocated to participants' accounts daily, based upon the proportionate value of all active accounts to accounts participating in the fund as of the valuation date, as defined in the Plan. The benefit to which the participant is entitled is the benefit that can be provided from the participant's vested account balance.

**401(K) PROFIT-SHARING PLAN FOR EMPLOYEES OF LIVING IN FULFILLING
ENVIRONMENTS (L.I.F.E.), INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Payment of benefits

Upon termination of employment by reason of normal retirement, death or disability, participants will be entitled to 100% of the amounts credited to their accounts. Upon termination of employment for other than normal retirement, death or disability, participants will be entitled to the vested amounts credited to their accounts.

Upon termination, participants will receive an amount equal to the vested value of their accounts in either a lump-sum payment, partial distribution, or installments over a period of time not to exceed the life or life expectancy of the participant.

Hardship withdrawals

A hardship withdrawal may be authorized by the Employer in an amount up to 100% of the participant's vested account balance.

In-service withdrawals

Participants who have attained age 59 1/2 are permitted to take in-service withdrawals up to their vested account balance.

Notes receivable from participants

The Plan provides that a participant may request a loan from the vested portion of the participant's account for any purpose. The maximum loan that may be received cannot exceed the lesser of 50% of the participant's vested interest or \$50,000 reduced by the highest outstanding loan balance in the participant's account during the prior 12-month period. Loans are secured by the vested balance in a participant's account, mature through January 2028, and bear interest at rates ranging from 4.25% to 6.50% as of December 31, 2022. Principal and interest are paid in level payments on at least a quarterly basis and must be completed within five years, with the exception of loans whose proceeds are used for the purchase of a participant's primary residence, which must be repaid within ten years.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements were prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Investment contracts are required to be reported at fair value, except for fully benefit-responsive contracts, which are reported at contract value. Contract value is the relevant measurement attribute for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

**401(K) PROFIT-SHARING PLAN FOR EMPLOYEES OF LIVING IN FULFILLING
ENVIRONMENTS (L.I.F.E.), INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and changes in net assets available for benefits during the year. Accordingly, actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year such adjustments are determined.

Investment valuation and income recognition

The Plan's investments are stated at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan determines its valuation policies utilizing information provided by the custodian.

The investment in pooled separate accounts is valued at the net asset value (the "NAV") per unit, as determined by the custodian at year-end. The NAV is used as the practical expedient to estimate fair value and is based on the fair value of the underlying investment held by the fund, less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Investments valued at NAV used as the practical expedient are excluded from the fair value hierarchy.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value includes the Plan's gains and losses on investments bought, sold and held during the year.

Notes receivable from participants

Notes receivable from participants are valued at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Defaulted loans are reported as participant benefit payments in the period in which the Plan administrator determines that the loan is uncollectible.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Fees related to the administration of the Plan, including loan initiation fees, check fees, and fees paid to service providers, are included in administrative expenses. Investment-related expenses are included in net depreciation in fair value of investments.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent events

The Plan has evaluated subsequent events through October 5, 2023, the date on which these financial statements were available to be issued. There were no material subsequent events that required disclosure under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 855 *Subsequent Events*.

NOTE 3. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN

The following tables summarize information regarding the Plan as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included in the Plan's financial statements and supplemental schedule, that was prepared by or derived from information prepared by Mutual of America Life Insurance Company ("Mutual of America"), the custodian, without audit, and furnished to the Plan administrator. The Plan administrator has obtained a certification from the custodian that such information is complete and accurate.

Net depreciation of fair value of investments	<u>\$ (642,995)</u>	
 Interest income on notes receivable from participants	 <u>\$ 8,980</u>	

NOTE 4. GUARANTEED INVESTMENT CONTRACT

The Plan's investment at contract value consists of a traditional fully benefit-responsive guaranteed investment contract with Mutual of America. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The guaranteed investment contract does not permit termination prior to the scheduled maturity date.

NOTE 4. GUARANTEED INVESTMENT CONTRACT (CONTINUED)

Certain events may limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemptions from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with participants are probable of occurring.

NOTE 5. FAIR VALUE OF INVESTMENTS IN ENTITIES THAT USE NAV

The following tables summarize the Plan's investments measured at fair value based upon NAV per unit as of December 31, 2022 and 2021:

**NOTE 5. FAIR VALUE OF INVESTMENTS IN ENTITIES THAT USE NAV
(CONTINUED)**

The investment strategy for the pooled separate accounts is to invest directly in the mutual fund for which the pooled separate account was created to hold. Therefore, the pooled separate account is intended to provide the same risks and rewards as the mutual fund in which it is directly invested.

NOTE 6. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are in the custody of Mutual of America, the custodian; therefore, any transactions between the Plan and Mutual of America qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net depreciation in fair value of investments. Transactions related to notes receivable from participants are also party-in-interest transactions.

NOTE 7. PLAN TERMINATION

Although the Employer has not expressed any intention to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their account balances.

NOTE 8. TAX STATUS

The Plan has adopted the Mutual of America Financial Group Defined Contribution Pre-Approved Plan (the "Prototype Plan") that received a favorable opinion letter dated November 30, 2020, that the Prototype Plan is designed in compliance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

NOTE 9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
