INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of the
Mewbourne Oil Company Employees' 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Mewbourne Oil Company Employees' 401(k) Plan ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2022 and June 30, 2022, the related statement of changes in net assets available for benefits (modified cash basis) for the period July 1, 2022 through December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2022 and June 30, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

EMPLOYEES' 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND JUNE 30, 2022**

NOTE 1 - DESCRIPTION OF THE PLAN

GENERAL

The following description of the Mewbourne Oil Company Employees' 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan documents for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan that covers substantially all employees of Mewbourne Oil Company, Inc. Participants become eligible to enter the Plan on the first day of the month coincident with or following their date of hire. Participants who are rehired are immediately eligible to participate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Mewbourne Oil Company, Inc. ("Company") is the Plan Sponsor. Effective January 1, 2023, the Plan was amended to change to a calendar year end of December 31.

CONTRIBUTIONS

A participant may elect to contribute any combination of pretax elective deferrals and Roth elective deferrals of his or her pretax compensation subject to certain maximum limitations imposed by the Internal Revenue Service ("IRS"). Employees who are eligible, as defined by the Plan, to make elective deferrals under the Plan and who have attained age 50 before the close of the Plan year are eligible to make catch-up contributions. Participants may also make eligible rollover contributions.

The Company will make a safe harbor contribution each year equal to 3% of each participant's base compensation. Participants are 100% vested in this contribution from the date they receive it. A non-safe harbor matching contribution is also made equal to 100% of a participant's salary deferrals that do not exceed 8% of their base compensation.

Participants direct the investments of their contributions and employer contributions into various investment options offered by the Plan.

PARTICIPANT ACCOUNTS

Each participant's account is established with and maintained by T. Rowe Price Trust Company. Participant accounts are credited with the participant's salary deferrals, the Company's contributions, and earnings thereon. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are 100% vested in their elective contributions, rollover contributions and the safe harbor contributions plus actual earnings thereon. Vesting in the Company non-safe harbor matching contributions are based upon years of service as follows. One year of vesting service is credited for each full year of service and aggregate partial years treating 365 days of service as one year.

<u>Years of Service</u>	<u>% Vested</u>
Less than 2	0%
2	20%
3	40%
4	60%
5 or more	100%

Full vesting occurs at retirement, disability, death, or plan termination.

NOTES RECEIVABLE FROM PARTICIPANTS

The Plan does not permit participants to borrow from their fund accounts.

NOTE 1 - DESCRIPTION OF THE PLAN - CONTINUED

PAYMENT OF BENEFITS

In general, the vested portion of a participant's account becomes available upon termination of employment, total and permanent disability, death, retirement, or attainment of age 59½. The participant or beneficiary may receive payment as a lump sum payment, a direct rollover to another qualified plan, a payment to the participant's IRA or any other payment method permitted by the Plan. Hardship withdrawals are allowed at any time under the Plan, subject to certain restrictions.

FORFEITURE ACCOUNT

Forfeitures represent non-vested portions of terminated participant accounts. For the period ended December 31, 2022, forfeitures totaled \$59,888. The forfeiture account may be used to pay administrative fees or reduce employer contributions. For the period ended December 31, 2022, the Plan utilized available funds totaling \$205,856 to reduce employer contributions. As of December 31, 2022 and June 30, 2022, there was \$607 and \$146,575, in this account, respectively.

PLAN ADMINISTRATION

The management board of the Plan Sponsor appoints the Plan Administrator and Plan Trustees. The Plan Administrator is an employee of the Plan Sponsor. Certain administrative duties, such as compliance testing, were performed by the custodian of the Plan.

ADMINISTRATIVE BUDGET ACCOUNT

As part of the recordkeeping and administrative service fee arrangement with T. Rowe Price Trust Company, T. Rowe Price Trust Company agrees to reimburse to the Plan investment fund related revenue received by T. Rowe Price Trust Company that is in excess of the agreed upon service fee structure. The reimbursement amounts, if any, are paid to the Plan in a Plan reimbursement account. Investment fund related revenue received by T. Rowe Price Trust Company typically includes Rule 12b-1 fees and service fees paid by the fund or the fund's affiliates. The reimbursement amounts are reflected as other investment income. For the period ended December 31, 2022, reimbursements totaled \$133,456 included as other income on the accompanying financial statements. The Plan reimbursement account may be used to pay administrative fees and may also be reallocated to participants based upon compensation. For the period ended December 31, 2022, the Plan utilized available funds totaling \$132,878 to distribute to participants. As of December 31, 2022 and June 30, 2022, there was \$687 and \$5, respectively, remaining in this account available to distribute.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements of the Plan are prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. The cash basis method of accounting is modified with respect to investments, which are reported at fair value.

Under this basis of accounting, revenue is recognized when received rather than earned, and expenses are recognized when paid rather than when incurred. Had the financial statements been prepared under the accrual basis of accounting, receivables, payables, revenue, and expenses would be reflected in the period in which they were considered to have been earned or incurred regardless of whether such transactions have been finally settled by the receipt or payment of cash.

USE OF ESTIMATES

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value using quoted market prices. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. Purchases and sales of securities are recorded on a settlement-date basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. Interest income is recorded on the modified cash basis. Dividends are recorded on the pay date.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Redemption fees imposed by and payable to a fund due to shares held for less than the fund specific minimum holding period requirements are charged directly to the participant's account and are included in administrative expenses.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lower priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in inactive markets; • Inputs other than quoted prices that are observable for the asset or liability; • Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level with the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and June 30, 2022.

Money market accounts: Valued at the per unit price as quoted by the financial institution.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 3 - FAIR VALUE MEASUREMENTS - CONTINUED

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

<u>December 31, 2022</u>	<u>(Level 1)</u>
Money market accounts	\$ 12,678,907
Mutual funds	127,842,483
Total	<u>\$ 140,521,390</u>

<u>June 30, 2022</u>	<u>(Level 1)</u>
Money market accounts	\$ 13,863,564
Mutual funds	125,747,539
Total	<u>\$ 139,611,103</u>

NOTE 4 - INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The Company has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following information included in the accompanying financial statements as of December 31, 2022 and June 30, 2022, and for the period July 1, 2022 through December 31, 2022, was obtained from data that has been prepared and certified to as complete and accurate by T. Rowe Price Trust Company, the Custodian.

	<u>12/31/2022</u>	<u>6/30/2022</u>
Money market accounts	\$ 12,678,907	\$ 13,863,564
Mutual funds	127,842,483	125,747,539
	<u>\$ 140,521,390</u>	<u>\$ 139,611,103</u>
Investment income	<u>\$ 944,513</u>	

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to related information included in the financial statements and supplemental schedule.

NOTE 5 - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Investment securities held by the Plan are managed by T. Rowe Price Trust Company. This institution serves as record keeper and Custodian of the Plan, and therefore, these transactions qualify as party-in-interest transactions.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in all of their accounts.

NOTE 7 - TAX STATUS

The trust established under the Plan to hold the Plan's assets is qualified pursuant to Section 401(k) of the IRS and accordingly, the trust's net investment income is exempt from income taxes. The Plan has obtained a favorable tax determination letter from the IRS. Although the Plan has been amended since receiving the determination letter, the Plan Sponsor believes that the Plan continues to qualify and operate as designed.

The modified cash basis of accounting requires the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS.

NOTE 7 - TAX STATUS - CONTINUED

The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2022 and June 30, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in notes to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits (modified cash basis).

NOTE 9 - SUBSEQUENT EVENTS

The Plan's management has evaluated subsequent events through October 11, 2023, the date on which the financial statements were available to be issued.
