To the Plan Administrator and Trustees of the
Battaglia Electric Inc. Employee Savings Plan
Elgin, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Battaglia Electric Inc. Employee Savings Plan, an employee benefit plan subject to the Employee Retirement Income and Securities Act of 1974 (ERISA), as permitted by ERSIA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Battaglia Electric Inc. Employee Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Battaglia Electric Inc. Employee Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Battaglia Electric Inc. Employee Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than the one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism through the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Battaglia Electric Inc. Employee Savings Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events considered in the aggregate, that raise substantial doubt about Battaglia Electric Inc. Employee Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022 and Schedule H Line 4a – Schedule of Delinquent Participant Contributions as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rule and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A--DESCRIPTION OF PLAN

The following description of the Battaglia Electric Inc. Employee Savings Plan (the "Plan") provides only general information. Users of the financial statements should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering eligible employees of Battaglia Industries, Inc. (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income and Security Act of 1974 ("ERISA"). The Plan Administrator and Plan Trustees are responsible for oversight of the Plan, determining the appropriateness of investment offerings, and monitoring investment performance.

The Plan was originally established on July 1, 2000, and most recently amended and restates effective April 1, 2022. Subsequent to the plan year end, the plan was amended effective July 1, 2023 (See Note K). The Plan provides for contributions to be made under salary deferral agreements pursuant to Section 401(k) of the Internal Revenue Code (the "Code"). An eligible full-time employee will become eligible to participate with respect to elective deferrals as of the first of the month coinciding with, or next following, after three months of employment.

Contributions

Eligible participants may elect to contribute annual pre-tax compensation to the Plan by means of a salary deferral agreement. After-tax deferrals are not offered in the plan. Each year, participants may contribute from 1 percent to 15 percent of pre-tax annual compensation as elective deferrals. Contributions are subject to limitations as provided in the Code and as described in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover) in accordance with the Plan provisions.

The Plan Sponsor may make discretionary matching contributions that are determined as of the end of the Plan year. The Plan does not permit non-elective contributions.

Salary deferral contributions are funded proximate to the withholding date. All contributions invested are directed by the participant in various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution, if any, and Company discretionary contributions, if any, as well as allocations of (a) Plan earnings or losses, (b) forfeitures of terminated participants' non-vested accounts, and (c) charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant account balances or compensation, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE A--DESCRIPTION OF PLAN-continued

Investment Options

Upon enrollment in the Plan, participants may elect the way in which contributions are invested in a variety of investment choices within the Plan as more fully described in the Plan's literature. The investment elections will apply to both participant and employer contributions. Participants may change their investment options at any time. During any period in which there is no participant direction on file with the Custodian as to the investment of a participant's account, 100 percent of that participant's account will be invested in the investment option designated from time to time by the Custodian as the default investment. The Plan currently offers various shares of mutual funds as investment options for participants.

Vesting

Participants are immediately 100% vested in their voluntary contributions and discretionary matching contributions plus actual earnings thereon. Participants who attain the normal retirement age of 65, or who terminate employment due to death or disability become 100% vested in their account balances.

Notes Receivable from Participants

Participants may borrow from their participant accounts for any purpose. Participants are permitted to have only 1 loan outstanding at any time and bear interest rate of prime plus 2%. Loans outstanding as of December 31, 2022, bear interest ranging from 5.25% to 6.00%. The maximum loan amount available will be $50,000 or one-half of vested accounting balance in the plan, whichever is less.

Payment of Benefits

Upon termination of employment due to death, disability, retirement or Plan termination, a participant is entitled to 100 percent of their account balance in a lump-sum cash distribution or as a direct rollover to an individual retirement account ("IRA"). For termination of employment or other reasons, a participant is entitled to a lump-sum cash distribution of 100 percent of the participant's contributions and the vested portion of the Company's contributions based upon the Plan's vesting provisions.

If a participant's vested account balance is between $1,000 and $5,000, the participant must take their vested balance out of the plan. If the participant fails to make a distribution election and the vested account balance is between $1,000 and $5,000, the account balance will be automatically rolled into a traditional IRA. If the balance in the participants account is greater than $5,000, even if service is terminated, the participant is not required to remove the balance from the plan until the required distribution rules apply.

NOTE A--DESCRIPTION OF PLAN-continued

Payment of Benefits-continued

All distributions will be made as soon as administratively feasible. Unless a participant elects otherwise, payments of benefits will begin no later than the 60th day after the close of the Plan year. However, those account balances in excess of $5,000 (including rollover account balances), will be made as soon as administratively feasible following the date the Plan Administrator receives a written request for distribution. In-service and hardship withdrawals, subject to certain restrictions, are also permitted.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan's Administrator to make estimates and assumptions that affect reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrator and Trustees determine the Plan's valuation policies utilizing information provided by investment advisers and Ascensus (the "Custodian"). See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends, as applicable, are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Code are recorded as a liability with a corresponding reduction to contributions. During the years ended December 31, 2022, and 2021, the Plan was found to be top heavy, therefore, excess contributions were refunded to participants. (See Note G).

Payments of Benefits

Benefits are recorded when paid.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES-continued

Administrative Expenses

Certain administrative expenses of maintaining the Plan are paid out of Plan assets unless paid by the Company (see Note E). Fees related to the administration of benefit payments are paid by the individual participant accounts. Investment-related expenses are included in net depreciation in the fair value of investments.

Subsequent Events

The Plan Administrator has evaluated subsequent events through October 13, 2023, which is the date the financial statements were available to be issued.

NOTE C--FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Should an investment be re-characterized from one level to another level, Plan management would state the basis for the change. Under such circumstances the Plan would report the transfers in and transfers out at the beginning of the Plan quarter when the change occurs.

NOTE C--FAIR VALUE MEASUREMENTS-continued

The following is a description of the valuation methodologies used for Plan assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021:

> Registered investment companies are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	Quoted prices in active markets for identical assets (Level 1)	Significant other observable inputs (Level 2)	Significant unobservable inputs (Level 3)	Total Fair Value
December 31, 2022				
Registered investment companies	$ 1,976,605	$ -	$ -	$ 1,976,605
Investments at fair value	$ 1,976,605	$ -	$ -	$ 1,976,605
December 31, 2021				
Registered investment companies	$ 2,494,076	$ -	$ -	$ 2,494,076
Investments at fair value	$ 2,494,076	$ -	$ -	$ 2,494,076

NOTE D--INFORMATION CERTIFIED BY CUSTODIAN

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments at December 31, 2022 and 2021, and net depreciation in fair value of investments and dividends for the year ended December 31, 2022, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Ascensus as agent for Ascensus Trust Company, the Custodian, as of December 31, 2022 and 2021 and for the year ended December 31, 2022. Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to such information certified by the Custodian as of December 31, 2022 and 2021 and for the year ended December 31, 2022.

NOTE D--INFORMATION CERTIFIED BY CUSTODIAN-continued

Except for comparing such information as certified by the Custodian to information included in the Plan's financial statements and supplemental schedule, the Plan's independent auditors did not perform any auditing procedures on the certified information. The following represents a summary of information certified by the Custodian as of December 31, 2022 and 2021, and for the year ended December 31, 2022:

	2022	2021
Shares of registered investment companies	$ 1,976,605	$ 2,494,076
Notes receivable from participants	57,232	22,488
Net depreciation in fair value of investments	(594,328)	
Dividends	18,002	
Interest on notes receivable from participants	2,518	

NOTE E--RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by the Custodian and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for these investment management services are included in net depreciation of fair value of investments on the accompanying statement of changes in net assets available for benefits.

The Custodian provides certain administrative services to the Plan pursuant to a service agreement between the Plan and the Custodian. The Custodian receives revenue from the Plan for performance of these services. This revenue is also used to offset certain amounts owed to the financial advisors, authorized representatives, and other third-party administrators for the services they provide the Plan.

Certain employees of the Company provide administrative services for the Plan and the Company is not reimbursed for their services.

NOTE F--PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE G--EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants for contributions in excess of amounts allowed by the Code are recorded as a liability with a corresponding reduction to contributions if the amounts are distributed prior to three and a half months after the Plan year end. If the amounts are distributed after three and a half months after the Plan year end, the amounts are recorded as a distribution in the year the distribution is made. The excess contributions were refunded prior to three and a half months after the Plan year end, thus, are recorded as a reduction to contributions for the Plan year December 31, 2022, and 2021. Total excess contributions payable at December 31, 2022 and 2021 is $26,378 and $29,658, respectively.

NOTE H--TAX STATUS

On June 30, 2020, the Internal Revenue Service ("IRS") stated that the prototype adopted by the Plan, as then designed, qualifies under the Code section 401(a). The Plan has not received a determination letter specific to the Plan itself and has been amended and restated after the date of the letter; however, the Plan Administrator and the Plan's tax counsel believe that the Plan was designed and was being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability, if the Plan has taken uncertain tax positions that more-likely-than-not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions. However, there are currently no audits for any tax periods in progress. The Plan Administrator believes that the Plan is still subject to income tax examinations for the Plan year ending December 31, 2019.

NOTE I--RISKS AND UNCERTAINTIES

The Plan's assets are invested directly and indirectly in various investment securities which are purchased or managed by the Custodian. These investments are exposed to various risks such as interest rate, market, and credit risks. The Plan's assets are subject to the changes in the value of its underlying investments, including the potential for bankruptcy of one or more of the companies in which they are invested.

Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE J--PROHIBITED TRANSACTIONS

During 2022, the Plan Sponsor did not remit to the Plan's Custodian, certain contributions and loan repayments totaling $67,407, respectively, within the period prescribed by the United States Department of Labor ("DOL"). The DOL considers late deposits to be prohibited transactions. The amount representing lost earnings for 2022 amounted to $142 and was deposited into the plan in September 2023.

NOTE K--PLAN AMENDMENTS

Effective July 1, 2023, the Plan was amended to exclude bonuses and reimbursements or other expense allowances, fringe benefits (cash and noncash), moving expenses, deferred compensation and welfare benefits, from eligible compensation. The exclusion to compensation applies to elective deferrals, matching contributions and employer profit sharing contributions.

Effective July 1, 2023, the Company amended the Plan for the Company's name change from "Battaglia Electric Inc." to "Battaglia Industries Inc." The amended name of the Plan is Battaglia Industries, Inc. Employee Savings Plan.
