INDEPENDENT AUDITORS' REPORT

To the Trustee and Plan Administrator
Attorneys' Title Guaranty Fund, Inc. Savings Plan
Chicago, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Attorneys' Title Guaranty Fund, Inc. Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) audit (ERISA Section 103(a)(3)(C)). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Merger

As discussed in Notes A and G to the financial statements, the Plan was merged with and into the Rate Holdings Corp. Multiple Employer 401(k) Plan as of December 31, 2022, and ceased to exist as a separate plan as of that date.

Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an independent auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

INDEPENDENT AUDITORS' REPORT

Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2021 Financial Statements

The financial statements of the Plan as of December 31, 2021, were audited by predecessor auditors. As permitted by ERISA Section 103(a)(3)(C), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by the trustee. Their report, dated October 17, 2022, indicated that the form and content of the information included in the financial statements other than that derived from the certified investment information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITORS' REPORT

Report on Form and Content in Compliance with DOL Rules and Regulations in 2021

The form and content of the information included in the 2021 financial statements, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America, and in our opinion, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

A. DESCRIPTION OF PLAN

The following description of the Attorneys' Title Guaranty Fund, Inc. Savings Plan (the Plan) provides only general information. Participants should refer to the Plan documents for a complete description of the Plan's provisions.

1. General

The Plan is a defined contribution plan covering substantially all employees of Attorneys' Title Guaranty Fund, Inc., The Judicial Sales Corporation, ATG Trust Company, and First Suburban Title Inc. (collectively, the Company) who are age 21 or older. The original Plan was established effective March 1, 1991 by the Company for the benefit of its employees and the employees of any affiliated employer to qualify under Section 401(k) of the Internal Revenue Code (IRC). The Plan was amended and restated on August 26, 2021, and amended on July 14, 2022. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The internal trustee and Company management are responsible for oversight of the Plan. The investment committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's internal trustee.

2. Plan Merger

Effective December 31, 2022, all contributions to the Plan were suspended as the Plan was merged into the Rate Holdings Corp. Multiple Employer 401(k) Plan.

3. Contributions

Each year, participants may contribute pre-tax and qualified Roth deferrals to the Plan up to 80% of annual eligible compensation, as defined by the Plan documents. Participants who have attained age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 5% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The Company makes safe harbor matching contributions and may elect to make discretionary matching, discretionary nonelective, or discretionary profit sharing contributions as well as qualified nonelective contributions each Plan year. For the Plan year ending December 31, 2022, the Company matched 100% of the participant's deferred compensation that is not in excess of 5% of the participant's compensation. The Company did not make any other contributions for the year ended December 31, 2022. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

ATTORNEYS' TITLE GUARANTY FUND, INC. SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS

A. DESCRIPTION OF PLAN (Continued)

4. Participant Accounts

Each participant's account is credited with the participant's contribution and the Company's contributions, as well as allocations of the Plan's earnings and losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan documents. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

5. Vesting

Participants are vested immediately in their contributions, safe harbor matching contributions, and qualified nonelective contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested in discretionary match and nonelective contributions after six years of credited service. A participant who is a member of a certain class is 100% vested in discretionary match and profit sharing contributions after seven years of credited service.

6. Notes Receivable from Participants

Participants may borrow from their accounts at a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loan interest rate will bear a reasonable rate of interest as determined by the Plan administrator based on the prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances. Principal and interest is paid ratably through monthly payroll deductions.

7. Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account or as installment payments over a specified period of time (annually, quarterly or monthly), not exceeding the participant's life expectancy or joint life expectancy with their designated beneficiary, or as part lump sum and pass-through installment payments. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

8. Forfeited Accounts

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$0 and \$2,673, respectively. These accounts were used to pay future Plan expenses or meet future employer contribution obligations. During 2022, Plan expenses were reduced by \$22 from forfeited non-vested accounts.

9. Transfers Out of the Plan

During 2022, participant account balances totaling \$22,407,045 were transferred from the Plan into Rate Holdings Corp. Multiple Employer 401(k) Plan, which is reflected as transfer of assets out of Plan on the statement of changes in net assets available for benefits.

**ATTORNEYS' TITLE GUARANTY FUND, INC. SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS**

B. SUMMARY OF ACCOUNTING POLICIES

1. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting. Certain adjustments have been made to the financial statements in order for them to conform to the accrual basis of accounting.

2. Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and changes therein, and disclosure of contingent assets. Actual results could differ from those estimates.

3. Investment Valuation and Income Recognition

The Plan's investments were reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisor and trustee. See Note D for discussion of fair value measurements.

Purchases and sales of securities were recorded on a trade-date basis. Dividends were recorded on the ex-dividend date and interest is recorded on the accrual basis. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

4. Notes Receivable from Participants

Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees were recorded as administrative expenses on the statement of changes in net assets available for benefits and are expensed when incurred.

5. Payments of Benefits

Benefits are recorded when paid.

6. Expenses

Certain expenses of maintaining the Plan were paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants were charged directly to the participant's account and are included in administrative expenses on the statement of changes in net assets available for benefits. Investment related expenses are included in net depreciation in fair value of investments on the statement of changes in net assets available for benefits.

C. CERTIFIED INVESTMENT INFORMATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, dividends and interest, and interest income on notes receivable from participants for the year ended December 31, 2022, were obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company (the Trustee).

D. FAIR VALUE MEASUREMENTS

Financial Accounting Standard Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement* (ASC 820), defines fair value as the price that would be received upon sale of an asset or paid upon transfer of a liability in an orderly transaction between market participants at the measurement date and in the principal or most advantageous market for that asset or liability. The fair value should be calculated based on assumptions that market participants would use in pricing the asset or liability, not assumptions specific to the entity.

ASC 820 specifies a hierarchy of valuation techniques based upon whether the inputs to those valuation techniques reflect assumptions other market participants would use based upon the market data obtained from independent sources (observable inputs). In accordance with ASC 820, the following summarizes the fair value hierarchy:

Level 1 – Unadjusted quoted market prices for identical assets in an active market that the Plan has the ability to access.

Level 2 – Inputs other than the quoted market prices in active markets that are observable either directly or indirectly.

Level 3 – Inputs based on prices or valuation techniques that are unobservable and significant to the overall fair value measurements.

ASC 820 requires the use of observable market data, when available, in making fair value measurements. When inputs used to measure fair value fall within different levels of the hierarchy, the level within which the fair value measurement is categorized is based on the lowest level input that is significant to the fair value measurements. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

D. FAIR VALUE MEASUREMENTS (Continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021. There were no assets measured at fair value as of December 31, 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts: Accounts primarily consist of mutual funds and common stocks that are valued on the basis of readily determinable market prices.

Assets Measured at Fair Value

The following are the major categories of assets measured at fair value on a recurring basis as of December 31, 2021:

Description	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 31,762,882	\$ -	\$ -	\$ 31,762,882
Self-directed brokerage accounts	\$ 7,705,784	\$ 823,695	\$ -	\$ 8,529,479

Fair Value of Other Financial Instruments

Due to their short-term nature, the carrying value of short-term receivables approximate their fair value as of December 31, 2021. There were no short-term assets at December 31, 2022.

E. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as risk of foreign currency fluctuations relative to the U.S. Dollar, interest rate risk, credit risk, issuer going concern risk, and overall market volatility. During the year ended December 31, 2022, the net depreciation in fair values of investments approximated \$8.23 million. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Coronavirus Aid, Relief, and Economic Security Act (CARES Act) contains various provisions impacting qualified retirement plans and their participants. These provisions may be adopted by plans immediately while implementing amendments at a later date. Where amendments to the Plan would be required, the CARES Act permits employers to formalize the amendments as late as the last day of the plan year beginning on or after January 1, 2022. All such amendments will be retroactively effective to March 27, 2020, or a later stated effective date.

E. RISKS AND UNCERTAINTIES (Continued)

On December 29, 2022, the Setting Every Community Up for Retirement Enhancement (SECURE) 2.0 Act of 2022 was signed into law. The SECURE 2.0 Act of 2022 contains provisions designed to make retirement plans more accessible to employees and less complicated for employers to establish and administer. While plan amendments are not required immediately, they must be adopted by the end of the first plan year beginning on or after January 1, 2025.

F. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

G. PLAN MERGER

Effective December 30, 2022, the Plan merged into the Rate Holdings Corp. Multiple Employer 401(k) Plan. Plan assets were transferred to the trustee of the Rate Holdings Corp. Multiple Employer 401(k) Plan subsequent to the plan merger.

H. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments were managed by the Trustee and therefore these transactions qualify as party-in-interest transactions.

Effective August 26, 2021, the Trustee provides certain administrative services to the Plan pursuant to a Master Plan Services Agreement (MSA) between the Company and the Trustee. The Trustee receives revenue from mutual fund service providers for services the Trustee provides to the funds. This revenue is used to offset certain amounts owed to the Trustee for its administrative services to the Plan.

If the revenue received by the Trustee from such mutual fund service providers exceeds the amount owed under the MSA, the Trustee remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2022 there were no excess amounts. The Plan or the Company may make a payment to the Trustee for administrative expenses not covered by revenue sharing.

Fees incurred by the Plan for the investment management services are included in net depreciation in fair value of investments on the statement of changes in net assets available for benefits, as they are paid through revenue sharing, rather than direct payment. The Company pays directly any other fees related to the Plan's operations. These party-in-interest transactions are exempt from the prohibited transactions rules of ERISA.

H. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS (Continued)

The Company pays certain Plan accounting and administrative fees. The Company incurred \$63,027 for accounting and administrative fees during the year ended December 31, 2022. These fees are not reflected in the accompanying financial statements.

I. TAX STATUS

The Plan uses a prototype plan document sponsored by FMR LLC. FMR LLC received an opinion letter from the IRS, dated June 30, 2020, which states the prototype document satisfies the applicable sections of the IRC. The Plan itself has not received a determination letter from the IRS. Although the Plan has been amended since the prototype plan received a determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

J. SUBSEQUENT EVENTS

The Plan's management has evaluated subsequent events through September 14, 2023, the date on which the financial statements were available to be issued.
