Independent Auditor's Report

To the Plan Administrator
Prospect Waterproofing Company
401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Prospect Waterproofing Company 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Prospect Waterproofing Company 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021 and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report (Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Prospect Waterproofing Company 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Prospect Waterproofing Company 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Independent Auditor's Report (Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Prospect Waterproofing Company 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Prospect Waterproofing Company 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Independent Auditor's Report (Continued)

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PROSPECT WATERPROOFING COMPANY 401(k) PROFIT SHARING PLAN
Notes to Financial Statements
December 31, 2022 and 2021

Note 1: Description of Plan

The following description of Prospect Waterproofing Company 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan established by Prospect Waterproofing Company (the Company) and affiliates under a prototype plan of Branch Banking & Trust Company (BB&T) through February 28, 2021 and Ascensus Trust Company (Ascensus) since March 2021. The Plan generally covers all employees who have completed at least 1,000 hours of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was restated effective May 1, 2021.

The Plan currently has three entities that have common ownership and participate in the plan: Prospect Waterproofing Company (the Company); Division 7, Inc.; and Prospect Solar, LLC.

Participant Contributions: Each year, participants may contribute up to the limits, on a pre-tax basis, as defined in the Plan agreement and allowed by the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Participants direct the investment of their contributions, including vested employer contributions, into various investment options offered by the Plan. Participants have their deferral contributions invested in a designated balanced fund until changed by the participant.

Employer Contributions: The Company annually determines different contribution allocation levels for different groups of participants if such groupings and allocation levels satisfy the requirements of Internal Revenue Code. The Company may make the following types of contributions: matching, discretionary profit-sharing, and/or prevailing wage contributions as determined by various contracts. Discretionary profit-sharing contributions are allocable to those participants who have completed at least 1,000 hours of service during the Plan year and are either employed on the last day of the Plan year, or have terminated employment during the Plan year as a result of retirement, death, or disability. For the years ended December 31, 2022 and 2021 the Company contributed the lesser of limits established by the Internal Revenue Service or 3.0% of compensation to owners and officers and 1.0% to all other eligible employees. The Company did not make any matching contributions for the years ended December 31, 2022 and 2021.

Participant Accounts: Each participant's account is credited with the participant's contributions, allocation of the Company contributions, Plan earnings and losses, and charged with an allocation of administrative expenses. Allocations are based on compensation, participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance. All Plan assets as of December 31, 2022 and 2021 have been allocated to participants' accounts except for employer contributions receivable and forfeitures, if any.

Note 1: Description of Plan (Continued)

Vesting: Participants are vested immediately in their contributions, the Company's prevailing wage contributions, and actual earnings thereon. Vesting in the Company's discretionary contribution portion of their accounts is based on years of continuous services. A participant becomes vested in the Company discretionary contributions and earnings based upon the following vesting schedule:

Years of Service	Percentage Vested
Less than 2 years	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

In the event of death, disability, or retirement, a participant's interest is immediately fully vested in the employer contributions and related earnings under terms set forth in the Plan agreement.

Notes Receivable from Participants: Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Participants can have no more than two loans outstanding from the Plan. The loan terms are five years or less and the interest rate on any loan is the Prime Rate published on the date of the loan application plus 1%. Weekly payroll deductions include ratable payments of principal and interest.

Payment of Benefits: Upon termination of service due to death, disability or retirement, a participant may elect to receive some or all the amount equal to the value of the participant's vested interest in his or her account. A participant may receive the value of the vested interest in his or her account as a lump-sum distribution. The Plan permits participants to take distributions while remaining employed with the Company. For in-service distributions, a participant may request distributions upon reaching age 65. Minimum distributions from a participant's account are generally required after the participant has reached the age of 72. Distributions in this manner will have the same options as distributions based upon termination of service due to death, disability, or retirement. Participants may also take hardship distributions while remaining employed with the Company, provided they satisfy certain conditions as defined in the Plan document.

Forfeitures: Forfeitures from non-vested participant accounts are used to reduce future employer contributions or pay Plan expenses. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$-0- and \$23,344, respectively. These accounts are available to reduce administrative expenses and employer contributions. During the years ended December 31, 2022 and 2021, approximately \$86,000 and \$11,520, respectively, from the forfeitures account was used to pay Plan expenses and reduce the Company's contributions.

Note 2: Summary of Significant Accounting Policies

Following is a description of the significant accounting and reporting policies of the Plan:

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: The Plan trustee is responsible for oversight of the Plan, determining appropriateness of the Plan's investment offerings and monitoring investment performance. Investments are reported at fair value (except for the fully benefit-responsive contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Contributions: Contributions from participants are recorded in the period the employer withholds payroll deductions from Plan participants. Employer contributions are recorded in the period as determined under the terms of the Plan.

Payment of Benefits: Benefits are recorded when paid to participants.

Administrative Expenses: Administrative expenses of the Plan may be charged pro rata to each participant in relation to the size of each participant's account balance or may be charged equally to each participant. Some expenses may be only charged to some participants based upon their use of a Plan feature.

Subsequent Events: In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 12, 2023, the date the financial statements were available to be issued. During the period from January 1, 2023 to October 12, 2023, the Plan did not have any material recognizable subsequent events.

Note 3: Fair Value Measurements

Generally accepted accounting principles (GAAP), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). Below describes the three levels of the fair value:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for Plan assets measured at fair value:

Mutual Funds: The fair value of mutual funds is based on the closing price at year-end as reported by the fund. Mutual funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

There has been no change in the methodology used to value investments at December 31, 2022 and 2021.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 3: Fair Value Measurements (Continued)

In determining the appropriate levels, the Plan performs a detailed analysis of the assets that are to be reported at fair value. The table below presents the assets measured at fair value on a recurring basis by level within the hierarchy as of December 31, 2022 and 2021:

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 11,120,153	\$ -0-	\$ -0-	\$ 11,120,153
Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 13,425,408	\$ -0-	\$ -0-	\$ 13,425,408

Note 4: Information Certified by the Plan Trustee

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, the Plan administrator has instructed the Plan's independent auditors not to perform any auditing procedures with respect to information certified as complete and accurate by Ascensus Trust Company (Ascensus), the trustee of the Plan except to compare such information to information included in the Plan's financial statements and supplemental schedule.

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule including investments in mutual funds, collective investment trust, and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2022 and 2021 was derived from information certified as complete and accurate by Ascensus.

Note 5: Collective Investment Trust

The Morley Stable Value Fund (the "Stable Value Fund"), a collective investment trust, meets all the standards currently required to be considered fully benefit-responsive and therefore is reported at contract value. The Stable Value Fund is available only to participants in a qualified retirement savings plan and is designed to protect a participant's capital investment. Fund investments include various investment contracts with insurance companies or other institutions, with underlying investments in bonds, guaranteed investment contracts ("GICs"), and other investment products (synthetic GICs and collective investment trusts) with similar characteristics. The Stable Value Fund holds investments in fully benefit-responsive investment contracts that provide that the Plan can make withdrawals at contract value for benefit-responsive requirements.

The Stable Value Fund does not have a set interest rate due to investments in contracts with varying rates and maturities. Variables impacting future crediting rates include current yield and duration of the assets backing the contracts, existing differences between the market values of assets backing the contracts and the contract values of the contracts.

Note 5: Collective Investment Trust (Continued)

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment in the Stable Value Fund at contract value. Certain events may limit the ability of the Plan to transact at contract value with the issuer. The plan administrator does not believe that the occurrence of any such event is probable.

Note 6: Notes Receivable from Participants

As of December 31, 2022 and 2021, 130 and 132 participants were indebted to the Plan in the total amount of \$1,031,210 and \$908,911, respectively, as the result of loans made to them by the Plan. The loans are evidenced by promissory notes bearing interest at rates varying from 4.25% to 8.50% per annum, and are payable in installments, the latest of which is due in September 2027. The notes are fully secured by the participants' vested account balances.

Note 7: Parties-in-Interest

Certain Plan investments are shares of mutual funds managed by Branch Banking and Trust Company (BB&T) during the Plan year prior to March 1, 2021 and thereafter, Ascensus, which are the trustees as defined by the Plan, and, therefore, their transactions qualify as party-in-interest transactions. The Plan deducted investment management services fees directly from participants' accounts of \$33,810 and \$16,801 during the years ended December 31, 2022 and 2021, respectively. In addition, the Plan and plan participants paid administrative expenses to BB&T and Ascensus totaling \$70,892 and \$78,834 for the years ended December 31, 2022 and 2021, respectively. Certain officers of the Plan sponsor are administrators of the Plan, acting as fiduciaries, and are also participants in the Plan.

Note 8: Excess Participant Contributions Payable

The Plan is subject to certain non-discrimination rules under ERISA and the Internal Revenue Code (Code). For the Plan year ended December 31, 2022 and 2021, the Plan failed certain of the non-discrimination tests under the Code due to lower contribution percentages by non-highly compensated eligible employees relative to the contribution percentages of highly compensated eligible employees. In order to meet the requirements of the non-discrimination rules, the Plan has refunded a portion of the contributions made by highly compensated participants during the years ended December 31, 2022 and 2021, in accordance with applicable provisions of the Code. The refunds for 2021, which were paid in 2022, totaled \$22,031 and are reflected as excess participant contributions payable in the statement of net assets available for benefits. The refunds for 2022, which were paid in 2023, totaled \$8,034 and are reflected as excess participant contributions payable in the statement of net assets available for benefits.

Note 9: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their employer contribution accounts.

Note 10: Income Tax Status

The Internal Revenue Service (IRS) has ruled in a letter dated March 31, 2014, that the prototype Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The plan administrator and the Plan's tax counsel believe that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified and the related trust is tax-exempt. The Plan's federal tax returns are subject to examination by the Internal Revenue Service generally for a period of three years after the returns are filed.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator does not believe that the Plan has any uncertain tax positions. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

Note 11: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 12: Administrative Expenses

The Plan provides that the Company, at its discretion, can agree to pay administrative expenses of the Plan. For the years ended December 31, 2022 and 2021, the Company incurred plan administrative expenses totaling approximately \$14,175 and \$13,500, respectively. Expenses paid directly by the Company are excluded from the financial statements.
