INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of the
Intradeco Retirement & Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Intradeco Retirement & Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT (Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Intradeco Retirement & Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Intradeco Retirement & Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT (Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Intradeco Retirement & Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Intradeco Retirement & Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITOR'S REPORT (Continued)

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or are derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2022

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Description of the Plan

The following description of the Intradeco Retirement & Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan adopted by the Board of Directors of Intradeco, Inc. (the Plan sponsor) and is subject to the provisions of the Internal Revenue Code and the Employee Retirement Income Security Act of 1974 (ERISA). The Plan had elected to adopt the provisions required to qualify as a safe harbor plan. As such, the Plan was referred to as a qualified automatic contribution arrangement 401(k) plan. A qualified automatic contribution arrangement 401(k) plan is a plan designed to make safe harbor matching contributions that enable the employer to simplify plan administration by ensuring that non-discrimination regulations are met. The Plan sponsor elected to remove its safe harbor provisions effective May 1, 2020 due to economic conditions as a result of public health concerns related to the novel coronavirus, or COVID-19. Effective January 1, 2022, the Plan sponsor reinstated safe harbor provisions.

Eligibility

All non-excluded employees of the Plan sponsor and its affiliates are eligible to participate in the Plan after completing six months of service. Participant entry date will be the first day of the month coinciding with or next following the date the participant satisfies the eligibility requirements. The Plan allows for certain employees to participate without regard to the eligible service requirement.

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Contributions

Participants may elect to contribute a percentage of their annual pretax compensation, subject to statutory limits. Under Internal Revenue Service (IRS) Code Section 402(g)(1), the maximum deferral of pretax earnings was \$20,500 and \$19,500 for the years ended December 31, 2022 and 2021, respectively. Participants who have attained age 50 before the end of the Plan year are eligible to contribute an additional \$6,500 of catch-up contributions for the years ended December 31, 2022 and 2021. Participants may also contribute amounts representing distributions from other plans and certain individual retirement accounts.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2022

(Continued)

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Contributions (Continued)

The Plan sponsor made a safe harbor matching contribution equal to 100% of the participant's salary deferrals that do not exceed 3% of their compensation plus 50% of the participant's salary deferrals between 3% and 5% of compensation, not to exceed more than 5% of the participant's total compensation through April 30, 2020. Effective May 1, 2020, the Plan sponsor temporarily stopped making matching contributions. Effective January 1, 2022, the Plan Sponsor reinstated matching contributions.

Additional profit-sharing amounts may be contributed at the discretion of the Plan sponsor. No additional profit-sharing amounts were contributed during 2022. Participants may change their salary deferral contribution amounts or terminate their salary deferral contributions at any time.

Participant Accounts

Each participant's account is credited with the participant's contribution as well as an allocation of the Plan sponsor's contribution and Plan earnings or losses. Participant accounts are charged with an allocation of certain other administrative expenses, such as loan fees, specific to each participant. Allocations of the Plan's earnings or losses in each investment option and Plan sponsor's contributions were made to the participant's accounts based on the ratio of each participant's current account balance in each investment option to total participants account balances in the investment option. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Forfeited Accounts

Forfeitures of the non-vested account balances of participants are used to reduce employer contributions. For the year ended December 31, 2022, there were approximately \$500 of forfeitures to be utilized by the Plan sponsor to reduce employer contributions.

Vesting

Participants are immediately vested in salary reduction contributions, profit sharing contributions, employer matching contributions, transfer contributions, and any safe harbor or discretionary contributions, as defined by the IRS.

Payment of Benefits

Participant contributions and the vested portion of the Plan sponsor's matching contributions are available for distribution upon attainment of age 59½, death, disability, termination of employment or normal retirement age. Distributions may be received as a lump-sum payment or in installments. If the participant's vested account balance is greater than \$5,000, the participant may elect to maintain their account within the Plan.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2022

(Continued)

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits (Continued)

Contributions are also available for distribution in the form of a hardship withdrawal.

In the event of death, the participant's vested account balance will be used to provide the participant's beneficiary with a death benefit. If at the date of death, the participant's vested account balance was less than \$5,000, then the balance shall be distributed in a single lump-sum payment. If the participant's vested account balance was more than \$5,000 at the date of death, then distributions are made in the form and at the time elected by the beneficiary unless a distribution election was made prior to death. Vested account balances must be completely distributed within five years of death.

A participant becomes eligible to receive their vested account balance in the Plan if they become permanently disabled as defined by the Plan document. Distribution payments will be made in the same manner as if the participant had terminated employment without disability.

Termination of the Plan

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Investments

Security transactions are recorded on a trade date basis, which is the date the order to buy or sell is executed. Interest income and expenses are accrued on a daily basis. Distributions to participants are recorded on the ex-dividend date. The Plan's investments are stated at fair value. Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year end.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions to any of the various Voya Institutional Trust Company (Voya) investment options (see Note 4). Participants may change their investment options daily.

Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in these risks and uncertainties in the near term would materially affect participant account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2022

(Continued)

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles (GAAP) requires the Plan to make estimates and assumptions that affect the reported amounts of net assets available for benefit and disclosure of contingent net assets available for benefit at the date of the financial statements and the reported amounts of additions to and deductions from net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Administrative Expenses

Certain administrative and accounting functions are performed by the Plan sponsor's employees, who received no compensation from the Plan. Administrative expenses, such as professional fees, are paid directly by the Plan sponsor.

NOTE 2. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

Voya Institutional Trust Company, the trustee, held the Plan's investments as of December 31, 2022 and 2021. The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103 (a)(3)(C). Accordingly, the trustee has certified that the data included in the accompanying financial statements and supplemental schedules are complete and accurate with respect to investments and notes receivable from participants as shown on the statements of net assets available for benefits as of December 31, 2022 and 2021, net investment activity and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022, and investment information included in the footnotes and supplemental schedule of assets (held at end of year) as of December 31, 2022.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except comparing such information to the related information included in the financial statements and supplemental schedules.

Allocations among the underlying investments are participant directed. The accounts are credited with earnings on the underlying investments and charged for Plan withdrawals and administrative expenses.

During the year ended December 31, 2022, the Plan's underlying investments (including gains and losses on investments bought and sold, as well as held during the year) depreciated in value by approximately \$4,712,000. This was reported as net depreciation in fair value of investments in the accompanying statement of changes in net assets available for benefits.

INTRADECO RETIREMENT & SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2022

(Continued)

NOTE 3. NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable consist entirely of loans to participants. A participant may borrow from their account up to the lesser of 50% of a participant's vested balance or \$50,000. The minimum principal loan is \$1,000. The principal and interest must generally be repaid within five years. Notes receivable from participants bear interest at a rate reasonable at the time of application, considering the purpose of the loan and the rate charged by representative commercial banks in the local area for similar loans. During 2022, the interest rates on notes receivable from participants ranged from 4.25% to 8.00%. Notes receivable from participants were approximately \$289,000 and \$247,000 as of December 31, 2022 and 2021, respectively, and mature at various dates through August 2027.

NOTE 4. FAIR VALUE MEASUREMENTS

GAAP provides a framework for measuring fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of fair value hierarchy are described as follows:

Level 1: Inputs using the valuation methodology are unadjusted quoted prices for identical, unrestricted assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methods used for assets measured at fair value:

Mutual funds: The fair value of the investments in mutual funds is determined by the fund trustee based on the fair value of the underlying securities within the fund, which represent the net asset value of the shares held by the Plan at year end.

(Continued)

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents the Plan's fair value hierarchy for investments measured at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 20,367,760</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 20,367,760</u>

The following table presents the Plan's fair value hierarchy for investments measured at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 24,068,749</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 24,068,749</u>

NOTE 5. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Voya, the trustee of the Plan, whose transactions qualify as party-in-interest transactions.

NOTE 6. TAX STATUS

The Plan obtained its latest determination letter in September 2014, in which the IRS stated that the form of the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan administrator believes that the Plan complies with the requirements of Section 401(a) of the Internal Revenue Code, and is therefore exempt from federal income taxes under Section 401(a) of the Internal Revenue Code.

Plan management is required to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain tax positions taken or expected to be taken by the Plan. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The administrator believes it is no longer subject to income tax examinations for years prior to 2019.
