INDEPENDENT AUDITOR'S REPORT

To the Plan Sponsor and Participants
DeSoto Sales, Inc.
401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of DeSoto Sales, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021 and the related statement of changes in net assets available for benefits for the year ended December 31, 2022 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of DeSoto Sales, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution (Reliance Trust) that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution (Reliance Trust) in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Reliance Trust as of December 31, 2022 and 2021 for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information

prepared and certified by an institution (Reliance Trust) that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of DeSoto Sales, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about DeSoto Sales, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of DeSoto Sales, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about DeSoto Sales, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets Held at December 31, 2022 is presented for purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule agreed to or is derived from the certified investment information. Such information was compared to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution (Reliance Trust) that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DESOTO SALES, INC. 401(k) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF THE PLAN

The following description of the DeSoto Sales, Inc. 401(k) Profit Sharing Plan (“the Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General: The Plan is a 401(k) and profit sharing plan covering substantially all eligible employees of Desoto Sales, Inc. (“the Company”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan was restated on January 1, 2019 to comply with the requirements of Pension Protection Act, pursuant to Rev. Proc. 2017-41.

Eligibility: Employees are eligible to voluntarily contribute to the Plan if they are at least 21 years old and completed three months of service. Employees can enroll in the Plan beginning on the first day of the month coinciding with or next following the date they become eligible.

To be eligible for employer matching contributions, employees must be at least 21 years old and completed one period of service. Period of service is defined as “twelve months have passed since the date of hire”.

To be eligible for profit-sharing contributions, employees must meet all the eligibility requirements as employer matching contributions, and, in addition, employees must be employed on the last day of the Plan year. However, participants who are not employed on the last day of the Plan year resulting from death, total and permanent disability, or termination of employment on or after the normal retirement age is still eligible to receive employer profit-sharing contributions assuming the remaining eligibility requirements are met.

Plan Administration: The Company is the Plan sponsor and Transamerica Retirement Solutions, LLC is the third-party Plan administrator. Together they are responsible for Plan compliance with the provisions of ERISA. Transamerica Financial Life Insurance Company (“Transamerica”) is the Plan custodian. Reliance Trust Company (“Reliance”) is the Plan trustee.

Plan Compliance: Transamerica Retirement Solutions LLC, the third-party Plan administrator, performs annual Actual Deferral Percentage (ADP) and Actual Contribution Percentage (ACP) compliance tests. In 2022, the Plan passed both tests.

Contributions: Participants may elect to contribute to the Plan based on a percentage of their annual earnings, subject to limitations defined in the Internal Revenue Code (IRC). In addition, in any calendar year in which a participant is age 50 or above, an additional “catch-up contribution” may be made.

The Plan allows participants to roll over balances from other retirement accounts.

The Plan provides for employer matching of participant contributions. The Plan sponsor’s discretionary matching contributions were 50% of employees’ deferral, up to 3% of eligible compensation for 2022. The total matching contribution for the Plan year 2022 was approximately \$175,000, of which approximately \$7,000 was received by the Plan in 2023.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF THE PLAN (Continued)

The Company also makes discretionary profit sharing contributions to the Plan. The profit sharing contribution declared for 2022, which was received by the Plan in 2023, was approximately \$405,000. The profit sharing contribution declared in 2021, which was received by the Plan in 2022, was approximately \$283,000.

Investments: The Plan provides participants a variety of investment options through the plan investment advisor, Merrill Lynch, Pierce, Fenner & Smith Incorporated. Within the investment options, a variety of participant-directed investment products are available to the plan participants to select from. In 2022, the Plan added Transamerica General Account Stable Value Fund to the investment options.

Participant Accounts: Each participant's account is credited with their voluntary contribution, the Company's matching contribution and an allocation of the Company's discretionary profit-sharing contribution and plan earnings. Participants may direct their deferral contributions and the employer's matching and discretionary contributions, if any, to a selection of regulated investments. Allocations of the discretionary profit-sharing contributions are allocated based on a percentage of the participant eligible wages, as defined. Allocations of plan earnings are based on actual earnings on participant-directed investments. The benefit a participant entitled to is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their voluntary and rollover contributions, plus actual earnings thereon. Vesting by the participant in the employer's matching contributions and the discretionary profit-sharing contributions, plus actual earnings thereon, is based on the number of years of continuous service. A participant is 100% vested after 6 years of credited service, or upon death or disability.

Payment of Benefits: Amounts contributed through salary or wage reductions may be withdrawn by, or distributed to, a participant only upon (1) termination of employment or (2) attaining the age of 59½. Withdrawals prior to attaining age 59½ are not permitted, except in the event of death, disability, or as a hardship distribution. Upon proof, to the satisfaction of the plan administrator, of an immediate and heavy financial need, amounts contributed may be withdrawn for a hardship purpose. Certain income tax penalties may apply to withdrawals or distributions prior to age 59½. Upon termination of service, benefit payments may be made as lump-sum, partial lump-sum, or installment payments. In-service and hardship distributions are permitted if certain criteria are met.

Participant Loans: The Plan does not allow for participants to borrow from their fund accounts.

Forfeitures: Generally, when a participant terminates participation in the plan, the non-vested portion of the participant's account, as defined by the plan, represents a forfeiture. Forfeitures are utilized to reduce future employer contributions or pay for the plan expense. However, if the participant is reemployed and fulfills certain requirements, as defined in the plan, the participant's account will be reinstated. During 2022 plan year, approximately \$8,500 non-vested balance was transferred to the forfeiture account. For the years ending December 31, 2022 and 2021, net assets available for benefits include a forfeiture balance of \$6,924 and \$14,494 respectively. The forfeiture balance is recorded in an unallocated account and invested in Transamerica general account stable fund.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF THE PLAN (Continued)

Expense and Budget Account (EBA): The EBA account is established for the purpose of paying plan expenses. Transamerica Retirement Solutions LLC (TRS – recordkeeper) credits a portion of the amount received from the investment provider and uses the credits to pay necessary and reasonable plan-related administrative expenses. The EBA account is invested in a fully benefit-responsive group variable annuity contract provided by Transamerica. For the years ending December 31, 2022 and 2021, there was no balance in the account.

Advanced Employer Account (AEA): A deposit for which insufficient instructions have been provided is kept in AEA account. For the years ending December 31, 2022 and 2021, the balance in the account was \$871 and \$867, respectively. This balance is included within the cash account within the balance sheet presented as of December 31, 2022 and the unallocated accounts asset balance within the balance sheet presented as of December 31, 2021.

Plan Contract Amendment: The contract with Transamerica Life Insurance Company is amended in 2022 by including Transamerica General Account Stable Value Fund as one of the investment options. The fund provides guaranteed interest rate and the rate is determined semi-annually.

Subsequent Events: The management has evaluated subsequent events through October 9, 2023, which is the date the financial statements were available to be issued.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition: The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for further information regarding fair value measurement. The Plan presents, in the statement of changes in net assets available for Plan benefits, the net appreciation in the fair value of the investments, which consists of realized gains or losses and the unrealized appreciation or depreciation of those investments.

Excess Contributions Payable: Amounts payable to participants for contributions in excess of amounts allowed by IRS are recorded as a liability with a corresponding reduction to contributions. For the year ended December 31, 2022, there was no excess employee deferral contribution. For the year ended December 31, 2021, the excess contribution of \$8,810 was refunded to the participants in March 2022.

3. FAIR VALUE MEASUREMENTS

Benefits Paid to Participants: Benefits are recorded when paid.

Administrative Expenses: Certain administrative expenses for operating and maintaining the plan are paid directly by the Company or through the Plan's forfeiture account, which represents the Plan sponsor's fund. Such expenses are classified as administrative expense (net of credits from plan investment advisor) and reported on the Statement of Changes in Net Assets Available for Benefits.

The Plan's investments are valued at fair value. Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurement*, provides a single definition of fair value for accounting purposes, establishes a consistent framework for measuring fair value, and expands disclosure requirements about fair value measurements. ASC 820 defines fair value as the value that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Pursuant to ASC 820, each of the Plan's fair value measurements are categorized using a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement. The Plan has no Level 3 assets at December 31, 2022.

The assets or liabilities fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable input and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds: Mutual funds owned by the plan as of December 31, 2022 and 2021 were valued at the quoted net asset value of shares held by the Plan at year-end. Net asset value per unit is determined each

DESOTO SALES, INC. 401(k) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

3. FAIR VALUE MEASUREMENTS (Continued)

business day based on quoted market price and included in level 1 hierarchy (below). Issuance and redemptions of units are recorded normally each day upon receipt of unitholder's instructions in good order and based on the next determined net asset value per unit. Investments in the mutual funds can be redeemed with no advance notice on any day on which the relevant stock exchange is open for trading.

Stable value accounts: Transamerica Stable Value Core Account is a fully benefit-responsive group variable annuity contract which is presented at contract value, which is also the fair value, in the statements of Net Assets Available for Benefits. The Plan's Administrative Committee does not believe that any events that would limit the Plan's ability to transact at contract value with Transamerica are probable of occurring.

The valuation methods described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. While the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2022, are reported in net appreciation/(depreciation) in fair value of investments.

A summary of the Plan's assets by investment fund type and hierarchy is shown below:

4. INVESTMENTS AND CERTIFICATION BY CUSTODIAN (UNAUDITED)

The plan management has elected the method of compliance permitted by 29 CFR § 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan management instructed the plan's independent auditors not to perform any auditing procedures with respect to the information certified by Reliance Trust as complete and accurate, except for comparing the information with the related information included in the financial statements and supplemental schedule.

5. RELATED PARTY AND PARTIES-IN-INTEREST TRANSACTIONS

In addition to the Plan sponsor, the Plan custodian and the Plan trustee, parties-in-interest include Merrill Lynch, the Plan's financial advisor, and Transamerica Retirement Solutions, LLC, the Plan's third-party administrator, who provides plan administrative service, recordkeeping service and compliance consulting service. Transactions with all parties-in-interest for the years ended December 31, 2022 were exempt from the prohibited transaction rules under ERISA.

In 2022, the Plan received credits of \$16,700 from Merrill Lynch, which was deposited in Expense Budget Accounts (EBA). The credits were used to pay for the Plan administrative expenses to Transamerica Retirement Solutions, LLC. The total administrative expense paid from EBA in 2022 was \$16,700. In addition, \$1,459 was paid from individual participant accounts and \$16,198 was paid from the forfeiture account for the recordkeeping and administrative service performed by Transamerica Retirement Solutions, LLC.

5. RELATED PARTY AND PARTIES-IN-INTEREST TRANSACTIONS (Continued)

The net amount is included in administrative expenses on Statement of Changes in Net Assets Available for Benefits.

In 2022, the Plan offered Transamerica General Account Stable Value Fund as one of the investment options. As of December 31, 2022, the Plan invested \$2,806,546 in the fund, which consists of 22% of the total investment value.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the authority to terminate the Plan subject to the provisions of ERISA. If the Plan is terminated, participants will become 100% vested in their accounts.

7. TAX STATUS

The Plan is governed by a standardized plan document that received its most recent favorable opinion letter from the Internal Revenue Service (IRS) on June 30 2020, which stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

The Plan is subject to routine audits by taxing jurisdictions. As of December 31, 2022, the Plan has not been advised that any of its tax filings will be audited. As of December 31, 2022 the Plan's tax returns generally remain open for examination for the last three years.

8. RISKS AND UNCERTAINTIES

Plan Investments

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities could occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
