ENTISYS SOLUTIONS, INC. 401(k) PLAN

FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2022 AND 2021

INDEPENDENT AUDITOR'S REPORT

To the Trustee of
Entisys Solutions, Inc. 401(k) Plan
Concord, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Entisys Solutions, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Entisys Solutions, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Empower Annuity Insurance Company of America, the custodian, which is a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Entisys Solutions, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Entisys Solutions, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Entisys Solutions, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Entisys Solutions, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ENTISYS SOLUTIONS, INC. 401(k) PLAN

Notes to Financial Statements

December 31, 2022 and 2021

Note 1 - Description of plan

General

Entisys Solutions, Inc. (the "Company", "Plan Administrator", and "Plan Sponsor") has adopted a non-standardized pre-approved defined contribution plan covering all eligible employees of the Company who are over the age of 18. The Plan was amended and restated effective September 1, 2021, as part of the Cycle 3 restatement required by the IRS.

The Plan was amended in September 2022 to include provisions of the Coronavirus Aid, Relief, and Economic Security (CARES) Act and the Setting Every Community Up for Retirement Enhancement (SECURE) Act to permit birth and adoption-related distributions as they related to plan distributions and participant loans.

This description of the Entisys Solutions, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

The Company has appointed the Chief Operating Officer as the Plan Trustee and the Manager of Human Resources to manage the operations and administration of the Plan. The Company has contracted with Empower Annuity Insurance Company of America ("Empower") to act as the Plan custodian, as well as the third-party administrator to process and maintain the records of participant data and monitor compliance with governmental regulatory requirements.

Contributions

Each year, participants may elect to defer up to 100% of their pre-tax annual compensation as defined in the Plan Document. Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). The Plan Document permits Roth 401(k) contributions into the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers investments in pooled separate accounts and a stable value investment fund to its participants. The Company is allowed to make discretionary matching contributions as defined in the Plan Document. The Company's discretionary matching contribution was \$282,224 and \$258,786 for the years ended December 31, 2022 and 2021. Contributions are subject to certain IRS limitations.

Participant accounts

Each participant's account is credited with the participant's contributions and Company discretionary matching contributions, as well as allocations of Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan Document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are immediately vested in their own contributions plus actual earnings thereon. Vesting in the Company's discretionary matching contributions is based on years of continuous service. A participant is 100% vested upon the completion of six years of credited service.

ENTISYS SOLUTIONS, INC. 401(k) PLAN

Notes to Financial Statements

December 31, 2022 and 2021

Note 1 - Description of plan (continued)

Notes receivable from participants

A participant may only have one loan outstanding at any time. Participants may borrow from their fund accounts a minimum of \$1,000 to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. For loans qualifying under the CARES Act, the dollar limit is \$100,000 or 100% of the participant's account balance. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. The interest rate for loans outstanding as of December 31, 2022 ranged from 4.25% to 7.25%, which is commensurate with local prevailing rates as determined by the Plan Sponsor. Loan terms typically range up to five years, or may exceed five years for the purchase of a primary residence. Principal and interest are paid ratably through semi-monthly payroll deductions.

Payment of benefits

Upon reaching the age of 59½ and at the discretion of the participant or upon termination of service due to death, disability, or retirement, a participant or the designated beneficiary may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

Upon termination, if the participant's or beneficiary's vested account balance is \$5,000 or less, the Plan allows the trustee to distribute the vested account balance to an Individual Retirement Account ("IRA") for the participant's benefit. Vested balances of \$1,000 or less will be distributed as a lump-sum amount without the participant's consent.

Forfeited accounts

Forfeited non-vested accounts may first be used to pay Plan administrative expenses and any remaining amount may be used to reduce future employer contributions under the Plan. At December 31, 2022 and 2021, forfeited non-vested accounts were not significant to the financial statements.

Note 2 - Summary of accounting policies

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates. Significant estimates used in preparing these financial statements include the fair value of investments in pooled separate accounts and stable value investment fund, and management's estimate of the allowance for losses on notes receivable from participants.

ENTISYS SOLUTIONS, INC. 401(k) PLAN

Notes to Financial Statements

December 31, 2022 and 2021

Note 2 - Summary of accounting policies (continued)

Investment valuation and income recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Trustee determines the Plan's valuation policies utilizing information provided by the investment advisor and custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation includes the Plan's realized and unrealized gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for losses has been recorded as of December 31, 2022 and 2021. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan Document.

Payment of benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees paid to the investment managers and recordkeeper for investment management, advisory services and administration of participants' accounts are reported net of revenue sharing arrangements. Monthly and quarterly asset-based fees, fees related to administration of notes receivable, and participant withdrawals are charged directly to the participants' accounts and amounted to \$25,767 and \$64,989 for the years ended December 31, 2022 and 2021, respectively. Fees paid by the Plan for investment management services are included as a reduction of the return earned on each investment fund and are charged to participant accounts.

Excess contributions payable

Amounts payable to the Plan Sponsor for employer contributions made to an ineligible employee is recorded as a liability with a corresponding reduction to employer contributions for the year ended December 31, 2022.

Subsequent events

In preparing its financial statements, the Plan has evaluated subsequent events through October 13, 2023, which is the date the financial statements were available to be issued.

December 31, 2022 and 2021

Note 3 - Certified investments

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments at December 31, 2022 and 2021, and net appreciation and depreciation in fair value of investments, interest and dividends for the years ended December 31, 2022 and 2021, was obtained by management, and agreed to or derived from information certified as complete and accurate by Empower, the custodian of the Plan.

Note 4 - Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The fair value of the Mass Mutual Guaranteed Interest Account, a stable value investment fund, is stated at the liquidation value, based on an actuarial formula as defined under the terms of the contract. The fund invests primarily in bonds, mortgage loans, and short-term investments and cash.

No assets were noted at Levels 1 and 2 for the years ended December 31, 2022 and 2021. There have been no changes in the methodologies used at December 31, 2022 and 2021.

There were no transfers into or out of Level 3 investments for the years ended December 31, 2022 and 2021.

Note 4 - Fair value measurements (continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value:

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts measured at net asset value (NAV) *	\$ -	\$ -	\$ -	\$ 15,265,735
Stable value investment fund	-	-	1,085,016	1,085,016
Investments at fair value	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,085,016</u>	<u>\$ 16,350,751</u>

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts measured at net asset value (NAV) *	\$ -	\$ -	\$ -	\$ 15,512,169
Stable value investment fund	-	-	901,612	901,612
Investments at fair value	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 901,612</u>	<u>\$ 16,413,781</u>

* In accordance with ASC subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented on the statements of net assets available for benefits.

The following table summarizes investments measured at fair value based on NAV per share:

Investments	Fair Value as of		Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
	2022	2021			
Pooled separate accounts	\$15,265,735	\$15,512,169	n/a	Daily	1 Day

The Plan's investments in Separate Investment Accounts (SIAs) were considered pooled separate accounts and were valued at their last reported NAV at the end of the year. The underlying investments in the SIAs consisted of bonds, fixed income securities, and mutual funds, which were stated at fair market value. Investments in underlying funds were valued at the NAV per share of each underlying fund on a daily basis. In general, these investments seek maximum total return, consistent with preservation of capital and prudent investment management.

Note 4 - Fair value measurements (continued)

The following table sets forth the purchases and sales of the Plan's Level 3 investment (stable value investment fund):

<u>Mass Mutual Guaranteed Interest Account</u>	<u>Year Ended December 31,</u>	
	<u>2022</u>	<u>2021</u>
Purchases	\$ 158,747	\$ 157,183
Sales	\$ (17,088)	\$ (79,299)

Note 5 - Rollover contributions

During 2022, rollover contributions of \$1,285,984 from other plans came from twelve active participants and during 2021, rollover contributions of \$342,480 from other plans came from eight active participants.

Note 6 - Related party transactions and party-in-interest transactions

Plan investments in the stable value investment fund and pooled separate accounts were managed by Empower for the years ended December 31, 2022 and 2021. Empower is the custodian and the third-party administrator, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Refer to **Note 2 - Expenses** for expenses of the Plan paid by the Plan Sponsor and the Plan participants to the various parties-in-interest. Amounts paid under a revenue sharing arrangement are also discussed at **Note 2 - Expenses**. All these transactions are considered party-in-interest transactions under ERISA regulations but are permitted under the provisions of the Plan and are specifically exempt from the prohibition of parties-in-interest transactions under ERISA.

Note 7 - Plan termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Notes to Financial Statements

December 31, 2022 and 2021

Note 8 - Tax status

The Internal Revenue Service has determined and informed Empower by letter dated June 30, 2020 that that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Company is currently in the process of determining the full extent of errors related to inconsistencies in applying the definition of eligible compensation to calculate employee deferrals and employer contributions for a few employees (see Note 11). The Company does not expect these inconsistencies to affect the Plan's tax-exempt status.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position not likely to be sustained upon examination by taxing authorities and government agencies. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

Note 9 - Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market fluctuations and credit risks. Market risks include global events, which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 10 - Reconciliation of the financial statements to Form 5500

The following is a reconciliation of employer contributions per the financial statements for the year ended December 31, 2022 to the Form 5500. No reconciliation of employer contributions was necessary for the year ended December 31, 2021.

	December 31, 2022
Employer contributions per the financial statements	\$ 282,224
Add: Excess employer contributions payable for current year, forfeited subsequent to year-end	<u>2,000</u>
Total employer contributions per the Form 5500	<u>\$ 284,224</u>

Notes to Financial Statements

December 31, 2022 and 2021

Note 10 - Reconciliation of the financial statements to Form 5500 (continued)

The following is a reconciliation of benefits paid to participants per the financial statements for the year ended December 31, 2021 to the Form 5500. No reconciliation of benefits paid to participants was necessary for the year ended December 31, 2022.

	December 31, 2021
Benefits paid to participants per the financial statements	\$ 1,028,047
Add: Excess contributions payable in prior year, treated as a corrective distribution in the current year on the Form 5500	<u>694</u>
Total benefits paid to participants per the Form 5500	<u>\$ 1,028,741</u>

Note 11 - Plan compliance matters

During the year ended December 31, 2022, it was discovered that the definition of eligible compensation was not consistently applied in calculating employee deferral and employer contributions for a few employees. Plan management is currently working with Empower to calculate the full extent of this error. The effect of this error will be recognized in the period the corrective action is taken by the Company.
