INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Medical Products Laboratories, Inc. 401(k) Profit Sharing Plan

Scope and Nature of ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Medical Products Laboratories, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

The two firms operate as separate legal entities in an alternative practice structure. Citrin Cooperman is an independent member of Moore North America, which is itself a regional member of Moore Global Network Limited (MGNL).

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Information Required by ERISA

The supplemental schedule H, line 4i - assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Supplemental Information Required by ERISA (Continued)

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1. DESCRIPTION OF PLAN

The following description of the Medical Products Laboratories, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Organization

The Plan is a participant-directed defined contribution plan established on January 1, 1996, by Medical Products Laboratories, Inc. (the "Company") under the provisions of Section 401(a) of the Internal Revenue Code ("IRC"), which includes a deferred arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Eligibility

Employees who have attained the age of 18 and have completed three months of employment service are eligible to participate in the Plan. Members of a collective bargaining unit are not permitted to participate in the Plan. Employees become participants once they have satisfied the eligibility requirements and reached the entry date. The entry date is the first day of the Plan year, or the first day of the fourth, seventh or tenth month of the Plan year. Employees are permitted to participate in pretax elective deferrals, Roth elective deferrals and discretionary employer contributions after completion of eligibility requirements.

Participant Contributions

Participants may elect to contribute their eligible pre-tax compensation to the Plan up to the amount allowable under the Plan document and subject to IRC limitations. Participants may designate all or a portion of their elective deferrals as Roth elective deferrals. Participants attaining age 50 before the end of the Plan year are eligible to make catch-up contributions, up to the maximum annual amount allowed by the IRC. Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or defined contribution plans. All contributions made by participants are deposited in the trust and allocated among the investment funds in accordance with the participants' effective elections.

Employer Contributions

The Company may make discretionary matching contributions, determined annually by the Company, based on a portion of the participant's deferral. The Company may also make discretionary non-elective employer contributions to the Plan, to be allocated to the participant's account in the ratio that the participant's eligible compensation bears to the total compensation paid to all eligible participants. A participant must be employed by the Company on the last day of the Plan year and complete at least 1,000 hours of service during the Plan year to be eligible to participate in discretionary nonelective employer contributions. The last day and service requirements are waived if a participant dies, becomes disabled or retires during the Plan year. All discretionary matching and non-elective employer contributions, if any, made on a participant's behalf are deposited in the trust and allocated among the investment funds in accordance with the participant's effective elections.

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Investment Options

Participant contributions and investment earnings are participant-directed, which may be invested by them in a variety of registered investment companies and money market funds offered by Fulton Bank, N.A. (the "Custodian"). Participants may elect to transfer investments from one investment fund to any other investment fund on a daily basis.

Participant Accounts

Each participant's account is credited with the participant's contribution and Company's discretionary matching and non-elective contributions, if any, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are fully vested in their rollover and voluntary contributions, plus actual earnings thereon. The vested portion of any participant account attributable to Company contributions and the earnings thereon are based on years of credited service. A participant becomes 100% vested after five years of credited service, or upon reaching normal retirement age of 59-1/2, becoming disabled, or upon his or her death.

Participants vest according to the following schedule:

<u>Years of Service</u>	<u>Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balances. The maximum amount is reduced by the highest outstanding loan balance held by a participant during the previous 12-month period. A loan setup fee is deducted from the participant's account for each loan that is processed. A participant is allowed three outstanding loans at any given time. Loan terms range up to five years unless the loan is used for the purchase of a primary residence, for which the loan term may be extended. Loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. The interest rates on loans outstanding at December 31, 2022 and 2021, were between 3.24% and 6.49%. Principal and interest are paid ratably through payroll deductions.

DECEMBER 31, 2022 AND 2021

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Forfeited Accounts

If a participant terminates employment prior to vesting 100% in Company contributions, the forfeited balance shall first be used to reduce future employer matching contributions and any remaining amounts shall be used to pay Plan expenses.

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$1,294 and \$120, respectively. The accounts will be used to pay certain administrative expenses of the Plan, as well as to reduce further employer contributions to the Plan.

Participant Distributions

Upon termination of service due to death, disability or normal retirement age, a participant (or participant's beneficiary in the event of death) will receive a lump-sum distribution equal to the total value of the participant's account. If a participant is terminated for any other reason, the participant shall be entitled to receive a distribution equal to the value of the vested interest in his or her account. A mandatory 20% federal tax is withheld on cash distributions. As an alternative to a cash distribution, the participant or beneficiary may request a rollover distribution to another qualified plan.

A participant who has attained age 59-1/2 may withdraw any part of his or her vested account from all sources of contributions. A participant may make such a withdrawal at any time. In the event of financial hardship, as defined by the Plan, a participant may request a distribution of any part of their vested account balance. Hardship withdrawals may not be rolled over to another qualified employer plan or an individual retirement account. A participant may not make contributions to the Plan for the six-month period following the date of a hardship distribution.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participants' accounts and are included in administrative expenses.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements were prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded, based upon the terms of the Plan document.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Management fees and operating expenses charged to the Plan for certain investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected in the net depreciation in fair market value of such investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Fair Value Measurements

U.S. GAAP defines fair value and establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy are described as follows:

- | | |
|---------|--|
| Level 1 | Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date. |
|---------|--|

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements (Continued)

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Unobservable inputs based on the Plan's assessment of the assumptions that market participants would use in pricing the asset or liability.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market funds: Valued at the closing price reported in the active market in which the individual fund is traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Benefits are recorded when paid to participants.

Subsequent Events

The Plan has evaluated subsequent events through October 13, 2023, the date on which these financial statements were available to be issued. Except as disclosed in Note 8, there were no material subsequent events that require disclosure under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 855, *Subsequent Events*.

NOTE 3. FAIR VALUE MEASUREMENTS

The following tables set forth by level, within the fair value hierarchy, the Plan's assets measured at fair value as of December 31, 2022 and 2021. Classification within the fair value hierarchy table is based on the lowest level of input that is significant to the fair value measurement.

<u>Assets at Fair Value as of December 31, 2022</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 6,067,617	\$ -	\$ -	\$ 6,067,617

NOTE 4. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The following tables summarize investments and other asset information regarding the Plan as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included in the Plan's financial statements and supplemental schedule, that were prepared by or derived from, without audit, information prepared by the Custodian and furnished to the Plan administrator. The Plan administrator has obtained a certification from the Custodian that such information is complete and accurate.

Certified assets consisted of the following at December 31, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Mutual funds	\$ 6,067,617	\$ 7,422,687
Money market funds	<u>511,675</u>	<u>483,134</u>

Notes receivable from participants	<u>185,264</u>	<u>123,491</u>
Total certified assets	<u>\$ 6,764,556</u>	<u>\$ 8,029,312</u>

Investment income consisted of the following for the year ended December 31, 2022:

Net depreciation in fair value of investments	\$ <u>(1,725,311)</u>
Dividends	\$ <u>222,816</u>
Interest income on notes receivable from participants	\$ <u>6,009</u>

NOTE 5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in their account balances.

NOTE 6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7. TAX STATUS

The Plan used a prototype plan document sponsored by Fulton Bank, N.A. which received an opinion letter from the Internal Revenue Service ("IRS") dated June 30, 2020, stating that this prototype document satisfied the applicable requirements of the IRC. The Plan itself has not received a determination letter from the IRS. Although the Plan has been amended since Fulton Bank, N.A. received its opinion letter from the IRS for the prototype plan adopted by the Plan, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt. Therefore, the Plan administrator believes that the Plan qualifies under Section 401(a) of the IRC and is exempt from federal income taxes under Section 501(a) of such code and, accordingly, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

NOTE 8. EXCESS PARTICIPANT CONTRIBUTIONS PAYABLE

At December 31, 2022, excess participant contributions payable consists of payments due to certain participants for excess deferral contributions as required to satisfy the relevant nondiscrimination provisions of the Plan. At December 31, 2022, excess contributions amounting to \$9,972 are recorded as liabilities in the accompanying statements of net assets available for benefits, and \$9,972 is recorded as a reduction of net assets in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2022. The Plan reimbursed excess contributions for the year ended December 31, 2022, to its participants in March 2023. There were no excess participant contributions payable as of December 31, 2021.

NOTE 9. RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Fulton Bank, N.A. Fulton Bank, N.A. is the recordkeeper and custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Notes receivable from participants are also party-in-interest transactions.

Fees paid by the Plan for administrative services amounted to \$38,499 for the year ended December 31, 2022. Moreover, the Plan sponsor is also a party-in-interest with respect to the Plan, as personnel and facilities of the Company have been used to perform administrative functions for the Plan at no charge to the Plan.

NOTE 10. CARES ACT PROVISIONS

During 2020, the World Health Organization has declared COVID-19 to constitute a "Public Health Emergency of International Concern." On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act of 2020 (the "CARES Act") was signed into law. The CARES Act contains several provisions affecting retirement plans in the area of distributions and loans due to the impact of COVID-19. The Plan adopted the provisions to allow for coronavirus-related distributions, taken prior to December 31, 2020, of up to \$100,000 for participants impacted by COVID-19. Such distributions are permitted to be paid back over a three-year period.

The Plan adopted the provisions to allow for coronavirus-related loans, taken from March 27, 2020 through September 22, 2020, of up to \$100,000 for participants impacted by COVID-19. Such loans are permitted to be paid back over a five-year period.

The Plan adopted the provision to delay loan repayments from March 27, 2020 through December 31, 2020, for up to one year for qualifying employees. Interest will continue to accrue during the period and the Plan can extend the term of the loan for up to one years.

The Plan also adopted the provisions to waive the requirement for any required minimum distribution that was required to be paid during 2020.

The adopted provisions are required to be executed in a Plan amendment. The Plan amendment was implemented on January 1, 2022.
