A Pineywoods 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of A Pineywoods 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes of net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Principal Trust Company and Principal Life Insurance Company, collectively Principal (a qualified institution) as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note I to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements, referred to above, related to assets held by and certified to by a qualified institution agrees to, or is derived from , in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date of the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's report that includes our opinion. Reasonable assurance is high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(c) audit is not to express an opinion on whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedules of Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by qualified institution agrees to , or is derived form, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A - DESCRIPTION OF PLAN

The following description of A Pineywoods 401(k) Plan (the "Plan") provides only general information. For a more complete description of the Plan's provisions, refer to the Plan agreement.

1. General. The Plan is a defined contribution plan for all employees of A Pineywoods Home Medical Equipment, Inc., A Pineywoods Home Health Care, Inc., and A Pineywoods Home Services, Inc., (collectively referred to as the "Employer") who have completed one year of service and reached age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The original effective date of the Plan is January 1, 2019. The Plan began accepting contributions effective March 1, 2019.

2. Contributions and Forfeitures. Participants in the Plan may elect to contribute on a pre-tax or post tax basis (via elective deferral or Roth contributions) the maximum amount of their compensation allowed under applicable law, as defined by the Plan. Participants may also elect to make rollover contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Employer may, in its sole discretion, make matching contributions. Match is available to all persons who were active participants with elective deferrals at any time during the plan year. The Employer may also make a discretionary profit-sharing contribution to be determined by the Employer. For the years ended December 31, 2022 and 2021, the Employer elected to make no matching or profit-sharing contributions. Participants may direct the investment of both their contributions and the Employer's matching contribution into various investment options as described in these notes.

   A forfeiture is a terminated participant's unvested account balance in the Employer contribution. These forfeitures will be used to reduce the Employer's contribution (other than Qualified Matching Contributions and Qualified Non-elective Contributions) or pay plan expenses in future periods. No forfeiture activity occurred during the years ended December 31, 2021 or December 31, 2022.

3. Participant Accounts. Each participant's account is credited with the participant's contribution and allocations of (a) the Employer's contribution (if any) and (b) Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

4. Vesting. Participants are immediately vested in their contributions plus actual gains and losses thereon. Vesting in the Employer contributions portion of their accounts plus gains and losses thereon is based on years of credited service. Vesting provisions in the plan are summarized as follows:

YEARS OF VESTING SERVICE	VESTING PERCENTAGE
Less than two years	0%
Two years	20%
Three years	40%
Four years	60%
Five years	80%
Six or more years	100%

5. Payment of Benefits. On termination of service due to death, disability, retirement or other reasons, a participant will receive a lump-sum amount equal to the fair market value of the participant's vested interest in his or her account at the time of distribution. The participant may request a distribution at the time of termination. Hardship withdrawals are available. In-service distributions may occur if any of certain criteria are met, such as attainment of age 59 ½. Early retirement is not permitted.

   As a result of the enactment on March 27, 2020 of the Coronavirus Aid, Relief, and Economic Security Act (CARES ACT) the Plan began allowing participants to take a coronavirus-related distribution of up to $100,000 (not to exceed the participant's account balance) from their retirement plan without a 10% early withdrawal penalty. Eligible distributions could be taken up to December 31, 2020. Coronavirus-related distributions may be repaid within three years. The plan administrator may rely on an employee's certification that the employee satisfies the conditions for a coronavirus-related distribution.

   During 2021, the Plan was amended to implement the hardship distribution provision of The Bipartisan Budget Bill of 2018 as follows:

   - Eliminates the six-month deferral suspension requirement after a hardship distribution has been taken.
   - Includes earnings on 401(k) elective deferrals when calculating the amount available for hardship.
   - Allows plan sponsors to include QNEC and QMAC contributions and the earnings associated with these contributions as eligible contribution sources for hardship withdrawals.
   - Expands hardship needs to include residential casualty losses (without regard to whether the casualty was in a federally declared disaster area) and Disaster Losses.

   The amendment is retroactive to January 1, 2019 with the latest effective date of January 1, 2020.

NOTE A - DESCRIPTION OF PLAN - CONTINUED

6. Investment Options. Upon enrollment in the Plan, a participant may direct both their employee and employer contributions of the retirement plan in any of the approved investment options. All of these options are invested in Mutual Funds, common/collective trust funds, or the Principal Fixed Income Guarantee Option.

   Participants may change their investment options daily.

NOTE B - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in all material respects.

Investment Valuation and Related Investment Income

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value - see Note D). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Security transactions are accounted for on the trade date (date the order to buy or sell is executed) and dividend income is recorded on the ex-dividend date. The settlement date of the purchase and sale transactions vary depending on the type of security. Interest income is recognized on the accrual basis. Realized gains and losses from security transactions are calculated on a specific identification basis. Unrealized appreciation and depreciation of investments are reported on an identified cost basis and are included, along with realized gains and losses, in net appreciation in fair value of investments.

Payment of Benefits

Benefits are recorded upon distribution.

Operating Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Fees for the administration of distribution from participant's accounts are included in administrative expenses and charged directly to the participant's account.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Subsequent Events

Management evaluated its December 31, 2022 financial statements for subsequent events through the date of issuance, October 13, 2023.

NOTE C - FAIR VALUE MEASUREMENT

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels as follows:

- Level 1 - quoted prices in active markets for identical assets
- Level 2 - other significant observable inputs either directly or indirectly (including quoted prices for similar securities, interest rates, yield curves, credit risk, etc.)
- Level 3 - significant unobservable inputs

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds - Valued using quoted prices in active markets for identical assets.

Common/Collective Trusts - Accounts are valued at a calculated unit value that is based on the observable net asset value of the underlying separate accounts and mutual funds.

NOTE C - FAIR VALUE MEASUREMENT - CONTINUED

The following table represents the Plan's investments reported at fair value in the accompanying statement of net assets available for benefits at December 31, 2022.

		FAIR VALUE MEASUREMENTS AT REPORTING DATE USING		
DECEMBER 31, 2022	FAIR VALUE	QUOTED PRICES IN ACTIVE MARKETS FOR IDENTICAL ASSETS/LIABILITIES (LEVEL 1)	SIGNIFICANT OTHER OBSERVABLE INPUTS (LEVEL 2)	SIGNIFICANT UNOBSERVABLE INPUTS (LEVEL 3)
Mutual Fund	$ 1 682	$ 1 682	$ -	$ -
Common/Collective Investment Trusts	151 911	151 911	-	-
INVESTMENTS AT FAIR VALUE	$ 153 593	$ 153 593	$ -	$ -

The following table represents the Plan's investments reported at fair value in the accompanying statement of net assets available for benefits at December 31, 2021.

		FAIR VALUE MEASUREMENTS AT REPORTING DATE USING		
DECEMBER 31, 2021	FAIR VALUE	QUOTED PRICES IN ACTIVE MARKETS FOR IDENTICAL ASSETS/LIABILITIES (LEVEL 1)	SIGNIFICANT OTHER OBSERVABLE INPUTS (LEVEL 2)	SIGNIFICANT UNOBSERVABLE INPUTS (LEVEL 3)
Mutual Fund	$ 284	$ 284	$ -	$ -
Common/Collective Investment Trusts	194 122	194 122	-	-
INVESTMENTS AT FAIR VALUE	$ 194 406	$ 194 406	$ -	$ -

There were no transfers between Level 1 and Level 2 for the period presented.

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2022 are reported in net unrealized appreciation in fair value of investments.

NOTE D - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan has a contract to provide investment in the Principal Fixed Income Guarantee Option, a guaranteed investment contract ("GIC"). This option is an interest earning investment option backed by the general assets of Principal Life Insurance Company ("PLIC"). This contract meets the fully benefit-responsive investment contract criteria; therefore, it is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by the Trustee, represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. This contract is considered a traditional investment contract in which the plan owns the contract and not the underlying investments.

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the issuer's ability to meet its financial obligations which may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code.
2. Premature termination of the contracts.
3. Plan termination or merger.
4. Changes to the Plan's prohibition on competing investment options.
5. Bankruptcy of the plan sponsor or other plan sponsor events that significantly affect the Plan's normal operations.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines.
2. A breach of material obligation under the contract.
3. A material misrepresentation.
4. A material amendment to the agreements without the consent of the issuer.

NOTE D - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT - CONTINUED

The Employers do not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

NOTE E - PLAN TERMINATION

Although it has not expressed any intent to do so, the Employers have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTE F - TAX STATUS

The Plan obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirement of the Internal Revenue Code. The Plan uses a non-standardized pre-approved plan developed by Alliance Benefit Group of Houston, Inc. An adoption agreement is prepared to be employer specific; however, the Company believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and, accordingly, is qualified and tax exempt. Employees are not taxed currently on certain contributions and related gains and losses until such amounts are withdrawn from the Plan and distributed.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE G - ADMINISTRATION OF PLAN ASSETS

Certain administrative functions are performed by officers or employees of the Employers. No such officer or employee receives compensation from the Plan. Certain administrative expenses are paid directly by the Employers.

NOTE H - PARTY-IN-INTEREST

At December 31, 2022 and 2021, the Plan invested in the Principal Fixed Income Guaranteed Option account which is managed and backed by the general assets of Principal Life Insurance Company. The Plan also invested in mutual funds and common/collective trust managed by Principal Life Insurance Company and Principal Global Investors Trust Company, respectively. These investments are considered exceptions to the Prohibited Transaction Rules of ERISA.
