INDEPENDENT AUDITOR'S REPORT

To the Management and Trustees of
INDUS Technology, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of INDUS Technology, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the INDUS Technology, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on the audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITOR'S REPORT (continued)

Opinion (continued)

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of INDUS Technology, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Prior Period Financial Statements

The financial statements of INDUS Technology, Inc. 401(k) Plan as of and for the year ended December 31, 2021, were audited by other auditors whose report dated October 17, 2022, expressed an unmodified ERISA Section 103(a)(3)(C) audit opinion on those statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit did not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about INDUS Technology, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

INDEPENDENT AUDITOR'S REPORT (continued)

Responsibilities of Management for the Financial Statements (continued)

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of INDUS Technology, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

INDEPENDENT AUDITOR'S REPORT (continued)

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about INDUS Technology, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

INDUS Technology, Inc. 401(k) Plan
Notes to Financial Statements
Years Ended December 31, 2022 and 2021

Note 1. DESCRIPTION OF THE PLAN

INDUS Technology, Inc. 401(k) Plan (the "Plan") is sponsored by INDUS Technology, Inc. (the "Company"). The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General

The Plan is a 401(k) salary deferral plan covering substantially all employees of the Company and is subject to provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Company is the Plan's sponsor and serves as plan administrator.

Eligibility

Employees of the Company are eligible to participate in the Plan upon reaching age 18 and after completing three months of service in each 12-month eligibility period, as defined by the Plan.

Contributions

Participant contributions – Each year, participants may contribute between 1 to 100 percent of eligible compensation, as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined-benefit or defined-contribution plans. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3 percent of eligible compensation and their contributions invested in a designated fund until elected otherwise by the participant. Unless elected otherwise by the participant, deferrals are automatically increased annually by 1 percent, up to a maximum auto-deferral of 6 percent.

Employer discretionary contributions – The Company may elect to make discretionary contributions to the Plan. Participants must complete 1,000 hours of service during the plan year and be employed as of the last day of the plan year to be eligible to receive any employer discretionary contributions. For the years ended December 31, 2022 and 2021, there were no employer discretionary contributions.

Years Ended December 31, 2022 and 2021

Note 1. DESCRIPTION OF THE PLAN (continued)

Employer safe harbor – During the years ended December 31, 2022 and 2021, the Company matched 100 percent of employees' contributions up to 4 percent of their compensation. The safe harbor contributions for the years ended December 31, 2022 and 2021 were \$949,632 and \$963,541, respectively.

Contributions are subject to regulatory limitations.

Participant Accounts

Each participant account is credited with the participant's contribution and allocations of the Company's contributions and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions, the Company's safe harbor matching contributions, and the earnings or losses thereon. Vesting in the Company's discretionary contributions is based on years of credited service, as defined in the Plan, according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
After 1	20%
After 2	40%
After 3	60%
After 4	80%
After 5	100%

Investments

Participants may direct their account balance to the investment options offered by the Plan. The number of such funds and the type of investments therein may be changed at any time by the Plan. Participants may change their investment options at any time.

Years Ended December 31, 2022 and 2021

Note 1. DESCRIPTION OF THE PLAN (continued)

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are issued by the Plan and secured by the balance of the participant's account. All loans must be repaid within a period of 5 years, unless the loan is used to purchase a principal residence, in which case, the loan may be issued for a period exceeding 5 years. Under the terms of the Plan Agreement, plan loans will bear fixed, reasonable rates of interest, as determined by the plan administrator. Principal and interest are paid ratably through semi-monthly payroll deductions. A participant may not have more than one loan outstanding at any one time. As of December 31, 2022 and 2021, the interest rates on outstanding loans were 4.25% to 7.25% and 4.25% to 6.50%, respectively, with various maturities through June 2036.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant or the participant's beneficiary may elect to receive a lump-sum amount equal to the value of the participant's account balance.

Forfeitures

Forfeitures are the non-vested portion of a participant's account that is lost upon termination of employment. Forfeitures are retained in the Plan and will first be used to reduce future Company contributions or administrative expenses. There were no forfeitures used to reduce contributions or administrative expenses in 2022 or 2021. The total forfeitures in 2022 and 2021 were \$214 and \$5,986, respectively. At December 31, 2022 and 2021, forfeited accounts totaled \$10,692 and \$8,553, respectively.

Revenue-sharing Arrangement

Empower Annuity Insurance Company of America ("Empower") receives revenue from mutual fund service providers for services they provide to the funds. This revenue is used to offset certain amounts owed to Empower for its administrative services to the Plan. If the revenue received from such mutual fund service providers exceeds the amount due to Empower, they remit the excess to the Plan's trust. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2022 and 2021, \$-0- and \$39,350, respectively, of revenue-sharing funds were remitted to the Plan. During 2022 and 2021, \$40,432 and \$-0-, respectively, of revenue-sharing funds were used to reduce administrative expenses.

Note 1. DESCRIPTION OF THE PLAN (continued)

Revenue-sharing Arrangement (continued)

At December 31, 2022 and 2021, unallocated revenue-sharing funds totaled \$40,644 and \$80,547, respectively.

CARES Act

In 2020, the Plan adopted the expanded distribution and loan options available to qualified individuals, as defined, under Section 2202 of the CARES Act. The provisions allow for (i) coronavirus-related distributions of up to \$100,000 to qualified individuals through December 31, 2020, which are exempt from the normal 10% early withdrawal penalty, (ii) increases to the maximum loan amount available to qualified individuals for loans made through September 22, 2020 (to the lesser of \$100,000 or 100% of the participant's vested account balance), and (iii) loan repayment deferrals of up to one year for certain loans outstanding to qualified individuals.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Administrative Expenses

General plan administrative expenses may be paid out of the forfeiture account or paid by the Company. Investment management, distribution, and loan transaction fees are paid by the plan participants.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their account balance.

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation

Investments in registered investment companies are stated at fair value based on the net asset value of the shares held by the Plan at year end.

Investments in the guaranteed investment contract are stated at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of investments are recorded on a settlement date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net gain or loss includes the Plan's gains and losses on investments bought and sold during the year as well as held at year end.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan.

Payment of Benefits

Benefits are recorded when paid.

Note 3. FAIR VALUE MEASUREMENTS

Plan investments are generally reported at fair value in the statements of net assets available for benefits. Generally accepted accounting principles establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 Fair Value Measurements

Fair values are based on publicly quoted prices in active markets for identical assets. The fair value of investments in registered investment companies is based on the publicly quoted net asset value of the shares held by the Plan.

Level 2 Fair Value Measurements

Fair values are based on observable inputs other than publicly quoted prices in active markets for identical assets.

Level 3 Fair Value Measurements

Fair values are based on unobservable inputs used for valuing the asset.

Fair Value Measurements as of December 31, 2022:

	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Investments in registered investment companies	<u>\$ 14,630,270</u>	<u>\$ 14,630,270</u>	<u>\$ -</u>	<u>\$ -</u>
Total investments, at fair value	<u><u>\$ 14,630,270</u></u>	<u><u>\$ 14,630,270</u></u>	<u><u>\$ -</u></u>	<u><u>\$ -</u></u>

Fair Value Measurements as of December 31, 2021:

	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Investments in registered investment companies	<u>\$ 16,061,558</u>	<u>\$ 16,061,558</u>	<u>\$ -</u>	<u>\$ -</u>
Total investments, at fair value	<u><u>\$ 16,061,558</u></u>	<u><u>\$ 16,061,558</u></u>	<u><u>\$ -</u></u>	<u><u>\$ -</u></u>

Note 4. **GUARANTEED INVESTMENT CONTRACT**

The Plan invests in a fully benefit-responsive guaranteed investment contract (FBRIC) with Empower Annuity Insurance Company of America (“Empower”), formerly Great-West Life & Annuity Insurance Company. Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than zero percent. The crediting rate is reviewed on a quarterly basis for resetting. The FBRIC does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The contract meets the FBRIC criteria and therefore is reported at contract value. Contract value is the relevant measure for FBRICs because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan’s ability to receive amounts due is dependent on the issuer’s ability to meet its financial obligations, which may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan Documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan’s prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the Plan’s ability to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

Note 5. INFORMATION PREPARED AND CERTIFIED BY A QUALIFIED INSTITUTION

The following information included in the accompanying financial statements and supplemental schedule of Assets (Held at End of Year) was obtained from data that has been prepared and certified to as complete and accurate by Empower Trust Company (registered investment companies) and Empower Annuity Insurance Company of America (guaranteed investment contract).

	2022	2021
Investments in registered investment companies	\$14,630,270	\$16,061,558
Investments in guaranteed investment contract	1,781,864	1,844,280
Notes receivable from participants	238,816	213,784
Net realized and unrealized gain (loss) in fair value of investments in registered investment companies	(3,269,147)	988,700
Dividends	620,217	928,177
Interest income on guaranteed investment contract	16,132	18,924
Interest income on notes receivable from participants	9,567	13,037

Note 6. PARTY-IN-INTEREST TRANSACTIONS

Certain expenses of the Plan are paid by the Company. The Company is the sponsor of the Plan and, therefore, these transactions qualify as party-in-interest. The most significant of these costs paid by the Company are the salaries for the employees responsible for plan administration and fees paid to a third-party administrator.

Plan investments include a guaranteed investment contract and a registered investment company of the custodian of the Plan and therefore, transactions with this entity qualify as exempt party-in-interest transactions.

Note 7. FEDERAL INCOME TAX STATUS

The Plan is a defined contribution pre-approved plan that received a favorable opinion letter from the Internal Revenue Service on June 30, 2020, and again on November 14, 2022, which stated that the Plan, as then designed, was in accordance with applicable sections of the Internal Revenue Code. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the accompanying financial statements.

INDUS Technology, Inc. 401(k) Plan
Notes to Financial Statements
(continued)
Years Ended December 31, 2022 and 2021

Note 7. FEDERAL INCOME TAX STATUS (continued)

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

Note 8. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 10, 2023, which is the date the 2022 financial statements were available to be issued.
