INDEPENDENT AUDITOR'S REPORT

October 12, 2023

To the Trustees of the
Universal Display & Fixtures Company 401(k)
Retirement and Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Universal Display & Fixtures Company 401(k) Retirement and Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Universal Display & Fixtures Company 401(k) Retirement and Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Universal Display & Fixtures Company 401(k) Retirement and Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Universal Display & Fixtures Company 401(k) Retirement and Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Universal Display & Fixtures Company 401(k) Retirement and Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Universal Display & Fixtures Company 401(k) Retirement and Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matter – Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - 2021 Financial Statements

The financial statements of the Plan as of and for the year ended December 31, 2021, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Great-West Trust Company, LLC, the custodian of the Plan as of December 31, 2021 and for the period February 5, 2021 to December 31, 2021 and John Hancock Life Insurance Company, the custodian of the plan for the period January 1, 2021 to February 5, 2021. Their report, dated September 2, 2022, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

UNIVERSAL DISPLAY & FIXTURES COMPANY 401(K) RETIREMENT AND PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN

The following description of the Universal Display & Fixtures Company 401(k) Retirement and Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Universal Display & Fixtures Company (the Company) who meet certain eligibility criteria. The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA).

Administration

The Company is the Plan sponsor and Plan administrator. Prior to February 5, 2021, John Hancock was the custodian and third-party administrator (TPA) of the Plan. Effective February 5, 2021, Great-West Trust Company LLC is the Plan's custodian and TPA. Effective August 1, 2022, Great-West Trust Company LLC rebranded and became Empower Trust Company, LLC (Empower). Three employees at management level positions throughout the Company serve as the trustees of the Plan.

Eligibility

Employees of the Company that are not nonresident aliens or represented by a collective bargaining agreement are eligible to participate in the Plan. Employees of the Company are considered eligible to make salary deferrals and receive a matching contribution upon reaching age 19 and after completing six months of service. Employees are enrolled on January 1 and July 1 after becoming eligible to participate in the Plan.

Contributions

Each year, participants may contribute a percentage of pretax annual compensation, as defined in the Plan, up to the maximum amount allowable in accordance with applicable sections of the Internal Revenue Code (IRC). Participants may also rollover contributions from other qualified retirement plans, at the discretion of the Plan Administrator. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions of up to \$6,500.

The Company may make a discretionary matching contribution in an amount to be determined each year. The discretionary matching contribution is made to eligible participants, as defined above, who make salary deferrals to the Plan. During 2022 and 2021, the Company made matching contributions equal to 50% of each participant's elective deferral up to a maximum of 6% of the participant's compensation.

The Company may make discretionary employer contributions in an amount to be determined each year. Employees become eligible for the employer contributions upon completion of at least 501 hours of service during the Plan year or are employed by the Company on the last day of the Plan year. The Company made no discretionary employer contributions to the Plan for the year ended December 31, 2022 or 2021.

1. DESCRIPTION OF PLAN (Continued)

Participant Accounts

Each participant's account is allocated with the participant's contributions, the Company's matching contributions, the Company's discretionary contributions, Plan earnings (losses), forfeitures, and administrative expenses. Company discretionary contributions are allocated to participants equally. Allocations are based on participant earnings and losses and plan expenses on account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings and losses thereon. Vesting in the Company's contribution portion of their account is based on years of service. Participants are also fully vested upon attainment of age 65, death, or total and permanent disability. Participants vest in the Company's contributions based on the following schedule:

<u>Years of Service</u>	<u>Vesting %</u>
Less than 2	0%
2	2%
3	50%
4	75%
5 or more	100%

Forfeitures

Forfeitures of non-vested account balances are used to reduce Company contributions or pay Plan expenses. During 2022 and 2021, forfeitures of non-vested account balances and earnings totaled \$5,253 and \$11,025, respectively. During 2022 and 2021, Plan expenses and Company contributions of \$1,000 and \$750 were paid from forfeited non-vested accounts, respectively. As of December 31, 2022 and 2021, the Plan reported available forfeitures of \$14,533 and \$10,280, respectively.

Notes Receivable from Participants

Participants may borrow up to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years, unless they are used to purchase a primary residence, in which case repayment may be made over a maximum of fifteen years. The loans are secured by the balance in the participant's account and bear interest at a fixed rate of Prime plus 1% on the day that the loan is originated. Principal and interest are paid ratably through payroll deductions. The Plan allows for participants to have a maximum of two active loans. Loans in default must be paid before another loan may be issued. Delinquent loans are treated as distributions based upon ERISA, IRS, and Plan document provisions.

Benefit Payments

The Plan provides for normal retirement benefits upon termination of service due to death, disability, or attainment of retirement age. The normal retirement age is the date a participant reaches the age of 65. Participants may elect disbursement of their vested account balance in either a lump-sum amount, installment payments, or direct rollover into an individual retirement account or another qualified plan. Additionally, the Plan provides for in-service distributions from rollover contributions at any time. The Plan allows for in-service distributions to actively employed participants that have reached the age of 59 ½.

1. DESCRIPTION OF PLAN (Continued)

Benefit Payments (Continued)

Benefit payments from the Plan will be made in a lump sum distribution if the vested balance is less than \$5,000 and the participant does not direct the Plan otherwise. Distributions due to termination or disability may be deferred until the participant retires if the value of their account exceeds \$5,000.

Hardship Withdrawals

Hardship withdrawals from the Plan are permitted from a participant's account.

Administrative Expenses

The Plan permits the payment of administrative expenses to be made from the Plan's assets and for them to be allocated either proportionately based on the value of the account balances or as an equal dollar amount based on the number of participants in the Plan. Expenses relating to specific participant transactions (i.e., loan setup, distribution request, etc.) are charged directly against the appropriate participant's account.

Plan Termination

Although the Company has not expressed any intent to do so, the Company has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, all participant accounts would become fully vested.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared in accordance with accounting principles generally accepted in the United States of America.

Interest-Bearing Cash

Interest-bearing cash may include bank demand deposits accounts, money market accounts and all highly liquid debt instruments purchased with a maturity of three months or less. The Plan's cash balances may at times exceed federally insured limits. The Plan has not experienced any losses in these accounts and believes it is not exposed to any significant risk with respect to cash and cash equivalents.

Investments and Income Recognition

The Plan's investments in mutual funds are reported at fair value as reported by the custodians. Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. The net appreciation (depreciation) in the fair value of investments consists of both realized and unrealized gains and losses on the Plan's investments.

Fair Value Measurements - Definition and Hierarchy

The Plan uses various valuation techniques in determining fair value. Financial Accounting Standards Board *Accounting Standards Codification 820* (ASC 820) establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the observable inputs be used when available.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurements - Definition and Hierarchy (Continued)

The hierarchy is broken down into three levels based on the reliability of inputs as follows:

- Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.
- Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.
- Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy is determined based on the least reliable input that is significant to the fair value measurement.

A description of where the Plan's investments fall within the hierarchy is presented in Note 4.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based on the terms of the Plan document. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Risks and Uncertainties

Investments are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with investment securities and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in values in the near term would materially affect participants' account balances and the amount reported in the financial statements.

Benefits Paid to Participants

Benefit are recorded when paid.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates and such differences may be significant.

3. CERTIFIED INVESTMENT INFORMATION

The following information was certified as complete and accurate by John Hancock as of February 5, 2021 and for the period January 1, 2021 to February 5, 2021; and by Empower as of December 31, 2022 and for the period February 5, 2021 to December 31, 2022:

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022 and 2021.

Interest-bearing cash: fair value approximates the carrying amounts of such instruments due to their short maturity.

Mutual funds: valued at fair value based on quoted market prices.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. PARTY-IN-INTEREST TRANSACTIONS

John Hancock was the custodian of the Plan for the period from January 1, 2021 to February 5, 2021. Empower is the custodian of the Plan assets for the period from February 5, 2021 to December 31, 2022. Consequently, transactions involving John Hancock, Empower and the Plan qualify as party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions.

6. TAX STATUS

The Internal Revenue Service has determined, by letter dated June 30, 2020, that the written form of the underlying volume submitter plan document is acceptable under Section 401 of the IRC for use by employers for the benefit of their employees. The Plan has been amended since receiving that determination letter. The Plan has not yet applied for its own determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.
