REPORT OF INDEPENDENT AUDITORS

To the Plan Administrator and 401(k) Committee of
Texas Enterprises 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Texas Enterprises 401(k) Retirement Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements (the “financial statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Form 5500, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2022, and Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TEXAS ENTERPRISES 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

A. Description of the Plan

General

The following brief description of the Texas Enterprises 401(k) Retirement Plan (the “Plan”) is provided for general information purposes only. The Plan is sponsored by Texas Enterprises, Inc. (the “Company” or “Plan Sponsor”). Participants should refer to the Plan document for more complete information. The Company’s corporate offices are located in Austin, Texas.

The Plan was effective January 1, 1998, restated most recently effective January 1, 2022, and is a defined contribution plan available to all employees of the Company who have attained age 18 and completed six months of service. All employees of the Company are eligible to participate in the Plan, except for employees who are residents of Puerto Rico. Eligible employees enter the Plan on the first day of each Plan year quarter that immediately follows or coincides with meeting eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and the Internal Revenue Code (“Code”).

The purpose of the Plan is to encourage the Company’s employees to save and invest, systematically, a portion of their current compensation so that they and their families may have a source of additional income upon their retirement, or in the event of death.

Contributions

Participants may contribute up to 100% of pre-tax annual compensation, as defined by the Plan. In addition, participants may contribute designated Roth (after tax) contributions. All contributions are subject to limitations on annual additions and other limitations imposed by the Code as defined in the Plan document. Eligible participants may make a rollover contribution to the Plan.

Participants who are eligible to make salary deferral contributions under the Plan and who have attained age 50 before the close of the year, may make catch-up contributions in accordance with, and subject to the limitations imposed by the Code.

Effective January 1, 2022, the Plan was restated to include an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. In addition, unless these participants opt out of participation, their deferral rate increases by 1% each January 1st, up to 8%.

The Plan provides for safe harbor employer matching contributions equal to 100% of the first 3% of the participant’s eligible compensation, plus 50% of participant’s contributions between 3% to 5% of eligible compensation that a participant contributes to the Plan.

Contributions – continued

Additionally, the Company may elect an annual non-elective discretionary contribution. If such contribution is elected to be made, the amount credited to employee accounts will be determined by the Company. No such discretionary contributions were made for either 2022 or 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the Company's contribution, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled, is the benefit that can be provided from the participant's account.

Vesting

Participants are 100% vested in employee contributions and safe harbor matching contributions accrued prior to January 1, 2022, as well as any income or loss thereon. Participants become 100% vested in any contributions not yet fully vested upon retirement age of 65 or upon death or disability. Other employer contributions to the Plan, plus any income or loss thereon, are vested as follows:

- Employer safe harbor matching contributions accrued subsequent to January 1, 2022 are subject to 2-year cliff vesting.
- Employer contributions and related earnings received by participants during their former participation in The Johnson Oil Company 401(k) Profit Sharing Plan ("JOC Plan"), which was merged into the Plan effective January 1, 2017, are subject to the following vesting schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2 year	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

A. Description of the Plan – continued

Vesting – continued

- Employer contributions, other than safe harbor contributions and those relating to the JOC Plan as described, are subject to the following vesting schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1 year	0%
1 year	33%
2 years	67%
3 years	100%

Benefit Payments

Participants withdrawing during the year for reasons of service or disability, retirement, death, or termination are entitled to their vested account balance. Benefits are distributed in the form of rollovers or lump sum payments. If withdrawing participants are not entitled to their entire account balance, the amounts not received are forfeited.

Certain in-service withdrawals are allowed. A participant may also elect to withdraw all or a portion of their vested account balance while employed after reaching age 59 ½. A participant may receive a hardship distribution from salary reduction contributions if the distribution is: (1) on account of uninsured medical expenses incurred by the participant, their spouse, or dependents; (2) to purchase (excluding mortgage payments) a principal residence of the participant; (3) for the payment of post-secondary tuition expenses; (4) needed to prevent eviction of the participant from their principal residence or foreclosure upon the mortgage of the participant's principal residence; (5) payments for burial or funeral expenses for the participant's parent, spouse, children or dependents; (6) expenses for the repair of damage to the participant's principal residence that would qualify for the casualty deduction under Code §165; or (7) expenses for disasters arising from federally declared disasters.

Forfeitures

Forfeited balances of terminated participants' non-vested accounts are used to offset nonelective employer contributions and pay Plan administrative expenses. During the years ended December 31, 2022 and 2021, forfeitures in the amount of \$4,725 and \$4,250, respectively, were allocated to pay Plan expenses. No forfeitures were allocated to reduce matching contributions during the years ended December 31, 2022 and 2021. Unallocated forfeitures outstanding as of December 31, 2022 and 2021, were \$23,058 and \$9,920, respectively.

Investment Options

Upon enrollment in the Plan, a participant may direct their salary deferrals in 1% increments into any of the Plan's investment options.

A. Description of the Plan – continued

Plan Expenses

Employees of the Company perform certain administrative functions with no compensation from the Plan. In accordance with Plan provisions, the Company pays substantially all costs relating to asset charges and recordkeeping. All significant administrative expenses are paid by the Company and are not reflected in the accompanying financial statements.

B. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“GAAP”).

Use of Estimates

The preparation of the financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

Contributions

Contributions from the Company and participants are accrued as they become obligations of the Company, as determined by the Plan’s administrator, and in the period in which they are deducted, in accordance with salary deferral agreements.

Investment Valuation and Income

The investments of the Plan are stated at fair value as of the end of the year and are subject to market or credit risks customarily associated with equity investments. Fair value measurements are determined in accordance with GAAP, which defines fair value, establishes a framework for measuring fair value, and expands disclosures about assets and liabilities measured at fair value. See Note C for information related to the Plan’s valuation methodologies.

Investment gains and losses are accounted for using the average cost basis of the securities sold. The net realized and unrealized gains and losses on investments include realized gains and losses on sales of investments during the year and unrealized increases or decreases in the market value of investments held at year end. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

TEXAS ENTERPRISES 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (*continued*)

C. Fair Value Measurements

GAAP defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and establishes a three-tier hierarchy that is used to identify assets and liabilities measured at fair value. The hierarchy focuses on the inputs used to measure fair value and requires that the lowest level input be used. The three levels defined are as follows:

- Level 1 — observable inputs that are based upon quoted market prices for identical assets or liabilities within active markets.
- Level 2 — observable inputs other than Level 1 that are based upon quoted market prices for similar assets or liabilities, based upon quoted prices within inactive markets, or inputs other than quoted market prices that are observable through market data for substantially the full term of the asset or liability.
- Level 3 — inputs that are unobservable for the particular asset or liability due to little or no market activity and are significant to the fair value of the asset or liability. These inputs reflect assumptions that market participants would use when valuing the particular asset or liability.

GAAP requires that management describe the methodologies used to measure the fair value of assets and liabilities. The methodologies used to measure the fair value of the Plan's investments are as follows:

- Mutual funds are valued at the published per share net asset value of shares held by the Plan and are classified within Level 1 of the valuation hierarchy. There are no significant restrictions on redeeming these investments at net asset value.
- The common collective trust is valued using the net asset value ("NAV") based on the fair value of the underlying assets owned by the fund, net of the investment management fee, and is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. If the Plan initiates a full redemption of the common collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner. Participant transactions (purchases and sales) may occur daily, and there are no significant restrictions on participant redemptions or unfunded commitments.

There have been no changes in the methodologies used as of December 31, 2022 and 2021.

C. Fair Value Measurements – continued

The following table details the Plan's investments at fair value by level, within the fair value hierarchy, as of December 31, 2022 and 2021:

	2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$14,988,821	\$ -	\$ -	\$14,988,821
Investments measured at net asset value ^(a)				169,596
Total investments at fair value				\$15,158,417

	2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$17,503,185	\$ -	\$ -	\$17,503,185
Investments measured at net asset value ^(a)				162,315
Total investments at fair value				\$17,665,500

^(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

These items are classified in their entirety based on the lowest priority level of input that is significant to the fair value measurement. The assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the placement of assets and liabilities within the levels of the fair value hierarchy. The Plan has no assets classified within Level 2 or Level 3 of the valuation hierarchy.

C. Fair Value Measurements – continued

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Common collective trust fund	\$ 169,596	N/A	Daily	12 months
December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Common collective trust fund	\$ 162,315	N/A	Daily	12 months

D. Certified Investments

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments held as of December 31, 2022 and 2021, and net realized and unrealized gains and losses on investments, and interest and dividends for the years ended December 31, 2022 and 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company, the trustee of the Plan.

E. Tax Status

Effective April 1, 2021, the Plan adopted the Great-West Trust Company, LLC Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA Plan, which has a favorable opinion letter from the Internal Revenue Service (“IRS”) dated June 30, 2020. This opinion letter states that the form of the prototype plan is acceptable under Section 401 of the Code. The Company may rely on this letter with respect to the qualification of the Plan under Code Section 401(a) with certain limitations.

Prior to the restatement referenced above, the Plan utilized the Great-West Trust Company, LLC Prototype Standardized Profit-Sharing Plan with CODA, which has a favorable opinion letter from the Internal Revenue Service (“IRS”) dated March 31, 2014.

TEXAS ENTERPRISES 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS *(continued)*

E. Tax Status – continued

Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Company believes that the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

F. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions set forth in ERISA. In the event the Plan terminates, all amounts credited to participant's accounts will become 100% vested.

G. Parties-In-Interest Transactions

Party in interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or relatives of such persons.

Certain Plan investments are shares of mutual funds and units of a common collective trust managed by the recordkeeper. These transactions therefore qualify as party-in-interest transactions as defined by ERISA. Transactions in such investments qualify as party in interest transactions, which are exempt from the prohibited transaction rules.

During the years ended December 31, 2022 and 2021, the Plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions are party in interest transactions under ERISA which are exempt from the prohibited transaction rules.

TEXAS ENTERPRISES 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS *(continued)*

H. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amount reported in the statements of net assets available for benefits.

I. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits as of December 31, 2022 and 2021, per the accompanying financial statements to the Form 5500:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$15,185,701	\$17,683,229
Employer contributions receivable per the financial statements	(10,494)	(6,888)
Participant contributions receivable per the financial statements	<u>(16,790)</u>	<u>(10,841)</u>
Net assets available for benefits per the Form 5500	<u>\$15,158,417</u>	<u>\$17,655,500</u>

The following is a reconciliation of the net (decrease) increase in net assets available for benefits for the years ended December 31, 2022 and 2021, per the accompanying financial statements to the Form 5500:

	<u>2022</u>	<u>2021</u>
Net increase in net assets available for benefits per the financial statements	\$ (2,497,528)	\$ 2,012,871
Prior year participant contributions receivable per the financial statements	10,841	23,031
Prior year employer contributions receivable per the financial statements	6,888	13,415
Current year participant contributions receivable per the financial statements	(16,790)	(10,841)
Current year employer contributions receivable per the financial statements	<u>(10,494)</u>	<u>(6,888)</u>
Net (decrease) increase in net assets available for benefits per the Form 5500	<u>\$ (2,507,083)</u>	<u>\$ 2,031,588</u>

The reconciling items noted above are due to the difference in the method of accounting used in preparing the Form 5500 as compared to the Plan's financial statements.

NOTES TO FINANCIAL STATEMENTS *(continued)*

J. Subsequent Events

In preparing the accompanying financial statements, management has evaluated all subsequent events and transactions for potential recognition or disclosure through October 10, 2023, the date the financial statements were available for issuance.

Effective April 1, 2023, Empower Trust Company, LLC replaced Reliance Trust Company as the trustee for the Plan.
