INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
The Tides 401(k) Plan
Bodega Bay, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements
I have performed audits of the financial statements of The Tides 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Tides 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the Financial Statements
In my opinion, based on my audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Maine Office: P.O. Box 86 Friendship, Maine 04547 Tel (207) 832-7883

Basis for Opinion for the Financial Statements

I conducted my audits in accordance with auditing standards generally accepted in the United States of America (GAAS). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of The Tides 401(k) Plan and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Tides 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements were available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on financial statements.

In performing an audit in accordance with GAAS, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Tides 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in my judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Tides 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

My audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Delinquent Participant Contributions for the Year Ended December 31, 2022 and Schedule of Assets (Held at End of Year) as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

In forming my opinion on the supplemental schedules, I evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE TIDES 401(k) PLAN
Notes to Financial Statements
December 31, 2022 and 2021

NOTE 1 – DESCRIPTION OF PLAN

The following description of The Tides 401(k) Plan (the Plan) provides only general information. The Plan's sponsor is Robert Bugatto Enterprises, Inc. (the Company). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan was established on January 1, 1999 to provide retirement benefits for the employees of the Company. The Plan is a single employer defined contribution retirement plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 "ERISA". The Plan was amended and restated effective January 1, 2009 to be a safe harbor 401(k) plan. The plan was amended and restated effective January 1, 2020 to the California Retirement Plans' Volume Submitter 401(k) Profit Sharing Plan Basic Plan Document #P-02 and Adoption Agreement. The Plan Sponsor's Board of Directors is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan Sponsor's Board of Director's.

Eligibility – Employees of the Company become participants in the Plan on the first day of the month following twelve months of employment, providing they have attained age twenty-one and completed 1,000 hours of service.

Contributions – Each year, participants may contribute up to 90% of pre-tax annual compensation, as defined in the Plan. Participants are permitted to irrevocably designate a portion of all of the deferral contributions as Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Deferral and Roth Contributions are subject to a maximum limitation as provided in the Internal Revenue Code. The maximum contribution of pretax compensation that a participant could defer in 2022 was $20,500, and the maximum catch-up additional deferral for participants who reached the age of fifty by the end of the 2022 plan year was $6,500.

The Plan is a safe harbor 401(k) plan and the Company contributes an enhanced employer safe harbor match contribution of 100% of each participant's deferred contributions on the first 4% of each participant's compensation which is deferred as a participant deferral contribution. The Company contributed $106,677 safe harbor matching contributions in the year ended December 31, 2022. Employer safe harbor contributions receivable totaled $107,163 and $89,679 at December 31, 2022 and 2021, respectively.

Investment Elections – The participant contributions and the company contributions are allocated to the various investment options offered by the Plan as directed by participants.

NOTE 1 – DESCRIPTION OF PLAN (continued)

Participant Accounts - Each participant's account is credited with the participant's contributions and Company's contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of the participant's accounts.

Vesting - A participant is always fully (100 percent) vested in his or her salary reduction account, employer safe harbor match contributions, and rollover contribution account, plus actual earnings thereon.

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their account balance. Loan terms generally range from one to five years, but can be up to 15 years for the purchase of a principal residence. The loans are secured by the balance in the participant's account. A participant's account is charged monthly interest on the outstanding loan balance. In 2022 interest rates on loans ranged from 5.25% to 6.75% per annum. Principal and interest is paid ratably through monthly payroll deductions.

Payment of Benefits - On termination of service, a participant may elect to receive a lump-sum amount equal to the value of the vested portion of his or her account. If a participant's vested balance is less than $5,000, the Company may cash-out the entire vested account balance.

Participants with certain immediate and heavy financial needs are allowed hardship distributions of their balance of deferral contributions.

Forfeited Accounts - Available forfeitures of the nonvested portion of terminated participants' accounts may be used to reduce employer contributions and pay administrative expenses of the Plan. There were no available forfeitures at December 31, 2022 and 2021.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value. The Statements of Net Assets Available for Benefits presents the fair value of the investment contracts.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value, except for the annuity contract which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's plan administrator determines the Plan's valuation policies utilizing the information provided by the investment advisers and custodian.

Purchases and sales of investments in pooled separate accounts of mutual funds are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits - Benefits are recorded when paid.

Expenses – Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment related expenses, which may vary according to the individual funds selected, are included in net appreciation (depreciation) of fair value of investments. Participants should refer to the prospectus for the individual investment funds for further details on individual investment fees. Certain administrative and investment advisory fees are charged directly to the participant's account and included in administrative expenses.

NOTE 3 – FAIR VALUE OF ASSETS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
Level 2	Inputs to the valuation methodology include: • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in inactive markets; • Inputs other than quoted prices that are observable for the asset or liability; • Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the assets or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Sub Accounts of Mutual Funds
Sub accounts of mutual funds are held in pooled separate accounts. The mutual funds shares held by the sub accounts are valued at quoted market prices and are considered Level 1 assets. The fair value of each sub account is calculated as the number of units the sub-account held on a particular date multiplied by the unit value on that date. The unit values of these sub accounts are determined daily based on the price per share of the underlying fund and is posted daily by John Hancock (U.S.A.).

NOTE 3 – FAIR VALUE OF ASSETS (continued)

Sub Accounts of John Hancock Stable Value Fund
The sub account of The John Hancock Stable Value Fund is held in a pooled separate account which invests in the John Hancock Stable Value Fund Collective Investment Trust (CIT). The underlying CIT is valued at the daily net assets value (NAV) published by the CIT. The fair value of the sub account is calculated as the number of units of the sub-account held on a particular date multiplied by the unit value on that date. The fair value of the sub account is considered a Level 1 investment because the fair values of the underlying funds are based on reported net assets values and the unit value of the sub account is posted daily by John Hancock (U.S.A).

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Assets at Fair Value as of December 31, 2022

		Fair Value Measurements Using

Stable Value Fund	647,233	647,233	-	-
Totals	$3,333,865	$3,333,865	$ -	$ -

NOTE 4 – INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2022 and 2021, and net depreciation in fair value of investments, dividends and interest income for the year ended December 31, 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by John Hancock Life Insurance (U.S.A), the custodian.

NOTE 5 – SERVICE AGREEMENT WITH JOHN HANCOCK USA

The Plan's investments in pooled separate accounts are managed by John Hancock Life Insurance Company (U.S.A.) "John Hancock (U.S.A.)" under the terms of an allocated retirement account group annuity contract. Participants may direct the investment of their contributions and account balances amongst the various investment options offered under these contracts.

The group annuity contract provides that John Hancock (U.S.A.) will provide record keeping services, accumulate and invest participants' contributions in investment funds in John Hancock (U.S.A.)'s sub accounts as instructed by Plan participants and to pay participant benefits as provided by the Plan when they become due.

John Hancock USA holds the investment funds in sub accounts of separate accounts, which are primarily managed or sub-advised by affiliates. John Hancock (U.S.A.) has a short-term trading policy in which participants are permitted a maximum of two exchanges per calendar month. After the limit is reached, participants may move 100% of their account to the stable value fund where it must stay for 30 days. Trading may resume only after the 30 days have expired.

NOTE 6 – RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are managed or sub-advised by members of the Manulife Financial group of companies which are affiliated with John Hancock (U.S.A). The Plan issues loans to participants, which are secured by the balances in the participants' accounts. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment. The Plan made direct payments to John Hancock (U.S.A.), the record-keeper, totaling $29,926, an investment advisor totaling $1,503 and a third party plan administrator totaling $1,525 during the year ended December 31, 2022.

NOTE 7 – TAX STATUS

The defined contribution pre-approved plan adopted by the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code, and, accordingly, the trust's net income is exempt from income taxes. The Plan was amended and restated effective January 1, 2022 to the California Retirement Plans Inc. Basic Plan Document #01 to bring the plan into compliance with the legislative and regulatory changes set forth in IRS Notice 2017-37. California Retirement Plans Inc. received an opinion letter from the Internal Revenue Service dated June 30, 2020 stating that the plan's form is designed in accordance with applicable sections of the Internal Revenue Code (IRC) and is acceptable for use by employers for the benefit of their employees under IRC Section 401. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code, and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service and state taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 – LATE REMITTANCES OF PARTICIPANT CONTRIBUTIONS

During the year ended December 31, 2022, the Company did not remit participant deferral contributions and loan repayments totaling $50,878 to the custodian in a timely manner. The amounts were remitted 9 to 33 days after they were withheld from employees' gross compensation. The Company intends to fully correct these operational errors and has included $505 of lost earnings in Other Employer Contributions Receivables at December 31, 2022.

During the year ended December 31, 2021, the Company did not remit participant deferral contributions and loan repayments totaling $7,561 to the Plan in a timely manner. The Company fully corrected this operational error on November 8, 2022 with the payment of lost earnings totaling $15 into the Plan.

NOTE 9 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 10 – RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination of investment securities offered by the Plan. Investment securities are exposed to various risks, such as interest rate, market fluctuations and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

NOTE 11 – SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 13, 2023, the date the financial statements were available to be issued.
