Independent Auditor's Report

Plan Administrator
Buildertrend Solutions, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Buildertrend Solutions, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter—Plan Merger

As discussed in Note 1 to the financial statements, the Buildertrend Solutions, Inc. 401(k) Plan merged the CoConstruct LLC 401(k) Plan into the Plan effective January 1, 2022. All net assets were transferred to the Plan on April 20, 2022. Our opinion has not been modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i—schedule of assets (held at end of year) as of December 31, 2022 and Schedule H, line 4a—schedule of delinquent participant contributions for the year ended December 31, 2022, are presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Buildertrend Solutions, Inc. 401(k) Plan

Notes to Financial Statements

Note 1. Plan Description

The following description of Buildertrend Solutions, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan document and summary plan description for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan, formed in 2008, covering all eligible employees of Buildertrend Solutions, Inc. (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility: Employees are eligible to participate in the Plan upon attainment of age 21. Eligible employees may elect to become participants on the first day of the month following completion of eligibility requirements.

Contributions and investment options: The Plan permits eligible employees, through a salary deferral election, to contribute up to 100% of their eligible compensation, as defined by the Plan, provided the contribution does not exceed limits established by law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Contributions of distributions to participants from another qualified plan are permitted as defined in the Plan and are reflected as rollover contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. Company matching contributions are discretionary and are equal to a uniform percentage of the participants' salary deferral. During 2022, the Company made matching contributions of 100% of eligible employees' salary deferral amounts up to 4% of employees' eligible compensation, as defined by the Plan. Employees are eligible to receive matching contributions upon attainment of age 21 and one year of service, as defined by the Plan document.

Participant accounts: Each participant's account is credited with the participant's contributions, the Company's matching contributions, if any, and Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their contributions and the Company's matching contributions plus actual earnings thereon.

Forfeitures: Forfeited nonvested accounts totaled \$0 at December 31, 2022 and 2021. Forfeitures from nonvested accounts are first used to pay Plan expenses, and any forfeitures remaining are used to reduce future Company contributions. No forfeitures were used to pay Plan expenses for the year ended December 31, 2022.

Payment of benefits: On termination of service, normal retirement, disability or death, or required minimum distribution a participant may elect to receive a lump-sum amount or a rollover to another qualified plan equal to the value of the participant's vested interest in the participant's account. In-service withdrawals are allowed to satisfy the immediate and heavy financial need of a participant, as defined by the Plan.

Notes receivable from participants: Notes receivable from participants in Plan year 2022 are rollover notes receivable from the CoConstruct LLC 401(k) Plan. The Buildertrend Solutions, Inc. 401(k) Plan was amended effective January 1, 2023 to permit new loans to participants as discussed in Note 12.

Note 1. Description of Plan (Continued)

Plan Merger (In): Effective January 1, 2022, the Plan was amended to approve the merger of CoConstruct LLC 401(k) Plan into the Plan. Participants began participating in the Buildertrend Solutions, Inc. 401(k) Plan effective January 1, 2022, and the control of the \$2,400,635 of plan assets was effective April 20, 2022. The merger does not impact participant benefits or eligibility as the provisions were incorporated into the Plan.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The accompanying financial statements have been prepared using the accrual method of accounting.

Use of estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition: Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Payment of benefits: Benefits are recorded when paid.

Administrative expenses: Certain administrative expenses, primarily audit fees, are paid by the Company for the Plan and are not reflected in the Plan's financial statements. Other administrative expenses, primarily contract administration and record-keeping fees, are paid by the Plan and are reflected in the Plan's financial statements.

Note 3. Information Certified or Provided by Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company (Principal Trust Company)

The following is a summary of the Plan's asset information as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included throughout the Plan's financial statements and ERISA-required supplemental schedules, that was prepared by or derived from information provided by Principal Trust Company, the custodian, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the custodian that information provided to the Plan Administrator by the custodian related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and ERISA-required supplemental schedules related to the following:

	December 31	
	2022	2021
Investments, at fair value:		
Mutual funds	\$ 2,646,983	\$ 2,384,167
Pooled separate accounts	23,679,311	17,744,034
Total investments, at fair value	<u>\$ 26,326,294</u>	<u>\$ 20,128,201</u>
Investments, at contract value	<u>\$ 335,564</u>	<u>\$ 142,261</u>

The custodian certified to the completeness and accuracy of \$53,498 of interest, dividends and other income and \$(4,054,342) of net depreciation in the fair value of investments for the year ended December 31, 2022.

Note 4. Fair Value Measurements

Accounting Standards Codification (ASC) Topic 820, Fair Value Measurement, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three-level valuation hierarchy under ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Buildertrend Solutions, Inc. 401(k) Plan

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate accounts: Pooled separate accounts invest primarily in domestic and international stocks, commercial paper and mutual funds. The NAV is used as a practical expedient to determine fair value for these accounts. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Each pooled separate account provides for redemptions by the Plan at reported NAV per share, with little to no advance notice requirement.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,646,983	\$ -	\$ -	\$ 2,646,983
Total assets in the fair value hierarchy	\$ 2,646,983	\$ -	\$ -	2,646,983
Investments measured at NAV*				23,679,311
Investments at fair value				\$ 26,326,294

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,384,167	\$ -	\$ -	\$ 2,384,167
Total assets in the fair value hierarchy	\$ 2,384,167	\$ -	\$ -	2,384,167
Investments measured at NAV*				17,744,034
Investments at fair value				\$ 20,128,201

*In accordance with ASC Subtopic 820-10, certain investments that were measured at NAV per share have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value to another.

The Plan evaluates the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2022, there were no transfers between Level 1, 2 or 3 assets.

Note 4. Fair Value Measurements (Continued)

The following table sets forth additional disclosures of the Plan's investments whose fair value is estimated using NAV per share as of December 31, 2022 and 2021:

Investment	Fair Value		Unfunded Commitment	Redemption Frequency	Redemption Notice Period
	2022	2021			
Pooled separate accounts	\$ 23,679,311	\$ 17,744,034	\$ -	Daily	None

Note 5. Fully Benefit-Responsive Investment Contract

The Plan holds a guaranteed interest contract with Principal Life Insurance Company. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

Principal Life Insurance Company, the contract issuer, is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract, subject to a minimum crediting rate as defined by the contract. The crediting rate is reviewed on a semiannual basis for resetting. The contract cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with the fully benefit-responsive investment contract is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. Such events include termination of the contract, spin-offs, divestitures, layoffs, corporate relocation, partial or total Plan termination, retirement incentive programs, and the liberalization of Plan withdrawal or transfer rules. Upon occurrence of any of these events, a market value adjustment may apply. The Company does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

Either party to the guaranteed interest contract may terminate the contract by providing 12-month advance written notice to the other party. Upon termination by the Plan, a market value adjustment may apply.

Note 6. Related-Party Transactions and Party-in-Interest Transactions

Certain Plan investments are managed by Principal Trust Company, who is also the custodian of the Plan's assets as of December 31, 2022 and 2021; therefore, the transactions relating to those investments managed by Principal Trust Company qualify as party-in-interest transactions as defined by ERISA.

Administrative fees of the Plan paid to Principal Trust Company, the custodian, for the year ended December 31, 2022, were \$160,491. Fees paid by the Plan for investment management services are included as a reduction of the return earned on each fund. The Company also provides certain administrative expenses at no cost to the Plan.

Buildertrend Solutions, Inc. 401(k) Plan

Notes to Financial Statements

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

Note 8. Tax Status

Effective January 1, 2016, the Plan adopted a nonstandardized form of a prototype plan sponsored by the custodian. The Plan was amended and restated effective January 1, 2022 to bring the Plan into compliance with the legislative and regulatory changes set forth in IRS Notice 2017-37 (i.e., The six-year pre-approved plan restatement cycle). The prototype plan received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The prototype plan has been amended since the effective date; however, the Plan's management believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9. Prohibited Transactions

During 2021, 2020 and 2019, the Company inadvertently failed to deposit \$147,321 of participant deferrals within the required time frame according to the DOL's Rules and Regulations. The Company deposited lost earnings to correct this failure during 2023. The Company will file Form 5330 and pay the applicable excise tax to the IRS. The correction and excise tax payments will be made from the Company's assets and not from the assets of the Plan.

Note 10. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the 2022 statement of net assets available for benefits.

Note 11. Reconciliation to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 and 2021, to Form 5500:

	2022	2021
Net assets available for benefits per the financial statements	\$ 26,922,178	\$ 20,542,603

Note 11. Reconciliation to Form 5500 (Continued)

The following is a reconciliation of the net increase in net assets per the financial statement for the year ended December 31, 2022, to Form 5500:

Total net increase in net assets per the financial statement	\$ 3,978,940
Less prior year contributions receivable	<u>272,141</u>
Total net increase per Form 5500	<u><u>\$ 4,251,081</u></u>

Note 12. Subsequent Events

The Plan has evaluated subsequent events through October 13, 2023, the date the financial statements were available to be issued.

Effective January 1, 2023, the Plan was amended to permit new loans to participants. Participants may borrow from their vested account balance. A participant may borrow a minimum of \$1,000 up to a maximum of 50% of their vested account balance or \$50,000, whichever is less. The interest rate is determined at the time the participant applies for a loan being 1% over the prime interest rate.
