INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of the
Duncan Trucking, Ltd. 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Duncan Trucking, Ltd. 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Duncan Trucking, Ltd. 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022 stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Duncan Trucking, Ltd. 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Duncan Trucking, Ltd. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Duncan Trucking, Ltd. 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Duncan Trucking, Ltd. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements
December 31, 2022 and 2021

Note A – Description of the Plan

The following description of the Duncan Trucking, Ltd. 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan, as amended and restated, effective January 1, 2022, is a defined contribution plan covering all employees of Duncan & Son Lines, Inc. and 4 Gen Logistics LLC (the Company) who have completed two months of service and are age twenty one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) as amended.

Contributions

Participants may contribute pre-tax or post-tax "Roth" deferrals, up to 92% of annual compensation, as defined in the plan document and allowed by law. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. The Plan provides for automatic election of pre-tax deferrals at a rate of four percent of compensation for all new eligible participants. Participants may elect a different deferral percentage or elect not to participate in the Plan. Participants may also roll over eligible amounts from other qualified plans to the plan.

As of January 1, 2022 the Company provides a safe harbor match of 100% of participant contributions up to three percent of the participant's compensation plus 50% of participant contributions over three percent but that do not exceed 5% of the participant's compensation. In addition to the Company matching contributions, the Company may make other discretionary contributions, as well as Company QNEC contributions equal to a uniform percentage of each participant's eligible compensation, which is determined each year by the Company. No Company discretionary or other QNEC contributions were made in 2022 or 2021. For the year ended December 31, 2021 the Company contributed 2% of base compensation or 50% of a participant's elective deferral, whichever is lower per pay period with a maximum of \$1,500 as a discretionary matching contribution. Prior to January 1, 2022 the Plan was not considered a safe-harbor Plan. During 2022, Company contributions allocated to participants' accounts totaled \$1,049,193, of which \$991,562 was contributed by the Company, \$322 was receivable by the Company and \$57,309 was allocated from forfeitures. During 2021, Company contributions allocated to participants' accounts totaled \$442,393, of which \$372,249 was contributed by the Company and \$70,144 was allocated from forfeitures.

Note A – Description of the Plan (Continued)

Participant Accounts

Each participant's account is credited with the participant's contribution, allocations of the Company's contribution, if applicable, and the Plan's earnings and losses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their accounts into various investment options offered by the Plan. All investments are participant-directed.

Vesting

Participants are immediately vested in their elective contributions, rollovers, and employer Safe Harbor Matching Contributions plus actual earnings thereon. Vesting in the employer matching contribution portion (separate from Safe-Harbor amounts) and any non-elective contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. Participants become 20% vested upon completing two years of service and vest an additional 20% each year thereafter until they are 100% vested after six years of service. Participants will become 100% vested in all accounts upon attainment of normal retirement age (65 years old), death, or disability.

Payment of Benefits

Upon termination of employment due to termination of service, death, disability, or retirement, participants may elect to receive the value of their vested account balance in a lump-sum distribution or installment payments. In-service distributions may be made upon attainment of age 59 1/2. Participants may also take a financial hardship withdrawal under certain circumstances.

Forfeited Accounts

At December 31, 2022 and 2021, there was a balance of forfeited non-vested accounts of \$0 and \$1,583, respectively. Any available forfeited accounts are used to reduce future Company contributions. During the years ended December 31, 2022 and 2021, forfeited non-vested accounts totaled \$55,726 and \$71,661, respectively.

Note A – Description of the Plan (Continued)

Notes Receivable from Participants

Participants may borrow the lesser of \$50,000 (reduced by the participant's highest outstanding loan balance during the 12-month period ending on the date of the loan) or 50% of their vested account balance with a minimum loan amount of \$1,000. Loan terms range up to five years. The loans are secured by the balance in the participant's account and bear interest at 4.25 to 8.5 percent. Principal and interest are paid ratably through payroll deductions.

Participant loans are classified as notes receivable from participants and measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Note B - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

All expenses of administration may be paid out of Plan assets unless paid by the Employer. Plan fees and expenses, including fees and expenses connected with the providing of administrative services by external service providers, are paid from Plan assets.

Note B - Summary of Significant Accounting Policies (Continued)

Fair Value Measurements

A framework has been established for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Pooled separate accounts: Valued at the net asset value ("NAV") of shares of the underlying mutual funds held by the Plan at year end.

Stable Value Fund: represents participation units of a collective investment trust for which the net asset value is based on the market value of the underlying investments. The stable value fund is composed primarily of fully benefit-responsive investment contracts that are valued at the net asset value of units of the bank collective trust.

Note B - Summary of Significant Accounting Policies (Continued)

Fair Value Measurements (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note C - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits.

Note D – Investments

Investment Contracts With Insurance Company (Pooled Separate Accounts)

Each participant's contract account with John Hancock Life Insurance Company (USA) is accounted for in accumulation units. Initial purchase payments allocated to participants' contracts will be priced at the accumulated unit value determined on no later than two business days after receipt of an order to purchase. Accumulation unit values for each participant's contract are determined by calculating the net investment factor for the underlying mutual funds for the current valuation period and multiplying that result with the accumulation unit values determined on the previous valuation period.

During 2022, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) depreciated in value by \$1,767,390.

Fair Value Measurements

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021.

Assets at Fair Value as of December 31, 2022

	Measured at Net Asset Value (a)	Quoted Prices in Active Markets for Similar Assets (Level 2)	Total
Pooled Separate Accounts		\$ 9,035,041	\$ 9,035,041
Stable Value Fund (a)	\$ 100,343		100,343
Total	<u>\$ 100,343</u>	<u>\$ 9,035,041</u>	<u>\$ 9,135,384</u>

Assets at Fair Value as of December 31, 2021

	Measured at Net Asset Value (a)	Quoted Prices in Active Markets for Similar Assets (Level 2)	Total
Pooled Separate Accounts		\$ 9,338,294	\$ 9,338,294
Stable Value Fund (a)	\$ 29,618		29,618
Total	<u>\$ 29,618</u>	<u>\$ 9,338,294</u>	<u>\$ 9,367,912</u>

- (a) The stable value fund is measured at net asset value as a practical expedient to estimate fair value and, therefore, has not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022.

Name	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
John Hancock Stable Value Fund	\$ 100,343	N/A	Daily	12 Months

Note E - Tax Exempt Status

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2008, that the plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting Principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note F – Unaudited Information Prepared and Certified by the Plan Trustee

The December 31, 2022 and 2021 Statement of Net Assets Available for Benefits, the investment activities included on the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022, and the accompanying notes to the financial statements were prepared in part or entirely from information certified as complete and accurate by the Trustee.

Information certified by John Hancock, the Trustee, consists of the following:

- Fair value of investments of \$9,135,384 as of December 31, 2022.
- Fair value of investments of \$9,367,912 as of December 31, 2021.
- Investment losses of \$1,767,390 for the year ended December 31, 2022.
- Notes Receivable from participants of \$529,747 as of December 31, 2022.
- Notes Receivable from participants of \$372,135 as of December 31, 2021.
- Interest on Notes Receivable from participants of \$23,035 for the year ended December 31, 2022.
- Investment information as of December 31, 2022 and 2021 as reflected in Note D to these financial statements.
- Investment information as reflected in the Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022.

The Plan's independent certified public accountants did not perform auditing procedures with respect to the above information, except for comparing such information to the related information included in the financial statements and supplemental schedule of assets.

Note G - Related Party Transactions

John Hancock is the trustee of the Plan. The Trustee holds and manages investments. Transactions with John Hancock are party-in-interest transactions, as defined by ERISA. Loans receivable from participants and the related interest income are considered related party transactions.

In 2022 the Plan Sponsor paid \$7,500 in professional fees on behalf of the plan.

Note H - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the plan document to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note I – Nonparticipant-Directed Investments

The plan has no nonparticipant directed investments.

Note J – Subsequent Events

Management has evaluated subsequent events occurring through the date of issuance, October 12, 2023.
