You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

1 Information on Persons Receiving Only Eligible Indirect Compensation

- a Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions).. . . . . ☐ Yes ☒ No
- b If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

## **Independent Auditors' Report**

To the Plan Administrator of  
Keystone - Bartonville 401(k) Retirement Plan:

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Keystone - Bartonville 401(k) Retirement Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental schedule of assets (held at year end) as of December 31, 2022, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## KEYSTONE - BARTONVILLE 401(k) RETIREMENT PLAN

### NOTES TO FINANCIAL STATEMENTS

#### Note 1 – Description of Plan and significant accounting policies:

*General.* The following description of the Keystone - Bartonville 401(k) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan for bargaining unit employees of the Keystone Steel and Wire Division of Keystone Consolidated Industries, Inc. ("Keystone" or the "Employer"). Employees are eligible to participate in the Plan at the beginning of the month following their date of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Keystone is a wholly-owned subsidiary of Liberty Steel Holdings, USA ("LSH"). LSH is a GFG Alliance Company and is 100% beneficially owned by Mr. Sanjeev Gupta through intermediary holding companies. Consequently, Mr. Gupta may be deemed to control Keystone and the Plan.

During 2021, the Plan changed trustees from BMO Harris Bank N.A. to Matrix Trust Company ("Trustee"). This initiated a blackout period from August 12, 2021 to August 16, 2021.

*Eligibility.* To be eligible to participate in the Plan, an employee must have been employed by the Employer for at least ninety days.

*Contributions.* Participants may contribute up to a certain percentage of their after-tax annual compensation, as defined, to the Plan that is eligible for matching contributions by the Employer. This percentage increased from 4% to 5% as of January 1, 2007. This contribution is eligible for matching by the Employer, as follows:

| Participants'<br>years of<br><u>service</u> | Employer's<br>matching<br><u>contribution</u> |
|---------------------------------------------|-----------------------------------------------|
| Less than 10                                | 50%                                           |
| 10 to 20                                    | 75%                                           |
| 20 to 30                                    | 100%                                          |
| 30 or more                                  | 150%                                          |

In accordance with the Plan's provisions, the amount of non-vested benefits that are forfeited by participants who withdraw from the Plan is used to reduce the Employer's matching contribution. At December 31, 2021 and 2022, unallocated forfeited non-vested accounts totaled \$59,802 and \$49,478, respectively. Employer contributions were reduced by \$82,880 in 2022.

Participants may also contribute a supplemental amount to the Plan equal to 1% to 10% after-tax of their annual compensation. This supplemental contribution is not eligible for a matching contribution by the Employer.

Participants may elect to contribute to the Plan a percentage of their annual pretax compensation as defined by the Plan, subject to the Internal Revenue Service (IRS) limitations.

*Vesting and Benefits.* Participants immediately vest in their voluntary contributions to the Plan plus allocated earnings thereon and vest in the remainder of their accounts at a rate of 20% after two years of service and an additional 20% for each of the next four years of service thereafter.

Upon termination of employment, retirement, death or disability, a participant (or beneficiary, if applicable) may elect to receive either (i) a lump sum amount equal to the vested value of the participant's accounts or (ii) installments over a period as provided by the Plan.

*Participants' accounts.* The Plan provides participants with options to invest in publicly-traded mutual or pooled funds. Participants can direct the Plan administrator to invest, in 1% increments, their account balances in any of the Plan's investment fund options. Each participant's account is credited with the participant's contributions, an allocation of the Company's contribution and Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant contributions or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

In addition to the Plan's investment fund options, a "Loan Fund" is maintained to account for notes receivable from participants, as permitted by the Plan. These notes, which are secured by the balance in the participants' accounts bear interest at 4.25% to 9.25%, and mature through 2030.

*Investment valuation.* Investments are reported at fair value, with the exception of the Stable Value Fund noted below. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. The Plan presents the net change in fair value of mutual funds, which consists of realized gains or losses, unrealized appreciation (depreciation), and any income or capital gain distributions from such investments, in the accompanying statement of changes in net assets available for benefits.

*Fully Benefit-Responsive Investment Contract.* The Plan has invested in a fully benefit-responsive investment contract. The investment contract represents units of various collective trust funds that invest primarily in guaranteed investment contracts or funding agreements, security backed investment contracts, separate accounts issued or wrapped by insurance companies, banks or other financial institutions, with the objective of providing a fixed income yield with minimal market-related risk. The fund may also invest in high quality money market instruments or other similar short-term investments. The fund provides for daily redemptions by the Plan at contract value.

Contract value represents contributions made to the contract, plus earnings, less participant withdrawals and administrative expenses. Participants in fully benefit-responsive contracts may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The Plan holds a direct interest in such contracts through its investment in a stable value fund.

*Plan termination.* The Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, in compliance with the provisions of ERISA. In the event the Plan is terminated, the accounts of all participants would become fully vested.

*Basis of accounting.* The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America (GAAP). Valuation of investments is more fully described in Note 2.

*Expenses of administering the Plan.* To the extent not paid by the Employer, administrative expenses are paid by the Plan.

*Management estimates.* The preparation of the Plan's financial statements in conformity with GAAP requires the Plan administrator to make significant estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period and disclosures of contingent assets and liabilities at the date of the financial statements. Actual results may, in some instances, differ from previously estimated amounts.

*Risks and uncertainties.* The Plan provides for various investment options in a variety of mutual funds and other investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Plan's statements of net assets available for benefits.

*Tax status.* The Plan obtained a favorable determination letter dated July 13, 2011 from the IRS. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that the Plan had no significant uncertain tax positions for the year ending December 31, 2022. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in process. The Plan's Annual Return/Report of Employee Benefit Plan is subject to examination by the IRS for three years from the date of filing.

*Income recognition.* Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

*Payment of benefits.* Benefits are recorded when paid.

*Cash and cash equivalents.* Cash equivalents consist principally of bank time deposits with original maturities of three months or less.

*Notes receivable from participants.* Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

On March 27, 2020 the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law. The CARES Act allows for certain provisions to participants impacted by COVID-19 such as in-service distributions up to \$100,000, loan borrowings up to \$100,000, and suspension of loan payments and required minimum distributions. In accordance with the CARES Act, the Plan has until December 31, 2025 to formally amend the plan documents.

## **Note 2 – Investments:**

The assets of the Plan were held and the related investment transactions were executed by the Trustee of the Plan in 2021 and 2022. The Plan's investments are stated at fair value based on quoted market prices. Net depreciation for the year is reflected in the Plan's statement of changes in net assets available for benefits. The net depreciation consists of realized gains or losses and unrealized appreciation or depreciation on investments.

#### Note 4 – Fair Value Measurements

Accounting Standards Codification Topic 820, *Fair Value Measurements and Disclosures*, establishes a consistent framework for measuring fair value and beginning on January 1, 2008 this framework is generally applied to all financial statement items required to be measured at fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: valued at the Net Asset Value ("NAV") of shares held by the Plan at year end. The NAV is a quoted price in an active market.

The Plan also holds other assets not measured at fair value on a recurring basis, including employer and participant contributions receivable. The fair value of these assets approximates the carrying amounts in the accompanying financial statements due to the short maturity of the instruments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2022:

|                    | Level 1       | Level 2 | Level 3 | Total         |
|--------------------|---------------|---------|---------|---------------|
| December 31, 2021: |               |         |         |               |
| Mutual funds       | \$ 83,654,878 | \$ -    | \$ -    | \$ 83,654,878 |

| Mutual funds       | \$ 65,121,303 | \$ -    | \$ -    | \$ 65,121,303 |

#### **Note 5 – Investment Contract with Insurance Company**

The Plan holds an investment in the OneAmerica Stable Value Fund (Fund), which is managed by the Trustee and invests in assets (typically traditional and synthetic guaranteed investment contracts), enters into wrap contracts (Wrap) issued by third parties and invests in cash equivalents represented by shares in money market funds. A Wrap is a contract with an insurance company or bank, which absorbs any gains or losses caused by market fluctuations. The Wrap allows investors to hold their investments at the original par or book value plus accrued interest, resulting in stable rates of return.

The investment in the Fund is valued at NAV per unit, as determined by the Trustee. The NAV is used as the practical expedient to estimate fair value. Audited financial statements are available for this investment. The Fund intends to hold only assets whose fair market value is the contract value of the investment. Income is calculated daily and the amount of income is dependent on the contract interest rates, contract maturities, and new investments in the Fund. This investment is a fully benefit-responsive fund.

Certain events may limit the ability of the Plan to transact at contract value. Such events include but may not be limited to the following: (1) the complete or partial termination of the Plan; (2) the establishment or activation of, or material change in, any Plan investment fund, or an amendment to the Plan or a change in the administration or operation of the Plan, including the removal of a group of employees from Plan coverage as a result of the sale or liquidation of a subsidiary or division or as a result of group layoffs or early retirement programs.

#### **Note 6 – Related Party Transactions and Party-in-Interest Transactions**

Certain Plan investments are managed by the Trustee, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net depreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment.

#### **Note 7 – Subsequent Events**

Plan management has evaluated subsequent events through October 10, 2023, the date the financial statements were available to be issued, and concluded that no additional disclosures are required.
