INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Sunrider International Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Sunrider International Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sunrider International Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sunrider International Retirement Savings Plan's ability to continue as a going concern for one year after the date financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sunrider International Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sunrider International Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i-Schedule of Assets (Held at End of Year) and Schedule H, line 4a – Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SUNRIDER INTERNATIONAL RETIREMENT SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE A. DESCRIPTION OF THE PLAN

The following description of the Sunrider International Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

1. General

The Plan is a defined salary reduction plan. It is available to substantially all employees of the Sunrider Corporation and its affiliates, Sunrider Manufacturing, L.P. and Sunrider Ohio Manufacturing, Inc. The Plan is a multiple employer plan as it allows employees of Sunliving Health and Wellness P.C to participate, an entity owned by an Officer, Director, and beneficial owner of the Sunrider Corporation (Collectively, the “Company,” “Sponsor,” and “Employer”). The Plan is subject to the provisions of the Employee Retirement Income Security Act (“ERISA”).

2. Eligibility

All employees who have been employed by the Company for 60 days are eligible to participate in the Plan.

3. Contributions

Participants may elect to contribute, on a tax-deferred basis, amounts of their compensation up to 60%, or the maximum deferral limit per Internal Revenue Code (“IRC”) Section 402(g)(1). Additional “catch-up” contributions can be made beginning in the Plan year in which a participant will be at least age 50 by the end of the Plan year. The Plan also allows for Roth contributions.

Amounts contributed by the Company are discretionary. For the Plan year ended December 31, 2022, the Company matched each participants' contribution at the rate of 60% of total dollars contributed, not to exceed 15% of the participants' gross annual compensation, subject to an annual IRC compensation limit. In addition, the Company matches, for first time participants, 100% of initial contributions up to \$250.

At the option of the Company, additional Employer contributions can be made. No additional contributions were made for the Plan year ended December 31, 2022.

4. Rollovers

An employee who qualifies as part of an eligible class of employees can make rollover contributions subject to the guidelines of the Plan.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE A. DESCRIPTION OF THE PLAN (Continued)

5. Participant Accounts

Each participant's account is credited with the employee's contributions, rollovers, Employer matching contributions, and an allocation of Plan's earnings, and charged with an allocation of administrative expenses. Allocations are based on participant's earnings or account balances, as defined. A participant is entitled to the benefit that can be provided from their vested account.

6. Investment Options

Participants may direct employee and Employer contributions as desired, in any of a variety of investments held by Fidelity Management Trust Company ("Fidelity"), as provided by the Plan, as well as self-directed investment accounts. Participants may change their investment options daily.

7. Vesting

Participants are vested in their contributions plus actual earnings thereon. The Company's contributions vest based on years of service as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	50%
3	75%
4	100%

8. Benefit Payments

At retirement, disability, or death, a participant automatically becomes 100% vested, and may elect to receive either a lump-sum amount equal to the value of the participant's account, annuities, or periodic installments as defined by the Plan. For termination of services for other reasons, a participant may receive the value of the vested interest in his or her account as defined by the Plan. In-service and hardship withdrawals are permitted if certain criteria are met.

9. Forfeitures

Forfeitures may be used to pay administrative expenses or reduce future discretionary Company contributions. Forfeitures in the amount of \$27,000 were applied to Company contributions during the year ended December 31, 2022. As of December 31, 2022 and 2021, outstanding forfeitures available totaled \$32,414 and \$27,000 and are included in net assets available for benefits, respectively.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE A. DESCRIPTION OF THE PLAN (Continued)

10. Notes Receivable from Participants

Subject to approval by the plan administrator, participants may borrow a minimum of \$1,000 up to a maximum of 50% of their vested balance, not to exceed \$50,000, less any outstanding loan balance. The loans shall bear a reasonable rate of interest as determined by the plan administrator based on the established prime rate. The interest rate shall remain fixed throughout the duration of the loan. Loans must be paid back within five years of the date of issuance, in accordance with terms established by the plan administrator. Loans for the purchase of a primary residence may be paid back over ten years as approved by the plan administrator. A participant may only have one loan outstanding at any time, and refinancing is not permitted.

11. Plan Termination

Although it has not expressed such intent, the Employer reserves the right under the Plan document to amend or terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants become fully vested in their accounts and funds will be distributed in accordance with the Plan terms and the IRC.

NOTE B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Presentation

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

2. Plan Administration

The Employer is the Plan Sponsor and the plan administrator. The plan administrator is responsible for carrying out the duties imposed under ERISA.

3. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

4. Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisor and Trustee. See note D for further discussion of fair value measurements.

SUNRIDER INTERNATIONAL RETIREMENT SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

4. Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation/depreciation includes the gains and losses on investments bought and sold as well as held during the year.

5. Payment of Benefits

Benefits are recorded when paid.

6. Administrative and Other Expenses

Administrative expenses incurred by Fidelity in performance of its duties are paid from the assets of the Plan. Fees related to the administration of notes receivable from participants and other participant specific fees are charged directly to the participant's account and are included in administrative expenses. Other reasonable Plan expenses may be paid from the Plan's forfeiture account (see Note A.9.). Investment related expenses are included in net appreciation in the fair value of investments. Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements.

7. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

NOTE C. INVESTMENTS AND CERTIFICATION BY TRUSTEE

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under this election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information certified by Fidelity Management Trust Company, the Trustee of the Plan, as complete and accurate, except for comparing such information certified by the Trustee to information included in the Plan's financial statements and supplemental schedule.

- Investments and notes receivable from participants reflected in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021
- Net investment activity and interest on notes receivables from participants reflected in the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022
- Investments and notes receivable from participants reflected in the Schedule of Assets (Held at End of Year)

NOTE D. FAIR VALUE MEASUREMENTS

The framework used for measuring fair value provides a hierarchy that prioritizes the inputs used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 compared to December 31, 2021.

Self-directed brokerage accounts: The self-directed brokerage accounts consist primarily of Common stocks, Unit investment trusts, and Cash, which are valued at the closing price reported on the active market on which the individual securities are traded.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

SUNRIDER INTERNATIONAL RETIREMENT SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE D. FAIR VALUE MEASUREMENTS (Continued)

Stable value collective trust fund: The Trustee receives the price/NAV for the common/collective trusts ("CCT"s) directly from the Trustee of the CCTs. The fair value of the Plan's interest in the CCT is based on the underlying unit value reported by the CCTs. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the fund, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner. The CCT's units are issued and redeemed daily at the constant NAV of \$1 per unit.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

<i>Assets at Fair Value as of December 31, 2022</i>				
	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Total</i>

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE D. FAIR VALUE MEASUREMENTS (Continued)

The following table summarizes investments for which fair value is measured using the net asset value per share as a practical expedient as of December 31, 2022 and 2021. There are no participant redemption restrictions for these investments.

2022	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Stable Value Collective Trust	\$ 10,128,839	None	Daily	None

2021	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Stable Value Collective Trust	\$ 10,301,606	None	Daily	None

NOTE E. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments are held and managed by Fidelity. Fidelity is the custodian, trustee and recordkeeper as defined by the Plan; and therefore, these transactions qualify as party-in-interest transactions. Notes receivable from participants and the related interest income are also considered party-in-interest transactions.

NOTE F. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities could occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

The Plan invests, through mutual funds and self-directed funds, in securities of foreign companies, which involve special risks and considerations not typically associated with investing in U.S. companies. These risks include devaluation of currencies, less reliable information about issuers, different securities transaction clearance and settlement practices, and possible adverse political and economic developments.

SUNRIDER INTERNATIONAL RETIREMENT SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE G. INCOME TAX STATUS

The Employer adopted the Fidelity Management and Research Company Volume Submitter Profit Sharing Plan with CODA ("Volume Submitter Plan"), which received its latest opinion letter from the Internal Revenue Service ("IRS") on June 30, 2020, which stated that the Volume Submitter Plan, as then designed, was in compliance with the applicable requirements of the IRC. The plan administrator and the Plan's advisors believe that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the IRC. Administration errors, if any, that are insignificant or operational in nature, are handled by the plan administrator in accordance with applicable IRS correction policies. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.
