## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator, Participants, and Beneficiaries of the  
Dialyze Direct 401(k) Retirement Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of Dialyze Direct 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section—

- the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2022 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Dialyze Direct 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the 2022 Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Dialyze Direct 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the 2022 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Dialyze Direct 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Dialyze Direct 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### *Supplemental Schedule Required by ERISA*

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) and of Schedule H, Line 4a - Delinquent Participant Contributions for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**DIALYZE DIRECT 401(K) RETIREMENT PLAN  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2022 and 2021**

---

**1. Description of Plan**

The following description of the Dialyze Direct 401(k) Retirement Plan (the "Plan"), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions..

*General*

The Plan is a defined contribution plan covering all employees of Dialyze Direct, LLC, (the "Company"), with the exception of union employees and certain nonresident aliens. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

On February 8, 2019, the Plan was amended to allow for years of service for the employees of Affiliated Dialysis Centers, LLC, which was purchased by DD Care Management, LLC on January 31, 2019, to count toward eligibility and vesting requirements.

On December 31, 2020, Empower Retirement ("Empower Retirement") acquired the retirement business of MassMutual. MassMutual was the recordkeeper prior to the acquisition date. Insurance products administered and issued by MassMutual are certified by Great West Life & Annuity Insurance Company and Great West Life & Annuity Insurance Company of New York (collectively "Great West") pursuant to a Power of Attorney granted to Great West by MassMutual as of December 31, 2021. Great West, as attorney-in-fact, certified the investments on behalf of MassMutual as of December 31, 2020.

Effective July 1, 2022, the Plan was restated under a Non-Standardized Profit Sharing/Money Purchase CODA Plan issued by the Paragon Alliance Group, Inc. Substantially all terms of the former Plan document and adoption agreement remained unchanged. On June 30, 2020, the Internal Revenue Service stated in an opinion letter that the prototype adopted by the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code and therefore, the related trust is exempt from taxation. In conjunction with the restatement, effective July 2022, employees under Ohio Renal Holdings, LLC, Virginia Renal Holdings, LLC and Freedom Dialysis, LLC, acquired by the Plan Sponsors are credited with prior service from the respective companies. Both companies became adopting employers of the Plan as of the restatement date.

As a result of a business transaction on June 30, 2022, employees under RenPro Holdings LLL and Renviva Nursing Home Services, LLC acquired by the Plan Sponsors were credited with prior service for eligibility and vesting purposes, from the respective companies.

*Contributions*

Participants may contribute pre-tax annual compensation, as defined by the Plan, up to the maximum amount allowed under the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. In no event may participant pre-tax contributions exceed any statutory limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

**1. Description of Plan (Continued)**

Contributions (Continued)

The Company may make both discretionary matching and nonelective profit-sharing contributions. To be eligible for discretionary matching and nonelective profit-sharing contributions, a participant must have one year of service, defined by 1,000 hours of service. Additionally, a participant must be employed as of the last day of the Plan year to be eligible for the nonelective profit-sharing contribution. For the years ended December 31, 2022 and 2021, the Company matched 50% of the first 6% of a participant's pre-tax contributions. Participants direct the investment of participant and employer contributions into various investment options offered by the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan as of the first pay date 30 days after receipt of the automatic enrollment notice, unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 5% of eligible compensation.

Participant Accounts:

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions, (b) Plan earnings (losses), and may be charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's discretionary matching and nonelective profit-sharing contribution portion of their accounts, plus actual earnings thereon, is based on years of continuous service. Participants hired before July 1, 2018 are 50% vested after two years of credited service and 100% vested after three years of credited service.

Vesting in the Company's discretionary matching and nonelective profit-sharing contribution portion of their accounts, plus actual earnings thereon, is as follows for employees hired after July 1, 2018:

| <u>Vesting<br/>Years of Service</u> | <u>Percentage</u> |
|-------------------------------------|-------------------|
| 0 - 1                               | 0%                |
| 2                                   | 20%               |
| 3                                   | 40%               |
| 4                                   | 60%               |

**1. Description of Plan (Continued)**

*Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000, or 50%, of their vested account balance. Loan terms range from one to five years; however, terms may exceed five years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate of prime plus 1%, as defined by the Plan document. Interest rates on outstanding loan balances range from 4.25% to 8.00% at December 31, 2022 and 2021. Principal and interest are paid ratably through payroll deductions. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document. Related fees are recorded as administrative expenses and are expensed when they are incurred.

*Payment of Benefits*

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a period of not more than their assumed life expectancy, for participants subject to minimum required distributions. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

If the value of the participant's nonforfeitable account balance is \$5,000 or less when the participant terminates employment, the Plan shall immediately distribute the participant's entire nonforfeitable account balance as directed by the participant.

*Plan Amendment*

The Plan Sponsor has implemented the following provisions of the CARES Act and the Plan was formally amended on November 15, 2022, for the following changes.

Participants, who met specific conditions, were eligible to take a COVID-19 related distribution up to \$100,000 without a 10% early withdrawal penalty. Eligible distributions could have been taken from January 1, 2021 through December 31, 2021, and may be repaid within three years. The repayments will be treated as tax-free rollovers into the participant's account.

The Plan Sponsor elected to suspend paying RMDs to participants and beneficiaries that would otherwise be required to receive an RMD in 2021. However, participants and beneficiaries had a choice between receiving and not receiving the RMD for 2021. In addition, individuals that received an RMD prior to the enactment of the Act had until August 31, 2021 to rollover the RMD to an eligible retirement plan.

Additionally, the amendment increased loan limits to \$100,000 per loan, and 100% of the present value of the nonforfeitable accrued benefit of the employee for participants obtaining a loan during the period beginning March 27, 2020 and ending September 22, 2020, and extended the repayment period of such loans.

**1. Description of Plan (Continued)**

*Forfeiture Accounts:*

Forfeited nonvested accounts may be used to reduce future Company contributions or pay Plan expenses. During the year ended December 31, 2022 and 2021, respectively, forfeitures of approximately \$37,000 and \$65,500 were used to Company contributions and pay Plan expenses. Forfeited nonvested accounts available at December 31 2022 and 2021, were \$3,423 and \$1,775, respectively.

**2. Summary of Significant Accounting Policies**

*Basis of Accounting*

The financial statements of the Plan are prepared on the accrual method of accounting.

*Use of Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and when applicable, disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

*Investment Valuation and Income Recognition*

Investments are reported at fair value, except for fully-benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received upon sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan valuation policies utilizing information provided by the investment advisors and custodian. See note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on the investments bought and sold as well as held during the year.

*Payment of Benefits*

Benefit payments to participants are recorded when paid.

*Plan Expenses*

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment-related expenses are included in the net appreciation of fair value of investments. The Plan pays expenses related to contract administration fees, third-party administration fees, and investment advisory fees.

**3. Investment Certification**

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2022 and 2021 and net appreciation in fair value of investments, interest and dividends for the years ended December 31, 2022 and 2021, was obtained or derived from information supplied to the plan administrator who has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA, and certified as complete and accurate by Great-West Trust Company, LLC, the trustee of the Plan.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and the supplemental Schedule of Assets (Held at End of Year).

**4. Fair Value Measurement**

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820-10, established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820-10 are described below:

- |         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |

**4. Fair Value Measurement (Continued)**

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Investments classified within Level 3 whose fair value measurements consider several inputs may include Level 1 and/or Level 2 inputs as components of the overall fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Money Market Funds:* Measured at cost, which approximates fair value.

*Variable Annuities:* The variable annuities are Level 2 investments and the fair value per share is calculated at the NAV on a daily basis. Variable annuity accounts are primarily valued using market quotations or prices obtained from independent pricing sources that may employ various pricing methods to value the investments including matrix pricing. The variable annuity accounts invest principally in equity securities, fixed-income instruments and short-term investments in accordance with each portfolio's investment objectives.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

| Assets at Fair Value       |                 |                     |             |                     |

**5. Insurance Company Investment Contract**

On December 1, 2020, the Plan entered into a Group Annuity Contract for investment in a guaranteed interest account with MassMutual. MassMutual maintains the contributions in a general account. The contract is reported at contract value. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by MassMutual, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer. For the contract period January 1, 2022 to December 31, 2022, interest was credited at a rate between 1.00% and 1.25%. Subsequent to the initial annual contract period, interest rates will be reviewed for resetting by the issuer every six months. Crediting interest rates, however, will never be less than 1.00% or greater than 3.00%. The contract cannot be terminated before the scheduled maturity date. Full or partial termination of the contract requires 30 days advanced written notice.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. the Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code;
2. premature termination of the contracts;
3. plan termination or merger;
4. changes to the Plan's prohibition on competing investment options; or
5. bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

**5. Guaranteed Investment Contract with Insurance Company (Continued)**

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Such events under the contract include the following:

1. effective communication is provided that the agreement will be fully or partially terminated as of a date selected by the Plan sponsor, which will be no earlier than 30 days after effective communication is provided to the issuer;
2. the Internal Revenue Service determines that the Plan no longer meets the requirements of Code section 401(a), 403(a), 414(d), 414(e) or any other applicable Code provision;
3. there is a termination or partial termination of the Plan;
4. any provisions of the Agreement are breached; or
5. the issuer provides effective communication to the Plan that the agreement will be terminated as of a date at least 90 days after the issuer provides such effective communication.

**6. Tax Status**

The Plan has adopted a Volume Submitter Profit Sharing Plan with CODA sponsored by The Paragon Alliance Group, LLC, the Plan's third-party administrator. On June 30, 2020, the Internal Revenue Service ("IRS") stated in an advisory letter that the Volume Submitter adopted by the Plan, as then designed, was in compliance with applicable requirements of the IRC and, therefore, the related trust is exempt from taxation. The Plan has been amended since receiving the letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

**7. Related-Party and Party-In-Interest Transactions**

Certain investments are managed by MassMutual or Great West, pursuant to a power of attorney granted by MassMutual. Empower Retirement is the recordkeeper of the Plan. Expenses related to investments held by the insurance companies, as well as administrative fees charged by the recordkeeper, qualify as party-in-interest transactions. Fees paid by the Plan to parties-in-interest were \$11,558 and \$22,546 for the year ended December 31, 2022 and 2021, respectively.

Certain routine plan administrative expenses are incurred and/or paid by the plan sponsor. Notes receivable from participants also qualify as exempt transactions with parties-in-interest. Other than the aforementioned, the Plan has no agreements or transactions with parties in interest.

**8. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks, as well as risks related to the financial strength of the insurance company. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

**9. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Company contributions.

**10. Delinquent Deposits of Contributions and Loan Repayments**

During certain payroll periods during the Plan years ended December 31, 2022 and 2021, participant contributions and loan repayments amounting to \$1,211,182 and \$1,329,820 were not remitted to the Plan timely under applicable guidelines of the Department of Labor (the "DOL"). These late transmittals of participant contributions and loan repayments are being corrected by one or more of the following: (1) contributions to the Plan of the amounts that were not remitted timely, as well as the lost earnings on such amounts, and (2) submitting excise tax forms, together with payment of the required excise tax to the IRS.

During November, 2023, a total of \$3,228 will be deposited to the impacted participant accounts representing the Company's calculation of lost earnings for untimely remittances that originated during the year ended December 31, 2022. In November 2021, a total of approximately \$7,000 was deposited to the impacted participant accounts representing the Company's calculation of lost earnings for untimely remittances that originated during the year ended December 31, 2021.
