Independent Auditor's Report

Lathrop GPM LLP Retirement Committee
Lathrop GPM LLP Retirement Plan and Trust
Kansas City, Missouri

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Lathrop GPM LLP Retirement Plan and Trust, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Lathrop GPM LLP Retirement Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in *Note 3* to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Lathrop GPM LLP Retirement Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Lathrop GPM LLP Retirement Plan and Trust's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Lathrop GPM LLP Retirement Plan and Trust's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lathrop GPM LLP Retirement Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to, or is derived from, the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Lathrop GPM LLP Retirement Plan and Trust

Notes to Financial Statements

December 31, 2022 and 2021

Note 1: Description of the Plan

The following description of Lathrop GPM LLP Retirement Plan and Trust, formerly known as Lathrop Gage LLP Retirement Plan and Trust (Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan, organized in 1968, is a defined contribution plan covering all eligible members and employees of Lathrop GPM LLP (the "Firm"), a Missouri Limited Liability Partnership, who are not eligible for the Lathrop GPM LLP 401(k) Plan. Effective January 1, 2020, the Plan was renamed Lathrop GPM LLP Retirement Plan and Trust due to the merger between Lathrop Gage GPM LLP and Gray, Plant, Mooty, Mooty & Bennett, P.A. (GPM). Also effective January 1, 2020, Lathrop GPM Consulting LLC became a participating employer.

The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). Charles Schwab Trust Bank and First State Trust Company are the trustees of the Plan. Schwab Retirement Plan Services, Inc. is the record-keeper for the Plan.

Plan Merger, Plan Amendment, and Restatement

Effective January 1, 2021, the Plan was amended and restated to operate under a nonstandardized adoption agreement in connection with a pre-approved profit-sharing plan sponsored by Schwab Retirement Plan Services, Inc.

Effective January 4, 2021, the assets of the Lathrop GPM LLP Retirement Savings Plan merged into the Plan. The transfer from the Lathrop GPM LLP Retirement Savings Plan totaled \$153,997,253.

Investments transferred into the Plan were transferred into funds comparable to those offered by Lathrop GPM LLP Retirement Savings Plan. The transfers initiated a "Black Out" period beginning December 30, 2020, and concluding the week ending January 10, 2021. During this period, participants could not access accounts to make investment transfers, withdrawals, or loans to allow the record-keeper time to accurately complete the transfer. Participant accounts were not invested on the day of transfer but were fully invested the remainder of the time.

Asset Transfer from Plan

Effective January 4, 2021, a portion of the assets of the Plan were transferred to the newly formed associate Plan, the Lathrop GPM LLP 401(k) Plan. The transfer from the Plan to the Lathrop GPM LLP 401(k) Plan totaled \$50,049,012.

Lathrop GPM LLP Retirement Plan and Trust

Notes to Financial Statements

December 31, 2022 and 2021

Investments transferred into the Lathrop GPM LLP 401(k) Plan into funds comparable to those offered by the Plan. The transfers initiated a “Black Out” period beginning December 30, 2020, and concluding the week ending January 10, 2021. During this period, participants could not access accounts to make investment transfers, withdrawals, or loans to allow the record-keeper time to accurately complete the transfer. Participant accounts were not invested on the day of transfer but were fully invested the remainder of the time.

In order to permit participants to consolidate all qualified defined contribution plan accounts into a single plan, participants are allowed to transfer amounts to and from this Plan to the Lathrop GPM, LLP 401(k) Plan if they are ineligible to actively participate in the Lathrop GPM, LLP 401(k) Plan at the same time as they actively participate in this Plan. During the year ended December 31, 2022, a net \$10,224,319 was transferred from this Plan into the Lathrop GPM, LLP 401(k) Plan.

Eligibility and Contributions

A partner or employee is eligible for participation in the Plan and may make salary reduction contributions on the first day of the calendar month following the date of employment. A partner or employee is eligible for full participation in the Firm’s discretionary non-elective contribution once he or she has completed one year of service. The plan entry dates are January and July. Partners and employees must be active partners or employees as of the end of the plan year to receive the Firm’s discretionary non-elective contribution unless terminated due to death, disability, or retirement.

Participants may elect to make salary reduction contributions up to 75 percent of their annual eligible compensation, excluding payments made subsequent to the severance of the participant’s employment with the Firm, subject to IRS limitations. Employee rollover, employee Roth, and after tax contributions are also permitted. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions.

Employees, with the exception of self-employed partners, leased employees, and employees hired prior to May 1, 2015, who had fixed dollar deferral elections in effect on May 1, 2015, are automatically enrolled in automatic pretax deferrals at a rate of 4 percent of compensation. The automatic enrollment applies on the 16th day after the date the employee first becomes eligible to make elective contributions. If a participant’s elective contribution percentage is less than 6 percent of compensation, the election will automatically increase by 1 percent on July 1, and every July 1, thereafter. This automatic increase does not apply to self-employed partners, participants with fixed dollar deferral elections, and participants with affirmative elections not to defer.

Effective June 1, 2018, the Plan was amended to allow partners to elect to defer flat dollar amounts out of their semimonthly draw payments.

For the plan years ended December 31, 2022 and 2021, eligible employees shall receive a match of 50 percent of employee deferrals up to 6 percent of compensation, which will be contributed each pay period with an annual true-up.

Lathrop GPM LLP Retirement Plan and Trust

Notes to Financial Statements

December 31, 2022 and 2021

For the plan year ended December 31, 2022, the Firm's discretionary non-elective contribution was an annual contribution of 10.279 percent of annual compensation for all self-employed partners and 5 percent of annual compensation plus 5 percent of compensation in excess of the social security taxable base wage for all other eligible employees.

For the plan year ended December 31, 2021, the Firm's discretionary non-elective contribution was an annual contribution of 10.276 percent of annual compensation for all self-employed partners and 5 percent of annual compensation plus 5 percent of compensation in excess of the social security taxable base wage for all other eligible employees.

Asset Custodians and Investment Options

The Plan consists of participant-directed Trust Accounts and Personal Choice Retirement Accounts (PCRAs) maintained by Charles Schwab Trust Bank. The participant directed trust accounts can be invested in various mutual funds and a common collective trust and participants can choose among various investment options.

Each PCRA is comprised solely of one participant's account and is maintained as a self-directed brokerage account separately from the other PCRAs. The participant of a PCRA has the sole power to direct the trustee in the investment transactions of the account.

Participants may also take loans against their available account balances subject to provisions outlined in the Plan Document.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Firm's contributions, and plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefits to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting and Payment of Benefits

Participants are immediately vested in the fair value of their account balances. Upon termination of service due to death, disability, or retirement, participants may receive their benefits as a lump sum, or may select from one of the other optional benefits forms offered by the Plan. Participants who terminate that have assets from the merged money purchase plan will receive that portion of their benefits as joint and 50 percent survivor annuity (if married) or single life annuity (if not married) unless they elect one of the optional benefit forms offered by the Plan.

Participants who have terminated service that have vested balances of \$1,000 or less will receive a mandatory cash-out for their plan balance in the form of a lump sum payment directly to the participant.

Withdrawals other than for termination, such as in-service distributions when a participant has reached age 59 ½ or for financial hardship as defined by the IRS, are permitted under circumstances provided by the Plan.

Lathrop GPM LLP Retirement Plan and Trust

Notes to Financial Statements

December 31, 2022 and 2021

Effective January 1, 2021, a participant who terminated employment with Gray, Plant, Mooty, Mooty & Bennett, P.A. prior to December 31, 2019, shall be fully vested in his or her nonelective employer contribution amounts after six years of service.

Notes Receivable from Participants

The plan document includes provisions authorizing loans from the Plan to active eligible participants. Loans are made to any eligible participant. The minimum amount of a loan shall be \$1,000. The maximum amount of a participant's loans is determined by the available loan balance restricted to the lesser of \$50,000 or 50 percent of the participant's vested account balance. All loans are covered by demand notes and are repayable over a period not to exceed five years (except for loans for the purchase of a principal residence) through payroll withholdings unless the participant is paying the loan in full. Interest on the loans is based on local prevailing rates as determined by the plan administrator.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Quoted market prices, if available, are used to value investments. Common stocks and U.S. government securities are valued at the closing price reported on the active market on which the individual securities are traded. Corporate bonds are valued on the basis of yields currently available on comparable securities of issuers with similar credit ratings. Mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year-end.

The Plan's interest in the stable value fund and common collective trust funds are valued based on information reported by the investment advisor using the audited financial statements of the collective trust at year-end.

Life insurance products are valued based on cash surrender value which approximates fair value. Partnerships are valued based on information received from the issuer.

Notes to Financial Statements

December 31, 2022 and 2021

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Administrative expenses may be paid by the Firm or the Plan, at the Firm's discretion.

Note 3: Certification of Plan Trustees

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Charles Schwab Trust Bank and First State Trust Company, both qualified institutions, have certified the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Charles Schwab Trust Bank and First State Trust Company certified investments and notes receivable from participants as shown in the statements of net assets available for benefits and related disclosures as of December 31, 2022 and 2021.
- Charles Schwab Trust Bank and First State Trust Company certified investment income (loss) and interest income from notes receivable from participants as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021.
- Charles Schwab Trust Bank and First State Trust Company certified investment information and notes receivable from participants included in the accompanying schedule of assets (held at end of year) as of December 31, 2022.

The Plan's independent auditors did not perform procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Note 4: Related Party and Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association, or relatives of such persons.

The Plan pays record-keeping fees to Schwab Retirement Plan Services, Inc., who is related to the plan trustee.

Accounting fees and certain administrative expenses relating to the maintenance of employee eligibility records are paid by the Firm.

Note 5: Disclosures About Fair Value of Plan Assets

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities.
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3** Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets or liabilities.

Recurring Measurements

The following tables present the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2022 and 2021:

Notes to Financial Statements

December 31, 2022 and 2021

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the years ended December 31, 2022 and 2021. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis. For assets classified within Level 3 of the fair value hierarchy, the process used to develop the reported fair value is described below.

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, then fair values are estimated by using quoted prices of securities with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters, including, but not limited to, yield curves, interest rates, volatilities, prepayments, defaults, cumulative loss projections, and cash flows. Such securities are classified in Level 2 of the valuation hierarchy. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy. See the tables below for inputs and valuation techniques used for Level 3 securities.

Level 3 Activity

There have been no purchases or transfers into or out of the life insurance policies and the limited partnerships during the years ended December 31, 2022 and 2021, respectively.

Unobservable (Level 3) Inputs

The following tables present quantitative information about unobservable inputs used in recurring Level 3 fair value measurements at December 31, 2022 and 2021.

	Fair Value at 12/31/22	Valuation Technique	Unobservable Inputs
Life insurance policies	\$ 406,931	Cash surrender value	Insurance statements
Limited partnerships	\$ 345,379	Discounted cash flow	K-1 tax forms, financial statements
	Fair Value at 12/31/21	Valuation Technique	Unobservable Inputs
Life insurance policies	\$ 407,218	Cash surrender value	Insurance statements
Limited partnerships	\$ 381,964	Discounted cash flow	K-1 tax forms, financial statements

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following tables summarize investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021. There are no participant redemption restrictions for these investments; the redemption period is applicable only to the Plan.

	Fair Value at 12/31/22	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Stable Value Fund	\$ 24,655,154	\$ -	Daily	1 day
Common Collective Trust Funds	\$ 99,439,865	\$ -	Daily	1 day
	Fair Value at 12/31/21	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Stable Value Fund	\$ 24,182,950	\$ -	Daily	1 day
Common Collective Trust Funds	\$ 123,144,409	\$ -	Daily	1 day

Note 6: Plan Termination

Although it has not expressed any intent to do so, the Firm has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

Note 7: Tax Status

Effective January 1, 2021, the Plan was amended and restated to operate under a nonstandardized adoption agreement in connection with a pre-approved profit-sharing plan sponsored by Schwab Retirement Plan Services, Inc. This pre-approved plan document has been filed with the appropriate agency and has obtained an opinion letter from the IRS dated September 21, 2020, stating that the pre-approved plan constitutes a qualified plan under Section 401 of the Internal Revenue Code. Therefore, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

Note 8: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9: Subsequent Events

Subsequent events have been evaluated through October 12, 2023, which is the date the financial statements were available to be issued.
