Independent Auditors' Report

To the Trustee of the Morgan Services, Inc. Savings Plus Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Morgan Services Savings Plus 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Morgan Services Savings Plus 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Morgan Services Savings Plus 401(k) Plan's ability to continue as a going concern from one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Morgan Services Savings Plus 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Morgan Services Savings Plus 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

Years Ended December 31, 2022 and 2021

1. Description of Plan

The following description of the Morgan Services, Inc. Savings Plus Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was established to provide deferred compensation to eligible employees (as defined in the Plan) and to encourage employees to save and invest for their retirement.

Eligibility

The Plan covers all employees not covered by collective bargaining agreements (unless the collective bargaining agreement so provides), having attained twenty-one years of age and having completed three months of service. The eligibility requirements for the bargaining employees of Laundry and Dry Cleaning Workers Local 52 is twenty-one years of age and having completed twelve months of service.

Vesting

Participants are immediately and fully vested in their own contributions and discretionary matching contributions, plus actual earnings thereon. Participants who are employees of Laundry and Dry Cleaning Workers Local 52 are 100% vested in the Company's qualified nonelective contributions after 3 completed years of service. Vesting in the Company's qualified nonelective contributions for all other participants is according to the following schedule:

<u>Completed Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Contributions

Participants may contribute to the Plan (and defer the taxation on) a percentage of their compensation (as defined) of at least 2%, but not more than 90% (subject to the statutory limitations). Participants are also offered the option of contributing \$5 per pay period to the Plan. Individuals who will be at least age 50 by December 31, 2022 may make an additional "catch-up" contribution, up to a maximum amount of \$6,500, in 2022.

Each year, Morgan Services, Inc. (the "Company") may contribute to the Plan, at the discretion of its Board of Directors, amounts limited to a percentage determined by the Employer. Additionally, effective July 1, 2022, the Plan was amended and now requires the employer to make qualified nonelective contributions equal to 3% of compensation each pay period for eligible participants not covered by a collective bargaining agreement. Eligible participants of Laundry and Dry Cleaning Workers Local 52 will receive nonelective contributions equal to \$23 for each month the participants was an active participant.

Participants' Accounts

Each participant's account is credited with the participant's contribution and an allocation of the Company's contribution, the Plan's net earnings, and reduced by an allocation of plan expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The number of outstanding loans for a Participant shall be limited to 2. Participants' loans are payable within five years after issuance, except as related to the purchase of a personal dwelling, in which case the loan repayment may not exceed 15 years from the date of the loan. The loans are secured by the balance in the participant's account and bear interest at prime plus 1%, which range from 4.25% to 8.5%. Principal and interest is paid ratably through weekly payroll deductions.

Benefits

Participants' interest in the Plan's assets are distributable generally upon termination, disability, retirement or death. Participants may withdraw from their individual accounts pursuant to specific guidelines as set forth in the plan document.

2. Summary of Significant Accounting Policies

Accounting Method

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments in securities included in the net assets available for benefits are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payments of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as deemed distributions based upon the terms of the plan document.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan's investments are concentrated in funds that invest in marketable equity securities. Such securities are subject to various risks that determine the value of the funds. Due to the level of risk associated with certain equity securities and the level of uncertainty related to changes in the value of these securities, it is at least reasonably possible that changes in market conditions in the near term could materially affect participants' account balances and the value of investments reported in the financial statements.

Subsequent Events

The Company has evaluated subsequent events through October 4, 2023, which is the date these financials were available to be issued.

3. Investments and Notes Receivable from Participants Information Certified by the Plan's Trustee

The following is a summary of the investment information regarding the Plan as of December 31, 2022 and 2021 and for the year ended December 31, 2022 included in the Plan's financial statements and supplemental schedule. The Trustee of the Plan held the Plan's investments and participant notes receivable and executed all related transactions during the periods under audit. The investment and participant notes receivable balances and related income and losses included in the accompanying financial statements and supplemental schedule of assets held at end of year are based solely on information certified by the Trustee. The plan administrator has obtained a certification from the Trustee that such information is complete and accurate.

Morgan Services, Inc. Savings Plan

Information relating to investments and notes receivable from participants held by the trustee at December 31, is as follows:

	2022	2021
Investments at fair value	\$ 19,697,765	\$ 24,112,166
Notes receivable from participants	547,590	536,689
	<u>\$ 20,245,355</u>	<u>\$ 24,648,855</u>

The following was also certified by the trustee for the year ended December 31, 2022:

Net depreciation in fair value of investments	<u>\$ (4,674,601)</u>
Interest and dividend income	<u>\$ 162,918</u>

4. Fair Value Measurements

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Valuation techniques used to measure fair value are defined as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include: (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in inactive markets; (c) inputs other than quoted prices that are observable for the asset or liability; and (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodology during 2022:

- **Mutual funds:** Stated at fair value based on quoted prices in an active market for each share held by the fund.
- **Common collective trust funds:** Common collective trust funds are stated at net asset value of the shares determined by the underlying securities held by the Plan at year end. The net asset value is used as a practical expedient to estimate fair value. The common collective trust funds invest primarily in mutual funds. The common collective trust funds do not have any unfunded commitments relating to its investments, or any significant restrictions or redemptions. Participant directed redemptions can be made on any business day and do not have a redemption notice period.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Morgan Services, Inc. Savings Plan

Investments at fair value as of December 31, 2022 are as follows:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 11,227,799	\$ -	\$ -	\$ 11,227,799
Common collective trust funds (a)	-	-	-	8,469,966
Total investments at fair value	<u>\$ 11,227,799</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 19,697,765</u>

Investments at fair value as of December 31, 2021 are as follows:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 14,652,737	\$ -	\$ -	\$ 14,652,737
Common collective trust funds (a)	-	-	-	9,459,429
Total investments at fair value	<u>\$ 14,652,737</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 24,112,166</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) as a practical expedient to fair value have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

5. Termination of the Plan

Although it has not expressed any intent to do so, the Company has the right under the provisions of the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA.

6. Tax Status

The Company adopted a Prototype which received a favorable opinion letter from the Internal Revenue Service (IRS) on June 30, 2020, which stated that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (the "Code"). The plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore, believe that the Plan is qualified, and the related trust is tax exempt.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

7. Related Party

Certain Plan investments are shares of mutual funds managed by Principal, which is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services are included as a reduction of the return earned on the fund. Additionally, administrative expenses are paid by the Plan to Principal. Administrative fees paid by the Plan for services amounted to \$57,504 for the year ended December 31, 2022.

8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation between the statements of net assets available for benefits per the accompanying financial statements and the Form 5500 as of December 31:

	2022	2021
Net assets available for benefits per financial statements	\$ 20,238,475	\$ 24,658,819
Less: participant contributions receivable	(8,772)	(8,655)
Less: employer contribution receivable	(11,781)	(1,309)
Plus: excess contribution payable	27,433	-
Net assets available for benefits per Schedule H of Form 5500	<u>\$ 20,245,355</u>	<u>\$ 24,648,855</u>

The following is a reconciliation of the statement of changes in net assets available for benefits for the year ended December 31, 2022 to the Schedule H, Part II of Form 5500:

Net decrease per the financial statements	\$ (4,420,344)
Change in participant contribution receivable	(117)
Change in employer contribution receivable	(10,472)
Change in excess contribution payable	27,433
Net decrease per Schedule H of Form 5500	<u>\$ (4,403,500)</u>

9. Concentrations

The Plan had four investments that accounted for approximately 56% and 66% of the total investments at fair value as of December 31, 2022 and 2021.
