To the Retirement Committee, Plan Administrator, and
Participants of Family Wellness Program 401(k) Plan

Opinion on the Financial Statements

We have audited the accompanying statements of net assets available for benefits of the Family Wellness Program 401(k) Plan (the "Plan") as of December 31, 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2022, and the changes in net assets available for benefits for the year ended December 31, 2022, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of the Plan's management. Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America. This includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. The Plan is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our audits, we are required to obtain an understanding of internal control over financial reporting but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion.

Our audits included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures to respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audits provide a reasonable basis for our opinion.

Opinion on the Supplementary Information

The supplementary information included in Schedule H, line 4(i) – schedule of assets (held at end of year) and the Schedule H, line 4(a) – schedule of delinquent participant contributions as of and for the year ended December 31, 2022, have been subjected to audit procedures performed in conjunction with the audit of the Plan's financial statements. The supplementary information are the responsibility of the Plan's management. Our audit procedures included determining whether the supplementary information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplementary information. In forming our opinion on the supplementary information, we evaluated whether the supplementary information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income and Security Act of 1974. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole.

NOTE 1: DESCRIPTION OF THE PLAN

Family Wellness Program 401(k) Plan, is a safe harbor 401(k) qualified plan. The following description of the Plan's provisions is for informational purposes only and does not bind the Plan. Participants should refer to the Plan documents for a more complete description of the Plan's provisions.

General

The Plan covers substantially all employees of the Company. Family Wellness Program LLC 401(k) Plan is designed to comply with Section 404(c) of the Employee Retirement Income Security Act of 1974 (ERISA) as amended. For elective salary deferrals (401(k) contributions), participation begins on the employee's hire date. The Plan is subject to the provisions of ERISA.

The Plan contains eligibility provisions to ensure that all eligible employees enter the Plan by the latest participation date required under the applicable provisions of the IRC.

For the Plan year ended December 31, 2022, to qualify for the plan, eligible participants must be active employees during the payroll calendar year and be employed on the last day of the Plan year. The "last day" requirement is waived if the participant terminates employment due to retirement, disability, or death.

Plan Year

The Plan operates on a calendar year ending on December 31. References to 2022 relate to the Plan years ended December 31, 2022.

Trustees and Administrator of the Plan

Ameritas Life Insurance Corp is the asset trustee of the Plan and Alight Solutions provides recordkeeping services for the Plan. The Plan is administered by the Company in conjunction with the Plan Administrator.

Plan Contributions

Contributions to the Plan are made through employee contributions, including catch-up contributions, and participant rollover contributions.

Employee Contributions— Eligible employees may elect to defer eligible compensation on a pre-tax basis, after-tax basis ("Roth") or a combination of both. The maximum elective salary deferral is 50% for non-highly compensated employees and 16% for highly compensated employees. However, that percentage can be reduced for highly compensated employees as required to satisfy applicable non-discrimination testing requirements. Employees age 50 and over are allowed a catch-up contribution on a pre-tax basis, Roth or a combination of both, beginning in the year they turn age 50. For all employees, the IRS limited participant contributions to a maximum of $20,500 in 2022.For those age 50 and over, the IRS limited participant contributions to a maximum of $27,000 in 2022.

Participant Rollover Contributions— Participants eligible for a withdrawal from another eligible retirement plan or traditional IRA may roll over all or part of that amount into the Plan. Participants may not roll over amounts from a Roth IRA into the Plan.

Investments

Participants can direct the investment of their accounts (including employee contributions) among various funds, debt securities and common stock. The funds as of December 31, 2022 include a variety of mutual funds, CCT funds, separately managed funds, and custom target retirement date funds. The available funds are regularly reviewed by the Plan Administrator and are subject to change at any time.

Participation in Investment Activity
Individual accounts are credited daily with a pro-rata share of investment income or loss experienced by the respective funds into which their account balances have been directed. This income or loss is included in net appreciation or depreciation in fair value of investments on the Statement of Changes in Net Assets Available for Benefits.

Vesting in the Plan
Employees who terminate employment due to retirement, disability or death are 100% vested in their Plan accounts, regardless of years of service. The Plan defines “retirement” as age 60 or older for the purposes of vesting. On termination of employment for reasons other than retirement, disability or death, the amounts credited to the accounts of participants are vested as follows:

Employee Contributions — Employee contributions (salary deferral, catch-up and rollover contributions) are always 100% vested.

Forfeitures
When a participant terminates, the unvested portion of the participant’s account represents a forfeiture, unless the participant resumes service with the Company within five years. On December 31, 2022, forfeited unvested accounts were zero Forfeitures of unvested Company matching contributions from terminated participant accounts can be used to offset Company matching contributions or to pay Plan administrative expenses, as determined by the Plan Administrator.

Benefit Payments
On termination of service, a participant (or participant’s beneficiary in the case of death) may elect to roll over the value of the vested interest in his or her account to another qualified plan, to receive the value as a lump-sum distribution or elect to remain in the Plan, if the vested account balance exceeds $1,000 (subject to required distributions under Section 401(a)(9) of the IRC). When an active participant reaches age 59½ and continues to work for the Company, the participant is eligible to receive a partial or full distribution of their account.

Participant Loans (Notes Receivable from Participants)
Participants may borrow a minimum of $1,000 from their account up to a maximum that is equal to the lesser of:

- 50% of their vested account balance, less the balance of any other outstanding loans from the Plan as of the loan request date, or
- $50 less the highest outstanding principal balance of any loans, from this Plan or any other qualified Plan of the employer or a related employer, during the one-year period immediately preceding the loan request date.

Loan terms are a maximum of five years or, if for the purchase of a principal residence, up to 20 years. The loans are secured by the balance in the participant’s account. The interest rate for a loan is determined at the time it is approved. The rate will be the prime rate as reported by the Wall Street Journal on the 15th day of the prior month, plus 1%. Interest rates for participant loans outstanding at December 31, 2022 range from 4.25% to 10.5% with various maturities through January 2041. Principal and interest is paid through payroll deductions, following the participant’s bi-weekly, semi-monthly or weekly payroll cycle. A participant may have a maximum of two loans outstanding at any one time.

Participants may make monthly loan repayments during approved leaves of absence. Alternatively, payment obligations may be suspended during approved leaves of absence not longer than one year and during periods of qualified military service. Participants may continue to make loan repayments after termination of employment under procedures established by the Plan Administrator. If the participant does not make a payment by the required due date, the loan balances will be deemed distributed and become taxable income to the participant.

Subsequent Event
The Plan monitors significant events occurring after the balance sheet date and prior to the issuance of the financial statements to determine the impacts, if any, of events on the financial statements to be issued. The Plan has evaluated subsequent events through the date which the financial statements are issued.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The accompanying financial statements have been prepared in accordance with GAAP.

Use of Estimates
The preparation of financial statements in conformity with GAAP in the U.S. requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities during the reporting period. Uncertainties regarding such estimates and assumptions are inherent in the preparation of financial statements and actual results may differ from these estimates and assumptions.

Risks and Uncertainties
The Plan holds various investment instruments, including, but not limited to, common stock, debt securities, mutual funds and CCTs. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Investment Valuation and Income Recognition
The Plan's investments are held by the trustee and are recorded at fair value as follows:

- Common stock is valued at quoted market prices as of the last trading day of the Plan year.
- Shares of mutual funds are valued at quoted market prices as of the last trading day of the Plan year.
- CCTs are measured using the NAV practical expedient of the CCT as reported by the CCT managers. The NAV practical expedient is based on the fair value of the underlying assets owned by the CCT, less its liabilities, and divided by the number of units outstanding.
- Investments in debt securities are valued using the market approach and observable inputs, such as observable trade prices, multiple broker/dealer quotes, related yield curves and other assumptions about the securities.
- Self-directed brokerage accounts allow participants to invest all or a portion of their account in investments of their choice. The fair value is based on the underlying investments, which may include common stock, mutual funds and debt securities.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded when earned.

Net realized gains or losses on investment sales represent the difference between the sale proceeds and cost of the investments, or the adjusted market price. Net unrealized appreciation or depreciation on investments held at the end of the Plan year represents the net change in the fair value of investments during the year. The Statement of Changes in Net Assets Available for Benefits presents the net appreciation or depreciation in fair value of investments, which consists of realized and unrealized gains and losses.

Notes Receivable from Participants
Participant loans are included in notes receivable from participants on the Statements of Net Assets Available for Benefits and are measured at their unpaid principal balance plus any accrued unpaid interest. Delinquent participant loans are recorded as distributions based on the terms of the Plan document.

Benefit Payments
Benefits are recorded when paid. Amounts allocated to former participants who have withdrawn from the Plan.

Administrative Expenses
Substantially all of the administrative expenses, including recordkeeping, trustee and other fees, incurred in connection with the Plan are paid by the Plan through an allocation to participant accounts.

NOTE 3: FAIR VALUE MEASUREMENTS
The Plan discloses its assets that are measured at fair value in the Statements of Net Assets Available for Benefits by level within the fair value hierarchy as defined by applicable accounting standards:

Level 1: Quoted market prices in active markets for identical assets or liabilities
Level 2: Other observable market-based inputs or unobservable inputs that are corroborated by market data
Level 3: Unobservable inputs that cannot be corroborated by market data that reflect the reporting entity's own assumptions

The following tables set forth, by level within the fair value hierarchy, a summary of the Plan's investments that were measured at fair value on a recurring basis as of December 31, 2022.

	December 31, 2022		
	Level 1	**Level 2**	**Total**
Fair value hierarchy:			
Common stock	**$1,795**	$—	**$ 1,795**
Debt securities			
Mutual funds			
Brokerage securities			
Other[1]			
Total assets in fair value hierarchy	**$1,795**	$—	**$ 1,795**
Investments measured at NAV practical expedient			
Total participant-directed investments at fair value			**$1,795**

[1] Other primarily includes pending receivable transactions for dividends and interest.

The Plan did not have any Level 3 measurements as of December 31, 2022. During 2022, there were no transfers in or out of Levels 1, 2 or 3.

NOTE 4: PARTY-IN-INTEREST TRANSACTIONS
As of December 31, 2022, Plan investments included units held in a collective trust managed by Ameritas, and interest-bearing cash managed by Ameritas. Transactions with this entity qualify as exempt party-in-interest transactions. Fees paid by the Plan to Ameritas were zero as of December 31, 2022.

NOTE 5: FEDERAL INCOME TAX STATUS
The Plan as amended and restated as of December 31, 2022 is an individually designed plan. While the restated Plan document does not have a determination letter from the IRS, the Company and Plan management believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC, and the Plan and related trust continue to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has concluded that as of December 31, 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

NOTE 6: PLAN TERMINATION
Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Under the Plan, the Company may also temporarily suspend contributions, which does not constitute or require termination of the Plan.

In the event the Plan is terminated, the respective accounts of the participants under the Plan shall become fully vested and nonforfeitable. After payment of expenses properly chargeable against the Plan, the trustee shall distribute all Plan assets to the participants in the proportions determined by their respective accounts.

NOTE 7: EXCESS CONTRIBUTIONS PAYABLE TO PARTICIPANTS
The Plan is subject to certain non-discrimination rules under ERISA and the IRC. For 2022, the Plan failed certain non- discrimination tests under the IRC due to lower deferral percentages by non-highly compensated eligible employees relative to the deferral percentages of highly compensated eligible employees. In order to meet the requirements of the non-discrimination rules, the Plan refunded a portion of the contributions made by highly compensated participants, in accordance with applicable provisions of the IRC. Additionally, the Plan is required to return contributions received from participants during the Plan year in excess of the IRC limits (see Note 1: Description of the Plan for additional information on IRS contribution limitations). These refunds are accrued within excess contributions payable to participants in the Statements of Net Assets Available for Benefits and reduce participant contributions on the Statement of Changes in Net Assets Available for Benefits.

NOTE 8: RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500
As of December 31, 2022, Net Assets available for benefits per the financial statements reflects and is equal to net assets available for benefits in the Form 5500.
