To the Participants and Administrator of
AlohaCare 401(k) Plan

We have audited the modified cash basis financial statements of the AlohaCare 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit") for the year ended December 31, 2022 and we will issue our report thereon dated October 12, 2023. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (the "investment information") by Fidelity Management Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated December 9, 2022. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2022. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was the fair value of investments. Management's estimate of the fair value of investments is described in Note 2 to the financial statements. We evaluated the key factors and assumptions used to develop the estimated fair value of these investments in determining that they are reasonable in relation to the financial statements taken as a whole.

The financial statement disclosures are neutral, consistent and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditors' report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Significant Unusual Transactions

There were no significant unusual transactions identified during our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. No such misstatements were noted during our audit.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

Difficult or Contentious Matters Encountered

There were no difficult or contentious matters in which we consulted outside the engagement team.

Management Representations

We have requested certain representations from management that are included in the attached management representation letter dated October 12, 2023.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for use by the AlohaCare Board of Directors, Audit Committee, and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

This representation letter is provided in connection with your audit of the financial statements and supplemental schedules (modified cash basis) of the AlohaCare 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the disclosures (collectively, the "financial statements"), for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with the modified cash basis of accounting and whether the supplemental schedules are fairly stated in all material respects in relation to the financial statements as a whole. As permitted by Regulation 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA, we have elected for you to not perform any auditing procedures with respect to information prepared and certified to by Fidelity Management Trust Company, the trustee, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedules. We understand that the form and content of the information in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, has been audited by you in accordance with auditing standards generally accepted in the United States of America and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of the date of your report, the following representations made to you during your audit.

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated December 9, 2022, including our responsibility for the preparation and fair presentation of the financial statements.
2. The financial statements referred to above are fairly presented in conformity with the modified cash basis of accounting, the notes include all disclosures required by laws and regulations to which the Plan is subject, including the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and the supplemental schedules referred to above are fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

ALOHACARE

3. We acknowledge our responsibility for administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
4. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
5. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
6. The methods, significant assumptions, and data used in making accounting estimates, and their related disclosure are appropriate to achieve recognition, measurement, or disclosure that is reasonable in accordance with the modified cash basis of accounting. Significant judgements made in making accounting estimates have considered all relevant information that management is aware. The measurement process used by management in determining accounting estimates is appropriate and consistent. Disclosures related to accounting estimates, including those describing estimation uncertainty, are complete and appropriate under the modified cash basis of accounting. When necessary, appropriate specialized skills or expertise have been applied. No subsequent event requires adjustment to the accounting estimates and related disclosures included in the financial statements.
7. Related-party relationships and transactions and relationships and transactions with parties-in-interest, as defined in ERISA Section 3(14) and regulations thereunder, have been appropriately accounted for and disclosed in accordance with the requirements of the modified cash basis of accounting and ERISA Section 3(14) and regulations thereunder.
8. All events subsequent to the date of the financial statements and for which the modified cash basis of accounting requires adjustment or disclosure have been adjusted or disclosed.
9. There are no material transactions that have not been properly recorded in the accounting records underlying the financial statements and supplemental schedules.
10. We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with the modified cash basis of accounting, and we have not consulted a lawyer concerning litigation, claims, or assessments.
11. Other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or leases in default, events reportable to the PBGC, or events that may jeopardize the tax status) that legal counsel have advised us that must be disclosed have been properly disclosed.
12. Material concentrations have been properly disclosed in accordance with the modified cash basis of accounting.
13. Financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.
14. Guarantees, whether written or oral, under which the Plan is contingently liable, have been properly recorded or disclosed in accordance with the modified cash basis of accounting.

15. The supplemental schedules or financial statements disclose the following:
- a) All non-exempt party-in-interest transactions (as defined in ERISA Section 3(14) and regulations thereunder).
 - b) Investments or loans in default or considered to be uncollectible.
 - c) Reportable transactions (as defined in ERISA Section 103(b)(3)(H) and regulations thereunder).
16. We acknowledge our election to have an ERISA Section 103(a)(3)(C) audit does not affect our responsibility for the financial statements and for determining the following:
- a) The circumstances that permit an ERISA Section 103(a)(3)(C) audit.
 - b) A qualified institution has prepared and certified the investment information as described in 29 CFR 2520.103-8.
 - c) The certification meets the 29 CFR 2520.103-5 requirements.
 - d) The certified investment information is appropriately measured, presented, and disclosed in accordance with the modified cash basis of accounting.

Information Provided

17. We have provided you with:
- a) Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements, such as records (including information obtained from outside of the general and subsidiary ledgers), documentation, and other matters.
 - b) A substantially complete draft of Form 5500.
 - c) Additional information that you have requested from us for the purpose of the audit.
 - d) Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence.
 - e) Current plan instruments, trust agreements, insurance contracts, or investment contracts and amendments to such documents entered into during the year, including amendments to comply with applicable laws.
18. All material transactions have been recorded in the accounting records and are reflected in the financial statements.
19. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
20. We have no knowledge of any fraud or suspected fraud that affects the Plan and involves:
- a) Management,
 - b) Employees who have significant roles in internal control, or
 - c) Others where the fraud could have a material effect on the financial statements.
21. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.

22. We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL, and IRS regulations) whose effects should be considered when preparing financial statements.
23. We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with the modified cash basis of accounting, and we have not consulted a lawyer concerning litigation, claims, or assessments.
24. We have disclosed to you the names of all of the Plan's related parties and parties in interest and all the related-party and party-in-interest relationships and transactions, including any side agreements.
25. The Plan has satisfactory title to all owned assets, which are recorded at fair value, and all liens, encumbrances, or security interests requiring disclosure in the financial statements have been properly disclosed.
26. We have no—
 - a) Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
 - b) Intentions to terminate the Plan.
27. Amendments to the Plan instrument, if any, have been properly recorded or disclosed in the financial statements.
28. The Plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
29. The methods and significant assumptions used to estimate fair values of financial instruments, including nonreadily marketable securities, have been appropriately disclosed in the financial statements. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.
30. All required amendments to and filings of Plan and/or trust documents with the appropriate agencies have been made. The Plan obtained its latest advisory letter on June 30, 2020, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the advisory letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.
31. The Plan (and the trust established under the Plan) is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified plan (and trust). The plan sponsor has operated the Plan and trust in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.
32. We intend to formally amend the Plan to incorporate changes under the Setting Every Community Up for Retirement Enhancement Act of 2019 and the Coronavirus Aid, Relief, and Economic Security Act of 2020 under which the Plan is currently operating, that were adopted in 2020 to comply with new laws or regulations.

33. The Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.
34. The Plan has complied with the fidelity bonding requirements of ERISA.
35. We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.
36. We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).
37. We have provided the required fee disclosures under ERISA Section 404(a) to Plan participants.
38. We believe the form and content of the supplemental schedules are fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
39. In regard to your assistance in drafting the financial statements, related notes and supplemental schedules, we have:
 - a) Assumed all management responsibilities.
 - b) Designated an individual with suitable skill, knowledge, or experience to oversee the services.
 - c) Evaluated the adequacy and results of the services performed.
 - d) Accepted responsibility for the results of the services.
 - e) Ensured that the plan's data and records are complete and received sufficient information to oversee the services.

Report of Independent Auditors

To the Participants and Administrator of
AlohaCare 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of the AlohaCare 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2022, and the related notes to the financial statements (modified cash basis).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that audits conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- 
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
 - Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions (modified cash basis) for the years ended December 31, 2020 and 2019, and the supplemental Schedule of Assets (Held at End of Year) (modified cash basis) as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of Plan

The following description of the AlohaCare 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

General

The Plan is sponsored by AlohaCare (the “Company” or “Employer”) and was initially adopted effective December 1, 1999. The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Plan Administration

Fidelity Management Trust Company (“Fidelity”) is the trustee of the Plan and manages a trust fund for the Plan on behalf of the Company. The trust agreement provides for Fidelity to also act as the investment manager for the trust fund and provide administrative services to the Plan.

Eligibility

Employees are immediately eligible to participate in the Plan after attaining the age of 21.

Contributions

Participants may contribute up to 25% of their pre-tax compensation, as defined in the plan agreement, pursuant to their respective executed salary reduction agreements. With Company approval, participants may contribute up to 100% of pre-tax compensation during the payroll periods specified by the Company and may also contribute up to 100% of any cash bonuses paid during the plan year. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Contributions are subject to the maximum allowed under the Internal Revenue Code (“IRC”).

The Company provides a safe harbor employer matching contribution of 100% of the first 3% and 50% of the next 2% of defined compensation that an active participant contributes to the Plan during the plan year.

Participants direct the investment of their contributions and employer contributions into various investment options offered by the Plan, which are currently comprised of mutual funds and a common collective trust.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of (a) the Company’s contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

AlohaCare 401(k) Plan
Notes to Financial Statements
(Modified Cash Basis)
December 31, 2022 and 2021

Vesting

Participants are immediately vested in their employee contributions plus actual earnings thereon. Effective January 1, 2012, participants are fully vested in all employer matching and non-elective employer contributions. Vesting in employer matching and non-elective employer contributions for participants terminated prior to January 1, 2012 is based on years of vesting service as follows:

Years of Vesting Service	Vested Interest
0	0 %
1	25 %
2	50 %
3	75 %
4+	100 %

Notes Receivable from Participants

Plan loans are available to all participants except an eligible employee making a rollover contribution without satisfying the active participant requirements.

Participants may borrow from the vested portion of their accounts, amounts up to the lesser of (a) \$50,000, reduced by the excess of the highest outstanding loan balance of plan loans during the one-year period ending on the day before the loan is made over the outstanding balance of plan loans on the date the loan is made, or (b) one-half the present value of the participant's vested interest in their account. The loans are collateralized by not more than 50% of the participant's vested interest in their account and bear interest at rates which are commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are repaid ratably through payroll deductions.

Benefit Payments

Upon termination of the Plan or a participant's death, disability or termination, a participant or beneficiary may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or periodic installment payments as allowed for in the plan document.

Subject to the approval of the plan administrator, participants who suffer immediate and heavy financial need may apply for a hardship withdrawal. The minimum hardship withdrawal is \$500, and may extend up to the amount necessary to satisfy the hardship.

Forfeitures

Amounts forfeited during the year are held in a conservative investment account and may be used to reduce future employer contributions or pay for plan administrative expenses. There were no significant contributions forfeited during 2022. Forfeitures were used to pay for employer contributions and plan expenses of approximately \$9,900 in 2022. At December 31, 2022, there was no balance in the forfeiture account. At December 31, 2021, the Plan's forfeiture account amounted to \$1,080.

Administrative Expenses

Administrative expenses not paid for by the Company are paid from the funds of the Plan.

Notes to Financial Statements
(Modified Cash Basis)
December 31, 2022 and 2021

Plan Termination

Although it has not expressed any intent to do so, the Company has the right to discontinue contributions or terminate the Plan at any time subject to the provisions of ERISA. In the event of plan termination, participants will become fully vested in the balances of their accounts.

2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements are presented on the modified cash basis of accounting, a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Under the modified cash basis of accounting, additions to net assets available for benefits are recognized when received rather than when earned, and deductions to net assets available for benefits are recognized when paid rather than when incurred. Investments are stated at fair value.

Use of Estimates

The preparation of the Plan's financial statements in conformity with the modified cash basis of accounting requires the plan administrator to make significant estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements, the changes in net assets available for benefits during the reporting period and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options in mutual funds and a common collective trust. In addition to credit risk, the mutual funds are exposed to market risk, while the common collective trust is exposed to interest rate risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and statement of changes in net assets available for benefits.

Fair Value Measurements

For financial and nonfinancial assets and liabilities reported at fair value, the Plan defines fair value as the price that would be received to sell an asset or paid to transfer a liability in the principal or most advantageous market in an orderly transaction between market participants. The Plan measures fair value using observable and unobservable inputs based on the following hierarchy:

- **Level 1** – Quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.
- **Level 2** – Inputs other than quoted market prices included within Level 1 that are observable for an asset or liability, either directly or indirectly.
- **Level 3** – Unobservable inputs for an asset or liability reflecting the Plan's own assumptions. Level 3 inputs are used to measure fair value to the extent that observable Level 1 or Level 2 inputs are not available.

AlohaCare 401(k) Plan
Notes to Financial Statements
(Modified Cash Basis)
December 31, 2022 and 2021

The level in the fair value hierarchy within which the fair value measurement in its entirety falls is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Units of mutual funds are valued using quoted market prices in an active market or exchange and are generally categorized as Level 1 in the fair value hierarchy.

The Plan invests in the Fidelity Managed Income Portfolio, which is a common collective trust that invests in fully benefit-responsive investment contracts and fixed income securities. Fair value is determined using the cost method based on the contract value of the common collective trust's net assets. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the common collective trust, the issuer reserves the right to require twelve months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner. The common collective trust is categorized as Level 2 in the fair value hierarchy.

The Plan presents in the statement of changes in net assets available for benefits, the net depreciation in fair value of investments, which consists of realized gains and losses and the unrealized appreciation or depreciation on those investments.

Purchases and sales of securities are recorded on a settlement-date basis. Interest and dividend income are recorded when received.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance. Interest income on notes receivable from participants is recorded when received. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Benefit Payments

Benefits are recorded when paid. There were no participant elections to withdraw funds, which remained unexecuted at December 31, 2022 and 2021.

Income Taxes

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

Subsequent Events

The Plan has reviewed all events that have occurred from January 1, 2023 through October 12, 2023, the date that the financial statements were available for issuance, for proper accounting and disclosure in the financial statements.

3. Investments

The Plan's investments reported at fair value on a recurring basis have been categorized based on the fair value hierarchy in Note 2 at December 31, 2022 and 2021 as follows:

	Level 1	Level 2	Total
December 31, 2022			
Mutual funds	\$ 17,537,781	\$ -	\$ 17,537,781
Common collective trust	-	2,493,029	2,493,029
Total investments at fair value	<u>\$ 17,537,781</u>	<u>\$ 2,493,029</u>	<u>\$ 20,030,810</u>
December 31, 2021			
Mutual funds	\$ 22,595,975	\$ -	\$ 22,595,975
Common collective trust	-	1,992,457	1,992,457
Total investments at fair value	<u>\$ 22,595,975</u>	<u>\$ 1,992,457</u>	<u>\$ 24,588,432</u>

The following information has been certified as complete and accurate by Fidelity:

- All investments and notes receivable from participants reported in the statements of net assets available for benefits (modified cash basis) at December 31, 2022 and 2021.
- Net depreciation in fair value of investments, interest and dividend income, and interest income on notes receivable from participants presented in the statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2022.
- All information presented in the supplemental Schedule of Assets (Held at End of Year) (modified cash basis) as of December 31, 2022.

4. Tax Status

The Plan is relying upon an advisory letter issued by the Internal Revenue Service ("IRS") to Fidelity Management and Research Company under the IRS's preapproved plan program that the Plan constituted a qualified trust under Section 401(a) of the IRC and is therefore exempt from federal income taxes under provisions of Section 501(a). The Plan has been amended since receiving the advisory letter. However, the plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC.

5. Party-in-Interest Transactions

Plan investments and notes receivable from participants are managed by Fidelity. Fidelity is the trustee and custodian of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to Fidelity for investment management services amounted to \$3,889 for the year ended December 31, 2022.

6. Reconciliation of the Financial Statements to Schedule H of Form 5500

The following is a reconciliation of differences between amounts presented in the financial statements to Schedule H of Form 5500 as of December 31, 2022 and 2021, and for the year ended December 31, 2022:

	Per Audited Financial Statements	Differences	Per Schedule H of Form 5500
2022			
Net assets available for benefits	\$ 20,416,262	\$ (168,769)	\$ 20,247,493
Net decrease in net assets available for benefits	(4,516,280)	(186,062)	(4,702,342)
2021			
Net assets available for benefits	\$ 24,932,542	\$ 17,293	\$ 24,949,835

The differences were a result of the following:

- The underlying net assets of the Plan's common collective trust being valued differently in the financial statements compared to the Form 5500.
- Certain notes receivable from participants become delinquent and are deemed to be distributions at different points in time under the provisions of the plan document and the IRC.
