LIVINGSTONE COLLEGE DEFINED CONTRIBUTION RETIREMENT PLAN:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of **LIVINGSTONE COLLEGE DEFINED CONTRIBUTION RETIREMENT PLAN (the "Plan")**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) referred to as an ERISA Section 103(a)(3)(C) audit. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in *Notes 4 and 5* to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

INDEPENDENT AUDITOR'S REPORT (Continued)

Opinion (continued)

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America; and,
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **LIVINGSTONE COLLEGE DEFINED CONTRIBUTION RETIREMENT PLAN** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect Management's responsibility for the financial statements.

In preparing the financial statements, Management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for the years ended December 31, 2022 and 2021.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are

INDEPENDENT AUDITOR'S REPORT (Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITOR'S REPORT

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules, *Schedule of Delinquent Participant Contributions - DCR Plan and Schedules of Assets Held at End of Year*, as of and for the years ended December 31, 2022 and 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and,
- the information in the supplemental schedules related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DEFINED CONTRIBUTION RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF THE ORGANIZATION:

The following description of **LIVINGSTONE COLLEGE'S DEFINED CONTRIBUTION RETIREMENT PLAN** (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

- General – The Plan is a Defined Contribution Plan that operates under section 403(b) of the Internal Revenue Code (IRC). The purpose of the Plan is to provide retirement benefits for participating employees. Benefits are provided through:

(a) Teachers Insurance and Annuity Association (TIAA). TIAA provides a Traditional Annuity and a variable annuity investing mainly in real estate and real estate related investments;

(b) College Retirement Equities Fund (CREF). CREF provides variable annuities.

- Contributions – Employees are not limited in their contribution to the Plan. However, the College matches up to five percent (5%) of the employee's base compensation. Age 50 and special code Section 403(b) catchup contributions are allowed under the Plan.
- Participant Accounts – Each participant's account is credited with the participant's contribution, allocation of the College's matching contribution and Plan gains or losses.
- Investment Options – Upon enrollment in the

Plan, participants may direct the investment of their contributions and the College's contributions into various investment contracts and annuity options offered by the Plan.

- Vesting – Employee contributions are fully vested immediately when received. Plan (employer) matching contributions are fully vested after two years of continuous service. Plan (employer) contributions are forfeitable up to the second year of full-time employment if termination or separation from College employment occurs. Any forfeited contributions are returned to the employer to reduce the future employer contributions under the Plan.
- Distributions – Participants will receive benefits as they elect following normal retirement age (65). Distribution of the accumulation amounts will not exceed the life of the participant and/or a designated beneficiary.
- Rollovers – Participants may roll over all or a portion of funds into another Section 403(b) retirement plan or into an Individual Retirement Account (IRA).

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021
(Continued)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER MATTERS:

Basis of Accounting–

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America, except for distributions paid to participants which are prepared on the cash basis of accounting.

Use of Accounting Estimates–

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect the reported amounts of certain assets, liabilities and disclosures. Accordingly, the actual amounts could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year in which such adjustments are determined.

Investment Valuation and Income Recognition–

Plan assets are valued on a daily basis. The daily value is applied to daily purchase and sale transactions. Additionally, the net asset value is used to value plan investments on the last day of

the reporting plan year. Interest on the Traditional Annuity and Stable Return Annuity is also calculated daily. Traditional Annuity and Stable Return Annuity are reported at contract value, which approximates fair value.

Contributions–

Contributions from employees are recorded in the period in which the College makes the payroll deductions from participant earnings.

Distributions–

Distributions are recorded when paid. At December 31, 2022 and 2021, there were no benefits processed and approved for payment, but not paid.

Expenses–

Certain of the Plan's administrative expenses such as legal and accounting are paid by the College. Other expenses such as investment management, recordkeeping and distribution fees are considered indirect fees and are based on expense ratios. These expenses are reflected in the value of the Plan's investments.

3. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes

in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the *Statement of Net Assets Available for Benefits*.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021
(Continued)

4. INVESTMENTS (UNAUDITED):

The Plan reports its investments using a concept of fair value which focuses on exit price, the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. There are three (3) levels of fair value hierarchy:

Level 1 - Valuations based on quoted prices (unadjusted) in an active market that are accessible at the measurement date for identical assets or liabilities. The fair value hierarchy gives the highest priority to Level 1 inputs.

Level 2 - Valuations based on observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in inactive markets; or model-derived valuations where all significant inputs are observable and can be derived principally from or corroborated with observable market data.

Level 3 - Valuations based on unobservable inputs are used when little or no market data is available. The fair value hierarchy gives lowest priority to Level 3 inputs.

The Plan's investments are held and administered by the Teachers Insurance and Annuity Association (TIAA). All investment information presented in the accompanying financial statements and supplemental schedules, including investments held, and interest and dividends, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by the Custodians listed above.

TIAA Traditional Annuity is considered a Level 3 valuation and reported at contract value segregated into non-benefit and fully benefit responsive categories. The TIAA Traditional Annuity is not available for sale or transfer on any securities exchange. Accordingly, transactions in similar investment instruments are not observable. While transactions involving the purchases/sales of individual TIAA Traditional Annuity contracts are not observable in a public marketplace, contract value provides a good approximation of fair value. The contract value equals the accumulated cash contributions and interest credited to the Plan's contracts, less any withdrawals. TIAA Traditional Annuity holdings within liquid contracts are considered TIAA Traditional Benefit Responsive (BR). TIAA Traditional holdings within liquid contracts are considered TIAA Traditional Non-Benefit Responsive (NBR).

All other investments are considered Level 1 valuations.

5. DEPARTMENT OF LABOR (DOL) ERISA SECTION 103(a)(3)(C) AUDIT:

The Plan Administrator has elected the ERISA Section 103(a)(3)(C) audit of the Plan as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). TIAA, the Plan's Custodian, provided a certification letter that certifies investment records kept by TIAA are complete and accurate for the plan years

ended December 31, 2022 and 2021. These certifications extend to investment records kept by TIAA for which JP Morgan Chase Bank, a New York banking corporation, and its successors, if any, act as a Directed Trustee, Custodian or both. The Plan's independent accountant did not perform auditing procedures with respect to this information.

6. TAX STATUS:

The Plan is exempt under Internal Revenue Code section 403(b). A 403(b) plan is a retirement plan offered by public schools and certain organiza-

tions tax exempt under Internal Revenue Code Section 501(c)(3).

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021
(Continued)

6. TAX STATUS: *(Continued)*

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and to recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that will more-likely-than-not be sustained upon examination by taxing authorities.

The Plan is subject to routine audits by taxing jurisdictions, and the IRS concluded a plan audit for the 2009-2016 plan years by issuing a Closing Agreement after requiring full correction of identified operational issues. The Plan Administrator believes it is no longer subject to income

tax examinations for years prior to 2009, which was the first year of tax filings required by the IRS for the Plan.

The Internal Revenue Service ("IRS") has not determined by letter that the College's Plan is designed in accordance with applicable sections of the IRC. The College intends to rely on a favorable Determination Letter issued for the Master Plan and Adoption Agreement which is expected to be issued to the Plan Administrator as soon as the IRS program is open for this purpose.

7. PLAN TERMINATION:

Although it has not expressed any intent to do so, the College has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of

Employee Retirement Income Security Act (ERISA). However, no such action may deprive any participant or beneficiary under the Plan of any vested right.

8. PLAN EXPENSES AND PARTIES-IN-INTEREST:

The College paid audit fees on behalf of the Plan totaling \$16,000 and \$16,950 during the years ended December 31, 2022 and 2021, respectively.

The Plan investments are sponsored and managed by the Plan's Custodian, TIAA, as defined by

the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services amounted to \$34,509 and \$51,930 for the years ended December 31, 2022 and 2021, respectively.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500:

For the years ended December 31, 2022 and 2021, the reconciliation of net assets available for benefits as reported in the accompanying financial statements to Form 5500 (Annual Return/Report of Employee Benefit Plan) is presented below.

Additionally, a reconciliation of changes in net assets available for benefits as reported in the accompanying financial statements to Form 5500 for the years ended December 31, 2022 and 2021 is shown below.

<i>Employee Contributions per the Form 5500</i>	<u>\$ 357,669</u>	<u>\$ 323,442</u>

10. PROHIBITED TRANSACTIONS:

As required by ERISA Section 2510.3-102, the Plan Sponsor is required to segregate employee contributions to the Plan from its general assets as soon as practicable, but in no event more than 15 business days following the end of the month in which amounts are withheld from wages. During the 2009 through 2018 Plan years, the College did not remit timely to the Plan's custodian, certain employee contributions totaling \$426,038 related to the DCR Plan and \$94,041 related to the former TDA Plan, within

the periods prescribed by the U.S. Department of Labor Regulations. The College could not produce records of timely contributions during the years stated above. The delayed contributions are considered prohibited, or nonexempt transactions. The corrective action includes calculating and submitting the lost earnings to the Plan's custodian, TIAA, to restore profits for plan participants. During our review, no evidence of corrective actions was provided by the College.
