## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the  
Antioch College Corporation 401(k) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Antioch College Corporation 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Antioch College Corporation 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Antioch College Corporation 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Antioch College Corporation 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Antioch College Corporation 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Antioch College Corporation 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. **Antioch College Corporation 401(k) Plan**  
**Notes to the Financial Statements**  
**December 31, 2022 and 2021**

**NOTE 1: DESCRIPTION OF THE PLAN**

The following description of the Antioch College Corporation 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan’s provisions.

***General***

The Plan was established on January 1, 2012, restated as of August 1, 2023, and is a defined contribution plan covering employee of Antioch College Corporation (the “College” or “Employer”). The plan is subject to the provisions of the Department of Labor’s (DOL’s) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). The Plan’s Trustees are responsible for oversight of the Plan and determine the appropriateness of the Plan’s investment offerings and monitors investment performance.

Some administrative functions are performed by employees of the Company. No compensation is remitted to the Company for these services.

Plan assets are held and managed by John Hancock Life Insurance Company (U.S.A) and Massachusetts Mutual Life Insurance Company, who invests contributions and Plan earnings, makes investment transactions as directed by Plan management and provides certain recordkeeping services. USI acts as the third-party administrator for the Plan, which performs certain plan administration and annual ERISA compliance testing.

***Eligibility***

Employees who are not a union employee, non-resident alien, intern, part-time employee with less than 1000 hours, temporary employee, seasonal employee, or student employee may become a participant of the Plan when they have reached six months of service and are age eighteen or older. An eligible employee may enter the plan on the first day of the month after all entry requirements have been met.

***Contributions***

Each year, participants may contribute up to the lesser of 100% of eligible compensation as defined by the Plan or the maximum amount allowed by law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The College also contributes a non-elective safe harbor contribution equal to 3% of participants eligible compensation, as defined by the Plan. The College may also contribute a discretionary matching contribution and a discretionary non-elective contribution, as defined by the Plan. There were no discretionary matching or discretionary non-elective contributions for the year ended December 31, 2022. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

**Antioch College Corporation 401(k) Plan**  
**Notes to the Financial Statements**  
**December 31, 2022 and 2021**

**NOTE 1: DESCRIPTION OF THE PLAN (Continued)**

The Plan provided for a true up of safe harbor non-elective contributions for 2022 as this provision was enacted on August 1, 2022 and made retroactive to January 1, 2022. The total amount due to the Plan from the College for safe harbor non-elective contributions at December 31, 2022 was \$68,914. Plan management has determined that no allowance was deemed necessary for potential uncollectable amounts.

***Participant accounts***

Each participant's account is credited with the participant's contributions, College contributions and an allocation of the Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

***Vesting***

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in employer non-elective safe harbor contributions, discretionary matching contributions and discretionary non-elective contributions is based on years of continuous service. A participant is 100% vested after three years of credited service.

***Benefit Payments***

Benefit payments may generally be made to a participant upon the participant's retirement, death, disability, termination of employment, attainment of age 59 1/2, or upon incurring a financial hardship. Normal retirement age is 65. Benefits shall be paid to participants in an amount equal to the value of the participant's vested interest in his or her account in a single lump sum.

As permitted by the Internal Revenue Code (IRC), a participant may request a financial hardship withdrawal if they experience severe financial hardship. The participant must meet the condition that they cannot relieve the amount of the need by stopping the elective contributions to the Plan. The financial hardship withdrawal may not exceed the amount of the financial hardship or the value of the vested portion of the participant's balance, whichever is less.

***Forfeitures***

Forfeitures are used to reduce employer contributions and to pay plan expenses. As of December 31, 2022 forfeited non-vested unallocated accounts totaled approximately \$2,000. There were no forfeited non-vested accounts as of December 31, 2021. During the year ended December 31, 2022, no forfeitures were utilized to pay plan expenses or reduce employer contributions into the plan.

**December 31, 2022 and 2021**

**NOTE 1: DESCRIPTION OF THE PLAN (Continued)**

***Plan Restatements and Amendments***

The Plan was restated as of April 1, 2022. During this restatement the plan was modified to allow hardship distribution from vested employer funded balances.

Effective August 1, 2022 the plan was amended and restated coinciding with their switch in recordkeepers and custodians to John Hancock Life Insurance Company (U.S.A). At this time, the plan added a non-elective safe harbor contribution provision equal to 3% of plan compensation for eligible participants. The non-elective safe harbor provision was made retroactive to January 1, 2022. The Plan also adjusted its eligibility provisions decreasing the age and service requirements from 21 years of age to 18 years of age and from twelve months of service to six months of service. The plan also made the following employee groups ineligible for participation: interns, part-time employees working less than 1,000 hours per plan year, temporary employees, seasonal employees, and student employees. The definition of plan compensation was adjusted slightly removing exclusions for differential military pay and post year end compensation.

**NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Financial Accounting Standards Board (FASB) provides authoritative guidance regarding U.S. GAAP through the Accounting Standards Codification (ASC) and related Accounting Standards Updates (ASUs).

**Use of estimates**

The preparation of U.S. GAAP financial statements requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment valuation and income recognition**

Investments generally are reported at fair value, but may also be reported at net asset value (NAV) or contract value.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for further discussion of fair value measurements and NAV. The Plan's Trustees determine the Plan's valuation policies utilizing information provided by the Plan's custodians and insurance companies.

**Antioch College Corporation 401(k) Plan**  
**Notes to the Financial Statements**  
**December 31, 2022 and 2021**

**NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

The plan holds a fully benefit-responsive investment contract, which is reported at contract value. See Note 5 for further information on the contract value of this investment.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Excess contributions payable**

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. There were no excess contribution liabilities as of December 31, 2022 or 2021.

**Payment of benefits**

Distributions to participants are recorded when paid.

**Administrative expenses**

Certain expenses of maintaining the Plan are paid directly by the College and are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments. Fees related to participant directed transactions are charged directly to participant's account and are included in administrative expenses. Certain expenses are paid through revenue sharing rather than direct payment. For the year ended December 31, 2022, revenue sharing expenses paid by the Plan was approximately \$30,000 and is included in net depreciation in fair value of investments.

**Risks and Uncertainties**

The Plan invests in various securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risks associated with certain investment securities, it is reasonably possible that changes in value of investment securities will occur in the near term and that these changes could materially affect amounts reported in the Plan's financial statements.

**Subsequent events**

The Plan has evaluated subsequent events through October 13, 2023, the date the financial statements were available to be issued.

**NOTE 3: INFORMATION CERTIFIED BY CUSTODIANS (UNAUDITED)**

The Plan Administrator has elected the method of compliance, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The following financial information included in the Plan's financial statements has been derived from information certified to be complete and accurate by the Custodians under such regulation:

- a) Total investments, at fair value, included in the statements of net assets available for benefits at December 31, 2022 and 2021.
- b) Total investments, at contract value, included in the statements of net assets available for benefits at December 31, 2022 and 2021.
- c) Non-interest bearing cash included in the statements of net assets available for benefits at December 31, 2022 and 2021.
- d) Investment income information included in the statement of changes in net assets available for benefits for the year ended December 31, 2022.
- e) Net depreciation in fair value of investments included in the statement of changes in net assets available for benefits for the year ended December 31, 2022.
- f) All amounts included in Note 4, Fair Value Measurements (Unaudited).
- g) All amounts included in Note 5, Fully Benefit-Responsive Investment (Unaudited).
- h) All information included in the supplemental schedule of assets (held at end of year) as of December 31, 2022.

**NOTE 4: FAIR VALUE MEASUREMENTS (UNAUDITED)**

Fair value is the exchange price that would be received for an asset or paid to transfer a liability (exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. There are three levels of input that may be used to measure fair values:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs, other than quoted prices, that are:
  - Observable; or
  - Can be corroborated by observable market data.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**Antioch College Corporation 401(k) Plan**  
**Notes to the Financial Statements**  
**December 31, 2022 and 2021**

**NOTE 4: FAIR VALUE MEASUREMENTS (UNAUDITED) (Continued)**

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022 and 2021.

Pooled Separate Accounts ("PSAs"): Valued at the net asset value (NAV) of units of participation held by the Plan at year-end. The NAV, as provided by the custodian, is not publicly traded, but is available to current investors via the custodian's website. Based on the availability of this information the investment has a "Readily Determinable Fair Value" as the PSAs are required to publish their daily net asset value and to transact at that price. The PSAs held by the Plan are deemed to be actively traded.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

**Notes to the Financial Statements**  
**December 31, 2022 and 2021**

**NOTE 5: FULLY BENEFIT-RESPONSIVE INVESTMENT (UNAUDITED)**

The Plan has entered into a traditional fully benefit-responsive investment contract with Massachusetts Mutual Life Insurance Company (MassMutual) totaling \$39,720 at December 31, 2022 and \$39,174 at December 31, 2021. MassMutual maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by MassMutual, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

Participant transactions may be redeemed daily and the contract provides for a 12 month redemption notice period for cancellation of the contract by the contract holder. The plan provided notice to Mass Mutual of its intent to terminate the contract in conjunction with its change in recordkeepers and custodians during 2022. The notice period expired in August 2023 and the funds held under the contract were transferred to John Hancock in September 2023. The transfer occurred at contract value.

**December 31, 2022 and 2021**

**NOTE 6: TAX STATUS**

The Plan uses a pre-approved plan document sponsored by USI Consulting Group which received an opinion letter from the IRS dated June 30, 2022, that the pre-approved Plan was designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code (IRC). Therefore, the Plan administrator believes that the Plan is qualified and is tax-exempt as of the financial statement date.

Tax positions are recognized only if it is “more likely than not” that the tax position be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount that is greater than 50% likely of being realized on examination. For tax positions not meeting the “more likely than not” test, no tax position is recorded. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 7: RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS:**

Certain Plan investments are managed by Massachusetts Mutual Life Insurance Company, an affiliate of Empower Retirement, LLC. Empower Retirement, LLC is a recordkeeper of the Plan and, therefore, these transactions qualify as party in interest transactions. Fees paid to Empower and Massachusetts Mutual Life Insurance Company totaled approximately \$17,000 during 2022 of which approximately \$8,500 was paid through revenue sharing agreements.

Certain Plan investments are managed by John Hancock Life Insurance Company (U.S.A). John Hancock Life Insurance Company (U.S.A) is a recordkeeper of the Plan and, therefore, these transactions qualify as party in interest transactions. Fees paid to John Hancock Life Insurance Company (U.S.A) totaled approximately \$28,000 during 2022 of which approximately \$22,000 were paid through revenue sharing agreements.

USI Consulting Group provided administrative services to the Plan. Fees paid by the Plan for these administrative services totaled approximately \$6,000 during 2022.

Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment.

**NOTE 8: PLAN TERMINATION**

Although it has not expressed any intent to do so, the College has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in Employer contributions.
