Independent Auditor's Report

To the Plan Administrator
Wealth Enhancement Group 401(k) Plan
Plymouth, Minnesota

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Wealth Enhancement Group 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) and Schedule H, Line 4(a) - Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information,

we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agree to, or are derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

1. Description of Plan

The following description of the Wealth Enhancement Group 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan originally effective January 1, 1999. The Plan has been amended throughout the years to comply with tax legislation. The Plan covers all employees of Wealth Enhancement Group, LLC and Wealth Enhancement Trust Services, LLC, together referred to as the “Company”, except for leased employees, non-resident aliens and employees covered by a collective bargaining agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and the Internal Revenue Code (“IRC”).

Fidelity Management Trust Company (“Fidelity”) executes investment transactions as directed by the participants. Fidelity is also responsible for making distributions to participants. Fidelity performs some, but not all, of the recordkeeping services for the Plan. Fidelity performs these functions at the direction of the Company in accordance with the provisions of the Plan.

Eligibility

Employees are eligible to participate in the salary deferral arrangement and discretionary employer matching contributions portions of the Plan after one month of service.

On January 1, 2018, the Plan was amended to auto-enroll eligible participants into the Plan unless the participant elects to opt-out. The participant is automatically enrolled on the first day of the payroll period following completion of the eligibility requirements. The participant is automatically enrolled to contribute 6% of their compensation in the form of pre-tax deferrals and that amount will be increased by 1% each plan year until the amount withheld equals 10% of their compensation.

Employees who have completed 1,000 hours of service during the plan year and are employed on the last day of the plan year are eligible for discretionary employer profit sharing contributions.

Contributions

The Plan includes a salary deferral arrangement as provided for under Section 401(k) of the IRC.

The Plan allows eligible participants to contribute up to 80% of their eligible compensation, as defined by the Plan, up to the maximum amount specified by the Internal Revenue Service. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions to the plan. Participant contributions can be in the form of pre-tax contributions or post-tax Roth contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans or conduit individual retirement accounts.

The Company may, at its discretion, make employer matching contributions. For the year ended December 31, 2022, the Company matched 50% of participants’ contributions up to 6% of eligible compensation. Employer matching contributions aggregated \$4,014,732 for the year ended December 31, 2022.

Wealth Enhancement Group 401(k) Plan

Notes to Financial Statements

The Company may, at its discretion, also make employer non-elective contributions, which was \$1,000, for each eligible participant, aggregating \$1,011,363 for the year ended December 31, 2022.

Participants direct the investment of their contributions and the Company's matching and non-elective contributions into various investment options offered by the Plan. At December 31, 2022, the Plan offered its participants thirty-seven mutual funds, two money market funds, one Collective Investment Trust Fund, and a self-directed brokerage account, as investment options.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contributions and employer contributions and an allocation of Plan income and is charged with withdrawals and administrative expenses attributable to the participants' individual accounts. Allocations are based on participant earnings or account balances, as defined. Income is allocated daily based on the shares in the participant's account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in all contributions plus actual earnings or less actual losses thereon.

Notes Receivable from Participants

A participant may borrow from his or her account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. These notes are then held in the trust and are reflected as notes receivable from participants in the accompanying financial statements. The notes are secured by the balance in the participant's account and bear interest at the prime rate as established in the Wall Street Journal plus one percent, which are commensurate with local prevailing rates as determined at the time of the note by the Plan trustee and reviewed by the plan administrator. Generally, principal and interest are paid ratably through payments outside of payroll, over a period not to exceed five years, except for notes used to fund the purchase of a principal residence which may be repaid over a reasonable period that may exceed five years.

Payment of Benefits

Upon termination of service due to death, disability, or retirement (age 55), a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or if the participant is subject to required minimum distributions, may elect installments over the participant's life expectancy. The Plan provides for in-service distributions upon reaching the age of 59 ½ and for hardship distributions subject to the Plan's provisions. For participants that terminate employment and have an account balance below \$5,000, the plan administrator will authorize the benefit payment without the participant's consent.

Forfeited Accounts

There are no forfeitures as the participants are 100% fully vested at all times.

2. Summary of Accounting Policies

Basis of Accounting

The accompanying financial statements were prepared using the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition

Investments held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expense and are expensed as incurred. No allowance for credit losses has been recorded at December 31, 2022 and 2021. If a participant ceases to make note repayments beyond the last day of the calendar quarter following the calendar quarter in which the participant missed the scheduled payment, the plan administrator will deem the note to be in default. If a distributable event has taken place, as defined in the plan document, the participant balance is reduced by the amount of the note default and a benefit payment is recorded.

Administrative Expenses

The Company absorbs the majority of the Plan's administrative costs. Miscellaneous participant transaction costs are paid by the Plan. Investment related expenses are included in the net appreciation (depreciation) in fair value of investments.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements, the reported amounts of changes in net assets available for benefits during the reporting period, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Wealth Enhancement Group 401(k) Plan

Notes to Financial Statements

3. Fair Value Measurements

Accounting Standards Codification (“ASC”) 820, *Fair Value Measurements and Disclosures*, provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets.
- quoted prices for identical or similar assets or liabilities in inactive markets.
- inputs other than quoted prices that are observable for the asset or liability.
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument’s level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market funds: Valued at quoted prices.

Self-Directed Brokerage Accounts: These accounts are comprised of common stock, mutual funds, and cash and cash equivalents. Common stock is valued at the published market price on an active market. The mutual funds are valued at the NAV that is quoted on an active market and is determined based on the fair value of the underlying assets at the end of each day.

Collective Investment Trust (CIT): Valued at the NAV of units of a collective trust fund. The NAV, as provided by the trustee of the CIT, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily. The Plan’s investment in the Collective Investment Trust is not subject to any withdrawal or redemption restrictions, and there are no unfunded commitments at December 31, 2022.

Wealth Enhancement Group 401(k) Plan

Notes to Financial Statements

The preceding methods described may produce a fair value calculation which may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments measured at fair value on a recurring basis:

	Investments at Fair Value			
<i>December 31, 2022</i>	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 83,052,304	\$ -	\$ -	\$ 83,052,304
Money market funds	5,748,789	-	-	5,748,789
Self-directed brokerage accounts	7,721,896	-	-	7,721,896

Total Investments at fair value	\$ 96,522,989	\$ -	\$ -	\$ 98,601,651

	Investments at Fair Value			
<i>December 31, 2021</i>	Level 1	Level 2	Level 3	Total

Total Investments at fair value	\$ 74,587,218	\$ -	\$ -	\$ 76,862,326

**In accordance with Subtopic 820-10, certain investments that are measured at net asset value per share (or its equivalent) as a practical expedient, have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefit as of December 31, 2022 and 2021.*

Wealth Enhancement Group 401(k) Plan

Notes to Financial Statements

4. Certified Investment Information

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity, a qualified institution, has certified that the following information included in the accompanying financial statements and ERISA-required supplemental schedules are complete and accurate as of December 31, 2022:

- Investments and notes receivable from participants as shown in the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021.
- Investment income and interest income on notes receivable from participants as shown in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2022.
- Investment and notes receivable from participants information included in the Schedule of Assets (Held at End of Year) as of December 31, 2022, as shown on the ERISA-required supplemental schedule.

At the request of the Plan administrator, the Plan's independent auditor did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedules.

5. Tax Status

The Plan is placing reliance on an opinion letter dated June 30, 2020, received from the Internal Revenue Service on the prototype plan indicating that the Plan is qualified under Section 401 of the IRC and is therefore not subject to tax under current income tax law. The prototype Plan has been amended and restated since receiving the opinion letter. However, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

6. Termination of the Plan

Although the Company has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan, subject to the Plan's provisions and regulations of ERISA.

Wealth Enhancement Group 401(k) Plan

Notes to Financial Statements

7. Risks and Uncertainties

The Plan provides for investment in a variety of investment securities. Investments in general are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The macroeconomic impacts stemming from the conflict in Ukraine, and the potential impact and duration of the COVID-19 pandemic, continuing supply chain issues and rising inflation has continued to cause volatility in the markets. Any future impact on investments or the Plan remains uncertain.

8. Party-In-Interest Transactions

Transactions resulting in plan assets being transferred to or used by a related party are prohibited under ERISA unless a specific exemption applies. Fidelity is a party-in-interest as defined by ERISA as a result of investing plan assets in their own investment funds. However, such transactions are exempt under Section 408(b)(8) and are not prohibited by ERISA.

9. Subsequent Events

The Plan has evaluated subsequent events through October 12, 2023, the date the financial statements were available to be issued.

Ladies and gentlemen:

We are providing this letter in connection with your audits of the financial statements of Wealth Enhancement Group 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2022 and December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

The purpose of the audit is to express an opinion as to whether the financial statements present fairly, in all material respects, the net assets available for benefits and changes in net assets available for benefits of the Plan in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

We elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audits did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that ERISA Section 103(a)(3)(C) audits are permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certifications meet the requirements in 29 CFR 2520.103-5, and that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. GAAP and that the assets

held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

We confirm that we are responsible for the preparation and fair presentation in the Plan's financial statements of net assets available for benefits and changes in net assets available for benefits in conformity with U.S. GAAP.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in the light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

We confirm, to the best of our knowledge and belief, as of the date of this representation letter, as entered on the first page, the following representations made to you during your audits:

- (1) We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated July 13, 2023, for the preparation and fair presentation of the Plan's financial statements (including disclosures) in accordance with U.S. GAAP. The notes to the Plan's financial statements include all disclosures required by laws and regulations to which the Plan is subject. The Plan's supplemental schedules are fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- (2) We acknowledge our responsibility for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the ERISA plan financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
- (3) We have fulfilled our responsibility, as set out in the terms of the aforementioned audit engagement letter, for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
- (4) We acknowledge our responsibility for the presentation of the ERISA-required supplemental schedules in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

We believe that the ERISA-required supplemental schedules, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- (b) Additional information that you have requested from us for the purpose of the audit.
- (c) Minutes of the meetings of the Board of Directors, Investment Committee, Administrative Committee or other meetings pertaining to the Plan that were held from January 1, 2022 to the date of this letter, or summaries of actions of recent meetings for which minutes have not yet been prepared.

- (8) The financial statement misstatements relating to accounts and disclosures identified and discussed with us in the course of the Plan audit that are listed immediately below have been corrected. We have evaluated the propriety of the corrected misstatements based on a review of both the applicable authoritative literature and the underlying supporting evidence from our files and confirm our responsibility for the decision to correct them.

	Contributions – Employer Match		1,216,275
	Contributions – Employer Profit Sharing		1,011,000
	<i>To record the employer contribution receivable at December 31, 2022</i>		

- (9) We are not aware of any uncorrected financial statement misstatements relating to accounts or disclosures that would materially affect, either individually or in the aggregate, the financial statements taken as a whole.
- (10) You have identified and discussed with us in the course of the Plan audit the deficiencies in our internal control over financial reporting and reportable findings listed immediately below.

Reportable Findings and Control Deficiencies Other Than Material Weaknesses or Significant Deficiencies
<u>SOC 1 Report Review:</u> BDO notes that plan management does not have adequate supporting documentation to evidence their review of the SOC 1 reports. <u>Excess Contributions:</u> BDO noted excess contributions for one of the participants. The participant withdrew their funds before the process of returning the excess contribution could be completed.

- (11) We acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud. We have disclosed to you the results of our assessment of the risk that

the financial statements may be materially misstated as a result of fraud. We have no knowledge of any:

- (a) Fraud or suspected fraud involving management or involving employees who have significant roles in the Plan's internal control, whether or not perceived to have a material effect on the financial statements.
- (b) Fraud or suspected fraud involving others where the fraud could have a material effect on the financial statements.
- (c) Allegations of fraud or suspected fraud affecting the Plan's financial statements received in communications from employees, former employees, participants, beneficiaries, regulatory agencies, service providers, third-party administrators, law firms, predecessor accounting firms, or other professionals.

(12) We have no:

- (a) Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
- (b) Intentions to terminate the Plan.

(13) The following, where applicable and material, have been properly recorded or disclosed in the financial statements:

- (a) The identity of all related parties and all related party relationships and transactions of which we are aware, including party-in-interest transactions, as defined in ERISA section 3(14) and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements, and guarantees, (whether written or oral) and amounts receivable from or payable to related parties.
- (b) All derivative instruments and any embedded derivative instruments that require bifurcation, in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 815, *Derivatives and Hedging*.
- (c) Arrangements with financial institutions involving compensating balances or other arrangements involving restrictions on cash balances and line-of-credit or similar arrangements .

- (d) Guarantees, whether written or oral, under which the Plan is contingently liable.
- (e) Significant estimates and material concentrations known to management that are required to be disclosed in accordance with FASB ASC 275-10, *Risks and Uncertainties - Overall*. In that regard, all accounting estimates that could be material to the financial statements, including key factors and significant assumptions underlying those estimates, have been identified, and we believe the estimates are reasonable in the circumstances. The methods, significant assumptions, and the data used in making the accounting estimates and the related disclosures are appropriate to achieve recognition, measurement, and disclosure that is in accordance with U.S. GAAP . (Significant estimates are estimates at the date of the statement of net assets available for benefits that could change materially within the next year. Concentrations refer to the nature and type of investments held by the Plan, or markets for which events could occur that would significantly disrupt normal finances within the next year.)
- (f) Amendments to the Plan instrument if any.
- (g) The effects of all known actual or possible litigation, claims, and other liabilities or gain or loss contingencies that are required to be accrued or disclosed by FASB ASC 450, *Contingencies*, including:
 - Pending or anticipated tax assessments or refunds, other potential or pending claims, lawsuits by or against any branch of government or others;
 - Written or oral guarantees, endorsements, or unused letters of credits; or
 - Labor claims or negotiations.

FASB ASC 450-20, *Loss Contingencies*, requires loss contingencies to be accrued if it is probable an asset has been impaired or a liability incurred at the date of the statement of net assets available for benefits and the amount of loss can be reasonably estimated. Such contingencies must be disclosed, but may not be accrued, if the loss is reasonably possible (but not probable) or the loss is probable but the amount of loss cannot be reasonably estimated.

- (h) Commitments, such as a pending sale or merger of all or a portion of the business or of an interest therein or acquisition of all or a portion of the business, assets, or securities of another entity, that would affect the Plan .

(14) There are no:

- (a) Violations or possible violations of laws or regulations (including the failure to file reports required by regulatory bodies (e.g., DOL, IRS, Health and Human Services, state and municipal authorities) when the effects of failing to file could be material to the financial statements) whose effects should be considered for disclosure in the financial statements or as a basis for recording a loss contingency.
- (b) Unasserted claims or assessments that our lawyer has advised us are probable of assertion and must be disclosed in accordance with FASB ASC 450.
- (c) Side agreements or other arrangements (either written or oral) that have not been disclosed to you.
- (d) Other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or loans in default, “events reportable to the PBGC,” or events that may jeopardize the tax status) that legal counsel have advised us that must be disclosed.

(15) Receivables recorded in the financial statements represent valid claims against debtors for charges arising on or before the date of the statement of net assets available for benefits and have been appropriately reduced to their estimated net realizable value.

(16) The Plan has complied with all aspects of contractual agreements, including debt covenants, that would have a material effect on the financial statements in the event of noncompliance.

(17) We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of FASB ASC 820, *Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.

(18) Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable. For any financial instruments, including non-readily marketable securities, we concur with and accept responsibility for the methods and significant assumptions used to estimate fair value of financial instruments and/or the approach used by the appraiser. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.

(19) All required filings of Plan documents with the appropriate agencies have been made.

- (20) The Plan is qualified under the appropriate section of the Internal Revenue Code and intends to continue as a qualified plan. The Plan sponsor has operated the Plan in a manner that did not jeopardize this tax status.
- (21) We intend to formally amend the Plan to incorporate the provisions under which the Plan is currently operating, that were adopted to comply with new laws or regulations.
- (22) The Plan has complied with the DOL's regulations concerning the timely remittance of participants' contributions (and loan repayments) to trusts and/or custodial accounts containing assets for the Plan, except as disclosed in the supplemental schedule of delinquent participant contributions. The Plan has established a remittance policy in accordance with the DOL's regulations.
- (23) The Plan is responsible for the performance of the nondiscrimination tests and assures that the Plan has passed such tests or appropriate action has been taken to rectify any areas of noncompliance.
- (24) The Plan has complied with the fidelity bonding requirements of ERISA.
- (25) The Plan has satisfactory title to all owned assets, which are recorded at fair value, and there are no liens, encumbrances, or security interest on such assets nor has any asset been pledged as collateral.
- (26) There are no:
 - (a) Nonexempt party-in-interest transactions (as defined in ERISA section 3(14) and regulations under that section) that were not disclosed in the supplemental schedules or financial statements.
 - (b) Investments in default or considered to be uncollectible that were not disclosed in the supplemental schedules.
 - (c) Reportable transactions (as defined in ERISA section 103(b)(3)(H) and regulations under that section) that were not disclosed in the supplemental schedules.
- (27) We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.

- (28) No discussions have taken place with your firm's personnel regarding employment with the Plan or the Plan sponsor.
- (29) We have not engaged you to prepare or review the Plan's Form 5500 filing with the DOL and IRS; however, the audited financial statements and supplemental schedules of the Plan are required to be filed with the Form 5500. We acknowledge that professional standards require you to obtain and read a substantially complete draft of the Plan's Form 5500 prior to the dating of the auditor's report. The purpose of this procedure is for you to consider whether such information, or the manner of its presentation, is materially inconsistent with the information, or the manner of its presentation, appearing in the financial statements; and that these procedures are not sufficient nor are they intended for you to ensure that the Form 5500 is completely and accurately prepared.
- (30) The version of the Plan's 2022 audited financial statements that we will file with the DOL using the EFAST2 system will be identical to the copy containing your manually signed report provided to us.
- (31) In connection with the presentation of your audit report on the DOL's website, the full financial statements and supplemental schedules upon which you reported and to which you appended your signed report will be presented.
- (32) There have been no known or suspected breaches of sensitive information (e.g., personnel files) caused by cyber-attack or other means, or other cybersecurity incidents, where the breach or other incident could have a material effect on the financial statements.
- (33) Regarding the financial statement preparation services, performed by you, we have: (1) made all management decisions and performed all management functions, (2) designated an individual Amy Schlagen, with suitable skill, knowledge, or experience to oversee the services, (3) evaluated the adequacy and results of the services performed, and (4) accepted responsibility for the results of the services.
- (34) The Summary Annual Report will be completed and communicated timely in accordance with the DOL's Regulations.
- (35) We have obtained a copy of the relevant SOC 1 reports that cover the year under audit, related to significant processes and transactions that have been outsourced to those service organizations. In connection with those SOC 1 reports, we have read the reports, evaluated the impact of the exceptions to relevant tests, identified the complementary controls listed under the user entity controls section of the report, and have determined that those user entity controls have been designed appropriately and have been implemented.

To the best of our knowledge and belief, no events have occurred subsequent to the date of the statement of net assets available for benefits and through the date of this representation letter, as entered on the first page that would require adjustment to or disclosure in the aforementioned financial statements.

Very truly yours,

A handwritten signature in cursive script, reading "Amy Schlangen".
