INDEPENDENT AUDITORS' REPORT

To: The Plan Administrator of
Kimberly-Clark Puerto Rico, Inc. Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Kimberly Clark Puerto Rico, Inc. Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Kimberly Clark Puerto Rico, Inc. Retirement Plan in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE POWER OF BEING UNDERSTOOD
ASSURANCE | TAX | CONSULTING

RSM Puerto Rico is a member of the RSM network and trades as RSM. RSM is the trading name used by the members of the RSM network. Each member of the RSM network is an independent accounting and consulting firm which practices in its own right. The RSM network is not itself a separate legal entity in any Jurisdiction.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Kimberly Clark Puerto Rico, Inc. Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Kimberly Clark Puerto Rico, Inc. Retirement Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Kimberly Clark Puerto Rico, Inc. Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Kimberly Clark Puerto Rico, Inc. Retirement Plan ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 and Schedule H, Line 4j – Schedule of Reportable Transactions for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

KIMBERLY-CLARK PUERTO RICO, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2022 and 2021

1) Plan Description:

The following brief description of Kimberly-Clark Puerto Rico, Inc. Retirement Plan (the Plan) is provided for general purposes only. Participants should refer to the Plan document for more complete information of the Plan's provisions.

- A) General – The Plan is a noncontributory defined benefit pension plan covering all employees who work for Kimberly-Clark Commercial Inc. (formerly known as Kimberly-Clark Puerto Rico, Inc.) (the Employer) up to December 31, 2010. The Plan is a non-domiciled U.S. Plan, which is qualified under Section 1081 of the Puerto Rico Internal Revenue Code (the Code). The Plan, is also subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and it is administered by the Employer.

In January 1, 2011 the Plan was frozen. All future compensation and benefit service accruals under the Plan ceased, and there are no further compensation and benefit service accruals under the Plan.

The following provisions apply to the benefits calculations:

- Years of benefit service shall not be credited for any participant after December 31, 2010;
 - The average monthly earnings shall be calculated using the fifteen years of benefit service ended on December 31, 2010; provided, however, that any earning payable during the Plan year ended December 31, 2011, which was attributable to the prior Plan year, was included as earnings and;
 - The taxable wage base shall be determined for any participant who is an employee as of December 31, 2010, as if such employee terminated on December 31, 2010.
- B) Basic benefits – An employee who has five (5) years of creditable service and attained age 55 or who attained age 65 and whose employment commenced before he/she had attained age 60 shall be eligible for a basic benefit upon termination of his/her employment if the termination of his/her employment is not by his/her death.
- C) Deferred benefit – A former employee who has had five (5) years of creditable service shall become eligible for a deferred benefit upon attaining age 55 or upon filing an application, whichever is later. If he/she is not eligible for a basic benefit, or any other benefit by reason of years of vesting service, he/she has to file (after attaining age 54) an application with the Committee for a deferred benefit.
- D) Optional joint and survivor benefit –
- Employee's benefit – An employee who is eligible for a basic benefit shall be eligible for an optional joint and survivor benefit in lieu of such basic benefit if the employee is married at the time his employment terminates. The surviving spouse of a decedent shall be eligible for such benefit if such decedent (i) at the time his/her employment termination became a pensioner eligible to receive an optional joint and survivor benefit and was married to such spouse, and (ii) at the time his/her benefit commenced had not waived the joint and survivor benefit.

KIMBERLY-CLARK PUERTO RICO, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2022 and 2021

- Former employee's benefit – A former employee who is eligible for a deferred benefit shall be eligible for an optional joint and survivor benefit in lieu of such deferred benefit, if the former employee is married at the time he/she becomes eligible for a benefit. The surviving spouse of a deceased former employee shall be eligible for a survivor's benefit if such deceased former employee (i) at the time he/she became eligible for a benefit became a pensioner eligible to receive an optional joint and survivor benefit and was married to such spouse, and (ii) at the time his/her benefit commenced had not waived the joint and survivor benefit.
- Benefits paid as optional joint and survivor benefit – Except where waived, all retirement benefits payable to an employee or former employee who is eligible for an optional joint and survivor benefit shall be paid in the form of an optional joint and survivor benefit.

E) Optional certain years and life benefit –

- Employee's benefit – An employee who is eligible for a basic benefit shall be eligible for an optional certain years and life benefit in lieu of such basic benefit if the employee has, prior to the date his/her benefit commences, files with the Plan Administrator an application for an optional certain years and life benefit specifying 5-year, 10-year or 15-year period. The designated beneficiary of a decedent shall be eligible for a survivor's benefit if at the time of the decedent's death (i) such decedent was a pensioner who was receiving or was eligible to receive an optional certain years and life benefit, and (ii) the 5-year, 10-year or 15-year period specified in such decedent's application for an optional certain years and life benefit has not expired.
- Former employee's benefit – A former employee who is eligible for a deferred benefit shall be eligible for an optional certain years and life benefit in lieu of such deferred benefit if the former employee has, prior to the date his benefit commences, filed with the Plan Administrator an application for an optional certain years and life benefit specifying 5-year, 10-year or 15-year period. The designated beneficiary of a deceased former employee shall be eligible for a survivor's benefit if at the time of the former employee's death (i) such former employee was a pensioner who was receiving or was eligible to receive an optional certain years and life benefit, and (ii) the 5-year, 10-year or 15-year period specified in such former employee's application for an optional certain years and life benefit has not expired.

- F) Automatic survivor's benefit – The surviving spouse of a decedent shall be eligible for an automatic survivor's benefit if at the time of his/her death such decedent was an employee whose employment commenced before he/she had attained age 60 and who either had 5 years of vesting service and had attained age 65. The surviving minor of a decedent shall be eligible for an automatic survivor's benefit if at the time of his/her death such decedent was an employee whose employment commenced before he/she had attained age 60 and who either had 5 years of vesting service and had attained age 65, and either had no spouse or his spouse died not later than 30 days following the date of his/her death.

NOTES TO FINANCIAL STATEMENTS December 31, 2022 and 2021

2) Summary of Significant Accounting Policies:

The most significant accounting policies followed by the Plan are summarized below:

- A) Basis of accounting – The accompanying financial statements are prepared on the accrual basis of accounting.
- B) Use of estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein; disclosure of contingent assets and liabilities; and the actuarial present value of accumulated plan benefits at the date of the financial statements. Actual results could differ from those estimates.
- C) Investment valuation and income recognition – Investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

The net appreciation (depreciation) in fair value includes realized gains or losses on investment sales and the net change in unrealized gain or losses on investments held. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

- D) Payment of benefits – Are recorded upon distribution.
- E) Administrative expenses – Are recorded when incurred. Certain expenses of the Plan are paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements.
- F) Actuarial present value of accumulated plan benefits – Accumulated plan benefits are those future periodic payments that are attributable under the Plan's provisions to the service employees rendered. Accumulated plan benefits include benefits expected to be paid to (a) retired or terminated employees or their beneficiaries, (b) beneficiaries of employees who have died, and (c) present employees or their beneficiaries. Benefits under the Plan are based on employee's average earnings for the highest five (5) consecutive calendar years (or last five (5) years of benefit service, if greater) out of the last 15 years of benefit service. Benefits payable under all circumstances are included to the extent they are deemed attributable to employee service rendered to the valuation date.

The actuarial present value of accumulated Plan benefits was computed by an independent actuary and is the amount that results from applying actuarial assumptions to adjust the accumulated Plan benefits to reflect the time value of money through discounts for interest and the probability of payment by means of decrements such as pre-retirement mortality, post-retirement mortality, permanent withdrawal from active status, retirement and disability.

KIMBERLY-CLARK PUERTO RICO, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2022 and 2021

The significant actuarial assumptions used in the valuation as of January 1, 2022 and 2021, were as follows:

Assumption	2022	2021
Life expectancy of participants	Pri-2012 sex-distinct Healthy Employee and Annuitant Tables projected backwards to 2012 projected forward generationally with MP-2021 sex distinct improvement scale.	Pri-2012 sex-distinct Healthy Employee and Annuitant Tables projected backwards to 2012 projected forward generationally with MP-2020 sex distinct improvement scale.
Investment return	4.25%	4.60%
Salary increase	Not applicable since effective January 1, 2011, there would be no further compensation and benefit service accruals under the Plan.	Not applicable since effective January 1, 2011, there would be no further compensation and benefit service accruals under the Plan.

The foregoing actuarial assumptions are based on the presumption that the Plan will continue. Upon termination of the Plan, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of accumulated plan benefits.

The actuarial present value of accumulated plan benefits as of January 1, 2022, is as follows:

Description	Amount
Vested benefits-	
Participants currently receiving benefits	\$ 4,407,024
Participants with deferred benefits	4,535,701
Active employees	<u>1,190,391</u>

Decrease in the discount period	433,179
Actual benefits paid	(354,987)
Change in actuarial assumptions	531,479
Net increase	551,424
Actuarial present value of accumulated plan benefits, as of January 1, 2022	\$ 10,145,849

3) Information Certified by Banco Popular de Puerto Rico:

The following is a summary of the Plan's asset information as of December 31, 2022 and 2021, and for the years then ended, included throughout the Plan's financial statements and supplemental schedules, that were prepared by or derived from information provided by Banco Popular de Puerto Rico (the Trustee) and furnished to the Plan Administrator.

The Plan's Administrator has obtained a certification from the Trustee that information provided to the Plan Administrator by the Trustee related to the following assets is complete and accurate. Accordingly, as permitted by ERISA section 103(a)(3)(C) pursuant to CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedules related to the following assets:

Description	December 31,	
	2022	2021
Investments at fair value	\$ 6,955,711	\$ 8,575,262
Cash	\$ 31,626	\$ 29,625
Accrued interest	\$ 8,844	\$ 6,931

Banco Popular de Puerto Rico also certified the completeness and accuracy of \$1,271,622 and (\$341,488) of net depreciation (appreciation) in fair value of investments, for the years ended December 31, 2022 and 2021, respectively, and \$159,125 and \$156,475 of interest and dividends for the years ended December 31, 2022, and 2021, respectively.

4) Fair Value Measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

KIMBERLY-CLARK PUERTO RICO, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2022 and 2021

The three levels of the fair value hierarchy are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

As of December 31, 2022 and 2021, investments in mutual funds registered with the Securities and Exchange Commission and held by the Plan, are considered Level 1 type investments within the fair value hierarchy.

5) **Funding Policy:**

The Employer's funding policy is to contribute to the Plan at least the minimum amount required by ERISA. The Plan requires that the Employer contributes each year an amount based on the estimate of the Plan's actuary. Such contribution is deposited with the trustee of the Plan. For 2022 Plan year the Plan's funding target attainment percentage was at least 98%. During the year ended December 31, 2022, the Plan elected to use the amount of \$113,568 from the funding balance to offset the minimum required contributions.

6) **Tax Status:**

The Plan has obtained determination letters, the most recent dated April 18, 1983, from Puerto Rico Treasury Department to the effect that the Plan was exempt from income taxes according to Section 1165 of the Code. Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code of 2011, as amended.

KIMBERLY-CLARK PUERTO RICO, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2022 and 2021

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination of taxing authorities. The plan administrator evaluated the tax position taken by the Plan and concluded that the Plan as of December 31, 2022 and 2021, had maintained its tax exempt status and had taken no uncertain tax positions that would require adjustment or disclosures to the financial statements. Therefore, no provision or liability for income taxes has been included in the accompanying financial statements.

7) Risks and Uncertainties:

The Plan's investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the values of investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Plan contributions are made and the actuarial present value of accumulated plan benefits are based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

Recent market conditions have resulted in an unusually high degree of volatility and increased the risks and short-term liquidity associated with certain investments held by the Plan, which could impact the value of investments after the date of these financial statements.

8) Party-in-Interest Transactions:

Kimberly-Clark Commercial Inc. and Banco Popular de Puerto Rico are parties-in-interest as defined by ERISA. There were no prohibited party-interest investments or transactions as of December 31, 2022 and 2021 and for the years then ended.

9) Plan termination:

In the event the Plan terminates, the net assets of the Plan will be allocated, as prescribed by ERISA and its regulations, generally to provide the following benefits in the order indicated:

- A) Participant's accrued benefit
- B) Liabilities of the Plan
- C) Any residual assets of the Plan are distributed to the Employer

KIMBERLY-CLARK PUERTO RICO, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2022 and 2021

10) Subsequent Events:

Effective January 1, 2023, the Plan changed its record keeper and actuarial services from Banco Popular de Puerto Rico and Willis Towers Watson, respectively, to Fidelity Workplace Services LLC.

The plan administrator is not aware of any additional subsequent events which would require recognition and/or disclosure in the financial statements. The plan administrator has evaluated subsequent events through October 12, 2023, the date the financial statements were available to be issued.
