INDEPENDENT AUDITORS' REPORT

To the Trustees and Plan Participants

Kleen-Rite Corporation 401(k) Plan

Columbia, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Kleen-Rite Corporation 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Kleen-Rite Corporation 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

To the Trustees and Plan Participants
Kleen-Rite Corporation 401(k) Plan
Columbia, Pennsylvania

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Kleen-Rite Corporation 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

To the Trustees and Plan Participants
Kleen-Rite Corporation 401(k) Plan
Columbia, Pennsylvania

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Kleen-Rite Corporation 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

To the Trustees and Plan Participants
Kleen-Rite Corporation 401(k) Plan
Columbia, Pennsylvania

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

KLEEN-RITE CORPORATION 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022

NOTE 1: DESCRIPTION OF PLAN

The following description of the Kleen-Rite Corporation 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a safe harbor defined contribution plan with a 401(k) provision. The Plan is a prototype Plan sponsored by The Retirement Advantage, Inc. The Plan was adopted by Kleen-Rite Corporation (the sponsor employer), Kleen-Rite Transportation (participating employer), 16th Street Corporation (participating employer), Best Price Propane (participating employer) and Ship-Rite (participating employer) herein referred to as "the Companies". The Plan covers all employees of the Companies, except union employees, nonresident aliens and leased employees, who have attained age 21 and have completed six months of service. The Plan is subject to the provisions of ERISA.

Contributions

Each year participants may contribute up to 100% of their annual pretax compensation, as defined in the Plan; however, the participant's contribution cannot exceed amounts allowable under applicable federal regulations. In addition, participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Companies also contribute a nonelective employer contribution of 3% of eligible compensation to all participants who have met the eligibility requirements. The Companies may also make discretionary matching contributions and profit sharing contributions. Contributions are subject to certain IRS limitations. Participants direct the investment of all contributions into various investment options offered by the Plan. For the Plan years ending December 31, 2022 and 2021, the Companies made nonelective contributions of \$227,947 and \$214,160, respectively, to the Plan. For the Plan years ending December 31, 2022 and 2021, the Companies made profit sharing contributions of \$314,791 and \$349,690, respectively, to the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Companies' nonelective and discretionary contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and the Companies' nonelective contributions plus actual earnings thereon. Vesting in the Companies' discretionary contributions is based upon years of continuous service. A participant is 100% vested after two years of credited service.

NOTE 1: DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participants' accounts and bear interest at 1% above prime rate, which is commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions. Participants are allowed to have only one loan outstanding at a given time.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested account balance, a direct rollover to another retirement plan or individual retirement account, or periodic installments over a fixed period of time. In-service withdrawals are available to participants who have attained age 59 1/2 or have reached the Plan's normal retirement age, which is 65. A participant may request a hardship withdrawal of all or part of the eligible balance in his or her account.

Forfeited Accounts

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$44,899 and \$35,991, respectively. These accounts can be used to reduce administrative expenses or reduce employer contributions. During the years ended December 31, 2022 and 2021, forfeited balances and the related earnings were not used to reduce administrative expenses or employer contributions.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value.) Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator and Plan sponsor management determine the Plan's valuation policies utilizing information provided by investment advisors and the Plan's trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payments of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Companies pay nearly all administrative costs of maintaining the Plan. Investment related expenses are charged directly to the participant's account, which are recorded as administrative expenses in the statements of changes in net assets available for benefits.

Subsequent Events

Events that occurred subsequent to December 31, 2022, have been evaluated by the Plan through October 11, 2023, which is the date the financial statements were available to be issued.

NOTE 3: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

KLEEN-RITE CORPORATION 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022

NOTE 3: FAIR VALUE MEASUREMENTS (Continued)

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Money market and mutual funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The mutual funds are required to publish their daily net asset values and to transact at those prices. The mutual funds are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's major categories of assets at fair value as of December 31, 2022:

Description	Level 1: Quoted Prices in Active Markets for Identical Assets	Level 2: Significant Other Observable Inputs	Level 3: Significant Unobservable Inputs	Total
<u>Money market and mutual funds</u>	<u>\$ 8,851,060</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,851,060</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's major categories of assets at fair value as of December 31, 2021:

<u>Money market and mutual funds</u>	<u>\$ 10,160,935</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 10,160,935</u>

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022

NOTE 4: INCOME TAX STATUS

The Plan has adopted a prototype document that was restated to comply with various tax law changes. The latest prototype Plan received a favorable opinion letter dated March 31, 2014. Plans that use prototype documents are not required to file for an individual determination letter.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5: PLAN TERMINATION

Although they have not expressed any intent to do so, the Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will be 100% vested in their employer contributions.

NOTE 6: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7: RELATED-PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Capital Bank and Trust Company. Capital Bank and Trust Company is the trustee as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions. The fair value of these funds totaled \$8,785,327 and \$10,107,175 at December 31, 2022 and 2021, respectively. The Plan paid no administrative fees to Capital Bank and Trust Company during the years ended December 31, 2022 and 2021.

As previously discussed, the Plan may issue notes receivable to participants that are secured by participant account balances. Participant loans totaled \$123,493 and \$56,099 at December 31, 2022 and 2021, respectively. Interest income from participant loans was \$3,406 and \$2,458 for the years ended December 31, 2022 and 2021, respectively. All of these transactions qualify as party-in-interest transactions.

NOTE 8: INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value of investments, interest and dividends for the years then ended, was obtained and derived from information supplied to the Plan administrator and certified as complete and accurate by Capital Bank and Trust Company, the trustee of the Plan.

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022

NOTE 9: INVESTMENT CONTRACTS

The Plan invests in Reliance MetLife GAC Series 25157 Class 68 contract, of which Reliance Trust Company is the custodian. The contract invests in MetLife Group Annuity Contract 25157 and MetLife Group Annuity Contract 37001 (the "Contracts"). The Contracts are the primary underlying investments for the contract. As a guaranteed insurance contract, this is not an investment, but is a group annuity contract with a guarantee backed by the assets in the general account of MetLife. The general account consists of asset-backed securities, government bonds, and short-term cash equivalents.

The contract seeks to provide a conservative foundation for retirement by offering stability of principal, a declared interest rate, and that no transfer charges will apply to participants.

Interest rates are established on the product every three months (on January 1, April 1, July 1, and October 1). All of the prior year Guaranteed Interest balances continue, and another guaranteed rate of interest is set, based upon an asset-weighted average of all underlying guaranteed interest balances.

The contract is a fully benefit-responsive investment contract. As described in Note 2, because the investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the investment contract.

Certain events limit the ability of the fund to transact at contract value. Such events include but may not be limited to the following: (1) Plan termination, (2) material adverse change to the provisions of the Plan, and (3) an employer election to withdraw from a contract in order to switch to a different investment provider.

The Plan sponsor is not aware of any circumstances that would limit the ability of the fund to transact at contract value.

NOTE 1: DESCRIPTION OF PLAN

The following description of the Kleen-Rite Corporation 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a safe harbor defined contribution plan with a 401(k) provision. The Plan is a prototype Plan sponsored by The Retirement Advantage, Inc. The Plan was adopted by Kleen-Rite Corporation (the sponsor employer), Kleen-Rite Transportation (participating employer), 16th Street Corporation (participating employer), Best Price Propane (participating employer) and Ship-Rite (participating employer) herein referred to as "the Companies". The Plan covers all employees of the Companies, except union employees, nonresident aliens and leased employees, who have attained age 21 and have completed six months of service. The Plan is subject to the provisions of ERISA.

Contributions

Each year participants may contribute up to 100% of their annual pretax compensation, as defined in the Plan; however, the participant's contribution cannot exceed amounts allowable under applicable federal regulations. In addition, participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Companies also contribute a nonelective employer contribution of 3% of eligible compensation to all participants who have met the eligibility requirements. The Companies may also make discretionary matching contributions and profit sharing contributions. Contributions are subject to certain IRS limitations. Participants direct the investment of all contributions into various investment options offered by the Plan. For the Plan years ending December 31, 2022 and 2021, the Companies made nonelective contributions of \$227,947 and \$214,160, respectively, to the Plan. For the Plan years ending December 31, 2022 and 2021, the Companies made profit sharing contributions of \$314,791 and \$349,690, respectively, to the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Companies' nonelective and discretionary contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and the Companies' nonelective contributions plus actual earnings thereon. Vesting in the Companies' discretionary contributions is based upon years of continuous service. A participant is 100% vested after two years of credited service.

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022

NOTE 1: DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participants' accounts and bear interest at 1% above prime rate, which is commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions. Participants are allowed to have only one loan outstanding at a given time.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested account balance, a direct rollover to another retirement plan or individual retirement account, or periodic installments over a fixed period of time. In-service withdrawals are available to participants who have attained age 59 1/2 or have reached the Plan's normal retirement age, which is 65. A participant may request a hardship withdrawal of all or part of the eligible balance in his or her account.

Forfeited Accounts

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$44,899 and \$35,991, respectively. These accounts can be used to reduce administrative expenses or reduce employer contributions. During the years ended December 31, 2022 and 2021, forfeited balances and the related earnings were not used to reduce administrative expenses or employer contributions.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value.) Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator and Plan sponsor management determine the Plan's valuation policies utilizing information provided by investment advisors and the Plan's trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payments of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Companies pay nearly all administrative costs of maintaining the Plan. Investment related expenses are charged directly to the participant's account, which are recorded as administrative expenses in the statements of changes in net assets available for benefits.

Subsequent Events

Events that occurred subsequent to December 31, 2022, have been evaluated by the Plan through October 11, 2023, which is the date the financial statements were available to be issued.

NOTE 3: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

KLEEN-RITE CORPORATION 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2022

NOTE 3: FAIR VALUE MEASUREMENTS (Continued)

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Money market and mutual funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The mutual funds are required to publish their daily net asset values and to transact at those prices. The mutual funds are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's major categories of assets at fair value as of December 31, 2022:

The general account consists of asset-backed securities, government bonds, and short-term cash equivalents.

The contract seeks to provide a conservative foundation for retirement by offering stability of principal, a declared interest rate, and that no transfer charges will apply to participants.

Interest rates are established on the product every three months (on January 1, April 1, July 1, and October 1). All of the prior year Guaranteed Interest balances continue, and another guaranteed rate of interest is set, based upon an asset-weighted average of all underlying guaranteed interest balances.

The contract is a fully benefit-responsive investment contract. As described in Note 2, because the investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the investment contract.

Certain events limit the ability of the fund to transact at contract value. Such events include but may not be limited to the following: (1) Plan termination, (2) material adverse change to the provisions of the Plan, and (3) an employer election to withdraw from a contract in order to switch to a different investment provider.

The Plan sponsor is not aware of any circumstances that would limit the ability of the fund to transact at contract value.
