INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
ABC Plumbing, Heating, Cooling & Electric 401(k) Plan
Arlington Heights, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of ABC Plumbing, Heating, Cooling & Electric 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in the notes to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

DESCRIPTION OF PLAN

The following description of the ABC Plumbing, Heating, Cooling & Electric 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Plan covers employees of ABC Plumbing, Heating, Cooling, & Electric, Inc., ABC Plumbing, Air and Heat, LLC and ABC Southwest Company, Inc. (through May 25, 2022) ("the Company"). The Plan was amended and restated as of December 1, 2020, at which time a CODA (salary deferral) and Company match contributions were added.

The Plan is a defined contribution plan covering substantially all employees who must be the age of 21, and completed one full year of service during the Plan year (attaining 1,000 hours of service). Once this requirement has been met, an employee will enter the plan on January 1st or July 1st, coincident with satisfaction of the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: The Plan is a defined contribution plan, pursuant to Section 401(k) of the Internal Revenue Code, and provides for the following contributions, which are to be maintained in separate accounts for each participant:

- (a) Salary Deferral Contributions – a participant may elect to, on a pre-tax basis, an after-tax basis, or a combination of the two, defer and contribute to the Plan each year amounts not to exceed the lesser of 100 percent of compensation, as defined, or the statutory limits.
- (b) Employer Safe Harbor Contributions – The Company will make Safe Harbor Contributions to the Plan in the amount of 3% of all eligible participant's compensation. Safe harbor contributions for the plan year ending December 31, 2022 were \$422,838.
- (c) Employer Profit Sharing Contribution - to be made at the discretion of the Company. These contributions are allocated based on the proportion that the total compensation, as defined, of each participant bears to the total compensation of all participants. In order to receive a profit sharing or match contribution, participants must be 21 years old, complete 1,000 hours of service, and be employed as of the Plan year end. Profit sharing contributions for the plan year ending December 31, 2022 were \$56,083.
- (d) Rollover and Transfer Contributions - to be made by the employee from amounts distributed or transferred from other qualified plans.

Investment Options: Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their investment options daily.

Participant Accounts: Each participant's account is credited with the participant's elective contribution and Company safe harbor contributions, as well as allocation of the Company's discretionary profit sharing contribution, if any, Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on the participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Loans: Participants may borrow from their fund accounts, a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of the participant's vested account balance. The loans are secured by the balance of the participant's account and bear interest at a rate of 2% over the prime rate. Principal and interest is paid ratably through payroll deductions. The loan will become payable in full on termination of employment. Loan terms range from 1 - 5 years. All repayments are made through payroll deductions. Loan payments in advance of their scheduled due dates, are permitted.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits: Payments of benefits are made to participants or their beneficiaries upon death, retirement, disability or, at the option of the employee, termination of employment. The participant will reach the plan's normal retirement at the later of age 65 and the fifth anniversary of participation. Payment of benefits will begin as soon as practicable following separation from service, based on account value on the preceding valuation date. A participant is eligible for early retirement benefits on the date they reach age 55 and 10 years of service. The vesting in the employer contribution will be determined in accordance with the plan's vesting schedule. Participants' accounts under \$1,000 will be distributed as soon as feasible following the event that entitles the participant to a distribution in the form of a lump sum payment.

Distributions due to retirement, permanent disability or death will be paid based on the provisions in the Plan. Disability is based on the determination of the Social Security Administration eligibility to receive Social Security disability payments.

Administrative Expenses: All Plan expenses, including without limitation, expenses and fees of the plan sponsor, administrator, investment manager, trustee and any insurance company shall be charged as expenses of the Plan unless the employer chooses to pay such expenses. The Plan pays substantially all administrative expenses of the Plan.

Vesting: Participants are fully vested in their contributions and rollovers plus actual earnings thereon. Participants are also 100% vested in safe harbor contributions and earnings thereon. Vesting of Employer Matching Contributions and Employer Profit Sharing Contribution accounts for each participant is based on years of service, beginning with 20% after two years, increasing 20% per year until fully vested after six years of service. At normal retirement, death or upon becoming disabled, participants become 100% vested regardless of years of service.

Forfeited Accounts: Forfeited balances of terminated participants' non-vested accounts may be re-allocated among eligible participants or to pay administrative expenses of the Plan. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$70,109 and \$52,420, respectively. In 2022, \$40,000 of forfeitures were used to reduce employer contributions.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The accompanying financial statements are presented on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer the liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses in investments bought and sold as well as held during the year.

Payment of Benefits: Benefits are recorded when paid.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses: Recordkeeping and investment advisory fees are paid by the Plan. Certain administrative expenses are paid by the Company.

Reclassifications: Certain amounts in the prior-year financial statement have been reclassified for comparative purposes to conform with the presentation in the current-year financial statement.

Subsequent Events: Management has evaluated subsequent events through October 12, 2023, the date the financial statements were available to be issued.

FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liabilities.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs that are unobservable inputs for the asset or liability.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022.

Shares of Pooled Separate Accounts: Pooled separate accounts are valued at the net asset value ("NAV") of shares held by the Plan. Pooled separate accounts held by the Plan are privately managed investment accounts through a brokerage or financial advisor that uses pooled money to buy individual assets. The pooled separate accounts held by the Plan are deemed to be actively traded.

INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN OF THE PLAN

The Company, acting in its capacity as the Plan administrator, has elected the method of annual reporting compliance permitted by 20 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The investment information included in the accompanying financial statements and supplemental schedule as of December 31, 2022 and 2021, and for the year ended December 31, 2022, was prepared by or derived from information prepared by the John Hancock Life Insurance Company ("John Hancock"), the plan custodian, and furnished to the Company. The Company obtained certification from John Hancock as of December 31, 2022 and 2021, and for the year ended December 31, 2022, that such information is complete and accurate.

PARTIES-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of registered investment companies managed by John Hancock, the Plan custodian and, therefore, these transactions qualify as party-in-interest transactions. Certain administrative expenses incurred by the Plan are paid by the Company. Additionally, certain employees of the Company provide various services to the Plan. These employees are not compensated for these services from the Plan.

PLAN TERMINATION

Although it has not expressed any intent to do so, the employer has a right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

TAX STATUS

The Plan follows a non-standardized form of a prototype plan sponsored by Datair Employee Benefit Systems Inc. The prototype plan has received an opinion letter dated June 30, 2020, from the Internal Revenue Service as to the prototype plan's qualified status. Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code, and therefore, believe that the Plan is qualified, and the related trust is tax exempt. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

DELINQUENT PARTICIPANT CONTRIBUTIONS

For the year ended December 31, 2021, certain participant contributions were not remitted to the trust within the time frame specified by the Department of Labor's Regulation 29 CFR 2510.3-102, thus, constituting nonexempt transactions between the Plan and the Company. The Company remitted the lost earnings to the Plan during the year ended December 31, 2022.

TRANSFER OF ASSETS TO THE ABC SOUTHWEST COMPANY INC. 401(K) PLAN

On May 25, 2022, ABC Southwest Company Inc. adopted the ABC Southwest Company 401(k) Plan and both the active and terminated participant balances of the participants employed or formerly employed by ABC Southwest Company, Inc. were subsequently transferred to the new plan.
