Cincinnati-Hamilton County Community Action Agency 403(b) Tax Deferred Annuity Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Cincinnati-Hamilton County Community Action Agency 403(b) Tax Deferred Annuity Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022; the related statement of changes in net assets available for benefits for the year then ended; and the related notes to the financial statements (collectively, the financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Standard Insurance Company and Lincoln Financial Group as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

**Opinion (Continued)**

- The information in the accompanying financial statements related to assets held by and certified to by Standard Insurance Company and Lincoln Financial Group agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Prior Period Financial Statements

The financial statements as of December 31, 2021, were audited by Zeno, Pockl, Lilly & Copeland, A.C., who merged with S.R. Snodgrass, P.C. as of January 1, 2023, and whose report dated June 21, 2022, expressed an unmodified opinion on those statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due, or which may become due, to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance, and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4a – Schedule of Delinquent Employer Contributions and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by Standard Insurance Company and Lincoln Financial Group agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

403(B) TAX DEFERRED ANNUITY PLAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 1 – DESCRIPTION OF PLAN

The following brief description of the Cincinnati-Hamilton County Community Action Agency 403(b) Tax Deferred Annuity Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan Document for a more comprehensive description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all employees of the Cincinnati-Hamilton County Community Action Agency (the “Organization/Employer/Plan Sponsor”) who have attained age 21.

There is no service requirement to enter the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may elect to have the Employer withhold and contribute a portion of their compensation to the Plan. Participants are also permitted to deposit distributions from other qualified plans. The Employer will match up to 6 percent of a participant’s annual salary based on years of service as follows:

<u>Years of Service</u>	<u>Percentage Match</u>
1	0%
2	20%
3	30%
4	40%
5	50%
6	60%
7	70%
8	80%
9	90%
10	100%

Contributions are subject to certain limitations.

Participant Accounts

Each participant’s account is credited with applicable contributions and Plan earnings or losses. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their contributions, as well as Plan Sponsor matching contributions.

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Administrative Expenses

Administrative expenses of the Plan relating to investment management, recordkeeping, accounting fees, and miscellaneous expenses are paid by both the Plan Sponsor and the Plan.

Payments of Benefits

Payment of benefits can be made in various methods, depending upon the reason for the distribution, such as termination of service, death, retirement, or other factors. Participants are entitled to benefits beginning at normal retirement age.

Forfeitures

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$0 and \$6, respectively. Forfeited nonvested accounts are used to reduce future Employer contributions or for payment of administrative expenses.

Participant Loans

Participants may obtain Plan loans for a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000, or 50 percent of the vested balance of the account. Such loans are obtained directly from the Custodian of the Plan and are collateralized by a portion of the participant's account balance. Upon the execution of a Plan loan agreement, a portion of the participant's account balance is transferred into the unallocated insurance contract offered by the Lincoln Financial Group. Loan repayments are made by participants directly to the Lincoln Financial Group. As loan payments are received by the Custodian, a portion of the funds held as collateral are released. Defaults are determined in accordance with the terms of the Plan loan agreement between the Custodian and the participant. Upon default, the Plan loan becomes taxable to the participant; however, the collateral remains in the participant's account until the participant reaches a distributable event such as retirement or termination. Plan loans outstanding with the Lincoln Financial Group at December 31, 2022 and 2021, were \$73,098 and \$76,432, respectively.

Participants may also borrow from their Charles Schwab Bank account. The loans are secured by the balance in the participant's account. Principal and interest are paid ratably through monthly payroll deductions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting principles followed by the Plan and the methods of applying these principles conform to U.S. generally accepted accounting principles (U.S. GAAP).

A summary of the significant accounting and reporting policies applied in the presentation of the accompanying financial statements follows:

CINCINNATI-HAMILTON COUNTY COMMUNITY ACTION AGENCY

NOTES TO THE FINANCIAL STATEMENTS (Continued)
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Accounting Estimates

The financial statements have been prepared in conformity with U.S. generally accepted accounting principles. In preparing the financial statements, management is required to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ significantly from those estimates.

Valuation of Investments

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the Plan year.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 – INVESTMENTS

The Plan investments are administered by Lincoln National Life Insurance Company ("Custodian") and Charles Schwab Bank ("Custodian"). The following is a summary of the investment information as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included throughout the Plan's financial statements and supplemental schedules, that were prepared by, or derived from, information provided by the Custodians and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Custodians stating that information provided to the Plan Administrator by the Custodians related to the following investments is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information, which appears throughout the financial statements and supplemental schedules, related to investments:

The Custodians also certified to the accuracy of \$1,067,944 of net depreciation in fair value of investments and \$45,964 of interest and dividend income for the year ended December 31, 2022.

NOTE 4 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 5 – TAX STATUS

The Internal Revenue Service has determined and informed the Plan Administrator that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC) by letter dated March 31, 2017. The letter states that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan sponsor and the Plan administrator believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Management of the Plan is required to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

The Organization absorbs certain costs incurred in relation to the administration of the Plan. Such costs pertain to legal and accounting issues. In addition, certain Plan investments are managed by Lincoln National Life Insurance Company and Charles Schwab Bank, the Custodians of the Plan.

NOTE 7 – FAIR VALUE OF FINANCIAL INSTRUMENTS

The Plan discloses fair value of its financial instruments. Financial instruments are defined as cash, evidence of ownership in an entity, or a contract which creates an obligation or right to receive or deliver cash or another financial instrument from/to a second entity on potentially favorable or unfavorable terms. If quoted market price is available for a financial instrument, the estimated fair value would be calculated based upon the market price per trading unit of the instrument.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

NOTE 8 – FAIR VALUE MEASUREMENTS

The Plan utilizes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and lowest priority to unobservable inputs. The three levels of the fair value hierarchy are described below:

- Level I: Inputs to the valuation methodology are unadjusted quoted prices for assets or liabilities in active markets that the Plan has the ability to access.
- Level II: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level III: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Pooled Separate Account and Common Collective Trust: The pooled separate accounts sponsored by Lincoln National Life Insurance Company are valued at the net asset value (NAV) of units held by the Plan at year end. The unit values of participation units in the pooled separate accounts (PSA) are based on the underlying mutual fund held in the PSA, minus liabilities, which are the contract charges imposed, divided by the number of participation units outstanding. The pooled separate accounts and the common collective trust sponsored by Charles Schwab Bank utilize a unit value. The unit value calculation incorporates four specific components of mutual fund returns in one unit value on a daily basis: 1) changes in the market value (NAV) of the underlying mutual fund, 2) reinvestment of all dividends and capital gains received from the company, 3) any revenue sharing that the administrator expects to receive from the fund company, and 4) the administrator's fee calculated on a daily basis and based on the total underlying assets of the Plan.

CINCINNATI-HAMILTON COUNTY COMMUNITY ACTION AGENCY
403(B) TAX DEFERRED ANNUITY PLAN
NOTES TO THE FINANCIAL STATEMENTS (Continued)
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 8 – FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables summarize investments measured at fair value based on NAV per share as of December 31, 2022 and 2021:

	2022			
	<u>Fair Value</u> <u>Notice Period</u>	<u>Unfunded</u> <u>Commitment</u>	<u>Redemption</u>	<u>Redemption</u> <u>Frequency</u>
Pooled Separate Accounts	\$ 4,575,482	\$ -	Daily	None

	2021			
	<u>Fair Value</u> <u>Notice Period</u>	<u>Unfunded</u> <u>Commitment</u>	<u>Redemption</u>	<u>Redemption</u> <u>Frequency</u>
Pooled Separate Accounts	\$ 5,856,299	\$ -	Daily	None

Group Variable Annuity Contract: Valued at contract value, which equals cash contributions plus interest credited to the Plan's contract. The Custodian has represented that contract value approximates fair value due to current crediting rates being comparable to those of similar investments. The contract amount maintained in the Fixed Account is guaranteed against loss of principal, minus all withdrawals, including charges and adjustments. The guarantee is based on the ability of Lincoln National Life Insurance Company to meet its financial obligations from its general assets. Due to the nature of the contract, the Fixed Account does not have a specific underlying asset assigned to it. Interest is credited daily at an interest rate that will not be less than the guaranteed minimum interest rate. The interest crediting rate is declared on a quarterly basis.

Deposit Administration Contract: The contract value of the deposit administration contract approximates fair value because the interest crediting rate is reset annually.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.
