Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of Robert Englekirk Profit Sharing 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution)

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section.

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022, Financial Statements section of our report. We are required to be independent of Robert Englekirk Profit Sharing 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Robert Englekirk Profit Sharing 401(k) Plan's ability to continue as a going concern for the year ended December 31, 2022.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Robert Englekirk Profit Sharing 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Robert Englekirk Profit Sharing 401(k) Plan's ability to continue as a going concern for a reasonable period of time.
- Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.
- Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of Robert Englekirk Profit Sharing 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 5, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the

certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA

ROBERT ENGLEKIRK PROFIT SHARING 401(K) PLAN
NOTES TO FINANCIAL STATEMENT
DECEMBER 31, 2022 AND 2021

NOTE 1: DESCRIPTION OF THE PLAN

The following description of the Robert Englekirk Profit Sharing 401(k) Plan, (the Plan) provides only general information. Participants should refer to the Plan document for a more comprehensive description of the Plan's provisions.

Plan Termination/merger

As a result of the merger between Engineering Employee Service Corp. and WSP USA Inc. earlier; the Plan participants were notified that the Plan will merge the plan operation will be suspended on December 31, 2022, and subsequently the entire participants vested accounts including their outstanding loans were transferred to the WSP USA Retirement Saving Plan (new Plan) sponsored by WSP USA Inc., excluding the participant loan balances. Accordingly, all activities of the plan were ceased, and participant account were liquated and transferred into the new Plan on December 30, 2022, with the intention to terminate the Plan at December 31, 2022.

Contributions

Each year, the Company may contribute to the Plan known as a Profit-Sharing Contribution. Participant's accounts are credited based on the ratio of their compensation compared to total Plan compensation of all participants eligible for a share of this contribution. For the years ended December 31, 2022, and 2021 the Company contribution equaled 15 percent of participant's compensation with certain limits.

Participants may contribute up to 100 percent of their eligible, pretax annual compensation, subject to Internal Revenue Code dollar limits for 401(k) deferrals as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make additional catch-up contributions. Participants may also contribute (rollover) amounts representing pretax distributions from other from other qualified defined benefit or defined contribution plans. All contributions to the plan, including any matching funds by the employers, are invested at the direction of the participants. The Employer may make a matching contribution of 50 percent of the participant's pretax contributions, up to 6 percent of the participant's eligible compensation.

Participant Accounts

Each participant's account is credited or charged with his or her contributions and an allocation of a) the Company's profit-sharing contribution, b) Plan earnings or losses and, and c) forfeitures of terminated participants' non-vested accounts and charged with an allocation of any trustee administrative fees.

NOTE 1: DESCRIPTION OF THE PLAN (continued)

Investment Options

The Plan currently offers diversified investment funds as investment options for participants. The participants may change their investment options at any time.

Vesting

Per Plan provision on December 1, 2022, participants were vested immediately in their contributions adjusted by investment earnings or losses thereon. Company contributions are vested based on years of credited service. There is a graded vesting schedule whereby a participant is 100 percent vested after six years of credited service (20 percent per year from the completion of second year of service). Upon retirement age, death, permanent disablement of the participant, freezing or termination of the Plan by the Employer, a participant becomes fully vested.

Withdrawals

The Internal Revenue Service (IRS) places certain restrictions on withdrawals in order to retain the special tax-savings benefits associated with the Plan. The Plan allows withdrawals at retirement age 65, disability, separation of service, death, or financial hardship, as defined by the Plan.

Payments of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account either a lump-sum amount, or in annual installments, over ten-year period, or no payments. For participant with vested balance account less than certain amount will receive the value to the vested interest in his or her account as a lump-sum distribution. The Plan also allows in-service hardship withdrawals before retirement age for qualifying circumstances.

Forfeitures

For December 31, 2021, and 2022, forfeited non-vested accounts totaled \$4,308 and -0- respectively. Forfeitures are reallocated to participants in the same manner as employer contributions.

NOTE 1: DESCRIPTION OF THE PLAN (continued)

Notes Receivable from Participants

Participants may borrow from their account balances, provided that the loan does not exceed 50% of their vested account balance a minimum of \$1,000 up to a maximum of \$50,000, at the date of the loan application, and are generally segregated investments of the participants borrowing the money. The loans are secured by the vested balance in the participant's account and bear interest at local prevailing rates. Borrowers repay principal and interest over five years or less via regular payroll deductions.

Administrative Expenses

The administrator's expenses were paid by the plan. The custodian's fees of basis points of assets invested were paid directly from these assets. Additional fees will also be applicable on benefit disbursements, loans, and periodic payments, which are charged on participants' accounts.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain amounts and disclosures. Accordingly actual results could differ from those estimates.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attributed for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participant would receive if they were to initiate permitted transactions under the terms of the plan. The Statement of Net Assets Available for Benefits presents the fair value of the investment contracts. The Statement of Changes in Net Assets Available for Benefits is prepared on a contract value basis.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022, and 2021, no allowance for credit losses has been recorded. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis.

Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net realized and unrealized depreciation and appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year. See Note 4 for discussion on fair value measurements.

Date of Management's Review

Subsequent events were evaluated through October 14, 2023, which is the date the financial statements were available to be issued.

Payments of benefits and Corrective distributions

Benefits and Corrective distributions are recorded when incurred.

Operating Expenses

The administrator's expenses were paid by the plan. The custodian's fees of basis points of assets invested were paid directly from these assets. Additional fees will also be applicable on benefit disbursements, loans and periodic payments, which are charge on participants' accounts.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Excess participant contributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Services are recorded as a liability with a corresponding reduction to participant contributions. Excess contributions as of December 31, 2022, amounted to \$6,156 which was returned to plan participants in 2023.

NOTE 3: SUMMARY OF UNAUDITED INFORMATION

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. The following information was certified by the Bank of America N.A. and was not subjected to any auditing procedures performed by the independent public accountant:

- a. Fair value and net realizable value of investment as reflected in the Statements of Net Assets Available for Plan Benefits as of December 31, 2022, and 2021.
- b. Interest and dividends, net realized and unrealized depreciation in fair value of investments, and interest income on notes receivable from participants as reflected in the Statement of Changes in Net Assets Available for Plan Benefits for the Year Ended December 31, 2022.
- c. Investment information reflected in Schedule H, line 4i – Schedule of Assets (Held At End of Year) as of December 31, 2022.

NOTE 4: FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

ROBERT ENGLEKIRK PROFIT SHARING 401(K) PLAN
NOTES TO FINANCIAL STATEMENT
DECEMBER 31, 2022 AND 2021

NOTE 4: FAIR VALUE MEASUREMENTS (continued)

All of the Plan's investments were valued at Level One of fair value measurement hierarchy at December 31, 2022, and 2021. Under Level One, imputes to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 1 Fair Value Measurement: The fair value of Registered Investment companies (mutual funds) is valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5: TAX STATUS

The internal Revenue Service has determined and informed the Employer by a letter dated March 31, 2008, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The plan has been amended since receiving the determination letter. However, the plan administrator believes the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not based on the technical merits, to be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

ROBERT ENGLEKIRK PROFIT SHARING 401(K) PLAN
NOTES TO FINANCIAL STATEMENT
DECEMBER 31, 2022 AND 2021

NOTE 6: RELATED PARTY TRANSACTIONS

The Plan investments are shares of mutual funds managed by Merrill Lynch. Merrill Lynch is the Co-trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Direct and indirect fees paid by the Plan for the investment management services amounted to \$185,652 and \$6,433 for the years ended December 31, 2022, and 2021, respectively. The party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 7: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8: SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 11, 2023, the date which the financial statements were available to be issued. Except as disclosed, there were no other subsequent events note that would require adjustments to or disclosure in these financial statements. The effects of the global pandemic COVID-19 in the market have generally been mitigated in U.S. markets, however, the impact of the COVID-19 on foreign markets continues to evolve. The Company is not able at this time to estimate its impact on the Plan's assets in foreign companies.
