INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Globe Metallurgical, Inc. Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Globe Metallurgical, Inc. Retirement Savings Plan ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITOR'S REPORT

(continued)

- the information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of the ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and is to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT

(continued)

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) and schedule of delinquent participant contributions as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

INDEPENDENT AUDITOR'S REPORT

(continued)

The information included in the supplemental schedules, other than that agreed to or derived from the certified investments information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion —

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by the institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - PLAN DESCRIPTION

The following description of the Globe Metallurgical, Inc. Retirement Savings Plan (“Plan”) provides general information only. Participants should refer to the Plan document and adoption agreement for a more complete description of the Plan’s provisions.

General

The Plan was originally established on November 20, 1984, as the Retirement Income Plan for the Salaried Employees of the Beverly Division of Globe Metallurgical, Inc. On July 1, 1992, the Plan was amended and restated as a 401(k) defined contribution plan to permit participant contributions. The Plan’s name was changed to the Globe Metallurgical, Inc. Retirement Savings Plan and the Plan was expanded to include employees of Globe Metallurgical, Inc., Globe Specialty Metals, Inc., Norchem, Inc., and Alabama Sand and Gravel, Inc.

On November 25, 2014, the Plan was amended and restated to bring the Plan into compliance with the Pension Protection Act of 2006 (“PPA”). In addition to the PPA restatement, a restatement of surviving and merging plans was included to restate the Globe Metallurgical Hourly Employees Retirement Savings Plan and merge the Core Metals Group Retirement Plan into the Globe Metallurgical, Inc. Retirement Savings Plan, the surviving plan. The restatement expanded the Plan’s coverage to include the employees of WVA Manufacturing, Inc., Core Metals Group LLC, Tennessee Alloys Company, LLC, and Metallurgical Process Materials Company. Effective November 25, 2014, the Plan became a multiple employer plan.

Effective February 1, 2016, the Alden Resources, LLC Employee Retirement Savings Plan merged into the Globe Metallurgical, Inc. Retirement Savings Plan.

The current Plan covers all salaried employees and the non-union hourly employees of the following companies: Globe Metallurgical, Inc., Globe Specialty Metals, Inc., WVA Manufacturing, Inc., Norchem, Inc., Alabama Sand and Gravel, Inc., Core Metals Group LLC, Tennessee Alloys Company, LLC, Metallurgical Process Materials Company, Alden Resources, LLC, (collectively, the “Companies”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Eligibility

Generally, employees covered by the Plan are eligible to participate upon their employment commencement date. The Plan has an auto-enrollment feature under which all eligible employees are enrolled at 3%, unless the employees make an election to opt out. The Plan does not contain an automatic increase provision for deferrals.

NOTE 1 - PLAN DESCRIPTION (continued)

Contributions

Participants may contribute up to 100% of their base salary to the Plan on a pre-tax basis or after-tax basis, except for the collectively bargained employees of Core Metals Group LLC, Tennessee Alloys Company, LLC, and Metallurgical Process Materials Company, who may not elect to defer less than 1% or more than 80% of payroll period compensation to the Plan on a pre-tax basis. Contributions for any calendar year are subject to certain Internal Revenue Code limitations, which are \$20,500 for 2022 and \$19,500 for 2021. Participants that are age 50 or over may also elect to make catch-up contributions, which are limited to \$6,500 for 2022 and 2021.

The Companies may make discretionary matching contributions to the Plan, on behalf of participants. The discretionary match for employees of Core Metal Group LLC, Tennessee Alloys Company, LLC, and Metallurgical Process Materials Company is equal to 50% of the first 10% of participant deferrals. The discretionary match for employees of Alden Resources, LLC is equal to 100% of the first 1% of participant deferrals and 50% of the next 5% of participant deferrals, up to a maximum of 3.5%. The discretionary match for all other companies is equal to 25% of the first 6% of participant deferrals.

Effective April 2022, the discretionary match doubled for employees of all Companies, with the exception of Core Metal Group LLC, Tennessee Alloys Company, LLC, Metallurgical Process Materials Company, and Alden Resources, LLC, to equal 50% of the first 6% of participant deferrals.

The Plan also permits rollover contributions from other qualified retirement plans.

Profit sharing contributions

For employees of Core Metals Group LLC, Tennessee Alloys Company, LLC, and Metallurgical Process Materials Company, an employer nonelective profit sharing contribution is allocated to each eligible participant's account. The contribution is 2.5% of eligible gross compensation, as defined, and is allocated to each eligible participant account on a pro-rata basis. To be eligible for these contributions, a participant must have 1,000 service hours, be employed on the last day of the respective Plan year, and be hired on or after April 1, 2009.

Participant accounts

Each participant's account is increased by participant contributions, employer contributions, and Plan earnings. Participant accounts are charged an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 - PLAN DESCRIPTION (continued)

Participant accounts (continued)

Participants may direct their contributions to any of the investment options provided, and may change their allocation of contributions or transfer money between investment options any time during the year. Participants who are auto-enrolled in the Plan are invested in the appropriate age-based target retirement fund.

Vesting

All Plan participants are 100% vested in deferred contributions and any investment earnings thereon.

For employees at Globe Metallurgical, Inc., Globe Specialty Metals, Inc., WVA Manufacturing, Inc., Norchem, Inc. (except for hourly and collectively bargained employees), Alabama Sand & Gravel, Inc. and Alden Resources, LLC, participants vest in employer contributions at a rate of 20% per year of continuous service, and become 100% vested after five years of continuous service.

Employees of Core Metals Group LLC, Tennessee Alloys Company, LLC, and Metallurgical Process Materials Company have a three-year graded vesting schedule for all employer contributions, under which participants are 50% vested after two years of continuous service and 100% vested after 3 years of continuous service.

Hourly and collectively bargained employees of WVA Manufacturing, Inc. have a one-year cliff vesting schedule for all employer contributions, under which participants become 100% vested after one year of continuous service.

Notes receivable from participants

Loans are made available to all participants in accordance with the specific provisions set forth in the Plan. Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or one-half of a participant's total vested account balance. Participants are limited to two outstanding loans at any time. Loans are repaid through regular payroll deductions over a maximum of five years, or ten years for the purchase of a principal residence. Outstanding loan that are not repaid when a participant withdraws from the Plan are classified as benefits paid to participants in the statements of changes in assets available for benefits. Loans to participants bear interest at a rate of 1% above the prime rate at the time the loan is made. Participants with loan balances had interest rates ranging from 4.25% to 8.50% during the year ended December 31, 2022 and 4.25% to 6.50% during the year ended December 31, 2021.

NOTE 1 - PLAN DESCRIPTION (continued)

Payment of benefits

Upon death, disability, retirement or other termination of employment, the participant or beneficiary will receive a lump-sum distribution of their account balance. Participants who have reached the age of 59 ½ may also elect to receive in-service distributions. A participant may also, in the event of hardship, be permitted to withdraw all or a portion of deferred salary contributions and employer profit-sharing and matching contributions, in accordance with Plan provisions.

The Plan allows for automatic distributions for terminated participants with account balances under certain dollar thresholds. Vested account balances of less than \$1,000 are automatically distributed to terminated participants. Vested account balances between \$1,000 and \$5,000 are automatically distributed to an individual retirement account for the benefit of the terminated participant.

Forfeitures

Participants will forfeit the portion of their accrued benefits that are not vested upon termination, for reasons other than normal retirement, disability, or death. Amounts that are forfeited can be used to pay administrative costs of the Plan, reduce future employer matching contributions, or can be allocated to participants as non-elective contributions. As of December 31, 2022 and 2021, forfeited account balances totaled \$112,612 and \$72,730, respectively. During 2022 and 2021, the Plan used \$16,722 and \$72,011, respectively, of forfeited account balances to pay administrative expenses. Forfeitures of \$40,270 and \$0 were used to reduce employer contributions for the years ended December 31, 2022 and 2021, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting consistent with accounting principles generally accepted in the United States of America ("GAAP").

Use of estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of changes in assets during the reporting period. Actual results could differ from those estimates.

GLOBE METALLURGICAL, INC.
RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS
(continued)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment valuation and income recognition

Investments are reported at their fair value as reported to the Plan administrator by the trustees and custodians of the Plan's assets. The Plan's investments consist of mutual funds and a common collective trust ("CCT"). The Plan's investments in certain mutual funds are stated at fair value as measured by quoted market prices. The Plan's investment in a CCT is stated at the net asset value ("NAV") of units held by the Plan at year end. The NAV is used as a practical expedient to estimate fair value.

Investment transactions are accounted for on the trade date (date the order to buy or sell is executed). Interest and dividend income are recorded as earned. All gains and losses (realized and unrealized) on investments recorded at fair value, bought and sold as well as held during the year, are included in net appreciation (depreciation) in fair value of investments reported within the statements of changes in assets available for benefits.

The Plan provides various investment options offered through the custodian of the Plan. The underlying investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of assets available for benefits and participants' individual account balances.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. Delinquent notes receivable from participants are recorded as a distribution based on the term of the Plan document.

Notes receivable from participants determined to be in default, as defined by the Plan document, are reported to the participant as taxable income and are subject to personal income taxes and penalties. Such notes receivable remain outstanding and continue to accrue interest. The notes receivable are charged against the participant's vested account balance once a distributable event, as defined in the Plan document, has occurred. See Note 8 for a summary of amounts included as notes receivable from participants within the financial statements, but considered a distribution for purposes of tax reporting.

Payment of benefits

Benefits are recorded when paid.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Administrative expenses

Administrative expenses that are not paid directly by the Companies are paid out of Plan assets and reflected as administrative expenses in the statements of changes in assets available for benefits.

Subsequent events

The Plan evaluates events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The accompanying financial statements consider events through October 10, 2023, the date on which the financial statements were available to be issued.

NOTE 3 - CERTIFICATION

During June 2021, the Plan changed custodians from Wells Fargo Bank, N.A. to Principal Trust Company. All information related to investments assets, investment transactions, and related income is disclosed in the accompanying financial statements and supplemental schedule of assets (held at end of year), and is certified as complete and accurate by Wells Fargo Bank, N.A. and Principal Trust Company, the custodians of the Plan for the respective periods, in accordance with 29 CFR 2520-103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 4 - FAIR VALUE MEASUREMENTS

Investments measured and reported at fair value, except for those measured and reported using NAV, are classified and disclosed in one of the following categories based on the extent of market observability:

Level I – Quoted prices are available in active markets for identical investments as of the reporting date. The type of investments reported as Level I include mutual funds.

Level II – Pricing inputs are other than quoted market prices included in Level I, however, are observable either directly or indirectly for the investment. The Plan does not carry any of these investments.

Level III – Pricing inputs are unobservable for the investment and includes situations where there is little, if any, market activity for the investment. The inputs into the determination of fair value require significant management judgment or estimation. The Plan does not carry any of these investments.

NOTE 4 - FAIR VALUE MEASUREMENTS (continued)

The valuation of the Plan's investments by the above fair value hierarchy levels are as follows as of December 31:

2022					
	Level I	Level II	Level III	Investments measured at NAV	Total
Mutual funds	\$ 42,906,518	\$ --	\$ --	\$ --	\$ 42,906,518

	<u>\$ 42,906,518</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 8,883,851</u>	<u>\$ 51,790,369</u>
2021					
	Level I	Level II	Level III	Investments measured at NAV	Total
Mutual funds	\$ 55,534,857	\$ --	\$ --	\$ --	\$ 55,534,857
Common collective trust	--	--	--	8,926,071	8,926,071
	<u>\$ 55,534,857</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 8,926,071</u>	<u>\$ 64,460,928</u>

The following additional information is provided regarding the Plan's common collective trust included in the above tables:

Investment	2022 fair value	2021 fair value	Unfunded commitments	Redemption frequency	Redemption notice period
Galliard Stable Return Fund (fka Wells Fargo Stable Return Fund)	\$ 8,883,851	\$ 8,926,071	\$ --	Daily	Up to 12 months

The Galliard Stable Return Fund (fka Wells Fargo Stable Return Fund) is a common collective trust that primarily invests in investment contracts issued by financial institutions and other eligible stable value investments, including guaranteed investment contracts, separate account guaranteed investment contracts, and security-backed investment contracts, with the objective of providing safety of principal and a stable rate of interest.

NOTE 5 - TERMINATION

Although not expressing any intent to do so, the Plan sponsor reserves the right to modify, change, or terminate the Plan at any time. Upon a termination or partial termination of the Plan, the rights of all the participants to benefits accrued through the date of such termination or discontinuance are non-forfeitable, and their accounts shall become 100% vested as of that date.

NOTE 6 - INCOME TAX STATUS

The Plan is operating under a non-standardized pre-approved plan document of Principal Life Insurance Company that was established to comply with the applicable requirements of the Internal Revenue Code. The Plan obtained its latest opinion letter dated June 30, 2020, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the Plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement dates.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for periods prior to 2019.

NOTE 7 - RELATED PARTY TRANSACTIONS

Certain Plan investments were managed by Wells Fargo Bank, N.A, the custodian of the Plan until June 2021. The related investment transactions qualify as party-in-interest transactions under ERISA. Fees paid by the Plan for investment management and trustee services to Wells Fargo Bank, N.A. and Principal Trust Company also qualify as party-in-interest transactions. The Plan also holds notes receivable from participants which qualify as party-in-interest transactions.

NOTE 8 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of notes receivable from participants per the financial statements to the Form 5500 for the years ended December 31:

	<u>2022</u>	<u>2021</u>
Notes receivable from participants per the financial statements	\$ 1,903,843	\$ 1,668,260
Less: participant loans deemed distributed as of Plan year-end	<u>10,828</u>	<u>27,900</u>
Participant loans per the Form 5500	\$ <u>1,893,015</u>	\$ <u>1,640,360</u>

The following is a reconciliation of payment of benefits per the financial statements to the Form 5500 for the year ended December 31:

	<u>2022</u>	<u>2021</u>
Payment of benefits per the financial statements	\$ 6,031,544	\$ 9,531,395
Plus: change in participant loans deemed distributed	<u>(17,072)</u>	<u>(22,572)</u>
Total benefit payments per the Form 5500	\$ <u>6,014,472</u>	\$ <u>9,508,823</u>

The financial statements present participant loans that have been deemed distributions as notes receivable from participants until a distributable event, such as employment termination, death, or disability, has occurred. However, the instructions for Schedule H of the Form 5500 state that a participant loan that has been deemed distributed during the plan year should be reported as an expense if the participant loan is treated as a directed investment solely of the participant's individual account and, if as of the end of the plan year, the participant is not continuing repayment under the loan.

NOTE 9 - DELIQUENT PARTICIPANT CONTRIBUTIONS

The Companies identified \$423,539 and \$52,027 of participant contributions and \$0 and \$6,717 of loan repayments on notes receivable from participants that were remitted to the Plan in an untimely manner during the years ended December 31, 2022 and 2021, respectively. As of December 31, 2022, the Plan was owed lost earnings totaling \$596 related to these errors, which is recorded as employer corrective contributions receivable on the statement of assets available for benefits. During the 2023 plan year, the Companies intend to reimburse the Plan, on behalf of the affected participants, for any lost earnings related to these late contributions and correct these prohibited transactions through the Voluntary Fiduciary Correction Program.

NOTE 10 - FIDUCIARY BOND REQUIREMENT UNDER ERISA

ERISA requires that every fiduciary of an employee benefit plan and every person who handles funds or other property of such a plan be bonded. This requirement protects plans against the risk of loss due to acts of fraud or dishonesty by those persons whose positions require them to come in direct contact with or exercise discretion over plan assets. The amount of the bond must be at least 10% of the amount of funds, with a minimum requirement of \$1,000 and a maximum requirement of \$500,000 per plan.

During the plan years 2022 and 2021, the Plan was not bonded, as required by ERISA. In May 2023, management obtained the required fiduciary bond in compliance with ERISA requirements.
