**INDEPENDENT AUDITOR'S REPORT
ON COMMENTS AND SUGGESTIONS**

To the Plan Administrator and Those Charged with Governance of
Tele-Optics, Inc. Profit Sharing 401(k) Plan
Kingsport, Tennessee

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of Tele-Optics, Inc. Profit Sharing 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as of and for the year ended December 31, 2022, in accordance with auditing standards generally accepted in the United States of America, we considered Tele-Optics, Inc. Profit Sharing 401(k) Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of issuing our report on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform an ERISA Section 103(a)(3)(C) audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Empower Trust Company and MassMutual Life Insurance Company that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit also did not include a consideration of internal control relating to the investment information.

Our consideration of internal control was for the limited purpose described in the preceding paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified certain deficiencies in internal control that we consider to be significant deficiencies.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected, on a timely basis. We did not identify any deficiencies in internal control that we consider to be material weaknesses.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. A reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgment is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention. The significant are included in the attached report and are appropriately designated. There were no reportable findings.

We have already discussed these comments with management, and we will be pleased to discuss them in further detail at your convenience, to perform any additional study of these matters, or to assist you in implementing the recommendations.

This communication is intended solely for the information and use of the Plan Administrator and Those Charged with Governance of Tele-Optics, Inc. Profit Sharing 401(k) Plan, and management of Tele-Optics, Inc., and is not intended to be, and should not be, used by anyone other than these specified parties.

ASSISTANCE DURING THE AUDIT

We extend our thanks to Ashlee Cornett and Brian Wald for their assistance and attention during the December 31, 2022 audit engagement.

CURRENT YEAR COMMENTS AND SUGGESTIONS

No new comments or suggestions noted. See updates for prior year comments and suggestions below.

STATUS OF PRIOR YEAR COMMENTS AND SUGGESTIONS

SEGREGATION OF DUTIES (Significant Deficiency)

Limited segregation of duties is present in the plan sponsor's design of internal controls. One of the more important aspects of internal control is segregation of duties. In an ideal system of internal controls, no individual would perform more than one duty in connection with any transaction or series of transactions. In particular, no one individual should have access to both physical assets and the related accounting records. Such access may allow errors or irregularities to occur and be concealed with no detection.

Recommendation: *We recommend the plan sponsor continue to use third-parties to mitigate risk and apply an appropriate level of management oversight to internal control areas with limited segregation of duties.*

Status: *Still applicable.*

DEFERRAL CALCULATIONS (Significant Deficiency)

During the audit, we noted the Christmas bonus compensation was not considered for deferral or employer contributions as permitted under the Plan document.

Recommendation: *We recommend the Plan Sponsor work with Empower to amend the Plan document to correctly reflect Plan operations and management's intention.*

Status: *Still applicable.*

REVIEWS OF PARTICIPANT & SOC REPORTS (Control Comment for Consideration)

Management was unable to provide documentation of their reviews of participant allocation reports provided by the third-party administrator. It was also noted management does not review SOC 1 and SOC 2 reports when received.

Recommendation: *We recommend each person reviewing and approving participant allocation reports or other reports provided by the third-party administrator document their action in writing by signing and dating the report reviewed. We recommend management review those reports for any issues indicated with the third-party administrator.*

Status: *Still applicable.*

STATUS OF PRIOR YEAR COMMENTS AND SUGGESTIONS (Continued)

MEETINGS OF THE BOARD (Control Comment for Consideration)

Formal written Board minutes have not been kept for the Plan. Since the minutes are the formal documentation of the Company's position with regard to significant matters pertaining to the Plan, the lack of such documentation undermines the Company's intent in these matters.

Recommendation: *We recommend that documentation of major decisions be approved by the Board of Directors and documented in minutes.*

Status: *Still applicable.*

INACTIVE ACCOUNTS < \$5,000 (Control Comment for Consideration)

Identified during the audit, there are terminated participants with account balances less than \$5,000 have not been cashed out even though the Plan Document states there are involuntary cash-out procedures that should occur when administratively feasible.

Recommendation: *We recommend management develop distribution procedures during the employee exit process or review whether a revision to the Plan Document needs to occur to permit these participants to keep their funds within the Plan.*

Status: *Resolved. Distributions appear to have occurred.*

PAY RATE APPROVALS (Control Comment for Consideration)

Identified during the audit, we noted written approvals for all wage rates and raises were not provided.

Recommendation: *We recommend wage rates and raises be in writing with proper signed and dated approvals to be provided to the payroll department and filed in the participant's file.*

Status: *Resolved. Pay rate approvals were available for all participants tested in the current year.*

CONTRIBUTION REMITTANCES (Control Comment for Consideration)

We noted that employee deferrals are not always submitted as soon as possible. Department of Labor (DOL) Regulation 2510.3-102 requires participant contributions be remitted to the Plan on the earliest date on which they can be reasonably segregated from the Company's general assets, but in no event later than the 15th business day following the end of the month in which amounts are contributed by employees or withheld from their wages. While these contributions were submitted within this outside deadline, the DOL has taken a very strict view of this ruling and could consider these deferrals to be untimely.

Recommendation: *We recommend implementing controls to ensure participant contributions are remitted timely.*

Status: *Resolved. No delayed remittances noted in the current year.*

**COMMUNICATION WITH THOSE CHARGED
WITH GOVERNANCE AT AUDIT CONCLUSION**

To the Plan Administrator and Those Charged with Governance of
Tele-Optics, Inc. Profit Sharing 401(k) Plan
Kingsport, Tennessee

We have audited the financial statements of Tele-Optics, Inc. Profit Sharing 401(k) Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2022, and have issued our report thereon dated October 13, 2023. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Empower Trust Company and MassMutual Life Insurance Company, the Custodians, which are banks or similar institutions or insurance carriers that are regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedule, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America (GAAP). Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated May 9, 2023. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Tele-Optics, Inc. Profit Sharing 401(k) Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2022. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

The financial statement disclosures are neutral, consistent, and clear.

Significant Audit Matters (Continued)

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. There were no corrected or uncorrected misstatements noted during the audit.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the attached management representation letter dated October 13, 2023.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Significant Audit Matters (Continued)

Other Matters

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of the Plan Administrator and Those Charged with Governance of Tele-Optics, Inc. Profit Sharing 401(k) Plan and management of Tele-Optics, Inc., and is not intended to be, and should not be, used by anyone other than these specified parties.

This representation letter is provided in connection with your audit of the financial statements and supplemental schedule of Tele-Optics, Inc. Profit Sharing 401(k) Plan (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the disclosures (collectively, the "financial statements"), for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States (U.S. GAAP) and whether the supplemental schedule is fairly stated in all material respects in relation to the financial statements as a whole. As permitted by Regulation 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), we have elected for you not to perform any auditing procedures with respect to information prepared and certified to by Empower Trust Company and MassMutual Life Insurance Company, the custodians, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedule. We understand that the form and content of the information in the financial statements and supplemental schedule, other than that derived from the information certified by Empower Trust Company and MassMutual Life Insurance Company, has been audited by you in accordance with auditing standards generally accepted in the United States of America, and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure Under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered to be material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of the date of this letter, the following representations made to you during your audit.
