## INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of the  
Consolidated Catholic Benefit Plan

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the accompanying financial statements of the Consolidated Catholic Benefit Plan. (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) (“ERISA Section 103(a)(3)(C) audit”). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Consolidated Catholic Benefit Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditors’ Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Consolidated Catholic Benefit Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Consolidated Catholic Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Consolidated Catholic Benefit Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

***Supplemental Schedule Required by ERISA***

The supplemental schedule of schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. # CONSOLIDATED CATHOLIC BENEFIT PLAN

## Notes to Financial Statements

December 31, 2022 and 2021

---

### NOTE 1 - DESCRIPTION OF PLAN

The following description of the Consolidated Catholic Benefit Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

*General* - The Plan is a defined contribution plan covering all employees of the participating Companies (the "Companies") who have reached the age of 18 during a plan year. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan became effective April 1, 1998.

*Contributions* - Participants may elect to make pretax contributions equal to any whole percentage of their pretax annual compensation not in excess of the amount specified in the Internal Revenue Code ("IRC") as indexed for inflation. The Plan provides for an optional matching contribution by the Companies equal to a percentage of each Participant's salary reduction contributions for the Plan year as specified by resolution of the Board of Directors each Plan year or a discretionary amount, which amount shall be deemed an Employer's Non-Elective Contribution.

The Plan also has a Roth 401(k) investment option which allows participants to elect to designate all or a portion of their annual compensation, subject to the maximum limitation as defined in the IRC, as an after-tax contribution. Effective January 1, 2018, participants eligible for distributions may convert all or any portion of their pretax vested account balance to an in-plan Roth conversion account.

*Participant Accounts* - Each participant's account is credited with the participant's pretax contribution, the Companies' contributions, if applicable, and an allocation of Plan earnings. Earnings allocations are based on account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

*Vesting* - Participants are immediately vested in their voluntary pre-tax contributions plus actual earnings thereon. Participants are fully vested in their Accumulated Company Contribution Accounts upon attaining their normal retirement date while in active service of the firm or upon the termination of credited services as a result of death. Otherwise, vesting on the Accumulated Company Contribution Accounts is determined on years of continuous service based on the following vesting schedule:

| <u>Vesting Years of Service</u> | <u>Vested Percentage</u> |
|---------------------------------|--------------------------|
| Less than 1                     | 0%                       |
| 1                               | 20%                      |
| 2                               | 40%                      |
| 3                               | 60%                      |
| 4                               | 80%                      |
| 5 or more                       | 100%                     |

*Investment Options* - Upon enrollment in the Plan, a participant may direct contributions among investment options in increments of one percent. Participants may change their investment choices on any normal business day.

## **NOTE 1 - DESCRIPTION OF PLAN (continued)**

*Notes Receivable from Participants* - Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000, or the greater of one-half of the vested portion of their account balance or \$1,000. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant notes fund. Loan terms range from one to five years or longer if used for the purchase of a primary residence. The loans are secured by the vested balance in the participant's account and bear interest at a rate commensurate with prevailing rates. Loan repayments will be made pursuant to a separate agreement which may be incorporated into the Plan documents. The notes bear interest at rates between 3.25% and 7.00% per annum at December 31, 2022 and between 3.25% and 5.5% per annum at December 31, 2021.

*Payment of Benefits* - On termination of service, a participant may elect to receive an amount equal to the value of his or her account, or may elect to defer the commencement of benefits until the later of his or her normal retirement age or age 62 at which time the participant can receive either a lump sum, installment payments or an annuity form of distribution. If the combined value of the terminated participant's vested benefit derived from the combined contributions exceeds \$1,000 but does not exceed \$5,000, the entire vested benefit may be paid to the participant by a direct rollover to an individual retirement account.

*Forfeited Accounts* - If a participant terminates employment before the employer contribution portion of the participant's account is fully vested, all unvested amounts will be forfeited upon the complete distribution of the vested portion of the participant's account, subject to the possibility of reinstatement as described in the Plan document. Forfeitures shall be used to pay the Plan's administrative expenses and may be applied to reduce employer matching contributions. In 2022, administrative expenses were reduced by \$9,991 from forfeited nonvested accounts.

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$69,641 and \$59,981, respectively.

## **NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*Basis of Accounting* - The financial statements of the Plan are prepared using the accrual method of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally receive if they were to initiate permitted transactions under the terms of the Plan.

*Investment Valuation and Income Recognition* - Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment committee determines the Plan's valuation policies utilizing information provided by the investment advisers, trustees and insurance company. See Note 5 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

*Notes Receivable from Participants* - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

## **NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

*Administrative Expenses* - The Plan pays for all costs of Plan administration, which includes third-party administrator fees. The cost of administration are passed on to the participants ratably based on the participant balances.

*Estimates* - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that can affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

*Payment of Benefits* - Benefits are recorded when paid.

*Subsequent Events* - The Plan has evaluated subsequent events occurring between the end of the most recent fiscal year and October 10, 2023, the date the financial statements were available to be issued, and has determined that there are no material events that require disclosure in the financial statements.

## **NOTE 3 - CERTIFIED INFORMATION**

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2022 and net (depreciation)/appreciation in fair value of investments, interest and dividends for the year ended December 31, 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company as of October 28, 2022 and Empower Trust Company, LLC ("Empower") as of and for the year ended December 31, 2022 (the trustees of the Plan).

## **NOTE 4 - SEPARATE ACCOUNT GUARANTEED INTEREST CONTRACT**

The Plan has entered into a benefit-responsive investment contract with MassMutual Diversified Bond Separate Account Guaranteed Interest Contract (the "SAGIC") managed by Empower Capital Management, LLC ("ECM"). The SAGIC maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Massachusetts Mutual Life Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The average crediting interest rate is calculated by dividing the annual interest credited to the participants during the plan year by the average annual fair value of the investment. The separate account guaranteed interest contract does not allow the crediting interest rate below 0%.

#### **NOTE 4 - SEPARATE ACCOUNT GUARANTEED INTEREST CONTRACT (continued)**

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

#### **NOTE 5 - FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access;

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability;

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 or 2021.

*Registered Investment Companies (Mutual Funds)* - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Self-Directed Brokerage Account* - Valued at the closing prices reported in the active market where the individual securities are traded.

**NOTE 5 - FAIR VALUE MEASUREMENTS (continued)**

The following presents, by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2022 and 2021. As prescribed by FASB ASU 2015-12, the investment assets are disaggregated by general type.

|                                              |                      |             |             |                      |

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**NOTE 6 - TAX STATUS**

On March 31, 2014, the Internal Revenue Service stated that the prototype adopted by the Plan, as then designed, qualifies under Section 401(a) of the Internal Revenue Code ("IRC"). Although the Plan has not received a determination letter specific to the Plan itself and the Plan has been amended since, the Plan administrator believes that the Plan was designed and was being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes had been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 7 - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Companies have the right under the Plan to discontinue their acceptance of contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

## **NOTE 8 - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits.

## **NOTE 9 - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS**

Plan assets include investments managed by Reliance Trust Company and Empower (formally Massachusetts Mutual Life Insurance Company). Reliance Trust Company and Empower are the Plan's trustees and, as such, transactions with the trustees qualify as party-in-interest transactions. Assets invested in the funds at December 31, 2022 and 2021 total \$3,185,715 and \$3,484,854, respectively. Fees paid by the Plan for the investment management services and other fees amounted to \$113,144 for the year ended December 31, 2022.

## **NOTE 10 - NONEXEMPT TRANSACTIONS**

It was noted in 2021 that there were unintentional delays by the Company in submitting employee contributions in the aggregate amount of \$1,136 to the Plan's trustees. The Company had previously reimbursed the Plan for the lost interest in the amount of approximately \$2 in October 2021.
