INDEPENDENT AUDITOR'S REPORT

To the Trustees of
Analytic Partners, Inc. 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Analytic Partners, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021 and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Analytic Partners, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Analytic Partners, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Analytic Partners, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Analytic Partners, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Analytic Partners, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Analytic Partners, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF THE PLAN

The following brief description of the Analytic Partners, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document, adoption agreement, and summary Plan description for a complete description of the Plan’s provisions.

General

The Plan was established July 1, 2020 to provide retirement benefits to employees of Analytic Partners, Inc. (the “Plan Sponsor”). The Plan is in accordance with the provisions of Internal Revenue Code (“IRC”) Section 401. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Eligibility

All full-time employees, except for those covered by a collective bargaining agreement, nonresident aliens, or leased employees, are eligible to participate in the Plan upon date of hire provided they have attained the age of 21. Part-time employees who complete at least 1,000 hours of service in a Plan year are also eligible to participate following the completion of a year of service. Eligible employees may participate in the Plan as of the next payroll period coinciding with, or the next following payroll period, the date that eligibility requirements are met.

Contributions

Participants are allowed to make pretax and post-tax (Roth) contributions up to the limitation specified in the IRC in effect for each taxable year. Participants may contribute up to 100% of eligible compensation, as defined in the Plan document. During calendar year 2022, participants were permitted to contribute up to a maximum of \$20,500 plus an additional \$6,500 catch-up contribution for employees that are at least 50 years old. The Plan also includes an automatic enrollment feature for all newly eligible employees, as well as previously eligible employees without a deferral rate election, to be automatically enrolled in the Plan at a contribution rate of 3%, unless the participant elects otherwise. The Plan does not contain a feature to automatically increase participants’ deferral rates.

The Plan Sponsor is authorized to make a discretionary matching contribution of a discretionary percentage of the participants’ deferrals or as a flat dollar amount for each participant, as determined by the Plan Sponsor each year. The Plan Sponsor elected to provide a matching contribution of 50% of participant deferrals, up to 6% of participant eligible compensation for the period from January 1, 2022 through December 31, 2022. A participant must be employed as of the last day of the Plan year to be eligible to receive the Plan Sponsor matching contribution, unless the participant dies or terminates employment as a result of becoming disabled. Such contributions for the period from January 1, 2022 through December 31, 2022 amounted to \$596,583.

Participant Accounts

Each participant may direct his or her contributions and any Plan Sponsor contributions into the investment options offered by the Plan. Each participant’s account is credited/debited with the participant’s contribution, Plan Sponsor’s contributions, if any, the Plan’s earnings (losses), distributions, if any, and administration expenses, if applicable. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Analytic Partners, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

Vesting

Participants are immediately vested in their contributions, plus actual earnings (losses) thereon. Vesting in any Plan Sponsor contributions is based on years of service, without regard for hours, and in accordance with the following five-year graded vesting schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
1	20%
2	40%
3	60%
4	80%
5	100%

Without regard to the number of years of vesting service, an employee will become fully vested if, while employed with the Plan Sponsor, the employee dies or terminates employment due to becoming disabled.

Certain participants, of a predecessor plan of the Plan Sponsor, prior to January 1, 2018 with a balance in a prior discretionary Plan Sponsor matching contribution will vest this source of their account balance over a six-year graded vesting schedule, and participants of this predecessor plan on or after January 1, 2018 will vest this source of his or her account balance in accordance with the five-year graded vesting schedule above.

Notes Receivable from Participants

Participants are allowed to borrow from their accounts an amount equal to no less than \$1,000 and no greater than the lesser of \$50,000 or 50% of the participant's vested balance. General purpose loans have terms of 12-60 months, while loans for the purchase of a primary residence have terms of 61-360 months. The loans bear interest at the prime rate as of the date of origination plus 1%. Principal and interest are paid ratably through payroll deductions. For the loan outstanding at December 31, 2022, the interest rate was 6.50% and this loan matures in 2023.

Payment of Benefits

Upon termination of employment, retirement, disability, death, or as a result of a qualified domestic relations order, participants are eligible to receive distributions from their vested account balances. Participants may elect to receive a single or partial lump sum. The Plan also allows for in-service withdrawals for their account balance if the participant has attained the age of 59½ or qualifies for a hardship distribution.

Forfeitures

Forfeiture balances of nonvested Plan Sponsor contributions of terminated participants can be used to reduce Plan Sponsor contributions or to pay administrative expenses of the Plan. During the period from January 1, 2022 through December 31, 2022, \$58,034 of forfeited balances were used to reduce Plan Sponsor matching contributions. As of December 31, 2022 and 2021, the balance in the forfeiture account amounted to \$9,002 and \$8,581, respectively. The fourth quarter matching contribution to the Plan was \$140,266, and \$13,126 of the forfeiture account was used in January 2023 to cover part of the employer contribution.

Investment Options

Upon enrollment in the Plan, participants direct contributions into various investment options offered by the Plan. Participants may change their investment elections at any time. Fund balances may be transferred between the funds at the discretion of the participant without restriction.

Administrative Expenses

Certain administrative functions are performed by employees of the Plan Sponsor for which they are compensated by the Plan Sponsor. In addition, the Plan Sponsor pays certain other Plan-related expenditures. Certain investment-related Plan expenses, such as fees paid to administer and manage the funds, are paid from the assets of the funds and, therefore, reduce the overall return offered by the funds. Expenses that are paid by the Plan Sponsor are excluded from these financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared in compliance with the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis and dividend income is recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the Plan year.

Payments of Benefits

Benefit payments are recorded upon distribution.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed as they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

3. INFORMATION CERTIFIED BY THE TRUSTEES (UNAUDITED)

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8; therefore, no auditing procedures were performed by the independent auditor with respect to information certified as complete and accurate by the trustees except for comparing such information with the information reported in the financial statement, as permitted under the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Reliance Trust Company has certified the completeness and accuracy of all investments and notes receivable from participants in the accompanying statement of net assets available for benefits as of December 31, 2021, and all investment activity for the period from January 1, 2022 to May 1, 2022 in the accompanying statement of changes in net assets available for benefits. Empower Trust Company has certified the completeness and accuracy of all investments and notes receivable from participants in accompanying in the accompanying statement of net assets available for benefits as of December 31, 2022, and all investment activity for the period from May 1, 2022 to December 31, 2022 in the accompanying statement of changes in net assets available for benefits, and the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2022. No auditing procedures were performed by the independent public accountants as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by the trustees, except for comparing such information with the related information included in the financial statements and supplemental schedule.

4. FAIR VALUE MEASUREMENT

The Financial Accounting Standards Board established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs are supported by little or no market activity and are financial instruments whose values are determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Analytic Partners, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

The following is a description of the valuation methodologies used for the Plan's assets measured at fair value:

Mutual Funds: Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end.

Common Collective Trusts ("CCTs"): The investments in CCTs are valued at fair value using net asset value per share ("NAV") as a practical expedient. The use of NAV is deemed appropriate as the common collective trusts do not have a finite life, unfunded commitments, or significant restrictions on redemptions. The practical expedient is used for valuation, unless it is probable that the Plan will sell a portion of the investment at an amount different from the net asset valuation.

The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets at fair value, by class of asset, as of December 31, 2022 and 2021:

Description	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds, at fair value	\$ 10,120,937	\$ -	\$ -	\$ 10,120,937
Investments measured at NAV*				
Common collective trusts (CCTs)				7,576,498
Total investments				\$ 17,697,435

Description	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds, at fair value	\$ 11,058,722	\$ -	\$ -	\$ 11,058,722
Investments measured at NAV*				
Common collective trusts (CCTs)				7,542,543
Total investments				\$ 18,601,265

*In accordance with Subtopic 820-10, certain investments that are measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. PARTIES-IN-INTEREST

Empower Retirement ("Empower") serves as the Plan's third-party administrator and recordkeeper. Certain Plan investments were managed by Empower or its affiliates; therefore, these transactions qualify as party-in-interest transactions. Fees paid directly by the Plan to Empower for Plan administration approximated \$120,000 for the year ended December 31, 2022 and are included in administrative expenses. Additionally, notes receivable from participants are considered to be party-in-interest transactions.

6. INCOME TAX STATUS

The Plan Sponsor adopted Empower's non-standardized pre-approved plan document. Accordingly, the Plan is permitted to rely on the opinion letter dated April 7, 2021 from the Internal Revenue Service. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its tax exemption. Although the Plan has been amended since receiving the opinion letter, the Plan Sponsor believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or de-recognize an asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a taxing authority. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2022 and 2021, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or de-recognize an asset) or disclosure in the financial statements. Furthermore, there are no tax-related interest or penalties for periods presented in these financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in their accounts and the net assets of the Plan will be distributed as prescribed by ERISA.

8. SUBSEQUENT EVENTS

Subsequent events were evaluated through October 13, 2023, the date the financial statements were available to be issued. Based on that evaluation, the Plan has determined that no subsequent events have occurred that require adjustment to, or disclosure in, these financial statements.
