INDEPENDENT AUDITORS' REPORT

To the Trustees of
Kessler Topaz Meltzer & Check, LLP 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Kessler Topaz Meltzer & Check, LLP 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Kessler Topaz Meltzer & Check, LLP 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Kessler Topaz Meltzer & Check, LLP 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Kessler Topaz Meltzer & Check, LLP 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Kessler Topaz Meltzer & Check, LLP 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Kessler Topaz Meltzer & Check, LLP 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at Year End) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

**AS OF DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022**

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the Kessler Topaz Meltzer & Check, LLP 401(k) Profit Sharing Plan (“the Plan”) is provided for general information purposes only. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

GENERAL

The Plan is a 401(k) profit sharing plan covering employees and partners of Kessler Topaz Meltzer & Check, LLP (the “Partnership” or “Plan Sponsor”). All eligible non-temporary employees are permitted to enter the Plan on their date of hire. For matching contributions and discretionary profit sharing contributions, a participant will become eligible on January 1st or July 1st coinciding with or following the first anniversary of the employee’s date of hire. The Plan’s Retirement Committee is responsible for oversight of the Plan, determines the appropriateness of the Plan’s investment offerings and monitors investment performance. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

On January 1, 2022, the Retirement Committee amended the Plan from a safe harbor matching contribution of 100% up to 4% of eligible compensation, to a match of 50% up to 6% of eligible compensation.

On June 1, 2022, the Plan transferred its recordkeeping and net assets from Empower Retirement and Reliance Trust Company to John Hancock Retirement Plan Services, LLC and John Hancock Trust Company, LLC.

CONTRIBUTIONS

Participants may contribute a percentage of their annual compensation or a flat dollar amount provided that in no event shall contributions exceed the maximum dollar amount allowable by the Internal Revenue Code (“IRC” or the “Code”), which was \$20,500 for the year ended December 31, 2022 (\$27,000 for participants over age 50). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (“rollover contributions”).

During 2022, the Partnership made matching contributions of 50% of deferrals up to 6% of eligible compensation contributed to the Plan. The Partnership’s matching contribution was \$626,573, for the Plan year ended December 31, 2022.

NOTES TO FINANCIAL STATEMENTS

**AS OF DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022**

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

The Partnership's profit sharing contribution is determined on an annual basis by the Partnership and is allocated to individual participants based on various considerations, subject to the applicable IRC limitations, as set forth in the Plan document. The Partnership's discretionary profit sharing contribution was \$661,125 for the year ended December 31, 2022, of which \$523,875 is included in Partnership contributions receivable in the statements of net assets available for benefits at December 31, 2022.

PARTICIPANT ACCOUNTS

Individual participant accounts are credited with the participant's contributions, the Partnership's matching contributions, as well as allocations of the Partnership's profit sharing contribution and Plan earnings. Participant accounts are charged with an allocation of certain administrative expenses that are paid by the Plan. Allocations are based upon participant earnings and losses, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

VESTING

Participants are fully vested in their participant contributions, rollover contributions and Partnership safe harbor matching contributions, plus actual earnings thereon. Participants become vested in their Partnership profit sharing contributions, non-safe harbor matching contributions, and earnings thereon over the following vesting period:

<u>Years of Service</u>	<u>Percentage Vested</u>
Less than 2	0%
2 but fewer than 3	20%
3 but fewer than 4	40%
4 but fewer than 5	60%
5 but fewer than 6	80%
6 years of service or more	100%

Upon the attainment of age 65 or upon death or disability, a participant would become immediately vested in their participant account balance.

NOTES TO FINANCIAL STATEMENTS

**AS OF DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022**

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

FORFEITURES

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$3,288 and \$17,819, respectively. During 2022, the Plan used \$15,899 to pay Plan expenses and \$2,024 was utilized to reduce the Partnership's profit sharing contribution.

OTHER INCOME AND UNALLOCATED BALANCES

At times, payments are received by the Plan from its mutual fund investments that exceed the amounts owed ("Revenue Sharing"). At December 31, 2022 and 2021, there were unallocated balances resulting from excess Revenue Sharing payments amounting to \$9,768 and \$40,264, respectively.

During 2022, the Plan received \$46,864 and was recorded as other income in the statement of changes in net assets available for benefits for the year ended December 31, 2022. During the year ended December 31, 2022, the Plan used Revenue Sharing amounts of \$77,360 and was recorded as administrative expenses in the statement of changes in net assets available for benefits.

INVESTMENT OPTIONS

Participants direct the investment of their contributions and Partnership matching and profit sharing contributions into various investment options offered by the Plan. The Plan offers various mutual funds as investment options to participants. Participants may change their investment elections at any time.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum to the lesser of \$50,000 or 50% of participant's vested account balance, whichever is less.

Each note is secured by the balance in the participant's vested account and bears interest at a reasonable rate determined at the date of the note by the Plan sponsor. The term of the note is limited to five years except for notes used to acquire a principal residence in which a reasonable period of time is determined at the time the note is made which may exceed five years. Repayment of principal and interest are paid through level payroll deductions over the life of the note.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

PAYMENT OF BENEFITS

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or installment payments over a period not to exceed the life expectancy of the participant and the participant's designated beneficiary. Terminated participants with balances of less than \$5,000 receive lump-sum distributions.

The Plan allows for automatic rollovers of account balances of terminated participants into an Individual Retirement Account designated by the Plan administrator if the distribution amount exceeds \$1,000, but not in excess of \$5,000, and the participant does not elect to receive the distribution or have the distribution paid directly to an eligible retirement plan.

Terminated participants with account balances of \$1,000 or less, may be distributed to the participant without consent.

At their request, participants age 59 ½ or older are entitled to in-service distributions of all or part of their individual participant account balance.

In the event of a financial hardship, a participant may elect to withdraw all or a portion of their vested account balance.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

**AS OF DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022**

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

INVESTMENT VALUATION AND INCOME (LOSS) RECOGNITION

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Committee determines the Plan's valuation policies utilizing information provided by the investment advisors. See Note 4 for fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. Delinquent notes are reclassified as distributions based upon the terms of the Plan document.

ADMINISTRATIVE EXPENSES

Certain expenses incurred in the administration of the Plan are paid directly by the Partnership and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

PAYMENTS OF BENEFITS

Benefits are recorded when paid.

NOTE 3 - INFORMATION CERTIFIED BY THE CUSTODIANS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company and John Hancock Trust Company, LLC, the custodians of the Plan. This information has not been audited by the Plan's independent auditors.

NOTES TO FINANCIAL STATEMENTS

**AS OF DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022**

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets that the Plan has the ability to access for identical assets or liabilities.

Level 2 - Inputs to the valuation methodology are quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable and market-corroborated inputs which are derived principally from or corroborated by observable market data. If the asset or liability has a specified (contractual) term, the level 2 must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for investments measured at fair value at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The mutual fund investments of \$39,662,104 and \$45,934,934 at December 31, 2022 and 2021, respectively, have been classified as Level 1 assets in the fair value hierarchy.

NOTES TO FINANCIAL STATEMENTS

**AS OF DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022**

NOTE 5 - TAX STATUS

The Internal Revenue Service (“IRS”) has determined that the volume submitter 401(k) profit sharing plan, as then designed, was qualified in accordance with the applicable sections of the IRC and informed the third party administrator of such in a letter dated June 30, 2022. The Plan administrator has adopted the Plan and subsequent amendments and believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan has taken no uncertain positions as of December 31, 2022 and 2021. The Plan is subject to routine audits by IRS; however, there are currently no audits for any tax periods pending or in progress.

NOTE 6 - PARTIES-IN-INTEREST

The Plan paid a total of \$193,610 to various service providers for custodial, recordkeeping, investment advisory, third party administration and other professional services for the year ended December 31, 2022. These transactions qualify as party in interest transactions exempt from prohibited transaction rules.

The Plan allows participants to take loans from their accounts in the Plan. These notes receivable from participants qualify as party-in-interest transactions and totaled \$416,550, and \$440,221 as of December 31, 2022 and 2021, respectively.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit. Market risks include global events which would impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

**AS OF DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022**

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Partnership has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provision of ERISA. In the event of Plan termination, all participants would become 100% vested in their individual participant account balance.

NOTE 9 - DIFFERENCES FROM FORM 5500

Differences between the Annual Return/Report of Employee Benefit Plan, Form 5500, and these financial statements are a result of different classifications between line items. Total Plan net assets are in agreement.

NOTE 10 - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 12, 2023, the date the financial statements were available to be issued.

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.

Effective October 1, 2023, the Plan was amended to include an auto enrollment feature. Under this provision, all current employees who have not made a deferral election as of the effective date will be automatically enrolled in the Plan with a pre-tax deferral of 6% of eligible compensation. Upon meeting Plan eligibility provisions, new participants will also be automatically enrolled in the Plan with a pre-tax deferral of 6% of eligible compensation. Contributions will automatically be invested in the appropriate Vanguard Target Date Fund. Once enrolled, participants can elect to contribute a different amount, or to a different investment fund, by an affirmative online election through the recordkeeper.
